The Stated Clerk was authorized to print the Roll.

The Committee of Arrangements, through its Chairman, Rev. Hugh K. Walker, D.D., presented a Report, which was accepted and adopted, and is as follows:

The Committee of Arrangements respectfully begs leave to report to the General Assembly of the Presbyterian Church the following recommendations:

1. As to Hours of Meeting.—The Committee recommends that

the sessions of the General Assembly be held from 9 A.M. to 12 M., the first half hour being devoted to devotional exercises, and from 2 to 5 P.M.; and that the popular meetings be held at 7.45 P.M.

2. As to the Celebration of the Communion.—The Committee recommends, in connection with the administration of the Sacrament of the Lord's Supper this evening, the following appointments: To preside, the retiring Moderator; to administer the Bread, Rev. William N. Page, D.D., of the Presbytery of Topeka; and to administer the Cup, Rev. Peyton H. Hoge, D.D., of the Presbytery of Louisville. Elders to aid in distributing the Bread: Edward C. Stringer, of the Presbytery of St. Paul; John A. McGregor, of the Presbytery of Boston; J. N. Smith, of the Presbytery of Utah; Frank E. Marsh, of the Presbytery of Chicago; W. B. McCarthy, of the Presbytery of Huntingdon; William Murray, of the Presbytery of Saginaw; Howard Kennedy, Sr., of the Presbytery of Omaha; George B. Rogers, of the Presbytery of North Texas; J. B. Monfort, M.D., of the Presbytery of Iowa; William E. Forman, of the Presbytery of Hannibal; Francis W. Rutherford, of the Presbytery of Carlisle, and Archibald Hossack, of the Presbytery of Olympia. Elders to aid in administering the Cup: Hon. Alexander M. Scott, of the Presbytery of Crawfordsville; H. H. Bingham, M.D., of the Presbytery of Buffalo; Cyrus Peck, of the Presbytery of Newark; Seymour F. Adams, Esq., of the Presbytery of Cleveland; Enos M. Hubbard, of the Presbytery of French Broad, and George H. Daniel, of the Presbytery of Kansas City.

3. As to Receptions.—The Committee would report that the Chamber of Commerce will extend a reception to the Commissioners, and to all who are in attendance upon the sessions of the General Assembly, Friday, May 22, from 4 to 8 P.M., and we recommend that the Assembly adjourn at 4 P.M. to-morrow in order that we may accept the courtesies so cordially tendered by the public-spirited citizens of this splendid civic organization, which did so much toward inducing the Assembly to come to this coast.

The Committee also recommends that the invitation of the Board of Trustees of Occidental College to the General Assembly to attend the ceremony attending the breaking of ground for the new buildings soon to be erected be accepted, and that we adjourn for the purpose of participating in this function on Monday afternoon, May 25, at 4 o'clock. Special cars, with ample facilities for the transportation of the Commissioners, have been provided

by the Trustees of the College, and will leave the corner of Tenth and Flower streets immediately upon the adjournment of the Assembly.

The Committee would also report that Mrs. Elizabeth Hollenbeck, the founder of the Hollenbeck Home, has extended a cordial invitation to a general reception to be given on Tuesday afternoon, from 4.30 to 8 P.M., and recommend that the Assembly adjourn at 4.30 P.M., that the Commissioners may have the opportunity of attending this very interesting function. Refreshments will be served and an opportunity offered of inspecting a model home for aged people, the gift of a noble Presbyterian woman.

The Committee takes great pleasure in reporting the banquet to be given by the Presbyterian Laity Association on Thursday evening, May 28, at 7 o'clock. Invitations will be extended to all Commissioners and members of the Assembly. The Committee recommends the acceptance of this courtesy, with the thanks of the Assembly to the Special Committee of the Association, which has worked so hard and so faithfully to insure the success of this the largest and most elaborate banquet ever attempted in this city.

4. As to Excursions.—The Committee would report that arrangements have been made for an excursion over the Salt Lake Railroad to Long Beach on Saturday afternoon, May 23. A special train has been provided for the members of the Assembly and their wives, leaving the First Street Station at 1 P.M. Luncheon will be served by the people of Long Beach on the arrival of the train. The Committee recommends that the Assembly adjourn at 12 M. on Saturday, for the purpose of accepting the courtesy thus extended.

The Committee also reports that complimentary round-trip tickets to Mt. Lowe will be given to members of the General Assembly, with the compliments of the Committee of Arrangements. The tickets will be honored up to and including June 3, and can be transferred by any Commissioner, if not used, to any member of his family or to some immediate friend. As the tickets will be honored for some time after the adjournment of the Assembly, it is hoped that this delightful excursion may be enjoyed by all the Commissioners, without interfering with their attendance upon the business sessions of the Assembly.

5. As to Popular Meetings.—The Committee also reports that arrangements have been made for the following popular meetings, to be held in the Immanuel Presbyterian Church, except when otherwise indicated:

Friday, May 22, at 7.45 P.M., in the interest of Sabbath-school Work.

The Special Committee on Sabbath Observance, presented its Report, which was accepted, and after addresses by Rev. Israel W. Hathaway, D.D., Secretary, Mr. James Yereance, Chairman, and others, was adopted. The Report is as follows:

Fathers and Brethren:—Your Committee on Sabbath Observ-

ance most respectfully submits to the General Assembly the following Report:

We would call the attention of the Presbyterian Church in the United States of America to the advantages of a more careful study, and so to a better appreciation of the true relation and position of the divine institution of the Sabbath to all Christian life and church work.

In the emphatic words of our Lord, "The Sabbath was made for man," we find the warrant for our faith in the eternal and universal Sabbath law given for all mankind and adapted by the *Lord of the Sabbath* to all ages, dispensations and conditions of men.

This law, which is the gift of divine love to mankind, promotes to those who obey it the fruition of the best that is potential in human nature, and furthers the consummation of that which is the purpose of the Father in the gift of His only begotten Son.

We believe that the true relation of the Sabbath question, and of obedience to the Sabbath law, to the efficiency of all Home and Foreign Missionary labors, and, in fact, to all church and evangelistic work, is but little appreciated by many of the most zealous, faithful and advanced thinkers and workers in the various departments of the Master's service. This question is very often considered subordinate to others, when it should hold a first place among those that should engage the attention of every individual Christian, and also of every ecclesiastical body. Proper Sabbath observance, instead of being attained as the result of evangelism, should be the forerunner of evangelistic and Christian effort. As the Old Testament Scriptures are related to the New, so is obedience to the known moral law related to evangelism. Obedience to the Fourth Commandment is "a John the Baptist" to all Christian service. It is this obedience that shall largely prepare the way of the Lord and make His paths straight. This obedience must go before, no less than follow evangelistic effort. To expect the person and power of the Holy Spirit to correct a lack of Sabbath observance is largely to transpose cause and effect. Providence waits for the obedience of man to known laws and commands in order that the larger blessing may be added. It is he who is faithful over the talent of knowledge already received, who shall be esteemed most worthy of a larger stewardship. In Acts v. 32 we read: "And we are his witnesses of these things; and so is also the Holy Ghost, whom God hath given to them that obey him."

In the great majority of cases the first attack of the enemy of souls is made upon the strategic point of the Fourth Commandment, which Commandment holds the centre of the Christian line of defense against the forces of evil. He well knows that if he can break the line here, he may achieve an easy victory.

As Voltaire has most truly said, "Christianity can never be overthrown until this stronghold of the Sabbath shall be taken," after which the victory will be easy. Brethren, why should we longer cast the leaves for the healing of the nations into the broad sweeping current of ungodliness and unbelief, that should be cast into this *fountain* of Sabbath desecration, this fountain of bitter waters, that is poisoning every branch of the river of life as related to Christian civilization, and is so largely neutralizing every department of Christian effort. False notions, crude conceptions, careless indifference, selfish disregard, together with the love of pleasure and love of money, are trampling over the Lord's Day, and with it the most sacred interests of human society and human souls; and it is a matter of the most serious consequence to the future of the Church of Christ, and to the future of Christian civilization in America and in the world.

We have but to trace the history of the nations of this world from Israel to the present time, to learn that Sabbath desecration has been the forerunner of their undoing; and yet in the face of this indisputable fact, far too large a portion of the Church of Christ in America treat the Sabbath question as subordinate to many others which are in fact far less important, and often give it small place in the Sabbath-school and pulpit, or on the programmes of ecclesiastical courts and religious conferences. We would that the necessity of obedience to the Fourth Commandment were placed more to the front, that it may prepare the way for the answer to the prayers of God's people for a fuller blessing upon the Church of Christ, and a larger ingathering of souls and a greater benediction upon all mankind.

Notwithstanding the tendency of so many thousands of American citizens to treat the claims of the Christian Sabbath with indifference, if not with contempt, and to denominate all efforts to maintain the sacred character of this day as attempts to perpetuate "blue laws" and to interfere with personal liberty, and with the carelessness of so large a percentage of professed Christians, there are indications of a quickened appreciation and a more comprehensive apprehension in the minds of our people of the value of this divinely appointed rest day, as shown by the larger discussion of the Sabbath question in both the religious and secular press, and by the prompt and strong opposition manifested against all attempts to destroy the legal safeguards which the penal codes of nearly all the States of our Union have thrown around this day. Many such attempts during the past winter have failed by reason of the realization of the inestimable value of this divine institution that abides in the hearts of Christian people, kept alive by the Church of Christ, and forcibly and wisely presented to Legislative Committees by our Sabbath Associations. But for this the legal barriers which protect the

rest day would be thrown down. Again we call your attention to the movement of the Actors' Church Alliance of America, by which the attempt is now being made to stop all theatrical performances throughout the length and breadth of our land on the Lord's Day. These are but samples of other indications of like character that are making for the saving of the Christian Sabbath as a day of rest and worship.

That the voice of the great Presbyterian Church in the United States of America may be spoken with authority upon this vital subject, we present the following resolutions for your considerate approval:

*Resolved*, 1. That the Decalogue as recorded in the twentieth chapter of Exodus is the formulation of a pre-existing and eternal moral law, and that the authority of the Christian Sabbath is found in this law thus generically expressed in the Decalogue, and confirmed by the Lord Jesus Christ when He said, "The Sabbath was made for man," and that "the Son of man is Lord also of the Sabbath."

*Resolved*, 2. That the General Assembly hereby expresses its strong conviction that the sacred character of the Sabbath must be carefully and strenuously maintained, at whatever sacrifice of personal desire and material or secular interests that may be necessary in order to secure such result. To this end, we enjoin all ministers, officers and members of the Presbyterian Church in the United States of America to exercise special care and faithfulness.

*Resolved*, 3. That the General Assembly hereby expresses its strong and emphatic disapproval of all secular uses of the day, all games and sports, all social functions, all traveling for pleasure, all excursions by land or water, all uses of this day as a day of convenience to do that which has been left undone during the past week, or to promote the secular interests of the coming week, both at home and abroad.

*Resolved*, 4. That, while we are persuaded that obedience to the Fourth Commandment, by the suspension of business, will increase rather than decrease the profits of any and all commercial enterprises, the General Assembly does hereby earnestly urge all officers and Boards of Directors of corporate industry, and all employers of labor, to subordinate, if need be, the matter of dividends to the demands of this divine law.

*Resolved*, 5. That the General Assembly hereby expresses its emphatic condemnation of seven-day journalism, which, in our opinion, is doing as much or more than any other one influence in the United States of America to wipe out the distinction of days and to secularize the Christian Sabbath. Seven-day journalism voices the intense commercial spirit of our age, that would rob both God and man of the rest day for financial ends.

Seven-day journalism causes a vast amount of Sunday labor. Seven-day journalism is a most efficient enemy of the Church of Christ. Seven-day journalism prevents untold thousands of our citizens from attending divine service on the Lord's Day, and unfits many thousands of others for receiving the benefits of such service.

*Resolved*, 6. That, as the United States Congress has recently pronounced legislation on Sunday to be illegal, we do therefore deprecate the practice of turning the clock backward in order to legalize the passage of bills on Sunday.

*Resolved*, 7. That we most respectfully call the attention of all public officials to the potent influence of their position, *pro* or *con*, on all moral questions, and the necessity of greater care on their part, proportioned to the exalted nature of the office which they occupy, that they may strengthen rather than weaken, *by their influence*, public and private observance of the Lord's Day.

*Resolved*, 8. That we most heartily commend and warmly endorse the work of the American Sabbath Union and the Woman's National Sabbath Alliance, in their faithful efforts to preserve in its purity the Christian Sabbath.

*Resolved*, 9. That we earnestly recommend that each pastor of our communion preach a sermon in the month of April next on the subject of the Sabbath, and that at that time an offering be made for the work of the American Sabbath Union (which is the Association organized by the coöperation of the General Assembly in 1888, and which represents the Presbyterian Church in the United States of America in this department of Christian work); or in lieu of an offering, we recommend that this Association be placed upon the list of benevolences of the Church, contributions to be sent to Col. A. S. Bacon, Treasurer, 37 Liberty street, New York City.

*Resolved*, 10. That the Assembly's Committee on Sabbath Observance be continued, and that these Resolutions be read by the pastors from their pulpits in connection with the sermon preached on this subject; of which Resolutions copies may be secured from the Secretary of the American Sabbath Union, 203 Broadway, New York, for distribution in the pews.

It being necessary that the Standing Committee on Ministerial Relief, which is to report to-morrow, should be organized promptly, said Committee was announced in advance of the other Standing Committees, for which full returns had not as yet been received from the Electing Sections.

The Assembly took recess, and was closed with prayer.

---

FRIDAY, May 22, 2 o'clock P.M.

The Assembly met, and was opened with prayer.

The Report on Standing Committees, the first Order of the Day, being still incomplete, and not ready for presentation, the Special Committee on Statistics, through its Chairman, presented its Report, which was accepted and adopted, and is as follows:

The Committee on Statistics would respectfully report to the General Assembly as follows:

The Committee was appointed by the Assembly of 1901 and continued by the Assembly of 1902, to consider what steps should be taken to collect certain statistics, additional to those appearing annually in the *Minutes*, regarding the membership, work and property of our Church. The Committee was also empowered to consider and act upon suggestions proposing a condensation of the questions contained in the Blank for the Annual Narratives of the Churches and Presbyteries upon the State of Religion within their bounds, and in addition upon topics connected with the Blank for the Annual Reports of the Churches to the Presbyteries.

The Committee would respectfully report that its members have carefully considered the several subjects referred to them.

Report is first made upon the Blank for the NARRATIVE OF THE STATE OF RELIGION. Much time was given to this subject, and the questions have been reduced in number from forty-two to thirty-nine. Further condensation would result, it is believed, in a failure to secure the definite information required by the Presbyteries and the General Assembly. It is recommended that the questions of the Narrative read hereafter as follows:

INQUIRIES FOR THE GUIDANCE OF CHURCH SESSIONS IN THE PREPARATION OF THE NARRATIVE.

I. CONGREGATIONAL SERVICES.

They are to be taught to pray, to abhor sin, to fear God, and to obey the Lord Jesus Christ. On the subject of a RELIGIOUS CENSUS by the U. S. Government, the Committee takes pleasure in stating that a letter from the Director of the U. S. Census announces that a report upon the religious statistics of the country will be made, and that it will be ready in about a year. In view of this decision by the Census Office, it only remains for the General Assembly to authorize coöperation of the Church with the U. S. Government in such manner as shall be deemed appropriate.

Upon the OVERTURES referred to the Committee by the last Assembly, report is made as follows:

*Overture No. 50*, from the Presbytery of St. Clairsville, asking that the heading of the column known as "Congregational" in the Statistical Reports of the churches be changed to "Pastor's Salary," and that Sessions be instructed to report all other congregational expenses than the pastor's salary in the column called "Miscellaneous." Answer: The Assembly ordered such a change in 1872, but the protests against it were so numerous, that in 1873 the order was reversed. It is believed that the general opinion of the Church is still in opposition to such a change, and it is recommended that the Overture be answered in the negative.

*Overture No. 51*, from the Presbytery of Lima, asking *first* that the columns in the Statistical Report headed "Dismissed and Suspended" and "Absentee Roll" be changed so as to make their meaning clearer. Answer: Inasmuch as this part of

the Overture was acted on by the last Assembly in connection with the Report of the Stated Clerk, no action is necessary. The *second* part of the Overture asks that the Temperance column of the Annual Reports of the churches to Presbytery be made either "more specific, or the object and meaning broader." The last General Assembly directed that this column should contain only contributions to the Assembly's Permanent Committee on Temperance. This Committee, however, believes that all contributions made by the churches to any temperance object should be reported under the heading of this column. It has not been the usage of the Church, under any one of the headings in the Statistical Reports connected with benevolent contributions, to report only the contributions to a Board or Committee of the Church. For instance, the Foreign Mission column has always included not only contributions to the Board of Foreign Missions, but all moneys collected for any foreign missionary operations. It is believed that the general usage of the Church for the past seventy-five years should not be changed, and for obvious reasons. The Committee therefore recommend that all contributions to temperance, whether for the Assembly's Committee or for other purposes, be reported under the heading "Temperance" in the Annual Reports of the churches to Presbytery. This Overture asks, *third*, that the column headed "General Assembly" be altered by leaving out the fractional parts of the dollar. Inasmuch as this column, as hitherto maintained in the *Minutes* for more than half a century, is the column by which the Treasurers of Sessions, of Presbyteries, and of General Assembly, keep a printed record of payments by churches of their apportionments for ecclesiastical expenses, it is recommended that no change be made.

*Overtures Nos. 35* and *36*, from the Presbyteries of Binghamton and Fargo, with reference to the Blank for the Narrative of the State of Religion. Answer: Inasmuch as the Committee has carefully considered the Blank and reported upon it to this Assembly, it is recommended that no further action be taken.

The Committee submit the following additional recommendations in connection with their work:

*Resolved*, 1. That the Committee be directed and authorized to coöperate with the Director of the U. S. Census, so far as feasible, in the gathering of the statistics of this Church, and that the Committee be empowered to use the facilities of the office of the Stated Clerk of the General Assembly for that purpose.

*Resolved*, 2. That the Stated Clerk of the General Assembly communicate the above Resolution to the Director of the U. S. Census, and at the same time express the appreciation of the

General Assembly of the decision of the U. S. Government to gather the religious statistics of the nation.

*Resolved*, 3. That the Committee be continued, and that the various blanks for statistics used in the preparation of the *Minutes* of the General Assembly, be and hereby are referred to the Committee for consideration and report to the next Assembly.

Respectfully submitted,

WM. HENRY ROBERTS,
JOHN F. PATTERSON,
MERVIN J. ECKELS,
*Committee.*

The Standing Committee on Ministerial Relief, through its Chairman, Rev. S. Banks Nelson, D.D., presented its Report, which was accepted, and after an address by Rev. Benjamin L. Agnew, D.D., Secretary of the Board, was adopted. The Report is as follows:

The Standing Committee on Ministerial Relief respectfully submits the following Report:

The Report of the Board and its manuscript volume of Minutes for the year ending April 1, 1903, were presented to your Committee, examined, and their approval is recommended.

The facts reported show an increase in the number of contributing churches of 154, and the total amount of the contributions of churches and Sunday-schools is $89,929, an increase of $529 over last year. The total receipts from all sources, except contributions made to the Permanent Fund, are $232,315, being nearly $39,000 more than last year, and the largest amount ever received in one year by the Board for the current fund. This increase is mainly from legacies which, combined with the striking economy of management, only 4.25 per cent. (one-quarter per cent. less than last year), has enabled the Board to pay all apportionments, and to add a substantial sum from unrestricted legacies to the Emergency Fund, which is temporarily invested, the interest alone being used for current expenses, except in cases of

special emergency, when the Board is authorized by the action of the General Assembly of 1897 to draw upon this Fund to meet its indebtedness.

The number of families receiving aid from the Board last year was 903, being twenty-eight families less than two years ago. The rate of mortality amongst the beneficiaries is the highest in the history of Ministerial Relief, 178 persons dying in the last three years. Yet in April and May of this year, since the closing of the books April 1, the Board has had so many *bona fide* applications for help that it has paid out in these two months $2500 more than in the same period of any previous year. It is almost certain that the work and needs of this Board will increase with the growth of our Church. During the last thirty years of the nineteenth century the number of assisted families rose from 264 to 931, and with 4200 non-self-supporting churches, and 1200 ministers unemployed and so in many cases unable to lay by a competence, it must follow that the Relief Board will find applications for help increasing in the future as they have in the past.

It behooves all our churches, therefore, to remember the Board of Ministerial Relief sympathetically and generously every year. Now it is gratifying to note that almost all the self-supporting churches sent in contributions, but when we read that the churches in some of our strongest and oldest Synods contribute as little as from four to seven cents per annum per communicant, we are led to believe that the touching claims of this Board have not been faithfully and lovingly presented to our people. If the weakest of our self-supporting churches would contribute ten cents per member, and the stronger twenty-five cents per member per year, whilst the strongest churches continue to give as they are now doing, and the intermediate churches proportionately per capita, this Board would be able to pay to the indigent widows of the faithful dead who served our Church, $200 per year instead of $153, and could pension our needy veterans with an annuity of $400 instead of $300.

Your Committee records with great regret the passing away of the Rev. John H. Mason Knox, D.D., LL.D., and the Rev. John A. Liggett, D.D., who were valued and loved for their wisdom in its counsels, and their charity and faithfulness in its work. Dr. Knox was a charter member of the Board.

The reading of the manuscript Minutes and the examination of the Annual Report submitted to us, evokes in our minds high admiration for the noble faithfulness, the self-sacrificing exertions, and the efficient abilities of the honored Secretary of the Board.

We are also led to say that our great Church ought never to fail to appreciate the wisdom and fidelity and Christian sympathy of those men who serve us as Directors of this Board, and who, in frequent meetings, enter into the sad details of many a sorrow-

stricken family with great gentleness and delicate discrimination, bestowing comfort and consolation as the deacons of Christ's Church and the almoners of God, far beyond the power of the figures of this Report to convey.

Your Committee makes the following recommendations:

1. The term of the following Directors expires at this meeting of the Assembly, viz., Rev. Samuel T. Lowrie, D.D., Henry L. Davis, Esq., Robert H. Smith, Esq., it is recommended that they be reëlected. The place of the late Rev. J. A. Liggett, D.D., has been temporarily filled by the Rev. Alexander H. Young, D.D.; it is recommended that he be elected to fill the unexpired term. The term of Rev. Dr. Knox would have expired at this meeting of Assembly; it is recommended that the Rev. John H. Munro, D.D., be elected to this vacancy in the Board for a term of three years.

2. The Board has found it necessary to amend Rule No. 1, and to recast Rule No. 9, for the more efficient discharge of its duties; it is recommended that these necessary modifications be approved.

3. Pastors and Sessions are hereby strongly urged to inform their churches faithfully of the needs of this work of love, and to endeavor that no self-supporting church shall contribute less than ten cents per communicant annually to the Board.

Respectfully submitted,

S. Banks Nelson, *Chairman.*

After singing and prayer, the Report of the Special Committee on Evangelistic Work was taken up, and was adopted as a whole. It is as follows:

The Special Committee on Evangelistic Work respectfully reports to the General Assembly of 1903 as follows:

It was stated by the General Assembly of 1901 that the obligation rested upon the Church to carry the message of salvation to every creature, and that evangelistic services, with the blessing of God, could be made a powerful and efficient factor especially in our cities. A Special Committee was therefore appointed whose duty it was to stimulate the churches in evangelistic effort, to consider the methods of such work and its conduct in relation to the churches.

This commission was renewed at the meeting of the Assembly in 1902, and as a result the General Assembly's Committee has now closed the second year of its history, and with gratitude to the great Head of the Church submits the following Report.

The membership of the Committee, for geographical reasons, was somewhat changed on its reappointment, and for the sake of wider representation was enlarged from twelve members to sixteen. The Committee, as appointed by the Moderator of the Assembly of 1902, consisted of *Elder* John H. Converse, LL.D.,

Chairman; *Ministers*—W. J. Chichester, D.D., S. S. Palmer, D.D., John Balcom Shaw, D.D., J. P. Calhoun, D.D., J. Wilbur Chapman, D.D., Cleland B. McAfee, D.D., George Alexander, D.D., John F. Carson, D.D.; *Elders*—L. H. Severance, George W. Bailey, John Willis Baer, E. A. K. Hackett, Walter M. Smith, W. E. Dodge, S. P. Harbison.

One member of the Committee, the Rev. W. J. Chichester, D.D., was removed from service here by death on March 23, 1903. At a meeting of the Committee, held March 25, the following minute was adopted:

"The Committee feels itself bereaved in the death of the Rev. W. J. Chichester, D.D., whose membership dates from the organization of the Committee. Until the last day his presence was expected at this meeting. We had looked forward earnestly to it; we had hoped eagerly for his coming. Selected because of his known intensity in soul-winning zeal and because of his marked history as an evangelistic preacher and worker, he took his place in the Committee heartily and faithfully. No movement which looked toward aggression and advance failed of his interest and coöperation. We record herewith our joy in his fellowship and our continued fellowship with him in the joy that has come to him so suddenly. His wife and household come into our hearts, not for condolence more than for the exultation which belongs to the knowledge of the coronation of a faithful servant of the King. His was a great heart which has found the place of eternal and unclouded love. We rejoice with him, and pledge ourselves to better loyalty to the work which needs us the more for loss of him. The Master loves both work and workers, and His will is best, though our hearts are sore. The comfort of our Lord be with the suffering ones, and such triumphant entry as our brother's be granted us in God's own time."

The Report of the first year's work was received by the 114th General Assembly with marked attention. The second year's work, however, is far in advance of the first in every way.

The Committee gratefully acknowledges that throughout the entire year it has had the cordial coöperation of the ministry, the hearty endorsement of the Sessions of the churches, and the constantly increasing interest of the laity.

Inasmuch as the Committee was called into existence to stimulate the churches in evangelistic work, it is believed that reference to the Reports of the Presbyteries for the year just closed will show that it has not labored in vain. And yet what has been accomplished within the bounds of our own Church is only a part of the work it has pleasure in reporting. There has been, throughout this entire year, a spirit of inquiry on the part of other denominations, and most cordial words of approval have been expressed; all of which would seem to indicate that other Churches are now

about to move forward in this special work which has been inaugurated by us. What was regarded at first as a denominational movement is broadening into an interdenominational movement, and it is probable that, following the coming meetings of General Synods and Assemblies, many Churches holding the Presbyterian System will appoint similar Committees, and thus inaugurate a united effort for souls, the result of which only the Great Head of the Church can estimate.

The development of the work of the Committee, in the matter of correspondence, the sending forth of literature, the attendance upon conferences, and the direction of many evangelistic campaigns, has been so remarkable that it was impossible to continue to depend entirely upon the ready service so freely given as opportunity afforded by all the members of the Committee. Their duties, pastoral and otherwise, demanded the larger part of their time; therefore, at the Committee's urgent request, the Rev. J. Wilbur Chapman, D.D., pastor of the Fourth Presbyterian Church, New York City, was asked to resign his pastorate and devote his entire time to the service of the Church as a whole. Previously, at the suggestion of the Stated Clerk of the General Assembly, Dr. Chapman had been asked to serve as Corresponding Secretary, and the result had been increasing demands upon his time and abilities. After prayerful consideration of all the interests involved, he accepted the new post of responsible and far-reaching duty. The Committee desires to place on record its high appreciation of the unselfish spirit and generous conduct of the officers and members of the Fourth Church, New York, in releasing Dr. Chapman from the pastorate; their loss was gain to very many. Since November 1 the work has been directed from the Committee's offices, located at 156 Fifth avenue, New York City.

From the General Committee, Sub-committees were appointed on Conferences, on Evangelists, on Finance, on Literature, and on Sabbath-schools and Young People's Work, and the Chairmen of these Sub-committees, with the Chairman of the General Committee, constituted the Executive Committee authorized by the Assembly. Three meetings of the General Committee and monthly meetings of the Executive Committee have been held.

The expenses of the Committee were largely increased this year over last because of the larger work. Only the expense connected with the attendance of active members upon the regular meetings of the Committee were defrayed by the Stated Clerk of the General Assembly. All expenses connected with the general work in stimulating the churches to evangelistic effort were provided for by special contributions. The expenditures this year to April 30 for all purposes amount to $66,641.16 ; the receipts from offerings, as a partial payment of evangelists sent

by the Committee, amount to $11,457.69; the balance, amounting to $55,183.47, has been contributed by fourteen individuals.

Most cordial relations have been sustained with the members of the different Boards of the Church, and the Committee is grateful for their hearty coöperation. It has enjoyed a peculiarly close fellowship with the Boards of Home and Foreign Missions, and this with the joint purpose that the work might be effective, not only on the Home field, but that it might also include the missionaries abroad.

The Committee makes grateful recognition also of the assistance given by the Moderator of the General Assembly, and of the services of the Stated Clerk, who was its Recording Secretary, and of the following ministers appointed as Advisory Members and Special Representatives:

*Special Representatives.*—Rev. John S. MacIntosh, D.D., San Anselmo, Cal.; Rev. Ford C. Ottman, Stamford, Conn.; Rev. George P. Wilson, D.D., Washington, D. C.

*Advisory Members.*—Rev. W. H. W. Boyle, D.D., St. Paul, Minn.; Rev. Marcus A. Brownson, D.D., Philadelphia; Rev. J. W. Cochran, D.D., Philadelphia; Rev. R. F. Coyle, D.D., Denver, Colo.; Rev. Howard Duffield, D.D., New York City; Rev. E. P. Hill, D.D., Portland, Oreg.; Rev. Peyton H. Hoge, D.D., Louisville, Ky.; Rev. W. Beatty Jennings, D.D., Detroit, Mich.; Rev. J. Beveridge Lee, D.D., Milwaukee, Wis.; Rev. A. B. Meldrum, D.D., Cleveland, O.; Rev. T. V. Moore, D.D., Omaha, Neb.; Rev. J. Ross Stevenson, D.D., New York City; Rev. Wilton Merle Smith, D.D., New York City; Rev. S. C. Palmer, D.D., St. Louis, Mo.; Rev. W. R. Taylor, D.D., Rochester, N. Y.; Rev. Hugh K. Walker, D.D., Los Angeles, Cal.

## The Committee's Work.

Especially commissioned to stimulate the evangelistic spirit of the Church, the Committee begs to report that means to this end have been used as follows:

1. By means of conferences, which have been held in the following places: New York, Chicago, Philadelphia, Cleveland, Cincinnati, Louisville, St. Louis, Washington, Boston, San Francisco, Pittsburg, Kansas City, Omaha, Minneapolis, Detroit, Indianapolis, Terre Haute, Rochester, Buffalo, Brooklyn, Trenton, Syracuse, Jersey City, Harrisburg, Baltimore, Las Vegas, Phœnix, Albany, Stamford, Troy, Des Moines, Storm Lake, Independence, Washington (Ia.), Binghamton, Wichita, Sioux Falls, Springfield, Madison, Los Angeles, Tacoma, Seattle, Portland, Duluth, Milwaukee, Lansing, Newburgh, Cedar Rapids, Indianapolis, Auburn, Princeton, Lincoln University.

2. By visits made this year to the following theological semi-

naries: Princeton, McCormick, Auburn, Louisville, Omaha, San Francisco and Lane. In connection with the conference held in March in the Madison Avenue Presbyterian Church in New York, by request, the day sessions were held in the Adams Chapel of the Union Theological Seminary of that city.

3. By the employment of special workers. The Committee has had in its employ fifty-one evangelists, ten of whom have been singing evangelists. They have largely been laboring in the West and on Home Mission territory. These evangelists have labored in 470 cities and towns. They have traveled 121,324 miles. They have held 10,597 services. For their support the Committee has been responsible, receiving from the fields where the evangelists have labored such offerings as those interested felt able to send. In the first year 682 requests came for the services of evangelists. During this past year the number of requests has exceeded one thousand.

4. By the dissemination of literature. This has been no small factor in the work. The first year the Committee sent out about 100,000 pieces of literature, whilst in the year just closed 400,000 pieces were gratuitously distributed, as follows:

| | |
|---|---|
| Pieces of Literature | 251,000 |
| *Individual Work for Individuals*, by Henry Clay Trumbull | 13,000 |
| *Evangelistic Services*, by John F. Carson | 2,500 |
| *Spiritual Life of the Sunday-school*, by J. Wilbur Chapman | 3,500 |
| *Personal Work Studies*, by Howard Agnew Johnston | 130,000 |
| Total | 400,000 |

Of this aggregate 225,000 pieces were mailed on request of ministers and church officers.

5. By special financial assistance. Where it has seemed to be wise, special grants of money have been made to Presbyteries in order that traveling expenses of pastors be paid and the pulpits supplied, as they gave themselves to the assistance of their brethren in special meetings.

6. By correspondence. The Committee has been in close touch with the pastors of churches, and not less than 10,000 personal letters have been written in answer to communications received, making inquiries concerning the work and offering suggestions as to particular parts of the fields.

On the recommendation of the Committee, the week of November 2 to 9 was observed as "Personal Effort Week," and November 9 was known as Decision Day in the Sunday-schools. Three thousand pastors and the same number of Clerks of Session and Sunday-school Superintendents heeded this call with most gratifying results. January 18 was suggested as a Day of Prayer, and in very many cities and towns it was observed faithfully. The first Sunday in February was recommended as a second Decision

Day, or Announcement Day, in the Sunday-schools and Young People's Societies. The reports from this day were highly gratifying. In the movement leading to the second Decision Day, several other Presbyterian and Reformed denominations coöperated under the lead of the "Alliance of the Reformed Churches throughout the World holding the Presbyterian System."

The Assembly's Committee has made it a point not to insist upon the adoption of a method of work, leaving each church and pastor free to carry on evangelistic effort in their own field in their own way, only asking them to do something in the line of its suggestions. All the appeals to the churches have been for an aggressive evangelistic movement. The last appeal sent out was to this effect: that since the close of the Church year was approaching, it was urgently requested that each pastor make his service special in every way, in order that the last weeks might be the very best.

### Some Special Features.

In addition to the general work which has been outlined above, the Committee has tried to reach and help those churches reporting no accessions to their membership by confession of faith, and in some instances evangelists have been sent to discouraged churches which were on the eve of dissolution. In one instance, at Johnsonburg, Pa., as a result of this work, report can be made of a united church, a pastor called and settled, and a hopeful outlook for the future. In two Presbyteries, namely, Lyons, N. Y., and Lima, O., in coöperation with the pastors and Presbyterial Committees, it was suggested that special evangelistic services be held in every church. The Committee assisted in securing evangelistic singers who went from church to church, holding not less than two weeks of meetings, the pastors themselves doing the preaching. The members of these Presbyteries report the best year of work they have known for years past. Special mention is made of the aggressive work carried on in the States of Indiana and Iowa. In Indiana the Synodical Superintendent, Rev. George Knox, D.D., assisted by Committees from Synod and Presbyteries, arranged for services in most of the churches, and as a result of the assistance given by pastors and about twenty evangelists, the State reports the best work in every way it has had for years. In Iowa, under the direction of the Rev. A. B. Marshall, D.D., an equally vigorous campaign has been conducted. The pastors and evangelists have been kept busy throughout the entire season. In Fairfield, Ia., a most remarkable work of grace has occurred, and as an indication of the increase of blessing this year over other years, ten churches which last year received an addition of twenty, or an average of

two each, this year, up to March 1, report an accession of 350 members, or an average of thirty-five each.

It seems wise to the Committee to ask that in all the work of the coming year, special emphasis by pastors and Sessions be laid upon the work among men. Statistics in the office of the Stated Clerk of the General Assembly show that two-thirds of the men in the United States are not in connection with any Christian Church, Protestant or Roman Catholic. There is, therefore, very great need for earnest, active effort for the winning of men to Christ. There is no necessity for the formation of a new society in the Church with this purpose in view. It might be well, however, to have an enrollment of Christian men who would be willing to engage in a concerted effort for the salvation of their fellow-men. So far as such an enrollment might need direction, the Committee on Evangelistic Work could act in this capacity. It is believed that a great company of men can be united in these services for the winning of other men to Christ.

The following recommendations are submitted for adoption by the General Assembly:

*Resolved*, 1. That a Committee of twenty, ten ministers and ten elders, be appointed by the Moderator to promote evangelistic work in the Church. This Committee shall coöperate with the Presbyteries and Synods, and shall have power to select such Advisory Members, consisting of both ministers and elders, as may, in the judgment of the Committee, seem necessary, and to form an Executive Committee of not less than five members for the transaction of business in the intervals between regular meetings of the General Committee, and shall report to the next General Assembly. The expenses, except for the attendance of members upon the regular meetings, shall be met by voluntary contributions.

*Resolved*, 2. That each Presbytery and Synod be requested to appoint Committees on Evangelistic Work, and that the Synodical Committees, as far as possible, be composed of the Chairmen of the Presbyterial Committees; and it is also requested that these Committees coöperate with the General Assembly's Committee.

*Resolved*, 3. That the General Assembly emphasizes the primary responsibility for evangelistic effort as resting upon pastors and Sessions; at the same time the Assembly again, as heretofore, recommends the use of accredited evangelists, and therefore authorizes the Committee to pass upon the qualifications of evangelists, and to promote their employment so far as their services may be needed, and only such evangelists should be commended to the Church at large as have the proper endorsement and approval of their brethren, and the seal of God's approval upon their ministry.

*Resolved*, 4. That at the Fall meeting of each Presbytery the work of the coming year be so planned as to include special evangelistic effort in every church within the bounds of the Presbytery, the Presbytery to provide for the expenses of the work.

*Resolved*, 5. That each of the Synods, through its Committee, organize an aggressive evangelistic campaign. The Assembly's Committee is authorized, at its discretion, to coöperate in the furtherance of this Synodical work.

*Resolved*, 6. That the General Assembly's Committee is hereby directed to seek out pastors with special evangelistic gifts, and to request their several churches and Presbyteries to release them for a portion of the year, in order that they may serve in the field at large, under the direction of the General Assembly's Committee, and in coöperation with the Evangelistic Committees of the Synods and Presbyteries; the expenses of the work to be provided either by subscription or by collection. The General Assembly's Committee is instructed to use every effort to bring together the churches seeking the assistance of such pastors and the pastors willing to devote their time to the work. The pastors of the churches are requested to bring their needs to the attention of the General Assembly's Committee.

*Resolved*, 7. That in addition to lines of work indicated by preceding Assemblies, the special work of the Assembly's Committee for the coming year be the holding of conferences for quickening the spiritual life of the Church, for that study of the Word of God which may encourage the spirit of evangelism, and also for the presentation of such methods as may inspire pastors, elders and members of the Church to earnest effort in behalf of the unsaved.

*Resolved*, 8. That the work in the Sabbath-schools and Young People's Societies be conducted with a distinct evangelistic purpose, that Decision Days be recommended, and that, under the supervision of the Session of each Church, such methods be adopted as will promote the all-important object of bringing the children and young people to accept and confess Christ; and that pastors and Sessions consider the feasibility of having some portion of the Sabbath morning service specially refer to the salvation and instruction of the young.

*Resolved*, 9. That this entire year, from Assembly to Assembly, be set apart as a time for a deep spiritual movement in our Church, and that the whole Church be called to earnest and speedy action. It is suggested that the women be requested to form Circles of Prayer, and that the burden of their prayers be God's blessing on the Church and the winning of many souls to Christ; that special emphasis be placed upon the *winning of men to Christ;* and that pastors be asked immediately to plan and pray for an entire year of aggressive evangelism.

*Resolved*, 10. That pastors and Sessions be asked to secure an enrollment of men in every congregation who will engage in an earnest, active effort in behalf of their unsaved fellow-men, and that a Report of such enrollments be made to the General Assembly's Committee on Evangelistic Work.

*Resolved*, 11. That the theological seminaries be requested, as soon as possible, to make provision in their course of instruction for the training of evangelists, and that the attention of the seminaries be again directed to the resolution of the General Assembly of 1902, which asks that arrangements be made for instruction in evangelistic methods; and that emphasis be laid on personal work, the conduct of inquiry meetings and the preparation of distinctively evangelistic sermons.

Respectfully submitted in behalf of the Committee,

JOHN H. CONVERSE, *Chairman.*

J. WILBUR CHAPMAN, D.D., *Corresponding Secretary.*

The Standing Committee on Freedmen, presented its Report, which was accepted, and after addresses by the Chairman, by Rev. E. P. Cowan, D.D., Secretary of the Board, Prof. J. D. Martin, Rev. Wiley Homer, Hon. W. H. Ash, and others, was adopted. The Report is as follows:

The Standing Committee on Freedmen respectfully reports as follows;

The Records and Report of the Board of Missions for Freedmen bear witness to the efficiency and wisdom of its officers in the management of its affairs. For thirty-eight years the Assembly has listened with ever-deepening interest to the story of missionary effort in behalf of our colored citizens, of our great patriotic Southland. Whatever may be the opinion of men concerning the rights and privileges of the colored race, it is everywhere recognized that this nation is confronted by problems, the solution of which requires the combined wisdom of Church and State. It is admitted by all, denied by none, that the welfare, integrity and perpetuity of our nation are largely dependent upon the solution of this problem. It is most gratifying to note the awakening interest in all the departments of national life concerning the welfare of the colored race. Statesmen and law-makers are coming to see the necessity of doing something more than spread upon the statute books enactments for the government of the negroes. This is one of the things over which we rejoice, and may God speed the day when every patriot shall feel the full measure of his responsibility in saving the nation by saving the individual. A survey of the Board's work during the past year is, in many respects, most encouraging. From the financial viewpoint we see the year closed free of debt and a small balance in the Treasury. While the receipts have fallen far short of the recommendations of the last Assembly, and are entirely inadequate to the work our Church ought to be doing, this explanation is worthy of consideration. As far as we shall use figures, we will state the amounts in round numbers. In 1901 receipts from legacies were $27,000, this year they were $18,000. While this is a falling off

of a considerable amount, yet compared with 1899 and 1900 it is an advance of $4000.

The churches gave this year $64,000—$3000 more than last year. The amount received direct from the Young People's Societies was $200 less than last year. The Sabbath-schools gave direct $4244, practically the same amount given during each of the four previous years.

The noble women of our Church deserve high praise for their Ruth-like devotion to conviction. They put the men to shame by their splendid gifts. In 1899 they brought to our Treasury $55,000; in 1900, $60,000; in 1901, $65,000, and in 1902, $71,000, a gain of $16,000 in four years. The gain of the churches for the same period was $4000. From miscellaneous sources the Board's receipts were a little more than $23,000, making a total this year of $182,000. During the past year 4995 churches contributed, being a gain of 244 as compared with last year. The Board's work along educational lines is encouraging, 1954 young men and young women having been brought under the refining and uplifting influences of scholarly and consecrated teachers.

Industrial training is never lost sight of by the Board. Instruction is given in sewing, housekeeping, agriculture and the trades. The benefits of this kind of instruction are twofold, first in enabling the students to meet in part their current expenses, and in fitting them for the responsibilities of life. Through the generosity of Mr. S. P. Harbison, of Pittsburg, Harbison College has come into possession of a farm of 200 acres already under cultivation, with buildings, at a cost of $5000.

The evangelistic work speaks for itself—211 ministers, 338 churches—and there were added on examination last year 1846 persons, by certificate 201, making a membership at present of 20,764. We have 350 Sabbath-schools with an enrollment of 21,088.

We deeply regret that Mrs. Flora D. Palmer has been compelled by impaired health to lay aside the duties of General Secretary of the Woman's Department of our Board. We desire to recognize her efficiency and consecration, and pray the Divine Physician to give her health and strength for future years of service.

In conclusion we express the hope that the Church will bestir herself to the mighty task before her. Last year the Assembly, mid clapping hands, resolved to add fifty per cent. to the amount recommended in the Committee's Report. Did the Church keep this pledge? She did not even meet the original request of her Committee. We are, however, confident that the men and women of our churches will come up to the help of the Lord if they are taught and urged as to their full duty. We therefore recommend that the following resolutions be adopted:

*Resolved*, 1. That we express our confidence in and esteem for

our honored Secretary and his co-workers in the management of the Board of Missions for Freedmen.

*Resolved*, 2. That Rev. D. S. Kennedy, D.D., Rev. H. T. McClelland, D.D., Rev. W. S. Fulton, D.D., Rev. Samuel J. Glass, D.D., and Mr. Vincent Miller, be reëlected as members of the Board of Missions for Freedmen.

*Resolved*, 3. That we record our appreciation of the faithful, generous and loyal support of the noble women, who have rendered timely and invaluable service through the Freedmen's Department of the Women's Board, and also that we express our heartfelt thanks to the Young People's Societies and the Sabbath-schools for their liberal gifts.

*Resolved*, 4. That we beseech pastors and Sessions to carefully consider the claims of the needy millions in the interest of whom this Board is laboring, and in order that men for whom Christ died may hear the joyful news, we recommend that not less than $300,000 be given to this cause this year.

Respectfully submitted for the Committee,

C. P. CHEESEMAN, *Chairman.*

The Special Committee on the Presbyterian Building, New York City, through its Chairman, Rev. Richard S. Holmes, D.D., presented its Report, which was accepted, amended by the addition of another resolution, and adopted. It is as follows:

*To the 115th General Assembly of the Presbyterian Church in the United States of America:*

Your Committee appointed to prosecute the work of gathering funds for the extinction of the debt upon the property of the Church at 156 Fifth avenue, New York City, would respectfully report as follows: It has obeyed the instructions of the last General Assembly, and is able to announce the total sum of $151,088.72 secured during the year since the last report made in New York, without one dollar of expense to the General Assembly, and with less than $1000 of expense to the treasury of the Committee. The total amount of moneys paid in from all sources and the subscriptions that are considered good and collectible together reach the sum of $857,315.28. *The actual mortgage debt unpaid at the present time is $250,000.* To provide for this there is in the possession of the Committee cash and good subscriptions, that will be paid when all the balance has been subscribed, amounting to $107,315.28. The total loss on the property during the years when it was a source of expense to the Boards was $56,090.86. The amount that must still be secured in cash and subscriptions to extinguish every vestige of debt is, therefore,

for the mortgage, $142,684.72, and for operating deficit, $56,090.86 —a total of $198,775.58.

Your Committee congratulates the General Assembly on the splendid showing for two years and five months of work, on the hearty response that has been made to the efforts and appeals of the Committee, and on the changed attitude of large numbers of people toward the building itself as a property of the Presbyterian Church. The wisdom of its erection as a business move is now generally recognized, and it well may be, since every available space in the building is rented, save only the two floors occupied by the Boards of Home and Foreign Missions, and by these the Boards are saved rental charges equal to at least $12,000 per year each. The splendid reduction in the mortgage debt, without any interference with the contribution of funds for current use by the Boards of Home and Foreign Missions, is remarkable, and itself a cause for devout gratitude to God. It is evident the time is not far distant when the whole amount yet needed will be forthcoming from the constituency on which we depend, the loyal and liberal members of the Church.

Your Committee believes the Assembly can still further aid toward this end by giving hearty expression of thanks to all who have helped in any way to the present satisfactory condition of the property, especially to those who by very large gifts have made the success of the present movement possible, and also by commending the movement by some fitting resolution to all persons who are able to give any sum, large or small, and by requesting, in the name of our great missionary interests, gifts sufficient to close out this matter before the next General Assembly.

Your Committee believes the work should be continued in some systematic way, but does not believe a large and representative Committee is any longer desirable. The fact of the building and its present influence as a centre of interest for the Church should be sufficient to arouse the generous spirit of Presbyterian givers when, and if, the fact is brought practically to their attention.

Your Committee asks the careful consideration by the General Assembly of the following financial statements that are printed as a part of this Report, exhibiting the receipts and disbursements on account of the building debt, the proportional part of debt owed by the Boards respectively, and the actual amount that was needed to pay the debt on April 10, the day that this Report was written. The first exhibit shows the proportional part of debt that remains to each Board on account of mortgage. The fact of difference in amounts owed on the mortgage by the two Boards is to be explained as the result of some gifts having been designated as all for the Home Board's part of the mortgage, or as all for Foreign Board's part of the mortgage. Wherever no

designation has been made the gift has been equally divided between the two Boards.

Add to this $4222.21 borrowed to pay on the mortgage, and the total payment is seen to be $750,000, leaving a balance of $250,000, for which there are cash and subscriptions amounting to $107,315.28.

Your Committee makes the following recommendations:

1. That the thanks of the General Assembly be expressed, and recorded in the *Minutes* of the General Assembly, to all who have contributed in any way to the freeing of this property from debt, and especially to Hon. H. B. Silliman, Mrs. Rachel B. Crane, and Mr. John S. Kennedy.

2. That the present Committee be discharged.

All of which is respectfully submitted,

Richard S. Holmes, *Chairman.*

The following additional resolution was unanimously adopted:

That the General Assembly commends the movement to entirely remove the debt from the Mission Building in New York, and urges upon every individual member of the Church to have some part in furnishing the means for this end; and in order to secure a continuance of systematic effort with the hope of providing for the whole debt before the next General Assembly, that a new Committee of five, two ministers and two elders, be appointed by the Moderator of this Assembly, Dr. Holmes to be Chairman.

The thanks of the Assembly were unanimously tendered to the Committee.

The Standing Committee on Bills and Overtures presented the following partial Report, which was adopted:

We respectfully recommend:

That *Paper No. 165*, relating to special evangelistic work among the seamen, and *Overture No. 145*, from the Presbytery of East Florida, asking the Board of Home Missions to arrange for special evangelistic work in the Presbyteries, be referred to the Standing Committee on Home Missions.

That *Overtures Nos. 1–57* inclusive, from the Presbyteries of Aberdeen, Alaska, Alton, Arizona, Bellefontaine, Benicia, Blairsville, Bloomington, Box Butte, Buffalo, Carlisle, Cayuga, Cincinnati, Clarion, Cleveland, Council Bluffs, Crawfordsville, Des Moines, Dubuque, Fort Dodge, Great Falls, Gunnison, Hannibal, Helena, Hudson, Huntingdon, Huron, Indian Territory, Iowa, Kansas City, Lake Superior, Lehigh, Logansport, Los Angeles, Madison, Mahoning, Nebraska City, New Albany, New Castle, Niagara, North River, Oakland, Peoria, Petoskey, Rio Grande, Rock River, St. Louis, Schuyler, Spokane, Springfield, White Water, Winona, and the Synods of California, Michigan, Missouri, and Washington, all asking for a change in the arrangement of the Home Mission columns in the annual Statistical Report, be referred to the special Committee on Statistics.

That *Overture No. 148*, from the Presbytery of Detroit, asking for some change in the blanks for the annual Church and Sabbath-school Narrative, be also referred to said Committee on Statistics; and that said Committee be directed to consider said Overtures carefully, and carry out the plan suggested so far as practicable.

The Standing Committee on Bills and Overtures also presented the following, which was adopted:

The General Assembly having received a communication from the Board of Managers of the American Bible Society, suggesting that, in accordance with the wish of the British and Foreign Bible Society, Sunday, March 6, 1904, be observed in some appropriate way by the Churches as the 100th anniversary of the organization

of the British and Foreign Bible Society, recommends all the churches under its care, so far as possible, to comply with this request. The Assembly would suggest that especial prayer be offered in all our churches for the circulation of the Scriptures in all languages and all lands, and that devout thanksgivings be returned to God for the blessing of an open Bible in a free country. In connection with this the Assembly takes occasion to repeat the recommendation of former Assemblies, that the churches give the American Bible Society their continued and hearty support. It is the agency by which the Churches of Christ and our own Church among them perform the duty of giving the Bible to the peoples of the earth in their own languages. We therefore exhort all the churches to remember this sacred cause. We renew the recommendation of former Assemblies, that our Presbyteries appoint Standing Committees on this cause, and direct that the Special Committee on Statistics take into careful consideration the propriety of reporting the gifts to this Society in a column on the same page with the other benevolences of the Church in the Assembly's *Minutes*.

The Report of the Special Committee on Young People's Work was made the second Order for this afternoon.

The Committee on Sabbath Observance presented a Report upon papers referred to it. The Report was adopted, and is as follows:

The Committee on Sabbath Observance, to which was referred several Overtures, respectfully reports as follows:

*Overtures Nos. 115–118*, relating to Sunday Work on the St. Louis Exposition Buildings and Grounds. The Committee recommends the following answer:

*Resolved*, That the General Assembly hereby expresses its profound regret that the authorities and contractors of the St. Louis Exposition have allowed work to be done on Sundays; we most respectfully but earnestly protest against the same, and express the conviction that Sunday labor will not expedite the completion of the enterprise, but will alienate the sympathy and coöperation of a large part of the Christian people of the United States. We therefore urge that all unnecessary work on Sundays be discontinued, on both economic and moral grounds.

*Overture No. 137*, relating to reported Sunday travel of Commissioners to and from recent General Assemblies. Your Committee recommend the following response:

*Resolved*, That this Assembly emphatically expresses its condemnation of any and all travel for pleasure or business on the Lord's Day, and that it is the bounden duty of Commissioners to

General Assembly to so arrange their itineraries, as was done in arranging for this Assembly, as to avoid Sunday travel.

The Committee further recommends the adoption of the following resolutions:

*Resolved*, That the General Assembly heartily approves and endorses the contemplated International Sunday Rest Congress, to be held in connection with the St. Louis Exposition on October 6, 7, 8, 1904, and appoints its Committee on Sabbath Observance to represent the General Assembly in connection with said Congress.

*Resolved*, That the General Assembly hereby expresses its hearty approval of the proposed organization of a California Sabbath Association, auxiliary to the American Sabbath Union, and that said Association shall, in its wisdom, endeavor to obtain such changes in the penal code of the State as shall secure needed and wise legislation, that will safeguard the interests of labor and morals within the borders of the State in connection with proper Sabbath Observance. To this end we urge the hearty coöperation of ministers and churches.

Respectfully submitted,

JAS. YEREANCE, *Chairman.*

A Report on the Minutes of the Synod of Missouri, presented to the last Assembly, and referred by it to this Assembly for action, was referred to the Standing Committee on Church Polity.

The Special Committee on the *Assembly Herald*, through its Chairman, Rev. A. W. Halsey, D.D., presented its Report, which was accepted and adopted, and is as follows:

The Special Committee on the *Assembly Herald* would respectfully present its Report to the Assembly. The year 1902 was one of the best in the history of the *Assembly Herald*. The books show that during the year 1902 we entered the names of 36,772 paid subscribers. This is 454 less than the number for 1901. The *Herald* has been run on a more economic basis than in previous years, and the Treasurer's Report herewith appended shows a total deficiency for the year of only $271.23. Of this amount the Boards of Home and Foreign Missions each paid $87.97, the other six Boards $14.66, and the Temperance Committee $7.33. We believe the Church is to be congratulated on such a fine exhibit.

Your Committee has received many words of appreciation during the year. We think each of the great Boards interested are entirely satisfied with the present management. We quote one of the many letters received:

"I wish to congratulate you and your Committee, and our-

selves and the Church generally, on your management of the financial side of the *Assembly Herald* business. I greatly approve of the magazine in its present shape, without editorial additions and arrangement."

We believe that the *Herald* is also meeting with favor in the churches. One of the leading laymen sent a warm letter of congratulation on the March number. In the letter he said:

"Allow me to congratulate you and the Committee on the make-up of the *Assembly Herald* for March. It is one of the best issues you have gotten out, because of the wide scope of the matter it contains and because it deals with things that the Church needs to know, not only things abroad but at home as well, which go to strengthen the Church. I hope to see the *Assembly Herald* made one of the best papers on religious matters in the Church. Please send me 150 copies of the March number. I wish to place one in the hands of every family in our church that does not now take it. I think it will do them good."

These and similar letters indicate that the efforts of your Committee in giving to the Church a concise, compact, newsy periodical are appreciated. We are issuing a double number in connection with the Assembly. We commend it to the careful attention of Commissioners and others.

We wish to acknowledge the timely assistance received from the Stated Clerk of the General Assembly and the Stated Clerks of the Presbyteries in promoting interest in the *Assembly Herald*. We have found these brethren very ready to second our efforts in increasing the circulation of the periodical. If some one man in each church could be found who would give attention to this matter, the circulation of the *Herald* could easily be doubled.

The subscription by States is herewith appended. We call the attention of the Assembly to this suggestive exhibit.

For business reasons it seemed wise to your Committee to transfer the business office from 156 Fifth avenue, New York, to the Hale Building, Philadelphia. We ask that the action of the Committee may be ratified by the Assembly.

We respectfully request the Assembly to renew the recommendation of last year "that the Stated Clerk of the General Assembly be instructed to write to the Stated Clerks of all the Presbyteries, requesting them to bring to the attention of the Chairmen of Presbyterial Standing Committees on Benevolence the question of increasing the circulation of the *Assembly Herald*."

The possibility of issuing a weekly edition of the *Assembly Herald* has been discussed by your Committee, and estimates of the probable cost have been received, but your Committee

does not yet feel warranted in recommending so radical a step, although we trust the time will come when this will be possible.

The thanks of the Assembly are due to Mr. Harvey C. Olin, Treasurer of the Home Board, for his careful and painstaking work in connection with the treasury of the *Assembly Herald*.

Some complaints have been received that the *Herald* was not delivered in time. We believe that plans are now so perfected that these delays will be fewer in the year to come than they have been in the past.

Your Committee has felt compelled to adhere to the rule already adopted of excluding from the *Herald* all matters not directly relating to the work of the Boards of the Church. While in some cases this seems to work hardship, yet we believe that it is for the best interests of the Church at large.

A. W. HALSEY,
JOHN DIXON,
WILLIAM H. SCOTT.

The Assembly took recess until 2 o'clock P.M., and was closed with prayer.

MONDAY, May 25, 2 o'clock P.M.

The Assembly met, and was opened with prayer.

A resolution on the use of the Bible in Sunday-schools was referred to the Standing Committee on Publication and Sabbath-school Work.

The Standing Committee on Education, through its Chairman, Mr. John C. Vanatta, presented its Report, which was accepted, and after addresses by Rev. E. B. Hodge, D.D., Secretary of the Board, and others, was adopted. The Report is as follows:

The Standing Committee on Education begs leave to submit the following Report:

Each Committee which has presented a Report to this Assembly has claimed your attention upon the ground of paramount importance, and we can assure you that we stand upon the same broad ground.

While all the interests of our beloved Church are vast and very important, while evangelization has been well said to be the key-note of this year, we think that the sound education of men for the ministry is a matter affecting the very life and future of the Church. A soundly educated ministry and an intelligent, cultivated laity have ever been the pride and bulwark of the great Presbyterian Church. If we do not have an educated ministry to lead our membership intelligently, they will leave us and go where they can receive the instruction they seek, and our churches will cease to grow and will lose their power.

Your Committee have met the officers of the Board of Education, have been much pleased with the way in which its affairs have been managed, and have learned many facts which have not been generally known and understood, especially by the lay members of our churches all over this broad land.

To secure the proper support of the rank and file, the bone and sinew of the army of the Lord Jesus Christ, in the Presbyterian Church, in the great battles which are on, we must enlist their interest by giving them a thorough understanding of all matters upon which we wish their support. The sooner this fact is recognized, the sooner our beloved Church will take advanced positions, well supported, upon the great firing line, which now encircles the globe. The searchlight of publicity is better for the Boards and better for the people. Our Boards are beginning to recognize this, and are seeking for the same.

Too many people, especially in the smaller churches, have heard the thrice-told tale that it takes $1.50 to send out every dollar that is contributed to the benevolences of our Church. This is the boldest kind of misstatement, the rankest kind of heresy.

We find with reference to the Board of Education, that it paid out $16,000 more last year to students studying for the ministry than it received from all the churches, Sabbath-schools and Young People's Societies, that the entire expense of administration was only $7500, and that the proportion can and will be reduced as the churches increase the income of this Board.

We also find that the churches in general did increase their contributions in a certain degree last year, and it is the hope of your Committee that this increase will be gradual, cumulative and permanent. The situation demands this. There were last year 612 candidates for the ministry under the care of this Board, which is a falling off from the high year, 1896, of 425. If there should be any considerable increase in the number of candidates, as is very likely to occur, the Board will find itself in very serious straits. There is no disposition on the part of the Board to shirk coming responsibility or to anticipate future difficulties, but if the Assembly could hear the cry of our large foreign populations for religious teachers, preachers and laborers of their own race,

they would realize the situation in all its gravity. The Slovaks, Poles and Magyars of the mining regions of Pennsylvania are eager for religious instruction, and implore the Board to aid men to prepare for work among them. The same is true of the Chinese, Italians, and other foreign populations all over this land. No persons can reach these peoples so well as those of their own language and in whose veins flows kindred blood.

The Board would like to have the Assembly give them as much latitude in such cases as it is possible to give. The Board of Education receives the least amount from the churches of any of the Boards, and its income is by far the smallest. We find that strict economy is practiced at all times, and exacted of every one receiving aid.

After a careful examination of all matters, your Committee was so well pleased with the condition of affairs, that it passed unanimously a resolution approving the management and returning the Board a vote of thanks.

We ask this Assembly to adopt the following recommendations:

1. That the Minutes of the Board be approved.

2. That inasmuch as there is a great demand for ministers to labor among foreign populations, and that as many of them are unable to meet the requirements of the Board in all particulars in order to receive aid; therefore be it *Resolved*, That this Assembly direct the Board to make all necessary exceptions, so far as consistent with its Charter and Constitution, in aiding students of foreign birth and extraction in their preparation for the ministry.

3. Inasmuch as the contributions from churches, Sunday-schools and Societies for the past year were $16,000 less than the amount appropriated in aid of students, and inasmuch as there is now an increasing number of candidates for the ministry under the care of the Board; *Resolved*, That in the judgment of this Assembly contributions from churches and Sunday-schools and Young People's Societies should be enlarged over those of last year by at least fifty per cent.

4. In view of the greatly enlarged opportunities of the present time, and the increasing demand for laborers in all parts of the world; *Resolved*, That all of our ministers be urged to exercise greater diligence in seeking out young men as candidates for the ministry, and in urging upon them the claims of this most glorious calling.

5. That the election of Rev. Henry C. Minton, D.D., in place of Rev. J. S. MacIntosh, D.D., resigned, be confirmed, and that S. Spencer Chapman, Esq., be elected a member of the Board, to fill the unexpired term of George W. Barr, Esq., deceased. Also, that Robert Hunter, D.D., Charles Wadsworth, Jr., D.D., John Calhoun, Charles H. Matthews, Esq., George W. Bailey,

M.D., and George Peirce, Esq., whose terms of service expire at this time, be reëlected for the term of three years.

All of which is respectfully submitted,

JOHN C. VANATTA, *Chairman.*

The Report of the Special Committee on Young People's Societies was presented, accepted and adopted, and is as follows:

The Special Committee on Young People's Societies begs leave to report:

The authority under which the Committee has been working is a recommendation passed by the General Assembly of 1902, in answer to an Overture from the Synod of New Jersey, which recommendation is as follows: "It is recommended that a Special Committee of the Assembly be appointed, consisting of four ministers and three elders, to consider and, if the way be clear, to formulate some plan whereby, without interfering with the interdenominational fellowships now enjoyed by them, the young people of our churches may have the results of their work regularly presented to the Assembly, and may receive the benefit of the guidance and inspiration of the Church as a whole as represented in the Assembly, the Committee to report to the Assembly of 1903" (*Minutes*, 1902, pp. 148, 170).

The Committee held its first meeting in October, 1902. It has had three meetings since, with excellent attendance at each.

Rev. W. H. Roberts, D.D., acted as Recording Secretary, in accordance with the Assembly's rule; and in view of the large amount of correspondence planned, Mr. John Willis Baer was elected Corresponding Secretary.

The following persons were elected corresponding members of the Committee, and each accepted the appointment: Mr. Robert E. Speer, New York, N. Y.; Rev. Hugh B. MacCauley, Trenton, N. J.; Rev. E. F. Hallenbeck, D.D., Binghamton, N. Y.; Rev. Edwin Hart Jenks, D.D., Omaha, Neb.; Rev. George William Wright, Chicago, Ill.; Rev. J. M. Barkley, D.D., Detroit, Mich.; Rev. F. W. Hinitt, Ph.D., Fairfield, Ia.; Rev. A. J. Arrick, Louisville, Ky.; Rev. Robert Hunter, D.D., Philadelphia, Pa.

The Committee has held conferences with the Boards of Home and Foreign Missions, and through its Chairman has been in touch with the Board of Publication and Sabbath-school Work, the Board of Missions for Freedmen and the Board of Education. The Corresponding Secretary was instructed to arrange a conference with the various Women's Boards of Missions, should such a conference seem desirable. After careful consideration of the letters from the officers of such Boards, the Secretary was authorized to inform them that existing relations between the Women's Boards and the Young People's Societies, in the judg-

ment of the Committee, did not come within the scope of its work. An extensive correspondence also was conducted with Chairmen of Presbyterial and Synodical Committees, and through them and others especially interested in the work of young people the Committee has sought information and invited suggestions.

The records of the Assembly for more than a dozen years past reveal a widespread and deepening feeling that the efficiency of our young people might be more fully developed through the wise and sympathetic guidance of the Church as a whole, in Presbytery, Synod and General Assembly.

To the Assembly of 1891 came Overtures from seventeen Presbyteries, praying, in one form and another, for Assembly supervision and control. In 1892 a model Constitution was asked for; in 1894 a Standing Committee; in 1895 a column in the Statistical Reports of the Assembly's *Minutes*. The Special Committee that reported to the Assembly of 1896 received many communications, directly and through the Assembly, from Synods, Presbyteries, societies and individuals, asking for the adoption of the Y. P. S. C. E. as the Presbyterian Society for Young People; asking that a Westminster League be formed; asking that a Westminster League be not formed; asking that the Westminster League be "recognized"; presenting plans for local, Presbyterial and Synodical Leagues and a National Assembly of Leagues; and from Presbyterian representatives of the Brotherhood of Andrew and Philip, and of the Boys' Brigade. In 1897 there was an Overture relating to the reporting of the work and gifts of our Young People's Societies. The Assembly of 1898 received Overtures from thirty-nine Presbyteries, asking a change in the existing method of forwarding the young people's gifts to our Boards. In 1900 the Synod of Ohio sent up an Overture on the same subject. In the same year, a motion for the appointment of a Standing Committee of the Assembly on Young People's Work was referred to a Special Committee appointed to consider the whole matter, and that Committee reported to the Assembly of 1901. In the latter year six Presbyteries asked the Assembly for a scheme of Bible training for Young People's Societies. In 1902, the present Special Committee was appointed in response to an Overture from the Synod of New Jersey.

To all this the Assembly, from time to time, has definitely responded as follows: Sessions have been requested to have oversight of the young people; Presbyteries and Synods have been advised to form "Committees on Young People's Societies"; the organization of Presbyterial Unions of Young People's Societies has been suggested; the Board of Publication and the Mission Boards have provided special courses for Bible study and missions; the Women's and the Assembly's Mission Boards have organized special departments for Young People's Societies;

a popular meeting at the Assembly has been arranged; the Assembly has adopted a "statement of relations" and given constitutional recognition to the Young People's Societies.

Some important questions have therefore been settled, and many good things done.

An extensive correspondence carried on by the Committee with ministers and laymen in all parts of the Church, while revealing much indifference and apathy, has some encouraging features. It shows a strong desire for further progress on the part of practically all the active workers in the Young People's Movement. "We want to be linked a little closer to our own Church," write some. "We are not in close enough touch"; "We have long desired closer identification"—that is, with the Church as a whole—say others.

The communications to the Committee also show that many Presbyteries and Synods which have acted upon the Assembly's recommendations as to the appointment of Permanent Committees, and have followed up the work with spirit, have obtained excellent results—results which, your Committee believes, point the way to the solution of the problem.

While the Christian Endeavor Societies, with their five hundred thousand members in our Presbyterian churches, will constitute a large and important element to be conserved by whatever agency the Assembly may see fit to establish, yet it must constantly be borne in mind that there are great numbers of other young people in kindred and missionary organizations, and probably as many more unorganized also deserving our consideration.

Of available agencies for the work proposed, there are four that have been suggested.

*First.*—The appointment of a Special or Temporary Committee of the Assembly.

*Second.*—The committal of the work to one of the Boards.

*Third.*—The creation of a new department, with a Secretary.

*Fourth.*—The creation of a Permanent Committee of the Assembly.

In the judgment of your Committee, the first, the appointment of a Special or Temporary Committee, would prove inadequate. For the successful management of so large and complicated a work we need a permanent agency, whose labors would be continuous throughout the year, and which could study the situation and increase in knowledge and influence from year to year.

To the second plan, the committal of the work to one of our Boards, there is decided objection. The existing Boards already have all they can attend to, and were this task to be given to any one of them, it would involve an increase of force which would amount to the creation of another department.

The third plan, the creation of a new department, or Board, would in the Committee's judgment be inexpedient, as being, for the present at least, premature and unnecessarily expensive.

The fourth plan, the creation of a Permanent Committee of the Assembly, is the one favored by the Committee. It would be simple and inexpensive; it would make use of our splendid Presbyterian organization all the way up from pastors and Sessions to the Assembly, in harmony with the provision of Chap. XXIII of the Form of Government; it would complete in the most natural way the scheme of organization for young people's work already established and in successful operation in many Presbyteries and Synods; and it would admit of a gradual development of the work on lines suggested by growing knowledge and experience.

As an indication of what such a Committee could do, we may mention the following: Gathering and summarizing facts and statistics, and thorough study of the situation; encouraging the formation of young people's organizations where there are none, or where existing organizations do not meet the need; encouraging the formation of Presbyterial and Synodical organizations of young people; promoting the appointment of Permanent Committees in Presbyteries and Synods; stimulating pastors and Sessions to take vital interest in and to make use of their young people's organizations; preparing training courses for the study of the Bible and of Presbyterian doctrine, history, polity and missions; interesting societies in the work of the Boards—all in coöperation with existing agencies.

But while we suggest these possible lines of action, your Committee believe that it would be very unwise to prescribe too minutely the duties or methods of the Permanent Committee. That Committee should be left as free as possible to form their own plans and determine their own methods. The action by which the Assembly constitutes it should embrace no more than is necessary to bring it into existence, clothe it with the necessary authority and indicate in the most general way the lines within which the Assembly desires the work to be conducted.

After careful study of the whole situation, we therefore offer the following recommendations for adoption:

*First.*—That under the designation "Young People's Societies" be included all organizations of young men, young women and children existing in a congregation, by whatever name known, except the Sabbath-school.

*Second.*—That pastors and Sessions be and hereby are reminded that upon them, first of all, and most responsibly, devolves the duty of constant, sympathetic and energetic leadership of their young people in Christian culture and service, and of hearty

coöperation with the agencies established in Presbyteries, Synods and General Assembly for this end.

In order to make Sessional oversight and leadership efficient, it is recommended that each Young People's Society in the congregation shall annually, on or before March 31, present to the Session a Report of its work for the year.

The Session shall duly consider the reports presented, shall record the substance of them in their minutes, if deemed advisable, and shall make as much of the same known to the congregation as shall be for the interest and welfare of the church.

*Third.*—That each Presbytery appoint a Committee, to be called "A Committee on Young People's Societies," whose duty it shall be to aid all Young People's Societies within the Presbytery, to stimulate them to active service, and to organize them into Presbyterial Unions where practicable, and to report a summary of their work to the Presbytery; and the Report, when approved, shall be transmitted by the Stated Clerk of Presbytery to the Synod and to the Assembly's Permanent Committee.

*Fourth.*—That each Synod appoint a "Committee on Young People's Societies." It shall be the duty of this Committee to arrange a young people's rally, to be held in connection with the annual session of the Synod; to present an Annual Report to the Synod, containing a summary and statistics of the Young People's Societies in the Synod; and the Stated Clerk shall transmit the Report, when approved, to the Assembly's Permanent Committee.

*Fifth.*—There shall be a Permanent Committee of the General Assembly on Young People's Societies, consisting of six pastors and six elders, which shall be divided into three classes of two pastors and two elders each; the first class to serve for one year, the second for two years, and the third for three years; and thereafter two pastors and two elders shall be elected annually, to serve three years, and their terms expiring, their places shall be filled by their successors, as appointed by the Assembly.

*Sixth.*—That the Permanent Committee shall have oversight of young people's work throughout the Church, in coöperation with Presbyteries, Synods and General Assembly, and shall annually present to the Assembly a Report of the statistics and a summary of the labors of all the Young People's Societies, together with all needful recommendations and suggestions. They shall also be charged with the arrangement of the popular meeting for young people held at the General Assembly.

*Seventh.*—That the Permanent Committee shall be authorized to prepare the uniform blanks required for its work, and the blanks for its Report to General Assembly by the Presbyteries and Synods, under authority of the Committee, shall be printed and distributed by the Stated Clerk of General Assembly.

*Eighth.*—The Permanent Committee shall serve without salary, and is authorized to receive contributions for the necessary expenses of the work.

*Ninth.*—There shall also be a Standing Committee of the General Assembly on Young People's Societies, consisting of eleven pastors and eleven elders, whose duty it shall be to consider the Annual Report of the Permanent Committee on Young People's Societies, and report to the Assembly.

*Tenth.*—The Standing Orders and Rules of the General Assembly shall be amended so that in Section 6, on Standing Committees, the following words shall be inserted, viz.: "Young People's Societies, second Thursday, ten o'clock A.M." And also in Section 7, after the words "Aid for Colleges," shall be inserted the following: "Young People's Societies."

The Special Committee on the Omaha Theological Seminary presented its Report, which was accepted and adopted, and is as follows.

Your Committee on Omaha Theological Seminary would report as follows:

This Seminary is the youngest theological institution under the care of the Assembly, by which it was created. The Faculty consists of the Rev. M. B. Lowrie, D.D., President and Professor of the English Bible; the Rev. Alexander G. Wilson, D.D., Professor of Ecclesiastical History and Missions; the Rev. Joseph J. Lampe, Ph.D., D.D., Professor of Hebrew, Old Testament Literature and Exegesis; the Rev. Daniel E. Jenkins, Ph.D., Professor of Didactic and Polemic Theology, and the Rev. Charles A. Mitchell, Ph.D., Professor of New Testament Literature and Exegesis.

Other subjects usually studied in theological seminaries are studied in this institution under the guidance of the Faculty. A full theological course is provided for students for the ministry under competent instruction. The curriculum covers three years of seven months each. Special courses of lectures have also been provided on the subject of Missions under Synodical Missionaries, and such returned foreign missionaries as James W. McKean, of Siam; Horace G. Underwood, D.D., of Korea, and others. The Rev. M. DeWitt Long, D.D., the able instructor in elocution and sacred music, is also giving the students drill in this department of study.

In order to meet the needs of Slavic peoples in the West, Bohemian students are admitted and given the course of study, with instruction in the Bohemian language and history added. This department is under the charge of the Rev. Jaroslav W. Dobias.

Omaha is in the great Central West, five hundred miles west of Chicago, and the Seminary was organized by the wisdom of the Assembly of 1891 to meet the needs of that empire covered by the section indicated. That wisdom has been vindicated in the better and more thorough manning of the Home Mission fields of which that section is almost entirely composed. The country naturally tributary to Omaha is made up of Iowa, Missouri, Kansas, Nebraska, Minnesota, the Dakotas, and the Rocky Mountain States.

Through the labors of friends of the Seminary, especially the Rev. M. B. Lowrie, D.D., and Mr. John C. Wharton, a prominent lawyer in Omaha and an honored elder in the First Church, a fine location has been secured and a new building has been erected, so that the assets of the institution amount to a figure closely approximating $100,000. But the increase in equipment has laid on the Seminary a greater need than ever of an adequate endowment, toward which $5000 have been secured. A hundred thousand dollars are imperatively needed as the minimum of endowment, on the basis of which this school can carry on its work to advantage. While the older and richer seminaries in the Church are receiving hundreds of thousands of dollars, shall this youngest theological school of the Church be forgotten because it is so far from the centre of the abundant resources of the Church? We hope not. We hope that some of God's stewards will see here an opportunity to do signal work for the advance of the Master's kingdom, by offering this year the first $100,000 so urgently needed. In a former Report we have said:

"The time has come when the Seminary should be put on a more permanent basis. The work of years has demonstrated its value and the demand for it; and now, that it may be enlarged and continued, it is urgently necessary to secure invested funds that will yield a regular income. This Seminary is the only school of its kind between Chicago and the Pacific coast. There is, therefore, a large place for it. The work being done is thorough, and is equipping young men for Home Missionary fields especially. About fifty graduates have been sent out in these years, and they are now actively at work in the States of Nebraska, Iowa, Missouri, Kansas, South Dakota and Colorado, while never in its history has the Seminary had so many appeals from promising mission fields for its graduates. It is impossible, with the present equipment, to supply the demand. The promise of the future is great, and if the modest endowment now asked for can be secured, it

will insure the permanence and far-reaching usefulness of an undertaking which, though yet in its infancy, is destined to be one of the most important agencies of our Church for meeting the responsibilities which God has laid upon us for the development of His kingdom in our own and other lands."

In closing this Report we would remind the Assembly that the appointment of the Committee expires with this Assembly, and that another Committee should be appointed. The interests of the Seminary need to be constantly looked after.

We cannot help calling the attention of the Assembly to the unwearied and efficient labors of the Rev. M. B. Lowrie, D.D., on behalf of the growth and equipment of the Seminary, by whose vigilance and constant travel over thousands of miles of railroad, money enough has thus far been secured to meet current expenses from year to year and to avoid debt. Under God, no name has been so conspicuous in the upbuilding of this school as that of our beloved and honored Dr. Lowrie.

The Committee on the Reprinting of the *Minutes* presented a Report, which was approved, and is as follows:

The Committee on the Reprinting of the *Minutes* respectfully reports to the General Assembly of 1903, that the Index to the *Minutes* of the General Presbytery and General Synod, covering the period in the history of the Church from 1706 to 1788, will be issued by the Board of Publication during the present year. The Board will also issue, as a part of the records of the General Synod, the important historical document entitled *The Minutes of the Convention of Delegates from the Synod of New York and Philadelphia and from the Associations of Connecticut*, held annually from 1766 to 1775 inclusive. This Convention was proposed by the General Synod of this Church in order to secure a "general agreement for measures that may be adopted to preserve our religious liberties against all encroachments, and to bless the benighted heathen on our borders with the glorious light of the Gospel." These *Minutes* show the vital relation of the Presbyterian Church to American independence, and especially emphasize the Church's missionary spirit and its desire for coöperation with other Christian Churches at a very early period in our national history. The above publications have been prepared for the printer in the office of the Stated Clerk of the Assembly, and

would have been issued earlier but for the effort to complete the correspondence connected with the *Minutes* of the Convention, which resulted in partial success.

Respectfully submitted,

WM. H. ROBERTS,
WM. B. NOBLE.

The Committee on Editions of the Constitution presented a Report, which was approved, and is as follows:

The Committee on Editions of the Constitution respectfully reports that the Board of Publication and Sabbath-school Work has recently issued a new edition of the entire Constitution, with an Appendix containing the Rules for Judicatories, Administrative Acts of a General Nature passed by the Assembly, and a complete Index. The Board has also issued in a separate volume the Administrative Standards, viz.: The Form of Government, the Book of Discipline and the Directory for Worship. Both these publications have been carefully edited by the Committee.

WM. H. ROBERTS,
E. R. CRAVEN,
WM. B. NOBLE.

The Committee on the *Digest* presented the following Report:

The Committee on the *Digest* respectfully reports that the material for a new edition is being steadily gathered in the office of the Stated Clerk of the Assembly, who has been appointed to the work. It is requested that authority be given to prepare for the issue of the same in about two years.

WM. HENRY ROBERTS,
WM. B. NOBLE.

The Report was approved, and the requisite authority was given for the issue of the new edition.

The Special Committee on Vacancy and Supply presented its Report, which was accepted and adopted, and is as follows:

The Committee on Vacancy and Supply respectfully reports to the General Assembly that its membership is as follows: *Ministers*—Robert F. Sample, D.D., LL.D., William H. Roberts, D.D., LL.D., William P. White, D.D., James E. Moffatt, D.D., Herrick Johnson, D.D., LL.D.; *Ruling Elders*—Hon. Robert N. Willson, George E. Sterry, Esq.

The Committee was continued by the Assembly of 1902, and in

view of the attitude of the last General Assembly has awaited "the results of the operation of the new plan in its entirety, prior to further action upon so important a matter" (*Minutes*, 1902, p. 117).

The attention of the Presbyteries has been drawn by the Assembly to the additions made in 1901 of three sections to Chap. XXI of the Form of Government, providing definitely for the supply of vacant churches and the employment of ministers without charge. It is believed that many of the Presbyteries have not as yet put the provisions of these sections into operation.

The Committee submits for information the statistics of ministerial employment and of the condition of the churches as shown by the *Minutes* of the Assembly for 1902. They are as follows:

EXHIBIT—MINISTERS.

| | |
|---|---|
| Pastors | 3523 |
| Stated Supplies | 1448 |
| Home Missionaries | 239 |
| Foreign Missionaries | 214 |
| Honorably Retired | 422 |
| Professors and Teachers | 273 |
| Evangelists | 442 |
| Without Charge, etc. | 789 |
| Ecclesiastical Officers | 190 |
| In transitu | 74 |
| Suspended | 3 |
| Total Ministers | 7617 |

EXHIBIT—CHURCHES.

| | |
|---|---|
| With Pastors | 3748 |
| With Stated Supplies | 2864 |
| Vacant | 1132 |
| Total Churches | 7744 |

These figures show that on May 1, 1902, there were in the Church 1231 ministers who were designated as evangelists or without charge. The vacant churches numbered 1132. The number of ministers without regular employment therefore was 99 in excess of the vacant churches. It is the opinion of those best informed on the subject, that only about one-third of the ministers without regular employment were so situated as to be able to render continuous service in the pastorate. This reduces the number of ministers who were available during the ecclesiastical year for regular or temporary service to about 400. The Committee also find little improvement in the number of self-supporting churches. Of the total of 7744 churches only about 3500 contribute sufficient sums for the whole of their support. The situation still remains one which can be solved only by self-

sacrifice on the part of ministers or larger gifts to Synodical and to Assembly Home Missionary operations. The sum of $250,000, properly and annually distributed, would be of vast advantage in the supply of spiritual destitutions, the strengthening of weak congregations and the general extension of the Church.

There is a slight improvement in one direction in the situation, as shown by the increase of ninety-six in the number of pastors in 1902 over 1901. It is also gratifying to state that there is a decrease in ministers without charge during the year amounting to forty. It is hoped that another year or two of work by the Presbyteries will show a yet greater improvement in these respects.

The Committee believe that it would be well to secure for its use, with a view to a report for the next Assembly upon the whole subject entrusted to it, definite statements from the Presbyteries and Synods, setting forth their methods of dealing with vacancy and supply, and in particular their action with reference to the additions made to Chapter XXI of the Form of Government. The Committee earnestly desire to see the recommendations suggested on previous occasions, and especially the additions made to our Form of Government which bear on the matter of Vacancy and Supply, made operative. Our Church needs to have its power of control and administration strengthened at the point where it appears to be weakest. We seem at present to be placed at a great disadvantage as respects the conserving of our ministerial force.

The following resolutions are therefore presented for adoption by the Assembly:

*Resolved*, 1. That the Committee on Vacancy and Supply be continued, to report to the Assembly of 1904.

*Resolved*, 2. That the Presbyteries and Synods are requested to present to the Assembly through the Committee definite statements, setting forth their methods of dealing with vacant churches and of securing employment for unemployed ministers; in particular with reference to the provisions of Chap. XXI of the Form of Government, Sections 2 to 4.

Respectfully submitted in behalf of the Committee,

ROBERT F. SAMPLE, *Chairman.*

We find the appeal is in form, and accompanied by specifications of error. We recommend that a Judicial Commission be appointed to try the case on its merits. Adopted.

The Committee on Evangelistic Work presented, through the Stated Clerk, the following, which was adopted by a unanimous and rising vote:

*Resolved*, That this General Assembly recommends that Sunday next be made the occasion for specially emphasizing the evangelistic purpose of the Presbyterian Church in the United States of America, by services in the churches and in other suitable places in Los Angeles, and that ministers officiating be requested, so far as possible, to give such services a distinct evangelistic character.

*Resolved*, That the General Assembly's Evangelistic Committee, in connection with the local Committee of Arrangements of which Dr. Walker is Chairman, be authorized to make the necessary arrangements.

A resolution presented on the subject of Temperance was referred to the Standing Committee on Temperance.

The persecutions of the Jews in Russia being brought to the attention of the Assembly by a telegram to a Commissioner from a Jewish rabbi, asking that some action be taken, the following was adopted:

In view of the recent massacre, marked by unspeakable cruelties, of the Jews in Kishineff, Russia; *Resolved*, That this General Assembly, representing the Presbyterian Church in the United States of America, enters its solemn protest, in the name of our common humanity, against the revolting and infamous treatment of the Jews in Russia.

The Standing Committee on Home Missions, through its Chairman, Rev. W. W. Halloway, D.D., presented its Report, which was accepted, and after addresses by the Chairman, by Rev. Charles L. Thompson, D.D., Secretary of the Board, Rev. James S. McDonald, D.D., Rev. Robert N. Adams, D.D., and others, was adopted. The Report is as follows:

The Standing Committee on Home Missions respectfully reports that the Committee organized on Saturday evening, May 23, with the election of W. W. Halloway, D.D., of Dover, N. J., as Chairman, and at once proceeded to business.

First of all, the Committee wishes to congratulate the Church upon the great work which has been done during the year by the Board, and upon the fact that it closes its year not only with no debt, but with a balance in the treasury of six or seven thousand dollars. The grand total of receipts foots up $998,000, or nearly $13,000 more than last year. We congratulate the Board, too, upon its happy choice of Mr. John Willis Baer as Assistant Secretary. His former work in the Christian Endeavor Society gives pledge of his success in this new field. It is a matter for rejoicing, too, that the indebtedness on the Presbyterian Building in New York has been so greatly reduced as to leave a comparatively small margin of debt, which, it is hoped, will soon disappear, and make of that great building a perennial source of income for Home and Foreign Missions.

The work of the Woman's Board deserves special mention. The year has been one of growth in all lines of its work. In the schools 759 persons have been led to give themselves to Christ, and will go out into the world to wield an influence for righteousness which no figures can measure. Two churches have been organized, making a total of ninety-eight church organizations resulting from the Woman's Board, "an average of one every three months since the establishment of the first mission school, twenty-four years ago."

The amount raised by the Woman's Board during the last year was $444,000, the largest in its history. With its complete organization and the loyalty and enthusiasm of the Women's Societies

all over the country, even larger things may be expected in the near future.

The Young People's Societies coöperate loyally with the Board, and through the 220 Synodical and Presbyterial Young People's Secretaries, are in close touch with its needs. The contributions from the Endeavor Societies last year were over $29,000, and of other Young People's organizations nearly $24,000, to which must be added contributions from the Sunday-schools of $18,577 to the Home Board, and $22,435 to the Woman's Board. Our young people are thus being trained in giving and brought up from childhood to stand in intelligent relation to the great work of evangelization.

A review of the work of the Home Board proper shows a year of strong and successful work. It is impossible to give, even in the briefest *résumé* of the work in the different parts of our land, an adequate idea of its magnitude.

In three principal directions there has been a large movement of population, viz., in the Northwest, the Southwest and along the Pacific coast. Into the great State of North Dakota, with its many resources, there has been a large influx of population. Twelve of its fields have become self-supporting in the last two years. The recent opening of the Red Lake reservation in Minnesota has also drawn population thither; and a new Presbytery has been organized there, the Presbytery of Adams, named in honor of the Synodical Missionary. In the Southwest there has likewise been much development, the population of the Indian Territory and Oklahoma having had large increase. New railroad lines running into the Southwest are making that vast section of country more accessible, and calling for advanced Home Mission work. Nine new churches have been organized in the Synod of Indian Territory. The Pacific coast, of course, is waking to new activity, and the three Synods along that coast, California, Oregon and Washington, are all appealing for increased missionary resources. About twenty new churches have been organized along that coast during the past year. The work in Alaska shows steady gains; much spiritual interest has been manifested among the native population of the interior, and a few missionaries have been sent there, but many more are needed. It is the belief of those most conversant with the territory that its resources are so vast and varied, that in a short time a large and hardy population will be found there. Meantime our Church is doing the best it can to help the miners and the residents there to bear the rigors of the strenuous life of that region. Cuba and Porto Rico have likewise been most fruitful fields of labor. The work in Porto Rico is in the nature of a harvest already. Two of our churches in that island have received, each of them, more than one hundred members on confession of faith. The Board is seeking men and

women to enable it to cultivate that field more rapidly and more thoroughly. Twenty-five additional missionaries could very properly be put at work there at once. In Cuba the conditions are somewhat more difficult, but they are likewise promising.

The work among the foreigners who come to our shores is demanding and receiving more and more attention. In 1901, 488,000 came to us from different lands, the larger proportion from Italy. They are scattered over our country from ocean to ocean, but are prone to congregate in our cities. The problem for the Church to-day is to reach them with the Gospel, so that their coming may not tend to lower the moral, social and religious standards which have prevailed among us as set up by our forefathers. Our Church hitherto has not done her share of work among them, and must wake up to her obligations and opportunities. Many of our towns present as large a foreign missionary field, and certainly as available and pressing a one, as could be found anywhere on God's earth. And in close connection with this work is that among the so-called workingmen in general. It must be acknowledged that this class is, for some reason, largely averse to the Church, and not reached by Gospel agencies. But if our country is not to repeat the history of other countries in the past, they must be reached, they must be caused to see that the Church is their best friend, they must be brought into subjection to Jesus Christ. It is to be hoped that our Church will do its part in this, and we commend all efforts put forth in the spirit of the Master to fulfill his words, "the poor have the Gospel preached to them," especially the missions now being conducted in Western cities among the workingmen, praying that such results may follow as will justify larger and permanent plans for increasing the hold of the Church upon them. We also heartily approve the purpose of the Board to coöperate with the Evangelistic Committee in its efforts for reviving the spiritual life of the Church and to carry the Gospel to and hold religious services among those that would otherwise be unreached. We hope that the Board will put forth earnest efforts to assist the Evangelistic Committee, especially in the matter of providing such literature as may meet the needs of the case and stimulate interest in the meetings. We notice that a large advance has been made in the Literature Department of the Board, and, doubtless, home missionary and evangelistic pamphlets and leaflets would materially promote the good work toward the one great end, the salvation of men.

For the first time the Board this year has printed, together with its own Report, the Reports of the different Synods in which Synodical Home Missions prevail. By doing this they show the unity of the missionary work of the Church. Two Synods have joined the honorable self-support list during the past year, Iowa and Wisconsin. The Board has shown its sympathy with this

movement among the Synods, and we join with it in approving all plans of Synodical self-support which have in them the promise of permanence.

Finally, mention should be made of the missionaries of the Board. There are now 1284 of them, heroes all. They are the modern knights; they belong to the order of the Church's chivalry. The old order had two watchwords, "devotion" and "service." Around these ideas their lives were built. They were picked men. They lived to serve others. They may have had fantastic notions, they may have carried out their engagements in a way which appeals to our idea of the ludicrous. But they were unselfish, brave, pure-hearted. And wherever a wrong needed to be righted, wherever help was needed by the feeble or oppressed, there they were ready to go. These modern knights, our missionaries, with equal unselfishness and equal devotion, hold themselves ready for still nobler service. They go forth to set free the captives of sin, to break off chains of vice, to comfort those that mourn, to preach the acceptable time of pardon, to bring home from long wandering the lost children of the Heavenly Father. They are in journeyings often, in perils often, in weariness and pains and hunger and thirst, in fastings and cold and nakedness. They do not flinch, however. They rather rejoice that they are counted worthy to suffer and to serve for His sake. All honor to them. Let the Church send to them along the frontier and among the mountains the message of good cheer and Godspeed.

Your Committee would recommend the adoption of the following recommendations:

1. That the Minutes of the Board be approved, and that the thanks of the General Assembly be returned to the officers of the Board for the intelligent and simple manner in which they are kept, and the form in which they are presented. We also feel that the work of the officers and members of the Board should receive adequate acknowledgment, and the Assembly hereby extends to them its grateful thanks for their earnest and faithful labors.

2. That the Assembly approves the plan of the Board, of printing with its own Report the Reports of the self-supporting Synods, and the statistical table of contributions.

3. That the Assembly approves the effort of the Board to secure in our mission churches a deeper interest in the welfare of the workingmen.

4. That we commend the important work among our foreign populations done and planned to be done by the Board, and hope that money and men may be found to enable the Board to fulfill adequately the demands made upon the Church in this direction, especially among those immigrants who, like the Hungarians and Bohemians, belong historically to the Reformed Church.

5. That the Assembly has heard with pleasure of the election

of John Willis Baer as Assistant Secretary of the Board, and hereby approves his election.

6. That on the Sabbath preceding Thanksgiving Day our Sabbath schools be requested to make an offering for the Mission school work under the care of the Woman's Board of Home Missions, and on the Sabbath preceding Washington's Birthday, February 22, for the work of the missionary pastors under the care of the Board of Home Missions.

7. That we record with gratitude the successful work of the Woman's Board, and heartily and earnestly commend it to the interest and prayers and labors and gifts of all the women in our churches.

8. That we heartily approve the policy of the Board in seeking closer and more coöperative relations with other branches of the Presbyterian Church, and with other evangelical bodies generally, for the evangelization of our country.

9. That we urge upon the churches the advisability of taking up offerings for the Board as early in the Assembly year as possible. The month of November is suggested as the time for offerings to the Board, when not taken earlier.

10. That we approve of the Board's development of the department of literature, so as to furnish materials for missionary meetings, and generally for the supplying of fuller information concerning the needs of the mission fields, thereby quickening deeper and more intelligent and steadier interest in the cause.

11. In view of the fact that the Board purposes to make an advance of $25,000 this coming year for new work, the Assembly calls upon the Church to make such generous contributions by every organization and by individuals, as will enable the Board to continue its advance into new territory, while continuing, as it has now done for five successive years, to make its Report to the Assembly with all its obligations met.

12. The terms of service of the following members expire with this General Assembly: *Ministers*—D. Stuart Dodge, D.D., Lyman W. Allen, D.D., Wilson Phraner, D.D., Howard Agnew Johnston, D.D.; *Elders*—George R. Lockwood, Titus B. Meigs, George H. Southard. We recommend that these gentlemen be reëlected to serve for the term of three years. Further, we recommend that Rev. Robert Mackenzie, D.D., be elected to fill the unexpired term of Rev. James S. Ramsey, D.D., resigned.

Respectfully submitted for the Committee,

W. W. Halloway, *Chairman.*

TUESDAY, May 26, 2 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on Aid for Colleges presented its Report, which was accepted, and after addresses by the Chairman, by the Rev. E. C. Ray, D.D., Secretary of the Board, and Rev. William O. Ruston, D.D., was adopted. The Report is as follows:

Your Standing Committee on the Board of Aid for Colleges and Academies would respectfully report as follows:

I. Work of the Board.—Founded in 1883, the Board has completed the twentieth year of its existence. During this period it has accomplished well its assigned task, so far as the means at its disposal have permitted. It has perpetuated institutions some of which, but for its fostering care, would probably have gone out of existence. By wise gifts and counsel it has encouraged the foundation of new institutions, in localities and under conditions which make permanent usefulness probable. In a manner no less fruitful for the cause of Christian Education, it has kept

that cause steadily before the attention of our Church as an issue of paramount importance.

*Territory.*—The territory to which the Board gives its care lies west of the western boundary of Pennsylvania, and extends to the Pacific coast. In this territory there are a number of our most honored institutions which do not draw upon the Board for aid, such as Wooster, Centre, Maryville, Wabash, Hanover, Lake Forest, Coe, Parsons, Park, Emporia and Highland.

The colleges and academies aided by the Board have all come into existence since 1866, except Tusculum in Tennessee, which was founded in 1794. Their number is twenty-five, of which twelve are colleges. During the past year these institutions have given instruction to 3624 students, of whom 477 were full college matriculants. Of this number 1845 are members of the Church and 194 were credibly converted during the year. It is proper at this point to notice the transfer to Presbyterian control of Illinois College, the oldest educational institution in Illinois. Founded in 1832 by Yale men, it has had a most honorable history and included among its Presidents Drs. Edward Beecher and Sturtevant. An addition to its endowment of $200,000 marked the transfer.

*Funds.*—The funds, at the immediate disposal of the Board or passing through its hands, have amounted to $185,936. Of this amount the sum of $95,410 has been placed to the account of the permanent endowments of the twenty-five institutions drawing upon the Board. For the current maintenance of these institutions and the expense of administration, $87,629 have been used.

More than three-fourths of the total amount has been the gift of individuals. The gifts of the churches have amounted to $49,444, as against $44,695 last year. To this amount a little more than one-half of the whole number of our churches, 4260, made an offering. We are gratified to note that 200 of the Sabbath-schools and Young People's Societies have made contributions, and we would urgently commend this cause to the sympathies and gifts of all our Sunday-schools and Young People's Societies.

Hearty recognition should be accorded to the Board for the economical administration of its trust, at a total expense of only four and one-half per cent. of its income. For this result it is fitting to make special acknowledgment of the efficient services of the Secretary, who combines with this office the duties of Treasurer.

II. Principles and Policy.—The principles followed by the Board are adopted to give confidence to givers, and to serve most efficiently the ends for which the Board exists. Its basal rules require that institutions receiving aid be corporately identified with the Church, or be bound by charter enactment to have a Board of Trustees, two-thirds of whose members are members of the Pres-

byterian Church. Among its regulations are (1) That the Board incur no debt; (2) That the institutions aided incur no indebtedness, and that a sufficient amount of insurance be maintained to protect the interests of the Church against loss; (3) That the Bible be systematically taught. The interests of the Church are thus guarded and the property assured to the uses for which it was intended.

It has been a fact of experience that gifts made through the Board have in almost all cases secured gifts from local interests, many times greater than the Board's appropriations. For example, the Board's appropriation of $15,000 to Macalester College secured $140,000. Another to Occidental College of $3000 has stimulated local givers to make up $52,000 and even more.

As a result, in whole or in part, of these twenty years of the Board's activity, there are now in connection with the Church twenty-three colleges in the West as against five at the beginning of the period. Some of these have passed out of the care of the Board to independence. The twenty-five institutions now under its care own property valued at $1,480,000.

III. Future Work.—The outlook for the development of our educational institutions in the territory covered by the Board gives reason for strong encouragement and vigorous effort. The signs are more stirring now than at any moment in the last twenty years. The Board seems coming to its term of full manhood. It enjoys the confidence of the Church, and nowhere more than where its operations are best known. Inquiries coming from many quarters indicate a growing appreciation of the call for education under distinctly Presbyterian auspices, as a most important factor in our onward progress. Our own colleges supply our theological seminaries with the larger proportion of their students. These Presbyterian colleges strengthen the tie which binds our intelligent laity to the Church and train an intelligent laity. They are required to maintain the proper dignity of the Church as a body, set to bear witness for Christ in the world. The diagrams included in the Board's Report show that in comparison with the Methodists, Baptists and Congregationalists in the West, we are behind them in the number of our colleges, the number of students and the amount of our endowments. Shall we decline to follow the injunction to emulate one another in good works, not being behind in doing our proper share with these sister bodies in providing facilities for Christian training, and so helping in this way to solve the problem of evangelizing the world? Shall we not strengthen and magnify our Christian schools until, like searchlights on every greater eminence, they shall illuminate the large sections around, and resist by an intelligent faith the intellectual and social errors in conflict with vital Christianity?

With the aid of statistics it has been found that, except in the

case of a few institutions, the average student travels not more than fifty miles in getting to his college home. Of the 371 students at Washington and Jefferson in 1901, 250 came from Pennsylvania. Of the 201 students at Hamilton, all but twenty-three were from New York. This fact proves that there is still room for the establishment of new colleges, if we are to adequately make our influence felt upon the wide land of the West. There are at present whole States, like Wisconsin and Montana, without a Presbyterian college. Is not the Church bound to see to it that its older centres of education have all the facilities needed, and the newer institutions be put on such a firm basis that their future shall be no longer a matter of controversy?

IV. Immediate Opportunity.—The present seems to be the nick of time for this cause of Christian education. The members and friends of this Assembly have traversed the continent, from the older States to the Pacific, and have become acquainted with the vast areas where millions have found a home within the last twenty-five years, and where millions more will be likely to make for themselves homes in the near future. Those who have helped to form these newer communities of the Western States, have most confidence that much of the area which is now desolate will some day teem with towns and cities. A feeling that our own institutions are the main source of supply for our ministry has taken strong hold of the Church. Liberal sums are being given at home and abroad for the increase of college endowments and the foundation of new colleges. Shall we not accept this as our time, under the favor of God, and by a general enthusiasm and liberal gifts, promptly to enter upon a bold movement to greatly enlarge the endowments and appliances of our colleges throughout the length and breadth of our land, from Princeton on the East to Whitworth and Occidental on the West?

V. Recommendations.—The Committee therefore makes the following recommendations:

1. The Assembly expresses its heartfelt gratitude to God for the work the Board of Aid has been able to do during the past twenty years.

2. The Records of the Board, which the Committee has carefully examined and found accurately and neatly kept, are approved.

3. The churches are urged to observe Education Day on the Sunday nearest to the Day of Prayer for Colleges, and ministers are urged to preach sermons on some aspect of education in its relation to the spread of the Gospel and the salvation of men.

4. The Assembly's Evangelistic Committee is recommended to arrange, as the way may seem clear, for conferences at our colleges, with the aim of presenting to the students our Lord's

call for Christian workers, and the pressing need at home and abroad for consecrated Christian activity.

5. The churches are urged to increase their gifts to the Board to $150,000, to be applied to the current expenses of the institutions under its care.

6. The cause of Christian education is commended to the men and women in our Church of large and small means, for the liberal endowment at once of our own colleges, and the foundation of new ones in sections not now occupied, as may be approved by the Board and the Synods.

7. The following persons are recommended for election as members of the Board for the term ending May, 1906: *Ministers*—J. G. K. McClure, D.D., William P. Merrill, M. L. Haines, D.D., Cleland B. McAfee, D.D.; *Elders*—Hon. Daniel P. Eells, Henry J. Willing, Thomas Lord, J. S. Hubbard; and also, the Rev. W. J. McKittrick, D.D., to fill the unexpired term of Rev. Francis L. Ferguson, D.D., deceased.

Respectfully submitted,

DAVID S. SCHAFF, *Chairman.*

It was *Resolved*, That the Stated Clerk be instructed to arrange a meeting or meetings, for the adequate presentation of the combined college interests, at the next General Assembly.

The Special Report of the Standing Committee on Bills and Overtures on the subject of College Endowment was taken up and unanimously adopted. The Report is as follows:

The Committee on Bills and Overtures respectfully presents an additional Report, as follows:

*Overtures Nos. 77–86*, also *171*, from the Presbyteries of Benicia, Cleveland, Council Bluffs, Dubuque, Fort Dodge, Iowa, New Albany, Sioux City, Waterloo, Wooster and Cedar Rapids; also *Papers Nos. 159* and *160*, being Memorials from college Presidents of Presbyterian Colleges in the Central West, asking for the appointment of a Commission to raise an endowment fund for colleges and other institutions of higher education; also *Paper No. 161*, on the same subject, from the Board of Directors of McCormick Theological Seminary. It is recommended that the following action be taken:

This Assembly, with profound gratitude to God, acknowledges the service which has been rendered to the cause of Christianity at large, and to our Church in particular, by our Presbyterian colleges, universities, theological seminaries and other higher educational institutions. One of our conspicuous distinctions among our sister denominations has been that for so long a time in this field we have stood at the very forefront. It has been largely due to these institutions that, although other branches of

the Evangelical Churches of this country have passed us in the aggregate of membership, yet in influence for all that is best in religion and Christian civilization, we have been second to none.

It is, therefore, not chiefly because of a consciousness of long-continued failure, that we now recognize the imperative need of a great and united forward movement on the part of our Church in behalf of this cause. Rather, so far as the memory of the past is concerned, it is to keep ourselves in harmony with our own historic attitude, as well as that of the Church of all ages and lands when true to its work, that we now call upon our ministers, our ruling elders and deacons, our entire membership, and all our congregations, to unite in a special effort within a limited period to place their institutions in a position, where they can meet as they ought the demands that are justly made upon them at the beginning of this century.

New conditions environ this work as it is now laid upon our higher institutions of learning; the average standard of intelligence among the American people because of our public schools, primary and intermediate, has been immensely advanced in recent years; and this has made an enormous advance on the part of our higher institutions an inevitable necessity.

Many of the colleges and universities of our land have been lavishly provided with men and means for their work. Some of our sister denominations have so well recognized the new conditions that are upon us, and have so liberally met the needs of their institutions as to excite our admiration, and to kindle our own zeal in this cause. If we are to rank with them in worth and work, we must have the means with which to do it.

Under existing circumstances it would be a most hurtful dereliction of duty were we to allow the higher institutions of learning that are Presbyterian to shift for themselves, and to meet the new demands as they may, without our united and earnest help. The time has beyond question come when our whole Church ought to rally to the support of this cause. Our higher institutions of learning must not be permitted to stand still, or to retrograde, or in any way to drift toward the rear in the ranks of such agencies. They must at once be put fully abreast of the very best of their kind.

This is indispensable in order that our Church and our country may, in its laity, have men and women who, in the possession of broad Christian intelligence and culture, shall take the lead in all our affairs—social, political and religious—and profoundly leave their impress there. One of the greatest needs of our country, in all the professions and other walks of life where education and character tell powerfully for good, is the type of men who are moulded in our Christian colleges. Again, if we are to continue to possess a ministry that is sufficient in numbers and qualified in

heart and head and hands to fill our pulpits, and to do the work of our missionaries at home and abroad, we must promptly see to it that our colleges are endowed and equipped adequately for their service. Already a very serious decline in the number of our candidates for the ministry is a just cause of profound concern to us all. It is in our colleges probably more than anywhere else that the remedy is to be found. We must provide these institutions with the means whereby they can more largely attract to their halls the very choicest of our young men, and where just at the turning-point in their careers for life they shall be compelled, under favorable conditions, to face the question whether they are called of Christ to preach the Gospel.

We are profoundly conscious that for the success of the movement which we seek to initiate for the promotion of higher education, money is by no means the only necessity. The intelligent acquaintance of our people with its conditions, their sympathies and their prayers are of first importance. We appeal, therefore, to our entire ministry, to our ruling elders and deacons, to our membership in this matter. Let us stimulate one another as we can, until the whole Church is aroused to thought and to prayer. But money for endowment and equipment is needed in large sums. In order to awaken the Church and to secure funds, we adopt the following plan, and call upon all of our people to assist in carrying it into successful operation:

*Resolved*, 1. That this General Assembly recognizes the requests that have come to it from so many sources, to take steps looking to the advance of the work of higher Christian education conducted by our colleges and other institutions of learning, as an evident call of God to this great undertaking.

*Resolved*, 2. That in response to this call, this Assembly hereby adopts the following plan to raise within the next three years, or less, an Educational Fund of not less than twelve millions of dollars, under such conditions, and to be distributed according to provisions either herein prescribed, or subsequently added by the Commission hereby established.

*Resolved*, 3. That this Assembly authorizes the Moderator to appoint, either during the sessions of this Assembly, or at the earliest practicable date after its adjournment, a Commission of fifteen members, who shall serve for a period of three years, and whose duty it shall be to begin and to carry forward during this period, this movement for the better endowment and equipment of our Presbyterian colleges and other higher institutions of learning. The Moderator is authorized to call the Commission together so soon as it is, in his judgment, prepared to organize; and they shall then elect their own Chairman. The Treasurer of this Commission shall be the Treasurer of the General Assembly. He is

instructed to make provision for the first meeting of the Commission.

*Resolved*, 4. That this Commission is empowered to appoint from its own membership an Executive Committee of five members, to which Committee it may commit so much of its work as in its judgment can thus be managed most satisfactorily.

*Resolved*, 5. That this Commission is empowered to choose a Secretary and to pay him an adequate salary; and that said Secretary shall, under the supervision of this Commission, give his entire time to the prosecution of this undertaking.

*Resolved*, 6. That this Commission is instructed to devote its efforts in two chief directions: First, to awakening interest, diffusing information and stimulating prayer in behalf of the cause with which it is charged; second, to raising the Fund heretofore named, for the better endowment and equipment of our colleges and other higher institutions of learning.

*Resolved*, 7. That in the distribution of the funds that may come into the Treasury of this Commission, it shall carry out the directions of donors, who may designate the institutions which they may desire to help; and that all undesignated gifts shall be distributed upon an equitable basis, determined after careful investigation, among the institutions that under proper conditions seek a share, and that are so attached to the Presbyterian Church in the United States of America, that there is no reasonable ground of apprehension that in law or service they shall be alienated from this Church.

*Resolved*, 8. That this Commission shall have power to fill any vacancies that may occur in its membership, subject to the approval of the General Assembly meeting next after said appointment. Further, that this Commission shall report to each succeeding General Assembly during the period for which it is appointed, and shall be subject to any additional instructions that may be given it, or any other action that any one of these Assemblies may take in regard to it.

*Resolved*, 9. That the Commission shall have power to provide for its expenses.

The Report of the Special Committee on Divorce and Remarriage was made the second Order for Thursday afternoon.

The Committee on Bills and Overtures presented the following Report, which was adopted:

I. Reference of Papers.—That *Overture No. 126*, from the Presbytery of Arizona, be referred to the Standing Committee on Church Erection.

That *Overture No. 143*, from the Presbytery of Atlantic, be referred to the Standing Committee on Benevolence.

That a request from the Board of Foreign Missions in regard to the ordination of ministers in foreign fields, be referred to the Standing Committee on Polity.

II. Action upon Papers.—

*Overture No. 107*, from the Presbytery of Petoskey, makes request that "public schools" be included in the "Specific objects for prayer" on the Day of Prayer for Colleges and Academies, now appointed for the last Thursday in January.

*Answer.*—Inasmuch as the General Assembly of 1896 (See *Digest*, p. 874, Section 10) appointed the last Thursday in January as a Day of Prayer for Schools and Colleges, no further action is necessary. The word schools must be interpreted as embracing "public and private schools."

*Overture No. 106*, from the Presbytery of Geneva, requests this General Assembly to direct that "the second Sabbath in September in each year be observed in Christian homes and churches as a day for special and united prayer for public and private schools, and of all the interests which are involved or affected by this vast work of education."

The intent of this Overture is not plain. Two interpretations are easily possible:

1. It may be regarded as a request that this General Assembly change the Day of Prayer for Schools and Colleges from the last Thursday of January to the second Sabbath in September.

2. It may mean that this General Assembly direct that the second Sabbath in September be set apart as an additional Day of Prayer for public and private schools.

*Answer.*—We recommend that this Overture be answered in the negative for two reasons:

1. That it is better to have one day of Prayer for Schools and Colleges, when all our people shall unite their supplications before the Throne of the Heavenly Grace, rather than divide them between two days so widely separated; and

2. That we may maintain the concert of prayer with our sister Churches on the day which they and we have chosen, viz., the last Thursday of January.

Upon the Annual Report of the American Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, the Committee would report as follows:

1. That the matter of an advanced course of Sabbath-school lessons presented in the Report be referred with power to the Board of Publication and Sabbath-school Work.

2. That the matter of the apportionment of this Church for the annual expenses of the Alliance be referred to the Committee on Finance.

3. That the following resolution in relation to the remarriage of divorced persons be adopted:

*Resolved*, That all ministers under our care and authority are hereby enjoined to refuse to perform the marriage ceremony in the cases of divorced persons, except as such persons have been divorced upon grounds and for causes recognized as Scriptural in the Standards of this Church.

Respectfully submitted,

HENRY VAN DYKE, *Chairman.*

WEDNESDAY, May 27, 9 o'clock A.M.

The Assembly met, and was opened with prayer.

The Minutes of yesterday's sessions were read and approved.

The Standing Committee on Bills and Overtures presented a Report, which was adopted, and is as follows:

I. WHEREAS, A large and increasing number of the young people of our Church are securing their higher education in State universities, where they miss largely the religious stimulus found in our own colleges, and where they are subjected to many secular and materialistic influences; and

WHEREAS, It is the duty of the Church to supply as far as possible this lack and offset this danger; therefore,

*Resolved*, That this Assembly appoint a Special Committee of five, three ministers and two ruling elders, to ascertain to what extent our young people are in State universities, what is being done to give them religious culture and safeguard them for our

Church, and what are the best methods of doing this work, the Committee to make full report on the whole subject to the next Assembly.

II. On the subject of the election of the Standing Committees, the following is recommended for adoption:

The Committee unanimously recommends, as a substitute for the motion to amend the rules for the election of the Standing Committees and the amendment proposed to said motion (which said motion and proposed amendment have been referred to the Committee), the adoption of the following Resolution:

That the second clause of Standing Rule No. 5 be amended to read as follows:

1. The Standing Committees shall each consist of twenty-three members, including the Chairman, except the Committees on Mileage and Finance, which shall each consist of twelve elders. Eleven members of the Committees on Mileage and Finance, and eleven ministers and eleven elders of the other Committees shall be chosen by the Electing Sections as herein provided. The Moderator shall, as soon as possible after his election, appoint a member of each Standing Committee, who shall be the Chairman thereof; provided that he shall not appoint more than one member and Chairman from the same Electing Section, and that he shall always appoint the retiring Moderator as a member and Chairman of the Committee on Bills and Overtures.

If the Moderator shall appoint as a member and Chairman of any Standing Committee any one chosen by any Electing Section as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee caused by the Moderator's appointment.

2. That the second sentence of the fourth clause of Standing Rule No. 5 be stricken out (see *Manual*, pp. 100 and 101). Adopted.

In reply to *Overtures Nos. 89–93, 136, 101–105* and *157*, relating to closer coöperation or union with sister denominations, said Overtures coming from the Presbyteries of Dayton, Denver, Indianapolis, Mattoon, Southern Dakota, Bismarck, Fargo, Minnewaukon, Mouse River, Pembina and Redstone, and from the General Synod of the Reformed Presbyterian Church, we recommend the adoption of the following resolution:

Whereas, The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him as the only Head of the Church Universal to work together in harmony and love for the extension of His kingdom and the good of the world; and

Whereas, This Assembly earnestly desires to commend and

promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by consolidation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization; therefore be it

*Resolved*, 1. That a Committee of seven, four ministers and three elders, be appointed by the Moderator to consider the whole subject of coöperation, confederation and consolidation with other Churches.

*Resolved*, 2. That *Overtures Nos. 89–93, 101–105, 136* and *157* be placed in the hands of this Committee; and that they be instructed to enter into correspondence with any Churches of the Reformed family with whom, in the judgment of the Committee, such correspondence would be likely to promote closer relations; and also to confer with the Congregational Church in regard to the practical improvement of the plan of comity referred to in some of the Overtures.

*Resolved*, 3. That this Committee shall report to the next Assembly such plans and measures as seem to them wise, proper and profitable for the advancement of fraternal relations, for the increase of harmonious work, and, if God shall open the way, and incline the hearts of the Churches thereto, for the reunion of those who hold the same faith and order in the service of Christ. Adopted.

The Moderator was made a member and Chairman of the Commission on the College Endowment Fund.

The Commission on *Judicial Case No. 2*, through its Chairman, Rev. Samuel B. McCormick, D.D., presented the Report of its finding in the case, which was ordered entered upon the Minutes of the Assembly. The finding is as follows:

*Judicial Case No. 2.*—In the matter of the appeal of Louis Richter *vs.* Synod of Minnesota.

The Judicial Commission appointed to consider this appeal met, after due notice, at 11 A.M., Tuesday, May 26. No quorum present. Another notice was publicly given, requesting representatives of appellant and appellee to meet Commission at one o'clock same day. Again no quorum or representative. A third notice was given and Commission met in Judicial Committee room at 8.30 P.M. same day. Fifteen of the eighteen members of Commission, being a quorum, were present. No one appeared for appellant. Rev. A. H. Carver, Permanent Clerk of the Synod of Minnesota, Rev. Willard S. Ward, Stated Clerk of Presbytery of Minneapolis, and Charles T. Thompson, Esq., Commissioner for Presbytery of Minneapolis, appeared for the appellee.

A full consideration was given to the case from the beginning

and careful effort made to ascertain the facts as set forth in the record of the law governing appeals. The record was read, opportunity given parties to be heard and to the members of the Commission, and the vote was taken, without debate, on each specification of error alleged. No specification of error was sustained, no error was found by the Commission in the record, and the judgment of the Synod of Minnesota was, by unanimous vote, affirmed.

SAMUEL B. MCCORMICK,
*Chairman of Commission.*

JAMES L. MCWILLIAMS,
*Clerk of Commission.*

The Moderator and Stated Clerk were authorized to send the following message of fraternal greeting to the General Assembly of the Cumberland Presbyterian Church, in session at Nashville, Tenn.:

LOS ANGELES, CAL., May 27, 1903.

*To the General Assembly of the Cumberland Presbyterian Church, Nashville, Tenn.:*

The General Assembly in session at Los Angeles, Cal., greets you as brethren beloved in Christ.

ROBERT F. COYLE, *Moderator.*
WM. H. ROBERTS, *Stated Clerk.*

The Standing Committee on Foreign Missions presented its Report, which was accepted, and after addresses by Rev. R. C. Hallock, D.D., Charles W. Hand, Treasurer of the Board, and Rev. A. W. Halsey, D.D., Secretary of the Board, was adopted. The Report is as follows.:

The Standing Committee on Foreign Missions respectfully submits the following Report:

The past year has been a good year in the world-wide field. The banner of the Cross has gone forward; the King, under whose divine leadership there is no room for fear, has led His hosts to great and glorious victories. A detailed study of the field may show minor defeats and distresses here and there; but a broad and comprehensive view shows advance all along the line. The work progresses gloriously; the kingdom is coming! If our assurance of missionary success were based only upon the revealings of the vision of faith, we still would be confident. God cannot lie. Christ cannot fail. Faith is victory. Yet it is our blessed privilege in these great years to see the on-going of the King's faith is swiftly changing into satisfying sight. Now is the world's salvation nearer than a year ago.

There has been great spiritual prosperity in our mission fields,

5227 new members have been received on confession. Gospel hunger is increasing. God's spirit is abroad amongst the peoples.

The most extended review of the year's work would not exhibit a tithe of what has been done, felt and suffered by our devoted missionaries; what can we hope to show to you in the few moments permitted us to occupy?

South America.—The Brazilian Mission has suffered severe loss in the death of Rev. G. W. Chamberlain, one of the great missionaries of our times. Ill health has caused the withdrawal of some of the missionaries, and from these seeming misfortunes the work has suffered, yet the results of work done show encouraging signs. At Bahia a church building is in course of erection, an Endeavor Society has been organized, and some young men are preparing for the ministry. All the Brazilian stations send in reports of prosperity.

The Chilian Missions report some curtailment of their work by the removal of missionaries, but progress is being made in several stations in organizing and chapel building. At Copiapo successful work is carried on among the miners. The Colombian Mission, which includes Venezuela, has been greatly retarded by the extreme poverty of the people, and by the revolutions and blockades of the country.

Mexico.—The Presbyteries in this country have been organized into a Synod. The aim in forming the Synod was to stimulate and build up an independent, self-governing, self-propagating and self-supporting Church, and this movement appears to be fully justified by the substantial progress made along these lines. The Presbytery of St. Louis having overtured this Assembly, requesting special provisions for the American and English-speaking people now residing in the Republic, which seems of great importance for the progress of the work, we would recommend that the Assembly direct the Board of Foreign Missions to make special provisions for this English-American speaking population.

The work is progressing, and notably so in the matter of self-support. Torreon and Mexico City have assumed it, and Medira has nearly reached it.

Another matter of importance is the financial condition of the Theological Seminary in Mexico. Increased facilities for the training of men for the ministry is a necessity, and an appeal is made to the Assembly for help.

Guatemala.—The Guatemalan Mission has received a blow in the destruction of our station by an earthquake, and the return of our missionaries through failure of health. Two new missionaries have been appointed. There have been additions during the year, and the conditions are such that the Board is resolved to maintain the Mission.

The Philippines.—Our Philippine Mission has been enlarged

during the year by a new station at Cebu, and by six new missionaries. Dr. George F. Pentecost's visit for evangelization was very successful, and gained the approval of our Government officials. He urges a comprehensive and liberally sustained movement in the Philippines. There is a contribution of $10,000 toward church building, conditioned upon the raising of $40,000 additional. The year has been prosperous, on the whole, though development was greatly retarded by the cholera. The small hospital of the Mission at Iloilo was very useful. Another hospital will be erected at Dumaguete. There is great need for the enlargement of our forces.

Africa.—The work in Africa, though full of difficulties due to climate, yet has much in it in these later years to encourage. A marked event is the organization of the new church at Elat; 850 people were present, and 400 made application for admission to membership. The light of the knowledge of Jesus Christ is commencing to shine brightly in that dark continent.

Persia.—The Missions in Persia are of special interest, because of the ancient land and people. The work is carried forward under two heads, Eastern and Western Persia. The mission is encouraged by the continued favor of both the Government and the people; by the larger number of inquirers than in years past, but there are the same discouraging features, viz., a disposition among the Nestorian students to come to America, thus losing to Persia the young men who have made progress in the direction of Christian education; and also the entrance of a number of independent workers who are supported from abroad, entering the territory of the missions, instead of launching out into new and unbroken fields.

Syria.—In Syria the work is inspiring. The Syrian Protestant College, the immense printing press and the large number of workers have been blessed in their work during the past year. A railroad from Beirut to Hamath has been opened which will facilitate mission work. The Government officials in some parts of the land are especially friendly to Americans. The eyes of the Syrians are turning to our missionaries, and to our great college for educators and educational privileges, thus opening opportunities to plant in their hearts the seeds of divine truth, and the leaven of the Gospel is working in many and unexpected places.

China.—The work in China is encouraging all along the line. New churches are being built, and new stations established in many portions. At Noo Foo a church was built costing $3000, funds being chiefly furnished by the Christians of San Francisco. One of the most conspicuous events of the year was the dedication of the David Gregg Hospital, and also the laying of the foundation of the medical college for women, now nearing completion. Both

medical and evangelistic work are in most prosperous condition. There has been an ingathering in all of the Mission stations.

The grave apprehensions concerning the destructive influence of the Boxers have proved groundless, and an undisturbed year has passed in all the departments. The chapels that were destroyed have been rebuilt and refurnished. The new chapels are in all respects better than those destroyed. In many parts of China thousands were carried away by the cholera, but the Christian people seem to have been providentially protected. Another encouraging feature has been the large number of private gifts to the medical work, and to the schools, and for the building of chapels.

We recommend the approval and authorization of the following action of the Board, namely: "It was voted to approve of the movement toward an organic union of the various Presbyterian Churches in China, and to authorize its missionaries, as the missionaries deem wise, to take such steps as may be necessary to complete the formation and independence of the proposed United Chinese Church."

KOREA.—Many changes are reported. There have been no great ingatherings, but spiritual progress has been made. Considering the difficulties encountered, the persecution of converts and the antagonism of Papal priestcraft, we have much cause for encouragement. The necessary closing of the medical department of one station is greatly to be regretted. Our Korean missionaries have been faithful in spite of discouragements.

JAPAN.—In Japan all is cheering. The Anglo-Japanese Alliance has helped us by opening Japanese hearts to all English-speaking people. There are difficulties, yet the dominant note is praise and encouragement. "Evangelistic effort" has been the motto of the Japanese Church. A new Presbytery has been created, the Japanese Board has worked at twenty points, a Sabbath Alliance has been formed, and the Gospel is heard with increased readiness. One station alone reports 328 inquirers. Contributions have advanced $4700, school work flourishes, and 1284 new members have been added to the churches of the Synod. Church comity instead of competition is the rule. Success stimulates to greater things; the call is loud for new buildings, workers and prayer for God's Spirit.

INDIA.—Reports are encouraging. The spirit of the forward movement seems to have permeated our work there, and several advance steps are taken. The large number of orphans in our three missions, while requiring much care in their upbringing, are becoming an increasingly hopeful factor in the evangelizing of others. Christian education has received new impetus by the founding of the Allahabad Christian College. The college classes have been opened, but there is pressing need for buildings and

endowment. We would strongly recommend this young college to the generosity of large-hearted givers.

Among the churches real progress is evident. The number of native pastors is increasing and self-support is gaining ground. But the most important forward movement would seem to be the ingathering in recent years of large numbers of low caste converts.

The pressure of these unusual opportunities and the consequent demands on the missionaries to receive, educate and train for service, along with other causes, have conspired to arouse two of our missions to appeal for large reinforcements.

The Furrukhabad Mission calls for "seventy-five new missionaries within three years," and the Lodiana Mission for sixty-three as soon as possible. In the opinion of your Committee these unusual calls from the picket line should receive unusual attention on the part of the pastors and churches at home.

Siam.—It is encouraging that so much of the work here is self-supporting, notably the school and medical work. The Mission Press is a great factor in the spread of the Word. A movement is ripening among the young Christians of the Capital City for the establishment of a national Church. There is a need for an increase of workers.

North Laos.—Under very trying circumstances this Mission has made notable advances. In spite of a seriously depleted force, by reason of sickness and furlough, and with the work greatly hindered by a civil disturbance in several of the districts, many advances have been made. Especially noteworthy is the advance in self-support and self-propagation in all departments, evangelistic, educational and medical. All the churches meet their own congregational expenses, and an increased number hire their own evangelists. One hundred and forty-two have been added on confession. The educational work presents new phases of growth and encouragement in the tendency also to become self-supporting. The medical work, while steadily growing, is always manifesting the soul-saving power of leading many to Christ.

The Finances of the Board.—The Treasurer's Report is in excellent form, and the Board's system of handling and accounting for the funds entrusted to it is thoroughly businesslike and reliable. The accuracy of the system is shown by the fact that twenty-four hours after the books were closed for the year a balance-sheet was taken off and the figures were ready for the printer.

The receipts for the year were:

| | |
|---|---|
| From the Churches | $349,185 78 |
| " Women's Boards | 307,663 74 |
| " Sabbath-schools | 45,853 50 |
| " Young People's Societies | 47,175 02 |
| " Legacies | 164,096 88 |
| " Miscellaneous donations | 135,865 08 |
| " Other credits | 33,969 20 |
| " Unused appropriations | 32,615 70 |
| | $1,116,424 90 |
| Total expenditures | 1,115,364 97 |
| Cash balance | $1,059 93 |

The figures show a substantial increase over the gifts of the past five years as a whole, but compared with last year alone there has been a serious falling off, amounting to some $12,000. The churches, Sabbath-schools and Women's Boards have all contributed less than last year. Constant public appeals and thousands of personal letters from the Secretaries and Treasurer have been necessary to escape debt.

The old necessity of borrowing money the early part of the year has been avoided by careful and skillful financiering; but if churches would send contributions much earlier in the year, the Treasurer would be greatly helped.

The portion of the mortgage on the Presbyterian Building, New York, for which this Board is responsible is now only $70,000, and pledges in hand further reduce it to less than $30,000, and it is confidently expected that the whole will be canceled in another year.

While there is much that is gratifying and encouraging in the financial condition of the Board, it is greatly to be regretted that there should have been any retrogression from the high position taken last year. The present demands of the work are so great, the new openings so many, and the prospects so glorious that retrogression should not be permitted, but advance made to higher attainments and greater results. Expansion, combining of forces, and large investment of capital in all lines of enterprise, are in accord with the spirit of the times. Why, then, should our great and prosperous Church lag in the greatest of all enterprises? It is urged that all churches and Sabbath-schools and societies hitherto not contributing make contributions this year, and that all make special effort to increase their contributions. Let not the gauge of our gifts any longer be the price of a single meal for each adult communicant, and the cost of a single street-car fare for each pupil in our Sabbath-schools, but let us raise the standard many fold.

To your Committee has been referred also the consideration of the matter of the coöperation of the Home Church. We submit the following propositions: First, Home Church coöperation is to be

attained through the creation of interest on the part of the people. Second, interest depends upon information. Third, information is best gained through direct touch with the field. Fourth, direct touch with the field can be had by the individual church taking the support, in whole or part, of a missionary from whom the personal word can be had from time to time. No church which adequately tries this plan is ever willing to retreat from the Forward Movement of personal interest to the old method of general interest. Moreover, let it not be forgotten that the missionary, on his part, finds wonderful encouragement and inspiration in knowing that there are those intimately associated with him, to help by prayer, sympathy and material support.

Under this general topic we would call especial attention also to the instructing and stimulating missionary literature of our own Board, terse, interesting and up-to-date. We commend, likewise, the abundant labors of our honored Field Secretary, Dr. Thomas Marshall. And most of all, we urge all pastors and Sessions to seek to lead their people to ever higher standards of interest and activity for Foreign Missions.

We respectfully submit the following formal resolutions:

*Resolved*, 1. That the Minutes of the Board of Foreign Missions be approved as correct in contents and admirable in form.

*Resolved*, 2. That the Rev. Robert R. Booth, D.D., LL.D., the Rev. W. R. Richards, D.D., the Rev. John R. Davies, D.D., the Rev. John Fox, D.D., Hon. Darwin R. James, Mr. W. P. Stevenson and Mr. Scott Foster, whose term of service as members of the Board expires with this Assembly, be reëlected for the full term of three years.

*Resolved*, 3. That the Assembly congratulates the Board of Foreign Missions that for six successive meetings of the General Assembly it has been able to report "No Debt"; and for three years has not needed to borrow money to get through the year.

*Resolved*, 4. That the Assembly once more and heartily commends the splendid activity and devotion of the Women's Boards, and invites all the women of all our churches to share in the service they render and the reward they reap. Moreover, we affectionately urge the men of the Church to emulate the enthusiasm and efficiency of the women, in their gifts and exertions for this great cause of world-wide missions.

*Resolved*, 5. That we recommend that Easter Sunday and the Sunday next preceding Christmas Day be again set apart for instruction in Foreign Missions, and offerings for the cause, in churches, Young People's Societies and Sunday-schools.

*Resolved*, 6. That the General Assembly notes with sadness that of our 7615 Sunday-schools only 1782 gave directly to the Board last year. Future givers of the Church must be trained largely in our Sunday-schools; therefore we would urge the careful in-

struction of all Sunday-school members in the facts and principles of mission work and giving, to the end that there may be raised up a new generation of intelligent, enthusiastic and trained givers, loyal to our own work and Boards.

*Resolved*, 7. That the General Assembly would call the attention of the theological seminaries under its care to the urgent need of more thorough instruction in missions, especially with view to training home pastors who shall be able to interest their people in the great cause.

*Resolved*, 8. That noting the large indebtedness for support of the Foreign Mission work to legacies, (often small individually, but great in the aggregate), we counsel pastors to use tactfully their opportunities of suggestion and instruction, to the end that this source of mission support may be yet largely increased.

*Resolved*, 9. That we hail with joy the growth of the Forward Movement in our churches: and we recommend the hearty approval by the Assembly of this movement, so successfully conducted the past year by Mr. David McConaughy.

*Resolved*, 10. That the Missionary Conference, held the day before the meeting of the Assembly, having proven so inspiring and successful, we recommend the holding of another such conference on the corresponding date next year.

*Resolved*, 11. That we exhort Sessions to see that all Sabbath-schools, Young People's Societies and other organizations of our churches, be urged to loyalty to our own Board in all contributions.

*Resolved*, 12. That in view of the earnest and united call of the workers on the foreign field for immediate reinforcement of 200 new men, we lay this matter upon the heart and conscience of the Church. Is it not the voice of the Lord, crying, "Who will go for us?" And that these may be sent we ask 200 individual churches each to adopt and support a missionary on the field.

*Resolved*, 13. That the General Assembly, profoundly convinced that the call of God to His Church is ever to "Go forward," confidently summons all churches, schools, societies and bands, to the definite and determined purpose of the increase of all contributions to foreign missions this year by at least ten per cent.

Respectfully submitted,

GARNET A. POLLOCK, *Chairman.*

The Committee on Bills and Overtures presented an additional Report, which was unanimously adopted and is as follows:

*Overture No. 128*, from the Presbytery of Philadelphia, with reference to the indebtedness on the Witherspoon Building, Philadelphia. It is recommended that the Assembly adopt the following Resolutions:

*Resolved, 1.* That a Special Committee of five ministers and five elders be appointed by the Moderator for the purpose of

securing contributions for the discharge of the indebtedness resting upon the Witherspoon Building, Philadelphia.

*Resolved*, 2. That this Committee shall co-operate with the Business Committee of the Board of Publication, of which Mr. John H. Converse is the Chairman, and that any and all action taken in connection with the discharge of the mortgage upon the Witherspoon Building, be the result of joint action by these two Committees.

*Resolved*, 3. That the expenses of the undertaking shall be provided for either by private subscription or from contributions made for the discharge of the indebtedness.

It was ordered that the Overture of the Presbytery of Philadelphia be printed in the Appendix.

The Assembly took recess, and was closed with prayer.

---

WEDNESDAY, May 27, 2 o'clock P.M.

The Assembly met, and was opened with prayer.

The following Orders were fixed:

For to-morrow afternoon: Second Order, the Report of the Standing Committee on Correspondence; third Order, Report of the Standing Committee on Benevolence; fourth Order, Report of the Standing Committee on Finance; and on Friday, at 11 o'clock A.M., the Report of the Standing Committee on Temperance.

A paper regarding the rules for missionaries under the Board of Home Missions was referred to the Standing Committee on that Board.

The Judicial Committee presented a Report, which was adopted, and is as follows:

In the matter of the appeal of John E. Dayton and eight others, representing themselves to be the Session of the Presbyterian Church of the Covenant of Williamsport, Pa., against the action of the Synod of Pennsylvania, October 17, 1902; we recommend that the appeal be dismissed, for the reason that the questions presented have been heretofore adjudicated in the General Assembly, on appeal by the same parties.

Believing that the differences and difficulties of this church, which have existed for years, and have been many times in the various judicatories of the Church, are impossible of harmonization and adjustment by judicial process; we recommend that the appellants and those sympathetic with them in the troubles of this church apply to the Presbytery of Northumberland for organization as a separate church under a new name.

In the matter of the complaint of T. M. Ross and others, members of the Presbytery of Kansas City, against the action of the

Synod of Missouri, in taking exception to the Records of said Presbytery in the case of Rev. William Semple, your Committee would report that we have examined the papers and heard the parties, and recommend that the said action of the Synod of Missouri be sustained, and that the complaint be dismissed.

Respectfully submitted,

C. W. MATEER, *Chairman.*

The Committee on Bills and Overtures presented a Report upon *Overtures Nos. 94–100* inclusive, and *133* and *135*, which was accepted and placed upon the docket.

The Standing Committee on Publication and Sabbath-school Work presented its Report, which was accepted, and after addresses by Rev. R. T. Jones, D.D., and Rev. E. R. Craven, D.D., Secretary of the Board, was adopted, except the tenth resolution, which was referred to the Board, to be taken into consideration in connection with the reorganization of said Board. The Report is as follows:

The Standing Committee on Publication and Sabbath-school Work reports to the General Assembly as follows:

Information, inspiration, enthusiasm, action are four steps in every intelligent Christian effort. Information is the primary purpose in this Report. Your Committee find several conditions that require careful consideration. This dual Board couples business with benevolence, yet each subject must have special and distinct consideration.

I. BUSINESS.—The Business department shows that its records and books are carefully kept, that it made a net profit for the year of $29,514.13, and that it gave two-thirds of this sum (or $19,676.09) to the Benevolent department. While the net profit is less than last year, this is accounted for by unavoidable expenses in the San Francisco Depository, which, however, shows much larger sales and profits than any other Depository. The record for sixteen years shows that the Business department has contributed to the Benevolent department the magnificent sum of $282,077, and that the offerings of the churches and Sabbath-schools have never gone to the Business department, all contributions going to the Benevolent Fund.

Under the Editorial department we desire to emphasize the necessity of all our schools using our Presbyterian Sabbath-school Helps; loyalty demands it. We would call special attention to the Quarterlies provided for both Normal work and home study. Of the thirty-one new publications by our Board, under Editorial work, we commend especially to our churches and Sabbath-schools the series called *The Presbyterian Pulpit.*

A debt remains on the Witherspoon Building in Philadelphia.

Five hundred thousand dollars were realized by the sale of the former building on Chestnut street, and paid on this new building; $30,000 have since been paid, leaving $470,000 mortgage, at five per cent. interest. This should be cleared at once, if possible.

II. Benevolence.—*The Sabbath-school and Missionary Department.*—Your Committee finds substantial progress made by this department the past twelve months. Sabbath-school missions do the pioneer work, laying the best foundation for the Home Mission church, and must be well built. This department operates in over twenty States and Territories, and also Cuba. One hundred and fifty-five faithful Sabbath-school missionaries labored in this field last year, 108 being permanent. They organized 1047 new schools, reorganized 363, total membership nearly 50,000. Over 113,000 families were visited by them, and 1704 conversions reported, 55 churches organized and 41 church buildings erected, with a membership of 889.

During the past fifteen years, since 1887, as the outgrowth of this work, 704 Presbyterian churches have been organized. That is, each pastor may say to his congregation, every Lord's Day throughout the year: "This past week a new Presbyterian church has been organized, somewhere in our beloved land, from one of our mission schools." Besides these, 460 churches of other denominations have been organized (over one-half as many as Presbyterian), the outgrowth of our mission schools, in destitute places. Every alternate Wednesday evening, at the mid-week service, the Presbyterian pastor may say: "During the past fifteen days, three new churches of our own and some other branch of Christ's Church have been established as a direct result of our mission Sabbath-school work." Were our own Home Mission Board able to follow closely this blessed pioneer work of our Sabbath-school missions with men and means, every church growing out of such schools would be logically a Presbyterian Church. Why not?

In our regularly equipped churches throughout our land there is a pressing demand for better organized Sabbath-schools, with special training of teachers and Sabbath-school workers beyond the ability of the local church to supply.

The term of office of the following members of the Board will expire in June next. It is therefore recommended that they be reëlected: *Ministers*—William Brenton Greene, Jr., D.D., Loyal Young Graham, D.D., Mervin J. Eckels, D.D., Thomas McB. Nichols; *Elders*—William W. Allen, Thomas W. Synnott, George Hale, M.D., John H. Converse, LL.D.

We recommend the confirmation of the election of Rev. Thomas McB. Nichols as a member of the Board, to fill the vacancy caused by the death of Rev. Francis A. Horton, D.D., whose term expires in June, 1903.

The following resolution is recommended for adoption:

It is with sincere sorrow your Committee reports the death of the Rev. Francis A. Horton, D.D. He was stricken with apoplexy at the close of his sermon on Sabbath evening, April 19, 1903. Dr. Horton was in the height of his power, a man of rare ability, of strong Christian character, and a most valuable member of the Board.

Your Committee also recommends the adoption of additional resolutions as follows:

1. That in view of the fact that this year terminates twenty-five years of service by the Rev. J. A. Worden, D.D., LL.D., as Superintendent of the Sabbath-school and Missionary department, that we recognize God's goodness toward him and the Church, and that we express our appreciation of his faithful service during the past quarter of a century, as a servant of Christ and of the Board.

2. That we most earnestly commend the work of the Sabbath-school and Missionary department to the sympathy, coöperation and general support of the churches, Sabbath-schools, Young People's Societies and individuals.

3. That pastors and Sessions be especially enjoined to ever keep before the people the essential truth, that the church and Sabbath-school are one, and lead the young by precept and example to revere the Church founded by Almighty God Himself.

4. That the General Assembly authorizes the Board to receive special gifts for the publication of evangelical literature in foreign languages; and for the support of colporteurs to labor among the foreign-speaking populations, or any other needy people of our country, under the supervision of the Sabbath-school and Missionary Department of the Board.

5. That this General Assembly recognizes the importance of the movement toward better equipment for Sabbath-school work, and would recommend to Synods and Presbyteries the establishment of such permanent training schools and institutes as will meet this necessity, and would also suggest the further grading of our Quarterlies and Lesson Helps as the times demand.

6. Inasmuch as there is a general desire for an improvement in the Special Day exercises prepared and sent out by this Board, we recommend that careful attention be given to this class of publications in order that they may be brought to a higher standard of excellence, adaptable to the needs and capacities of our Sabbath-schools.

7. That we commend the general, careful and prayerful use of a Decision Day along the line of the work of the Assembly's Evangelistic Committee.

8. That the Board of Publication be authorized to make such slight changes in the Presbyterian Hymnal in the issue of the new edition as may be deemed advisable to conform to the present

demands, and such as experience has dictated; provided that the Board continues to issue the former edition of the Hymnal to meet the wants of the Church.

9. That the request of the Board, of date April 23, 1903, be granted, *viz:*

"WHEREAS, Experience in the conduct of the affairs of this Board since the reorganization of its administration and work in the year 1887, has shown that certain changes in the line of administration, and the distribution and number of officers of the Board, may be made with advantage to the work, and with economical results, without impairing the general scheme or plan established by the said reorganization; therefore,

"*Resolved*, That the General Assembly is hereby requested to give to the Board authority to make such changes in the administration of its affairs, and in the number of its officers, and the assignment of duties to them, as, in its judgment, and in view of its experience in managing the work, it may deem best."

It is recommended that when action be taken in this matter, that a Report be made to the next General Assembly.

Respectfully submitted,

FREDERICK J. STANLEY, *Chairman.*

The following resolution, being a part of the preceding Report, was referred to the Board of Publication and Sabbath-school Work for action and report to the next Assembly:

*Resolved*, That the present name of the Board of Publication and Sabbath-school Work be changed to Boards of Publication and Sabbath-school Missions; that is, a Board of Publication and a Board of Sabbath-school Missions under one management.

It was *Resolved*, That the Board of Publication be requested to print in all future editions and issues of the Hymnal, and also of the old Hymnal, the Brief Statement of the Reformed Faith which was prepared by the General Assembly's Committee on Revision, approved by the General Assembly of 1902, and sent out by that Assembly to the churches, in order to give a better understanding of our doctrinal beliefs.

A resolution concerning the translation of the Constitution of the Church into the German language was referred to the Standing Committee on Publication.

The Committee on the Place of Next Meeting presented its Report, which was adopted, and is as follows:

The Committee on Next Place of Meeting respectfully reports as follows:

The Committee has received invitations from the Presbytery of

Buffalo, Lafayette Avenue Presbyterian Church, Buffalo, the Board of Trade and the Mayor of that city.

The Committee has also received an invitation from the Winona Assembly and Summer School, Winona Lake, Ind.

On behalf of the Assembly hearty thanks are returned to the brethren who have presented these cordial invitations, both of which are accompanied by offers of hospitality and provision for the ordinary expenses of the Assembly, its officers included.

The Committee makes the following recommendations:

1. That the next General Assembly meet in the city of Buffalo, N. Y., and at the Lafayette Avenue Presbyterian Church, in that city.

2. That the offer of the Presbyterians of Buffalo to take care of the ordinary current expenses of the Assembly, the expenses of the officers of the Assembly, and to guarantee the entertainment of the Commissioners at an expense to the Assembly of not more than $1.50 per diem for each Commissioner, is accepted with thanks.

3. That the pastor and Session of the Lafayette Avenue Church, Buffalo, N. Y., with the Stated Clerk of the Assembly, be the Local Committee of Arrangements, with power to add to their number.

4. That the railroad arrangements be placed as customary in the hands of the Stated Clerk of the Assembly, who shall have entire charge of the same in all matters.

In behalf of the Committee,

R. F. COYLE, *Chairman.*

The Special Committee on a Ministry for the Hungarians and Other Immigrants presented its report, which was accepted, and after addresses by Rev. A. C. Zenos, D.D., and Rev. J. Kilpin Fletcher, was adopted. The Report is as follows:

The Special Committee appointed by the last Assembly to consider methods of providing a ministry for Hungarian and other foreign immigrants holding the Reformed Faith, respectfully reports as follows:

The Committee was appointed as the result of an Overture received from the Presbytery of Lackawanna dealing immediately with the spiritual needs of the foreign populations within its bounds. The action of the Assembly of 1902 was as follows:

"In the matter of *Overture No. 44*, that a Committee, consisting of Rev. William Henry Roberts, D.D., LL.D., as Chairman; Rev. Arthur S. Hoyt, D.D., of Auburn Seminary; Rev. Geerhardus Vos, D.D., of Princeton Seminary; Rev. David R. Breed, D.D., of Western Seminary; Rev. David S. Schaff, D.D., of Lane Seminary; Rev. A. C. Zenos, D.D., of McCormick Semi-

nary; Rev. E. B. Hodge, D.D., Secretary of the Board of Education, and Rev. S. C. Logan, D.D., or others whom the Moderator may appoint, be directed to consider the condition of the immigrants from Hungary holding the Reformed Faith. This Committee shall have power to correspond with the Reformed Church of Hungary, in order to secure the coöperation of that Church in providing a wise and worthy evangelical care of these immigrants. The Committee shall also suggest plans whereby our Board of Education and our Theological Seminaries may prepare young men of foreign blood for work among the people whom they represent, where missions may be established among them in our country."

The Committee was increased, by virtue of the authority vested in the Moderator, by the addition of the Rev. Ferdinand von Krug, of Kingston, Pa., and Prof. John H. Finley, of Princeton University.

Two meetings of the Committee were held, the first on December 18, 1902, and the second on February 10, 1903, both in the city of Philadelphia, Pa. At these meetings full consideration was given to all the questions connected with the work assigned to the Committee. Sub-committees were appointed to gather information concerning the Hungarians or Magyars, the Bohemians, the Italians and the Germans, and to confer with the Boards of Education and of Home Missions. The Chairman was requested to correspond with the officers of the Assembly of the Reformed Church of Hungary, with a view to coöperation between that Church and our own Church in the religious care of immigrants of the Magyar race. As a result of the inquiries made, the situation as to the foreign populations named above was shown to be as follows:

The Hungarians or Magyars.—According to the Census of 1900, there were in that year 145,714 persons in the United States who were born in Hungary. Since that date at least 60,600 have been added to that number. Of this total of more than 200,000 it is estimated that the Magyars having the Reformed Faith who are destitute of religious privileges are as follows: In Pennsylvania about 20,000; in New Jersey, 5000; in New York, 20,000; in Connecticut, 5000; in Missouri, 5000; in West Virginia, 10,000; in Ohio, 20,000; in Michigan, 5000; in the District of Columbia, 2000; in Indiana, at South Bend, 1000; in Illinois a large number, but no definite figures are given. Among these 100,000 persons, the only minister at present in the service of our Church is the Rev. Julius Hamborszky, a native Hungarian, who was ordained in the Hungarian Reformed Church of the Helvetic Confession. Under the direction of the Presbytery of Lackawanna he has rendered admirable

service in the Lackawanna Valley and elsewhere. That Presbytery is to be highly commended for the results which it has thus far secured in this promising field. But the work for these people of a kindred faith needs not one but a score of workers. It is stated on good authority that a dozen churches could be promptly organized at important points, each of which would consist of a hundred or more members, who would contribute a large part of the expense of maintenance.

The Italians.—The U. S. Census gives the number of Italian-born residents of the country as being 484,027 in the year 1900. Since that year immigration has doubled this total. The number of Protestant Italians is small. A number of our Presbyteries have engaged in evangelistic work among the immigrants of this nationality. The churches organized in some cases are intended to serve as steps for the passing of Italian Christians into the American Churches. In other cases Presbyteries do not aim at the organization of churches, but limit their effort to missionary work. The Presbytery of Philadelphia reports a large and promising mission among these people, of whom it is estimated that there are sixty thousand in that city, and the ladies of the community have interested themselves in making provision for Bible women to labor among them. The Presbytery of Pittsburgh reports the training of Bible readers and lay workers, and that of St. Louis extensive missionary Sunday-school work. Reports received emphasize the fact that ecclesiastical prejudice stands in the background in relation to the prospects of this work. A goodly proportion of the immigrants come from portions of Italy where disaffection with the Roman Catholic Church is quite marked, or where the influences of the Waldensian and Free Churches of the country are distinctly powerful. The number of Italian ministers connected with our Church is seventeen. A much larger number could be utilized if they were available, and there is decided difficulty in securing suitable men.

The Bohemians and Slovaks.—The number of Bohemian immigrants into the United States during the past year was 5590, and it is estimated that about 250,000 of this race are in the country, for there were in the year 1900, 156,891 persons born in Bohemia among our people. Of these immigrants a considerable number, probably one-fourth, are of the Reformed Faith. Missionary work among these people has been carried on for a number of years, so that there are twenty-three organized Bohemian Presbyterian churches, with a membership of 1786, and 2573 Sabbath-school scholars. There are also upon the roll of the General Assembly twenty-three Bohemian ministers. In addition to the Bohemians there are 250,000 Slovaks from Hungary, of a kindred race, largely located in Pennsylvania.

Twenty per cent. of these are Protestant, chiefly Lutheran, but there are several thousand of the Reformed Faith. There is much interest in these people in Pittsburgh and vicinity, and they furnish a most fruitful field of labor for our Church.

The Germans.—The emigrants from Germany and German Switzerland have been far less numerous in recent years than formerly. From 1880 to 1890 the number was 1,445,181; from 1890 to 1900, 579,072; from 1900 to 1902, 68,462. The number of persons of German birth in the United States at the Census of 1900 was 2,663,418. While the bulk of the Protestant immigrants from these countries are connected with the Lutheran Church, yet a very considerable proportion are affiliated with the Reformed Church. Work among the Germans has been carried on by this General Assembly for more than a generation, and at the present time we have 146 German churches located in nineteen different States, 115 German pastors, a church membership of 12,837, and 16,102 persons in the Sabbath-schools. Our two German theological schools, located at Newark, N. J., and Dubuque, Ia., have done excellent work and might greatly extend their usefulness if adequate additions were made to their meagre endowments. Had our Church undertaken work among the Germans at an earlier period, and carried it on with aggressive energy, the results would no doubt be much larger than they are.

The Theological Seminaries.—The Chairman conducted correspondence with the Theological Seminaries, with reference to the work contemplated by the Assembly's action. From the answers it appears that the German Theological Schools at Bloomfield and Dubuque are both greatly crippled by reason of their lack of means to carry on and extend their operations, and that Bloomfield, for lack of funds, has had to discontinue the training of young men for work among the Italians. The Western Theological Seminary has provided an instructor of foreign students, led thereto by the fact that it has had among its students at various times several Bohemian young men who are now successfully at work among their people. McCormick and Princeton also have had students of that and other foreign nationalities. The Omaha Theological Seminary has recently employed a Bohemian pastor who gives regular instruction to students of his own race. At the other institutions, no provision besides the ordinary seminary training exists for foreign students. From all the Theological Seminaries, however, there comes an expression of great interest in these people, and of an earnest desire to coöperate in the work of providing a ministry for them.

Ministers.—In connection with the securing of ministers for these populations, the Committee considered three plans: First, the training of native Americans; second, the securing of min-

isters from abroad who could enter the work immediately or after a brief period of study; and third, the training of young men in our Theological Seminaries secured from among the American foreign-born populations. The last-named plan appeared to the Committee to be the best. It would give workers who would be in sympathy with those among whom they labored, and who would also be in sympathy with our nation and Church. The best welfare of the foreigner will be secured by making him, under God's blessing, not only a Christian, but an American Christian.

For the purpose of securing workers for the Magyar field, correspondence was entered into with the Hungarian Evangelical Reformed Church. In reply to a communication from the Chairman, an unofficial letter has been received from the Rev. Bela Sass, Reformed Professor of Divinity at Debreczen, Hungary, and Clerk of the General Convention of the Hungarian Church. This letter states that it is desirable to have a communication from this General Assembly submitted to the General Synod of the Hungarian Church, which will probably meet in December of this year. The Committee feels that it would be well for it to receive authority from the General Assembly to continue the correspondence which has been entered into; report to be made to the next General Assembly.

Correspondence was had also with the Boards of Education and of Home Missions. The fact was ascertained that the Board of Education is conducted under rules of such a nature as permits it to give aid to candidates who are of an exceptional character, and that the Board therefore is in a position to aid effectively in the work upon which the Committee reports. The Board of Home Missions gave clear expression through its officers to its deep interest in the welfare of the foreign-speaking populations, its appreciation of the urgent need for earnest and prompt action, and its desire to coöperate with the Committee in every way possible.

Character of Immigration.—The great importance of enlarged attention to the spiritual needs of the foreign-born populations, is emphasized in part by the statistics of immigration as contained in the Reports of the Commissioner General of Immigration to the Secretary of the United States Treasury. These reports show that the inflow of immigrants is increasingly great, but that its race character has decidedly changed. The immigration of the earlier years of the second half of the nineteenth century came largely from northern Europe, but for the past decade the greater portion has come from the southern and eastern portions of that continent. The British, Irish and Teutonic immigrants are far less in number than formerly, and the first place belongs now to immigrants of the Latin,

Slavonic and Hebrew stocks. In 1870, for instance, the United Kingdom furnished 131,485 immigrants; Germany, 118,225, and British North America, 40,411, or 74 per cent. of the total immigration of 387,203. In the same year Italy sent into the United States 893; Austria-Hungary, 4425, and Russia, 1130 immigrants, or 2.5 per cent. of the whole number. In 1902 the United Kingdom supplied 46,036 immigrants, the German Empire, 28,304, and British North America, 636, or in all 11 per cent. of the total immigration of 648,743. In the same year Italy furnished 178,375, Austria-Hungary, 171,989, and the Russian Empire, 107,347, or 70 per cent. of the total number. The change here indicated is momentous. The larger proportion of the new immigration is of different origin from that of our people and foreign to our institutions. They are also prevailingly of the Roman Catholic faith. The Protestant element among them, while important, is not large, but merits not only our deep sympathy but most earnest effort for its spiritual welfare. Its members have been connected in Europe with the historic Churches known as the Reformed, such, for instance, as the Reformed Church of Hungary and the Waldensian Church of Italy. Further, it is our duty, whatever our views may be as to the Christian character of the Roman Catholic Church, to recognize that, equally with our ecclesiastical progenitors, we are under an obligation to bring the Gospel in its purity to these masses from southern Europe, who are, to a large extent, both ignorant and superstitious. We owe this duty both as Christians and as Americans, both for the Church and the Republic.

Existing Agencies.—The situation as to the management of this widespread and important work is one which needs much tact and large wisdom. Other Churches than our own have entered the field, and within our own denomination voluntary efforts have been made for the supply of the spiritual destitution. Three things need close attention and affect vitally the work.

(*a*) *The Reformed (German) Church* in the United States already has a well-established work among the Hungarians of the Reformed Faith in this country. It has secured the services of seven Hungarian pastors who are located in Connecticut, New York, New Jersey, Pennsylvania, Ohio and Illinois. The Board of Missions of the Reformed Church has expended considerable sums in the supply of the spiritual destitution of the Magyars, but finds the work in this and allied fields increasing beyond expectation. No action should be taken by this General Assembly which would in any way interfere with the work as conducted by this historic and vigorous Church, which has been associated with our own Church in the spiritual development of the nation for more than 150 years. Whatever is done should be done in

harmony with the Plan of Coöperation in Home Mission Work adopted by all the Churches, both Presbyterian and Reformed, which are in the "Alliance of the Reformed Churches throughout the World holding the Presbyterian System."

(*b*) The Home Mission work of *the self-supporting Synods* constitutes an important feature of the problem under consideration. Seven of the Synods, viz., New York, New Jersey, Pennsylvania, Baltimore, Ohio, Indiana and Illinois, have conducted for several years past home mission work within their bounds by Committees under their own control, and have accomplished considerable results. These efforts on the part of the stronger Synods to overtake and master the spiritual problems arising from the large immigration into the United States, should be encouraged by the Church as a whole. In the opinion of the Committee nothing, however, would tend more to the stimulating of these Synods to yet more earnest endeavor and greater success in this work, than a plan which would secure the coöperation with them of the Church as a whole. The foreign immigrants are found not in any one Synod, but throughout all the Synods, and some plan needs to be established and enforced which will bring unity into the work without interfering with Presbyterial and Synodical management. The need of unity in the work is emphasized by the fact that the Synods of Michigan, Iowa and Wisconsin have been recently added to the Synods seeking to do their own home mission work.

(*c*) *The Board of Home Missions.*—The work among the immigrant populations, outside the bounds of the self-supporting Synods, is under the direction of the Board of Home Missions, the one agency of the Church by which, throughout all our history, unity and general efficiency in home missionary work has been secured. It is needless to speak of the marvelous history of the work of this Board. Last year it completed its centennial, and the record of the achievements of our Church through it are a notable part of the wondrous story of the progress of Christianity in the Republic. But the tide of immigration which founded our Church upon these shores, which has given it opportunity for work and for growth, which led to the establishment of the Board of Home Missions, which is the chief reason for the existence of home mission work in the great majority of our Presbyteries and Synods, still continues to flow in upon the nation, and to make in spiritual things, as has been well said, "the word 'America' to be only another name for opportunity." As in the past, so in the present, the widespread work for the foreign immigrant demands the attention of the Church as a whole. And the Committee feels that the one agency which can give general guidance and true unity to the work among the foreign populations is the Board of Home Missions. This Board

represents the General Assembly, and therefore the relation to all missionary effort of the Church at large. While, whatever is to be done by the Board should be done with due regard to the work undertaken by the Presbyteries and Synods, the Church as a whole should, through the Board, unify the work, and give to it that efficiency which will otherwise be unattainable. As in the nation so in the Church there should be not only due provision for local self-government, but also a large measure of general guidance from a central authority.

Presbyterian Alliance.—The matter of correspondence with the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, with special reference to the needs of all the Reformed Churches on the Continent of Europe, in the judgment of the Committee, should be entrusted to the care of persons specially interested in the work.

Recommendations.—The Committee submits the following recommendations for adoption by this Assembly :

1. That the matter of correspondence with the Alliance of the Reformed Churches be referred to a Committee of five, three ministers and two elders, to be appointed by the Moderator.

2. That the first duty of the Church, in the present emergency, is the provision of a ministry for the immigrants from Hungary holding the Reformed Faith and the Presbyterian Order.

3. That to secure the performance of this duty, a deputation be appointed who shall visit Hungary, if the way be clear, to obtain a suitable person or persons to work among the Magyars in the United States, the expenses to be provided by special contributions, and the deputation to be appointed by the Committee in its discretion.

4. That the Assembly recognizes with great gratitude to God the work already done by Presbyterial and Synodical Committees and by the Board of Home Missions, in prosecuting mission work among our populations speaking foreign tongues, and urges the extension of this work with the heartfelt coöperation of all our agencies.

5. The Assembly learns with gratification of the readiness of the Theological Seminaries of the Church to coöperate in every possible way in the work of fitting men for preaching the Gospel to the people of foreign tongues, and rejoices that at least two of them have already made some special provision in this direction, in addition to the admirable provision already made for German-speaking students at the Newark Theological School and the Theological School at Dubuque.

6. That the Assembly also notes with gratification the work which is being done by certain Presbyteries in providing pre-

paratory education for our foreign-speaking peoples, such as promises to raise up a body of Christians from which ministers and missionaries may be recruited, and the multiplication of similar efforts is urged through the establishment of general training-schools, as the necessities of the case may require and the wisdom of our Presbyteries may devise.

7. That the General Assembly directs the Board of Home Missions to designate an officer to have oversight of mission work among the foreign-speaking peoples in this country in all the Synods directly connected with the Board, and also to coöperate with Synodical or Presbyterial Committees of Home Missions, when such judicatories have their own home mission work.

8. That the Assembly renews its approval of the action of the Board of Education in making provision for aid to candidates who have in view work among the foreign-speaking populations.

9. That the Committee be continued, to report to the next Assembly upon any subjects properly within its province.

Respectfully submitted,

The Committee on Bills and Overtures presented a further Report, which was adopted, and is as follows:

In reply to *Overture No. 127*, from the Presbytery of Denver, and *Overture No. 139*, from the Synod of New York, on Tentative Forms of Worship and a Book of Forms for Ministers, the Committee recommends the adoption of the following resolution:

*Resolved*, 1. That a Committee of eleven be appointed by the Moderator, in conference with the Editorial Committee of the Board of Publication, to take into consideration and if possible to prepare, in harmony with the Directory for Worship, a Book of Simple Forms and Services which shall be proper and helpful for voluntary use in Presbyterian churches in the celebration of the Sacraments, in marriages and funerals, and in the conduct of public worship.

*Resolved*, 2. That in the preparation of these voluntary services the Committee be instructed to draw from the Holy Scriptures and the usage of the Reformed Churches; to avoid those forms which savor of ritualism; to embody sound doctrine in the language of orderly devotion, and to keep ever in mind the end of Presbyterian

worship which is that all the people should join in the service of God as He is revealed in Jesus Christ.

*Resolved*, 3. That this Committee shall report to the next General Assembly, and shall submit whatever work they have been enabled to complete to the Assembly for approval and disposition.

On *Overture No. 162*, being a paper concerning the Records of the Presbytery of Central Washington, it is recommended that it be referred to the Committee on the Records of the Synod of Washington.

In behalf of the Committee,
HENRY VAN DYKE, *Chairman.*

The Treasurer of the Twentieth Century Fund presented his Report, which was accepted, and after addresses by Rev. Charles A. Dickey, D.D., and the Treasurer, was adopted, with the heartiest thanks of this Assembly to the members of the Committee and to the Treasurer for their fidelity and efficiency. The Report is as follows:

The Treasurer of the Twentieth Century Fund respectfully reports to the General Assembly of 1903:

The action of the Assembly of 1902 by which the Treasurer was continued in office reads as follows:

"That the Treasurer of this Fund be continued for a year; that he be empowered to receive any funds which may yet be contributed through him; that Reports of further contributions be made to him; that a summary of the Report up to the present time be printed in the *Minutes* for this year, and that the final Report be presented to the next Assembly."

The Report of the contributions to the Fund has been made in detail, by churches, Presbyteries and Synods, and under four heads, viz.: (1) The Boards of the Church; (2) Institutions, academic, collegiate and theological; (3) Home Objects, including the payment of church debts and the making of improvements upon church property; and (4) Miscellaneous, including contributions to hospitals and other charitable institutions, etc.

The detailed statement is on file in the office of the Stated Clerk in Philadelphia, and subject to the orders of the Assembly. It is deemed sufficient for the present Report to submit the summary by Synods under the four heads above named, and as follows:

The sum total above given, viz., $12,039,063.79, represents the largest amount ever reported by our Church for a single Fund.

The Assembly is reminded that the Twentieth Century Fund was not established with the purpose of accumulating money within its own treasury, but to suggest and urge efforts in every part of the Church to raise special funds for the following objects: The Enlargement of our Foreign Mission Work; the Enlargement of our Home Mission Work, including Synodical Sustentation; the Increased Endowment of Academic, Collegiate and Theological Institutions; the Payment of Local Church Debts, and

*For report by Presbyteries, see Appendix.

the Making of Local Improvements; Church Extension in Cities; other Special Work, Religious or Charitable, assumed by Churches, Presbyteries or Synods. Each individual, each church, Presbytery and Synod were left free to choose the particular branches of work for which special offerings should be made. It may have been a misnomer to call the movement a Fund, for its whole purpose was the encouragement of our membership to increased gifts in every line of Church obligation.

In connection with the Report the following statement of rules as to the receiving and reporting of contributions is submitted. The special request was made in circulars issued by the Committee that contributions should be sent direct to the Treasurers of the Causes, Agencies or Boards for which they were intended, and that only a Report of the amounts given should be made to the Fund. For the convenience of donors, however, the option was given them of forwarding gifts to the Treasurer of the Fund, if desired. Contributions, when reported, were received on the distinct understanding that they were solely for Twentieth Century Fund objects. In many cases inquiries were made prior to entry on the books, and both correspondents and the Treasurer considered carefully whether the gifts under examination should be included in the Fund, and frequently a negative decision was rendered.

Care was taken to avoid the duplication of entry of gifts as between reports by churches and reports by institutions. Every contribution entered in the Report has been on the express authority of the person or officer reporting the same. Attention is also drawn to the fact, revealed by the correspondence had with parties in many sections of the Church, that a considerable portion of the sums reported to the Treasurer were not included in the Statistical Reports of the churches to the Assembly. The sum total of such omitted gifts during the years 1901 and 1902 was not less than $1,000,000. The fact is, that in so far as possible the Report herewith submitted is one that has been carefully guarded and restricted, so as to be accurate as to amounts, and also true to the intent of the Assembly in establishing the Committee. The Treasurer is particular to make the above statements as to the character of the contributions and the care taken in preparing the Report, owing to the fact that the laymen who served upon the Committee are business men of the highest standing, are among the largest givers to our Church enterprises, and cheerfully contributed from their own resources the larger part of the expenses of the work of management. Indeed, the members of the Committee, both ministers and laymen, have united with the Treasurer in securing a Report which if it errs at all, errs in the direction of exclusion and not of inclusion.

The Church has been largely benefited by the work of the

Committee on the Fund. The Treasurer presents the facts to the Assembly. From 1894 to 1899 the sum total of the contributions of the congregations for all purposes, as shown by the Statistical Reports in the *Minutes*, were:

| | |
|---|---|
| 1894 | $14,012,127 |
| 1895 | 13,647,579 |
| 1896 | 14,149,477 |
| 1897 | 13,298,151 |
| 1898 | 13,503,561 |
| 1899 | 13,777,717 |

These totals make it clear that the Church's contributions were not on the increase during a period of six successive years at the close of the nineteenth century. Even the increase in 1896 over 1895 was due in large part to the Assembly's effort, through the Committee on the Quarter-Century Anniversary of Reunion, to remove the debts then existing on several of the Boards.

The movement for the Twentieth Century Fund was initiated at the General Assembly in Minneapolis, Minn., in 1899, and was stimulated by the concerted and enthusiastic effort which swept away the remaining debt upon the Board of Missions for Freedmen, the last debt of any Board of the Church. It was felt that the Church was ready to meet its financial obligations all along the line. In 1900, on the recommendation of the Special Committee appointed by the previous Assembly, the Committee on the Twentieth Century Fund was formally constituted, with the definite purpose of arousing the Church to adequate generosity toward benevolent, educational and missionary causes and agencies, to liquidate the debts of congregations, and for other objects as previously stated. Beginning with 1900, the year of the Committee's establishment, the contributions of the churches made a decided advance, the total contributions as shown in the *Minutes* being

| | |
|---|---|
| 1900 | $15,054,301 |
| 1901 | 16,338,376 |
| 1902 | 17,080,191 |

In the three years just mentioned the gross increase in total contributions over the amount reported for 1899 is $7,139,117, while in the six years from 1894 to 1899, only one year, 1896, showed an increase over 1894, and in 1899 the sum total was less than in 1894 by $234,410. The great increase in gifts during the years 1900–1902, however it may be accounted for, is a fact, and it is equally a fact that the Twentieth Century Fund Committee rendered earnest and persistent service to the Church during the period of this remarkable financial advance, an advance unequaled in any period of our denominational history.

The efforts put forth for the Fund, within their own bounds, by

particular churches is highly to be commended, and has resulted for one thing in the payment of the debts, either in whole or in large part, of 1463 of our congregations. The congregations were never so little burdened with debt as at present. This most excellent condition of things opens the way for enlarged contributions to the Boards of the Church and other benevolent and educational agencies.

The Treasurer draws attention to the action of the Assembly of 1902, earnestly entreating the Church to complete the amounts "so urgently requested by the Boards, the seminaries, and the colleges of our Church as necessary to their adequate support and desired advance." The larger part of the sum total of twelve millions of dollars above reported was given to Home Objects. The amount recommended for the Boards of the Church was $3,900,000, for the theological seminaries $2,700,000, and for colleges $5,000,000, a total of $11,600,000.

The cause of college education needs again to be emphasized. The contributions to educational institutions, including academies, colleges and theological seminaries, as shown by the Report, amounted to $1,543,500. If the churches had contributed to the colleges, the seminaries and the Boards the sums recommended by the Assembly, the Fund would have been swelled to nearly double its proportions. That the churches did not contribute as suggested, was not owing to any failure in effort on the part of the Assembly's Committee.

The Treasurer respectfully states that his receipts have been as follows: Subscriptions and contributions for the expenses of the Committee, $12,667.44; expenses of the Committee, $12,391.51; balance in hand, $275.93. In addition, $4,846.50 were received for the several objects of the Fund, and duly transmitted to the proper parties. The accounts have been audited by Mr. John H. Converse and Mr. Frank K. Hipple, members of the Twentieth Century Committee, who were duly appointed for that purpose. The balance in the Treasurer's hands will be used to defray the expenses of publication.

The Executive Committee to whom the management of the Movement was entrusted consisted of Rev. M. A. Brownson, D.D., Chairman; Rev. Robert Hunter, D.D., John H. Converse, LL.D., Frank K. Hipple, LL.D., Hon. John Wanamaker, and the undersigned as Secretary and Treasurer. The representatives of the Committee before the Church were the Rev. Charles A. Dickey, D.D., and the Rev. Henry C. Minton, D.D., the Moderators of the Assemblies of 1901 and 1902.

The thanks of the Assembly to the Committee on the Twentieth Century Fund, and its officers, to individual donors, and to the Church in general, were duly tendered by the Assembly of 1902. The Treasurer, however, would venture to ask the Assem-

bly cordially to acknowledge the faithful labors of those persons throughout the Church who, serving on Congregational, Presbyterial and Synodical Committees, have coöperated with the Committee in the work of the Fund. One of the great sources of strength to every Christian Church is found in the large numbers of persons, both men and women, both young and old, who give themselves earnestly to the doing of any work which may be entrusted to them, performing the same to the best of their ability, and seeking for nothing more than the opportunity for service. Our Presbyterian Church in particular is to be congratulated on the great number of unselfish, willing and untiring workers among its ministry and members, who do with their might whatsoever their hands find to do, and ask no other reward than the sense of duty done out of loyalty to Jesus Christ.

The following resolution is offered for adoption by the Assembly:

*Resolved*, That the Report of the Treasurer of the Twentieth Century Fund Committee, of contributions made to the objects of the Fund, if practicable, be printed in full in the *Minutes* for 1903.

Respectfully submitted,

WM. HENRY ROBERTS, *Treasurer.*

Your Committee on Church Polity beg leave to make the following Report on the papers which have been placed in their hands:

*Overture No. 144*, from the Presbytery of Morris and Orange, concerning the definition of a vacant church.

Your Committee recommend that the following definition be adopted:

*Papers Nos. 154–156* contain a petition from members of the Philippine Mission asking to be constituted into a Presbytery. Their request is as follows:

"Be it *Resolved*, That the members of the Presbyterian Mission of the Philippine Islands do hereby petition the General Assembly to erect the Presbytery of Manila, consisting of the ordained missionaries connected therewith, including those under appointment at the time and those now on the field, viz.: Rev. James B. Rodgers, Albany; Rev. D. S. Hibbard, Emporia; Rev. Walter O. McIntyre, Chicago; Rev. J. Eugene Snook, Pueblo; Rev. Paul E. Doltz, Minneapolis; Rev. Lewis B. Hillis, Emporia; Rev. A. A. Eugene Snook, Rev. Paul E. Doltz, Rev. Lewis B. Hillis and Rev. A. A. Pieters, with the churches located on the Philippine Islands; that the Rev. James B. Your Committee recommend it be answered in the negative. For a clear statement on this subject, see *Presbyterian Digest of 1898*, Section III, Paragraph 3.

*Overture No. 140*, from the Presbytery of Hudson, and *Overtures Nos. 151, 152*, from the Presbytery of New Brunswick, concerning Judicial Commissions. Your Committee recommend the following action:

WHEREAS, The provisions of the present chapter on Judicial Commissions have been found incomplete and unsatisfactory, as is evidenced from the continuous Overtures requesting improvement; and

WHEREAS, It is our belief that the defeat of the movement for amendment last year was owing to objections to certain particulars rather than to the general plan proposed; and

WHEREAS, It is possible to frame the plan without said objectionable features; therefore be it

*Resolved*, 1. That a Special Committee on Judicial Commissions be appointed by the Moderator of this Assembly, consisting of four ministers and three elders, whose duty it shall be to consider this subject, and report a plan of amendment to the next General Assembly; and

*Resolved*, 2. That the said Committee take into consideration the said Overtures in our hands, being *Papers Nos. 140, 151, 152*, together with any suggestions that may be sent to them from the Presbyteries or other parties in the Church; and

Respectfully submitted,
WILLIAM GASTON, *Chairman.*

The following telegram was received from the General Assembly of the Cumberland Presbyterian Church, in session at Nashville, Tenn.:

NASHVILLE, TENN., May 27, 1903.

*To the General Assembly of the Presbyterian Church in the U. S. of America, Los Angeles:*

The General Assembly of the Cumberland Presbyterian Church to-day adopted the following resolution, and after the vote the Assembly joined in singing the Doxology, and was led in a prayer of thanksgiving for unanimity of action:

*Resolved*, That a Committee of nine on Presbyterian fraternity and union be appointed by this Assembly, to confer with such like Committee as may be appointed by other Presbyterian bodies in regard to the desirability and practicability of closer affiliation and organic union among the members of the Presbyterian family in the United States; and if in any particular case, after conference and investigation, union shall seem to be desirable and practicable, to suggest suitable measures for its accomplishment, and to report such basis of union as may be mutually agreed upon to the next General Assembly.

J. M. HUBBERT, *Stated Clerk.*

The Moderator and Stated Clerk were authorized to send the following response:

LOS ANGELES, CAL., May 27, 1903.

*To the General Assembly of the Cumberland Presbyterian Church, Nashville, Tenn.*

The General Assembly at Los Angeles receives with cordial congratulations your message announcing appointment of Com-

mittee on Presbyterian fraternity and union, and has appointed a similar Committee for the same great purposes.

R. F. COYLE, *Moderator.*
WM. H. ROBERTS, *Stated Clerk.*

The Committee to Canvass the Vote of the Presbyteries on the Revision Overtures presented its Report, which was accepted.

The privilege of the floor on this subject was granted to any members of the Revision Committee present in the Assembly.

After the adoption of the several paragraphs *seriatim*, the Report as a whole was adopted unanimously by a rising vote, the Doxology was sung, the Moderator led the Assembly in prayer, and a season was spent in praise and prayer.

The Report is as follows:

Your Committee appointed to Canvass the Returns from the Presbyteries in regard to the Overtures on the Revision of the Confession of Faith, and to recommend what action, if any, shall be taken on the subject, would respectfully report as follows:

I. Two papers bearing upon the subject have been referred to us, and as they are preliminary in their nature, we recommend that they be answered as follows:

(*a.*) A protest from nine members of the Presbytery of Lehigh against the recording of the vote of that Presbytery in favor of revision, on the grounds that said vote was taken by the omnibus motion, and that members were thus deprived of their right to call for a division and vote on the separate Overtures separately.

We recommend that this protest be not sustained, because the Minutes show that no call for a division was made before or during the vote.

(*b.*) An Overture from the Presbytery of St. Cloud, requesting the Assembly to recommit the Revision Overtures to a new Committee for alteration.

We recommend that this request be not granted.

The Committee would further report that they have examined with care the statement of the vote of the Presbyteries as submitted to the Assembly by the Stated Clerk. The same is found to be correct, and it is recommended that it be printed in the *Minutes*.* A concise state of the vote of the Presbyteries is as follows:

| NO. | AFFIRMATIVE. | NEGATIVE. |
|---|---|---|
| 1 | 221 | 4 |
| 2 | 220 | 5 |
| 3 | 219 | 6 |
| 4 | 221 | 4 |
| 5 | 218 | 7 |
| 6 | 215 | 10 |
| 7 | 220 | 5 |
| 8 | 216 | 9 |
| 9 | 218 | 7 |
| 10 | 218 | 7 |
| 11 | 222 | 3 |

*See p. 15.

Number of Presbyteries reporting no action, 2; number making no report, 11; total number of Presbyteries, 238.

II. Your Committee having canvassed the written returns from the Presbyteries on the Revision Overtures, and having found that the returns are in order, and that all the Overtures have received more than the necessary affirmative votes of two-thirds of the Presbyteries, report that it is therefore the duty of this Assembly to take action now, according to the Form of Government, Chapter XXIV, Section 2, in regard to the enactment of the Overtures. We recommend that in view of the great importance of the subject, and in order to meet in full all legal and technical requirements, action shall be taken upon the Overtures *seriatim*, and as follows:

1. *Resolved*, That *Overture No. 1*, having received the affirmative vote of 221 Presbyteries, submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that the following Preamble to a Declaratory Statement is a part of the Constitution of the Presbyterian Church in the U. S. A.:

"Declaratory Statement.

"While the ordination vow of ministers, ruling elders and deacons, as set forth in the Form of Government, requires the reception and adoption of the Confession of Faith only as containing the System of Doctrine taught in the Holy Scriptures, nevertheless, seeing that the desire has been formally expressed for a disavowal by the Church of certain inferences drawn from statements in the Confession of Faith, and also for a declaration of certain aspects of revealed truth which appear at the present time to call for more explicit statement, therefore the Presbyterian Church in the United States of America does authoritatively declare as follows:"

2. *Resolved*, That *Overture No. 2*, having received the affirmative vote of 220 Presbyteries submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that the following Declaratory Statement is a part of the Constitution of the Presbyterian Church in the U. S. A.:

"*First*, With reference to Chapter III of the Confession of Faith: that concerning those who are saved in Christ, the doctrine of God's eternal decree is held in harmony with the doctrine of His love to all mankind, His gift of His Son to be the propitiation for the sins of the whole world, and His readiness to bestow His saving grace on all who seek it. That concerning those who perish, the doctrine of God's eternal decree is held in harmony with the doctrine that God desires not the death of any sinner, but has provided in Christ a salvation sufficient for all, adapted to all and

freely offered in the Gospel to all; that men are fully responsible for their treatment of God's gracious offer; that His decree hinders no man from accepting that offer; and that no man is condemned except on the ground of his sin."

3. *Resolved*, That *Overture No. 3*, having received the affirmative vote of 219 Presbyteries submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that the following Declaratory Statement is a part of the Constitution of the Presbyterian Church in the U. S. A.:

"*Second*, With reference to Chapter X, Section 3, of the Confession of Faith, that it is not to be regarded as teaching that any who die in infancy are lost. We believe that all dying in infancy are included in the election of grace, and are regenerated and saved by Christ through the Spirit, who works when and where and how He pleases."

4. *Resolved*, That *Overture No. 4*, having received the affirmative vote of 221 Presbyteries, submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and that the Standing Committee on Editions of the Confession be directed to append footnotes to Chapter III and to Chapter X, Section 3, of the Confession, reading "See Declaratory Statement, p. ," and to print the Preamble and the two sections of the Declaratory Statement as one document, after the new Chapters XXXIV and XXXV, at the end of the Confession of Faith.

*Overture No. 4.*—Shall footnotes be appended to Chapter III and Chapter X, Section 3, of the Confession of Faith, reading "See Declaratory Statement"?

5. *Resolved*, That *Overture No. 5*, having received the affirmative vote of 218 Presbyteries, submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that Section 7, Chapter XVI, of the Confession of Faith is changed so as to read:

"VII. Works done by unregenerate men, although for the matter of them they may be things which God commands, and in themselves praiseworthy and useful, and although the neglect of such things is sinful and displeasing unto God; yet because they proceed not from a heart purified by faith, nor are done in a right manner, according to His Word, nor to a right end, the glory of God; they come short of what God requires and do not make any man meet to receive the grace of God."

6. *Resolved*, That *Overture No. 6*, having received the affirmative vote of 215 Presbyteries, submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that the last clause in Section 3, Chapter XXII, of the Confession of Faith is stricken out of the Confession, viz.:

"Yet it is a sin to refuse an oath touching anything that is good and just, being imposed by lawful authority."

7. *Resolved*, That *Overture No. 7*, having received the affirmative vote of 220 Presbyteries, submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that Section 6, Chapter XXV, of the Confession of Faith is changed so as to read:

"VI. The Lord Jesus Christ is the only head of the Church, and the claim of any man to be the vicar of Christ and the head of the Church, is unscriptural, without warrant in fact, and is a usurpation dishonoring to the Lord Jesus Christ."

8. *Resolved*, That *Overture No. 8*, having received the affirmative vote of 216 Presbyteries, submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that the following Preamble is a part of the Constitution of the Presbyterian Church in the U. S. A., viz.:

"WHEREAS, It is desirable to express more fully the doctrine of the Church concerning the Holy Spirit, Missions, and the Love of God for all men, the following chapters are added to the Confession of Faith."

9. *Resolved*, That *Overture No. 9*, having received the affirmative vote of 218 Presbyteries, submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that a Chapter, to be numbered XXXIV, and entitled "Of the Holy Spirit," is hereby added to the Confession of Faith, as follows, viz.:

"CHAPTER XXXIV. OF THE HOLY SPIRIT.

"I. The Holy Spirit, the third person in the Trinity, proceeding from the Father and the Son, of the same substance and equal in power and glory, is, together with the Father and the Son, to be believed in, loved, obeyed, and worshiped throughout all ages.

"II. He is the Lord and Giver of life, everywhere present in nature, and is the source of all good thoughts, pure desires, and holy counsels in men. By Him the Prophets were moved to speak the Word of God, and all writers of the Holy Scriptures inspired to record infallibly the mind and will of God. The dispensation of the Gospel is especially committed to Him. He prepares the way for it, accompanies it with His persuasive power, and urges its message upon the reason and conscience of men, so that they who reject its merciful offer are not only without excuse, but are also guilty of resisting the Holy Spirit.

"III. The Holy Spirit, whom the Father is ever willing to give to all who ask Him, is the only efficient agent in the application of redemption. He convicts men of sin, moves them to repentance, regenerates them by His grace, and persuades and enables them to embrace Jesus Christ by faith. He unites all believers to Christ, dwells in them as their Comforter and Sanctifier, gives to them the spirit of Adoption and Prayer, and performs all

those gracious offices by which they are sanctified and sealed unto the day of redemption.

"IV. By the indwelling of the Holy Spirit all believers being vitally united to Christ, who is the Head, are thus united one to another in the Church, which is His body. He calls and anoints ministers for their holy office, qualifies all other officers in the Church for their special work, and imparts various gifts and graces to its members. He gives efficacy to the Word, and to the ordinances of the Gospel. By Him the Church will be preserved, increased until it shall cover the earth, purified, and at last made perfectly holy in the presence of God."

In connection with the above Chapter, Section 3, the Stated Clerk is hereby instructed to correct the typographical error in line 7, by substituting a small "s" for the capital "S" in the word "Spirit."

10. *Resolved*, That *Overture No. 10*, having received the affirmative vote of 218 Presbyteries, submitted in writing, be and hereby is agreed to and enacted by this General Assembly, and we declare that a Chapter, to be numbered XXXV, and entitled "Of the Love of God and Missions," is hereby added to the Confession of Faith, as follows, viz.:

"Chapter XXXV. Of the Love of God and Missions.

"I. God, in infinite and perfect love, having provided in the covenant of grace, through the mediation and sacrifice of the Lord Jesus Christ, a way of life and salvation, sufficient for and adapted to the whole lost race of man, doth freely offer this salvation to all men in the Gospel.

"II. In the Gospel God declares his love for the world and His desire that all men should be saved, reveals fully and clearly the only way of salvation; promises eternal life to all who truly repent and believe in Christ; invites and commands all to embrace the offered mercy; and by His Spirit accompanying the Word pleads with men to accept His gracious invitation.

"III. It is the duty and privilege of every one who hears the Gospel immediately to accept its merciful provisions; and they who continue in impenitence and unbelief incur aggravated guilt and perish by their own fault.

"IV. Since there is no other way of salvation than that revealed in the Gospel, and since in the divinely established and ordinary method of grace faith cometh by hearing the Word of God, Christ hath commissioned His Church to go into all the world and to make disciples of all nations. All believers are, therefore, under obligation to sustain the ordinances of religion where they are already established, and to contribute by their prayers,

gifts and personal efforts to the extension of the kingdom of Christ throughout the whole earth."

11. With respect to *Overture No. 11*, which was sent down by the Assembly of 1902, and has been approved by the constitutional majority of the Presbyteries, which Overture authorizes the Chairman of the Revision Committee, upon certain contingencies and under the direction of the General Assembly, to make certain changes in the wording and numbering of some of the Overtures upon the Revision of the Confession of Faith, the following is respectfully submitted in order that the record may be complete, viz.: that inasmuch as all the Overtures have been approved by the constitutional majority of the Presbyteries, none of the contingencies contemplated in said *Overture No. 11* have arisen, and therefore none of the changes therein specified require to be made.

12. *Resolved*, That the Assembly do now declare that the whole Revision of the Confession of Faith, approved and proposed to the Church by the Assembly of 1902, adopted by the constitutional vote of two-thirds of the Presbyteries, has been agreed to and enacted by this General Assembly of 1903, and is now incorporated into the doctrinal Standards of the Presbyterian Church in the United States of America, and that this Assembly do now hold a service of thanksgiving and praise to God, the Father, the Son, and the Holy Spirit, who has led us to this conclusion in brotherly love, in an earnest desire to promote His glory, and in steadfast loyalty to the truth as it is in Jesus Christ our only Lord and Saviour.

Respectfully submitted,

HENRY VAN DYKE, *Chairman.*

The Moderator, by the authority committed to him, declared the subject-matter of the following Overtures, sent down to the Presbyteries by the Assembly of 1902, and reported upon by the Committee on Canvass, to be now a part of the Constitution of the Church, as follows, viz.:

*Overtures Nos. one (1), two (2), three (3), four (4), five (5), six (6), seven (7), eight (8), nine (9), ten (10).*

Authority was given to the Permanent Committee on Editions of the Constitution to make the changes in the Constitution made necessary by the adoption and enactment of the above Overtures.

A Docket for the afternoon session was adopted.

The Assembly took recess, and was closed with prayer

THURSDAY, May 28, 2 o'clock P.M.

The Assembly met, and was opened with prayer.

The Report of the Committee on Bills and Overtures, which was on the Docket, was taken therefrom, was amended, adopted, and is as follows:

The Committee on Bills and Overtures report as follows:

In answer to *Overtures Nos. 94–100* inclusive, and *133* and *135*, from the Presbyteries of Cimarron, Union, Hannibal, St. Louis, North Texas, Kingston, Kansas City and Holston respectively, and from the Synod of Tennessee, all bearing upon some phase of the work in Presbyteries composed partly of colored ministers and churches and partly of white ministers and churches, it is recommended that said Overtures and the whole subject of our work among the colored people in the Synods of Tennessee, Missouri, Texas and Indian Territory be referred to a Committee of five, three ministers and two elders, who shall consider the same and report to the next General Assembly.

On *Overture No. 141*, from the Presbytery of Alton, asking for a consolidation of the Boards of Home Missions and Freedmen, the Committee recommends no action.

A resolution concerning the work of the American Tract Society was presented, and after addresses by Mr. James Yereance, Rev. C. W. Mateer, D.D., and Rev. H. H. Jessup, D.D., was adopted. It is as follows:

The Assembly having heard the Report of the American Tract Society, presented by Mr. James Yereance, and addresses by the Rev. Drs. Jessup and Mateer, is pleased to record its appreciation of the long and successful career of this Society; its progress during the past year in the establishment of a sinking fund toward removing the burden of its mortgage indebtedness; its prospect of securing a permanent endowment, as well as its progress in missionary colportage, in the preparation of an evangelical Christian literature in English, German, Spanish and the many languages spoken throughout our possessions, by our own people and by immigrants; and its gratuitous distribution of this literature through home and foreign missionaries and other Christian workers; and the Assembly hereby renews its recommendation that each Presbytery appoint a Standing Committee on its work, and that our several churches be urged to make an annual offering for it.

The Standing Committee on Church Erection presented its Report, which was accepted, and after addresses by the Chairman

and the Rev. Erskine N. White, D.D., Secretary of the Board, was adopted. The Report is as follows:

Your Standing Committee on Church Erection respectfully reports:

We met promptly at 8.30 P.M., Saturday, May 23. We organized by the election of Rev. J. G. Mason, Chairman, and Elder George H. Daniel, Clerk, and proceeded to business. We have carefully examined the Records, the Annual Report, and the work of the Board for the past year, and we have found all worthy of approval. This Board is strictly a business organization, and controlled by business principles. The Church owes much to this Board, especially to the elders in its membership, who are men of high business standing whose time is valuable. Your Committee believes that special recognition of the services of these gentlemen should be made. They have given generously of their time in the direction of this work. The business character of the Board involves necessarily the preparation and execution of many legal papers, the examination of mortgages and other securities. Gratuitous service in this respect has been rendered by the counsel and associate counsel respectively for thirty and fifteen years. Otherwise this service would have cost the Board thousands of dollars.

The work of Church Erection touches the work of the Church at every point. Its importance cannot be exaggerated. Its support on the part of every congregation ought not to be secondary. It goes hand in hand with the work of Home Missions. As the ownership of the homestead by the individual is most vital to the interests of the home and social life, so is the ownership of the house of worship and the manse most vital to the growth and permanence of church work.

The usefulness of this Board is limited only by the amount of money which the congregations give each year for its use. Applications must be held up until the needed funds seek the treasury. It is the fixed policy never to go in debt. It is therefore self-evident that if every congregation now giving will give more, and the many who have not yet recognized the claims of this work will make a new departure, the Board would do a much larger work.

The primary and charter object of the Board is to aid the feebler congregations in erecting inexpensive houses of worship. If this is remembered, many misapprehensions will be avoided. This Board was not organized to supplement large subscriptions for expensive edifices. But there is a Loan Fund which is available for the stronger congregations. There is an increased inclination to use this.

The Fund loaned for the erection of manses is available for all. Some applications for this have been postponed because all the

funds were already loaned. We would emphasize the advantage of the manse to the church. It is second only to the erection of houses of worship. The house for the preaching and the house for the pastor are but parts of the same need in every Presbyterian congregation. The two constitute a substantial plant for carrying on the Gospel business. The ownership of a manse is a great advantage to any congregation.

During the past year the total number of appropriations, either as grants or loans, was 239, made to 228 different churches, and the amount thus appropriated was $194,209.50. Adding special gifts, we have a total result of $195,276.44 to 233 churches. Some of these buildings are not yet finished, and some parts of the appropriations are not yet paid. There have also been reported to the Board 221 churches and manses completed without debt. These are valued at $886,902. These aided congregations are scattered over thirty-nine States and Territories, including Porto Rico. The total receipts of the Board from all sources amount to $228,109.71.

A large part of the Board's work has been conservative. Some congregations, for various reasons, cease to exist. In such cases it is the duty of the Board to recover the money invested in these edifices, which can no longer be wisely used as places of worship. During the past year, it is to be noticed in the Report, $8639.92 have been thus recovered. Also a part of the work of the Board is to secure insurance upon the churches aided. The Board is carrying now in insurance policies some three millions of dollars. This year the losses by fire have brought back into the treasury $5385.39. This part of the work is worthy of our special appreciation.

The Board's sources of supply are the General Fund, consisting of gifts from congregations and individuals and interest upon invested funds; the Loan Funds, made up of permanent funds received from bequests and special trust gifts invested; the Manse Fund, the Raynolds and Barber Funds. The latter is for the use of congregations of colored people, particularly in the North, and not under the care of the Board of Freedmen. This is available for the erection of houses of worship or manses for the use of colored churches. The chief work of the Board is dependent upon the gifts of the congregations. But there has been no substantial advance in the support of this work during the past ten years, so far as contributions from the churches indicate. Yet more churches are now in course of erection than for the past ten years. It is a lamentable fact that many congregations have given nothing to this Board, and some strong Synods have received more than they have given, forgetting that "it is more blessed to give than to receive." The needs are

enlarging. Our Church is moving on to meet the Christian needs of this great land.

A matter of fraternal interest has been referred by the Board to the Assembly. It is the request of the Presbyterian Church of St. Andrew's Bay, Fla. The Board holds a mortgage of $300 upon the property of this church. It is of ten years' standing. Because of the situation of this church, it has seemed wise to the Presbytery to which it belonged to transfer it to the care of the Presbytery covering the same ground and connected with the Southern Presbyterian Assembly. This was in the interest of fraternal good will and interdenominational comity, and also to secure better oversight and support. The congregation is not strong, and is unable to pay the mortgage. Our Presbytery heartily endorses the request that the mortgage be canceled. Your Committee believes that it will be for the furtherance of the Gospel to grant the request.

There has been referred to the Committee an Overture from the Presbytery of Arizona, asking that the General Assembly modify the rules of the Board so that aid can be granted to congregations which cannot secure title to land in mining towns or Government Reservations, and also to missions among exceptional populations not as yet organized into churches. Your Committee believes this a matter of importance, and that the Board should have some discretion to meet just such needs, and with that in view brings it to the consideration of the Assembly.

The following recommendations are submitted to the Assembly for its action:

1. That the Assembly hereby gratefully recognizes the faithful services of the members of this Board, of the Secretary and Treasurer, and especially of the counsel and the associate counsel, for many years caring for the invested interests, mortgages and insurance of property.

2. That the Minutes of the Board be approved.

3. That we recommend anew this work to the confidence and support of the churches, and urge every congregation to make an offering to its treasury.

4. We recommend that the Board have permission to release the mortgage of $300 held upon the Presbyterian Church of St. Andrew's Bay, Fla., which has been transferred to the care of the Southern Assembly.

5. That in the case of grants to churches in mining towns and government reservations, where it is impossible for the organization to obtain a title in fee-simple, the Board be permitted at its discretion to advance the money upon the receipt of a bond, conditioned to give a first mortgage whenever said church shall be able to secure a title in fee-simple.

6. That the following members of the Board, Rev. D. R. Frazer,

D.D., Rev. John A. Ingham, Rev. David Magie, D.D., and Elders Henry T. Bronson, Hezekiah King, William H. Parsons, Jr., whose term of office expires at this time, be reëlected, and that Rev. William Russell Bennett, of the Presbytery of Morris and Orange, be elected to fill the place of Rev. Charles T. Haley, D.D., deceased, and that the Rev. Duncan J. McMillan, D.D., of the Presbytery of New York, be elected to fill the place of Rev. N. W. Conkling, D.D., resigned.

All of which is respectfully submitted,

JAMES GILBERT MASON, *Chairman.*

The Judicial Commission in the case of Owen Riedy *vs.* the Synod of Texas presented its finding in the case, which was ordered to be entered upon the Record of the Assembly. It is as follows:

The Judicial Commission appointed to try *Judicial Case No. 3*, after due deliberation, find that there is no sufficient evidence to establish the fact that specifications of error, required by the rules, were given to the Clerk of the Synod of Texas; and if said specifications of error were not given to said Clerk, neither he nor said Synod was advised of an appeal pending or of the necessity to transmit papers concerning said appeal to the Clerk of the General Assembly, and find further that no question of doctrine or constitutional law is properly at issue in said matter of appeal, and therefore we find, adjudge and determine that the appeal of Owen Riedy, appellant, from the Synod of Texas be dismissed, without prejudice, however, to his right to make application to the Presbytery of Austin for a removal of the sentence of suspension heretofore imposed by said Presbytery.

Respectfully submitted,

DUNCAN J. MCMILLAN, *Chairman.*

The following dissent from the finding of the Commission was presented, and ordered to be entered upon the Record:

We respectfully dissent from the finding and judgment of the above Commission in dismissing the appeal of Owen Riedy from the decision of the Synod of Texas, and for the following reasons:

1. The majority of the Commission in its finding gives as a reason for the dismissal of the case that "there is no sufficient evidence to establish the fact that specifications of error, required by the rules, were given to the Clerk of the Synod of Texas; and if said specifications of error were not given to said Clerk, neither he nor said Synod was advised of an appeal pending or of the necessity to transmit papers containing said appeal to the Clerk of the General Assembly." Now the Commission had already decided that the appeal was in order, and had decided to entertain it, and so the finding of the majority of the Commission is in direct

conflict with the decision of the Commission that the appeal was in order.

2. The Commission in its finding gives as a reason for dismissing the appeal that "no question of doctrine or constitutional law is properly at issue in said matter of appeal." We dissent from this finding on the ground that questions of constitutional law are involved in the appeal, as for example in the error of Synod assigned, such as an unconstitutional constitution of the court of trial.

3. The paper containing the petition of the appellant to the Presbytery for removal of Presbytery's suspension of him from the ministry is not produced by the lower court, and in the absence of this paper it is impossible for the Commission to know by its own consideration whether that paper fulfilled the conditions required for the removal of the suspension.

4. Since the papers have not been produced by the lower court, the provisions of the Book of Discipline, Chapter LX, Section 101, should be enforced, namely, that when the lower court has failed to send up the papers "it shall be censured; and the sentence appealed from shall be suspended until a record is produced on which the issue can be fairly tried."

The Special Committee on Divorce and Remarriage presented its Report, which was accepted, and after an address by the Chairman, was adopted. It is as follows:

The Special Committee on Divorce and Remarriage, appointed by the General Assembly which convened in New York, May 20, 1902, would respectfully report as follows:

Your Committee, consisting of the following persons: *Ministers*—Charles A. Dickey, D.D., J. W. McIlvaine, D.D., S. J. Niccolls, D.D., W. J. McCaughan and Paul F. Sutphen, D.D.; *Ruling Elders*—John E. Parsons, Esq., Gen. John W. Foster, Hon. William M. Lanning and Mr. S. P. Harbison, was appointed in response to the following communication:

"ALBANY, NEW YORK, April 14, 1902.

"*The Reverend William Henry Roberts, D.D., Stated Clerk of the General Assembly of the Presbyterian Church in the United States of America:*

"MY DEAR SIR:—At the last meeting of the General Convention of the Protestant Episcopal Church in San Francisco, much

thought and time were spent in the discussion of a proposed canon with reference to the remarriage of divorced persons. The subject had been under consideration by a large Commission for six years, who brought in a proposed canon, of which the following is an extract:

"'No minister shall solemnize a marriage between any two persons unless nor until by inquiry he shall have satisfied himself that neither person *has been*, or is, the husband or the wife of any other person then living; unless the former marriage was annulled by a decree of some civil court of competent jurisdiction for cause existing before such former marriage.'

"The General Convention, as you may know, is composed of two bodies, sitting separately. The House of Bishops adopted the canon, thirty-eight bishops voting in the affirmative and twenty-nine in the negative. When it was sent to the House of Deputies, although it was carried by a majority of voices while the House was sitting in Committee of the Whole, and carried also by the clerical vote by dioceses, it was lost by the non-concurrence of the lay vote. So that the present canon is the law of the Church now, of which the following is an extract:

"'No minister, knowingly after due inquiry, shall solemnize the marriage of any person who has a divorced husband or wife still living, if such husband or wife has been put away for any cause arising after marriage; but this canon shall not be held to apply to the innocent party in a divorce for the cause of adultery, or to parties once divorced seeking to be united again.'

"Meanwhile a Joint Commission was appointed by the General Convention, consising of three bishops, three presbyters and three laymen, 'to confer with the official representatives of other religious bodies in the United States, with a view to establishing a uniformity of practice on the subject of matrimony and divorce; provided, however, that no action taken by the above Joint Commission shall be binding upon this Church until and unless it shall be duly ratified and confirmed by a subsequent General Convention.'

"At the first meeting of this Commission, held in New York, the undersigned were appointed a Sub-committee to carry out the purpose of the above resolution, and in the discharge of this duty we venture to address you, urging with such earnestness as the importance of the question demands, that you may bring the matter before the representative organization of which we understand that you are the Stated Clerk, in the great hope that a Committee will be appointed with whom we may confer, and that some common ground of agreement may be reached on which, as Christian people, we can stand together to protect and promote the sanctity of Holy Matrimony, as an essential condition

to the integrity of the American home, as that again is essential to the maintenance of the American civilization.

"We beg to remain,

"Very respectfully yours,

"Wm. Croswell Doane,
"*Bishop of Albany;*

"David H. Greer,
"*Rector St. Bartholomew's Church, New York;*

"Francis Lynde Stetson,
"*Lay Deputy from New York.*

Your Committee held its first meeting in New York, January 14, 1903, to consider such questions as might arise in the conference proposed, and to determine the attitude of the Committee. All the members of the Committee were present at this preliminary conference, except Dr. Sutphen, General Foster and Mr. Harbison, who were prevented from attending.

In the exercise of the discretion allowed by the rule of the General Assembly, your Committee requested our Stated Clerk, Rev. Dr. William H. Roberts, to perform the duties of Secretary.

After the consideration of questions likely to be presented to the general conference, and the instructions of the General Assembly, it was *Resolved*, "That it is the sense of this Committee that it is authorized by the instructions of the General Assembly to consider, in the general conference, any questions concerning the grounds of divorce, the law of procedure in divorce, and restrictions as to the remarriage of divorced persons."

It was also determined that in the general conference our Committee should vote as a unit, and that the same rule be recommended to the conference for adoption.

In response to the call of the Committee of the Protestant Episcopal Church, your Committee, with other representatives, convened for conference in the Parish House of St. Bartholomew's Church, New York, January 15, 1903. The meeting was called to order and opened with prayer by Bishop Doane, who was elected Permanent Chairman of the Conference. Dr. William H. Roberts was chosen Secretary of the Conference. The Protestant Episcopal Church was represented by Rev. William Croswell Doane, Bishop of Albany; Rev. Dr. Greer, of New York, and the Rev. Dr. Fulton, of Philadelphia.

The Methodist Episcopal Church was represented by Bishop Edward G. Andrews, of New York; the Rev. Dr. Kelly, of New York, and Judge Reynolds, of Brooklyn.

The General Assembly of the Presbyterian Church in the

United States of America was represented by the members of the Committee already mentioned.

The Chairman of the Conference, Bishop Doane, presented the action of the General Convention of the Protestant Episcopal Church constituting their Commission. Bishop Andrews, on behalf of the Methodist Episcopal Church, stated that in view of the fact that their General Conference only meets once in four years, it was necessary to refer the appointment of the representatives of this Church to the Board of Bishops, and that he and his colleagues appeared in the conference by the authority vested in the Board of Bishops by the General Conference. The action of our General Assembly and the appointment of your Committee was reported to the Conference.

The Rev. Dr. Greer announced that the Committee representing the Protestant Episcopal Church, by the authority given by the General Convention, had invited the Baptist Church to appoint representatives in the conference.

After a brief discussion of the general subject referred for consideration, it was resolved that an Executive Committee be appointed to conduct the business of the Conference in the intervals between meetings, and to prepare business for consideration. The Chairman of the Conference was made the Chairman of the Executive Committee.

The Executive Committee consists of Bishop Doane, Bishop Andrews, Dr. Dickey, Dr. Greer, Mr. John E. Parsons, Judge Reynolds, together with the Secretary, Dr. Roberts.

At a meeting of the Executive Committee, held January 15, the subject of additional representatives in the conference was taken up and considered. Final action upon this subject was postponed for further consideration. It was determined that Churches to be included in the conference should each have not less than three representatives. Dr. Greer was appointed the Treasurer of the Committee.

A Committee composed of three members of the conference, viz., Mr. John E. Parsons, Judge Lanning and Mr. Stetson, was appointed to consider the relations of divorce and marriage to State legislation, and to report to the next meeting of the Committee.

The Executive Committee held a second meeting at the residence of Mr. Parsons, in New York City, on the 10th of March, 1903. The Report of the Sub-committee on the relations of divorce and marriage to State and national legislation was presented by the Chairman. The Report was accepted, with thanks, and referred to the Conference for consideration. Copies of the Report were ordered to be sent to every member of the Conference. This Committee was continued to consider the question further,

and it was agreed that its Report should be treated as tentative and confidential for the present.

It was resolved that the following religious bodies should be invited to send representatives to the conference, viz.:

The Alliance of the Reformed Churches throughout the World holding the Presbyterian System;
The Methodist Episcopal Church, South;
The Lutheran Church;
The Disciples, and
The Baptist Church, South.

It was reported that correspondence was in progress with the Congregational Church, which had been previously invited to coöperate by the Committee of the Protestant Episcopal Church.

The Chairman was also authorized to correspond with other Churches with a view to representation.

The Presbyterian Alliance, on April 16, 1903, at its meeting in New York, N. Y., accepted the invitation given, and appointed a Committee of five for the Conference.

The following resolution was considered and referred to the Conference for action: "That each Church represented be asked to forbid its ministers to perform the marriage ceremony in the cases of divorced persons, except as such persons have been divorced upon grounds and for causes recognized as Scriptural in the Standards of the Church with which a minister is connected."

The members comprising this Conference are deeply impressed with the importance of the task committed to us by the Churches which we represent.

After careful deliberation we reached the unanimous conclusion that the Conference, to be effective, should be composed of the accredited representatives of Church organizations. Recognizing the helpfulness of Reform Associations, and anxious to secure their coöperation, it was, nevertheless, deemed inexpedient to include the representatives of voluntary organizations.

It was likewise considered fitting that the representatives of the Protestant Episcopal Church, which had inaugurated this movement, should decide the limitations of the conference.

No definite lines of action could be determined until the other Churches invited had either named their representatives or had declined to be represented. It is expected that action will be determined by these Churches in the near future, and that the Conference will meet for deliberation and decision at as early a date as possible.

This movement seems to be most significant and timely. It is, first of all, significant that such a movement should have been proposed by the General Convention of the Protestant Episcopal Church, which has been discussing the questions involved with

such earnestness, and that the situation has seemed serious enough to suggest a larger council of Christians.

The question is serious enough. The State is imperiled, the family is threatened, and the Church, the guardian of both, too frequently puts its seal and sanction upon unrighteous relationships, does not refuse its sacraments to those who lightly regard the sacred bonds of marriage, and for reasons not recognized in God's Word, separate themselves and seek new alliances.

It will be the duty of those delegated by their Churches to consider, first of all, any laxity that may exist in the Church, and to endeavor to determine the standard of righteousness, regarding divorce and remarriage, that will free the Church from reproach, and set before the world an example that will better insure the sacredness of the family and the purity of the State. Unless ministers will carefully inform themselves of the social condition of persons proposing marriage, and strictly conform to the laws of God regarding divorce and remarriage revealed in the Scriptures, and unless professing Christians strictly regard such laws in their own conduct, how can we hope, through the influence of the Church, to correct the evils that are made possible by immoral legislation? The conviction is deepening that something should be done to save society and the State from the terrible consequences of lax legislation, which disregards the law of God and the protest of the Church.

The divorce laws enacted in many States entirely disregard the sacredness of marriage, and serious complications are occasioned by the contradictory legislation that prevails in our country. A recent decision of the Supreme Court of the United States has brought to the attention of citizens the deplorable conditions that exist, and some of the serious consequences of such conflicting legislation.

Without the united influence of those who profess to regard the laws of God and the morality taught by Jesus Christ, it will be impossible to secure such legislation as will enact righteous laws regarding divorce and marriage. But we believe that Christian lawgivers, if supported by Christian opinion, are ready to move in the direction indicated in this Report, and test the power of this Christian nation to so amend its Constitution that its citizens shall be protected, in their homes and in their estates, from the terrible wrongs that are being inflicted by unrighteous legislation. It is the desire of all good citizens that virtue and domestic happiness should be defended against all those who disregard their solemn vows, deny their obligations, pollute the very fountains of life, and destroy the foundations of society.

It will require time and patience and persistent effort to correct these alarming evils. Presbyterians can be depended upon for the defense of revealed truth, and for the promotion of right-

eousness. We have been awarded a large place in this Christian alliance. We ask the hearty endorsement of the General Assembly, and the earnest coöperation of pastors, elders and people.

Submitting our Report to this General Assembly, we respectfully ask for the adoption of the following resolutions:

*Resolved*, 1. That this General Assembly approves the action of its Committee, in conference with the representatives of other Churches, as submitted in the foregoing Report.

*Resolved*, 2. That this General Assembly favors every lawful endeavor to correct the evils of lax legislation regarding the subjects of divorce and remarriage, and to secure such uniformity of legislation thereon as may best promote the purity of society.

*Resolved*, 3. That this General Assembly hereby enjoins all ministers under its care and authority to refuse to perform the marriage ceremony in the cases of divorced persons, except as such persons have been divorced upon grounds and for causes recognized as Scriptural in the Standards of the Presbyterian Church in the United States of America.

*Resolved*, 4. That the Committee appointed by the General Assembly of 1902 is continued, with instructions to diligently pursue the work entrusted to it, and to report to the next General Assembly.

Respectfully submitted,

CHARLES A. DICKEY, *Chairman;* JOHN E. PARSONS,
J. W. MCILVAINE, JOHN W. FOSTER,
S. J. NICCOLLS, WM. M. LANNING,
WILLIAM J. MCCAUGHAN, S. P. HARBISON.
PAUL F. SUTPHEN,

The Standing Committee on Correspondence presented its Report, which was accepted.

Rev. William H. Roberts, D.D., LL.D., Corresponding Delegate from the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, addressed the Assembly, after which the Report was adopted. It is as follows:

The Committee on Correspondence would submit the following Report:

A communication of considerable length and of great interest has been received from the Synod of the Presbyterian Church of Mexico. This is the last-born, the youngest of the Presbyterian Synods. It commences life under favorable skies. Thankful for the help of the past, looking for the prayers and encouragement of the Church in the future, it begins a new life with every prospect of prosperity and usefulness. This Synod is the outgrowth and result of our foreign mission work, and illustrates the great importance of the work and the results that flow from it. We extend to this Synod our hearty congratulations and bid them God-

speed in the great work that lies before them. Situated as the Church is, in the midst of hostile and unfavorable circumstances, it needs our hearty support. May God bless the Presbyterian Church of Mexico.

The Committee would recommend:

I. That the Stated Clerk of the General Assembly send a suitable answer to the letter of the Synod of Mexico, bearing to it our greetings and a Godspeed in the new work inaugurated by it.

II. That the letter from the Synod of Mexico be printed in the Appendix to the *Minutes* of the General Assembly.

The Committee has also received the certificate of the representative of the Alliance of the Reformed Churches throughout the world holding the Presbyterian System. The Committee would recommend that said representative be invited to present the greeting of the Alliance to the Assembly.

Respectfully submitted,

EDGAR P. SALMON, *Chairman.*

The Standing Committee on Benevolence presented its Report, which was accepted, and after an address by Rev. David G. Wylie, D.D., Chairman of the Special Committee on Systematic Beneficence, was adopted. The Report is as follows:

In presenting its Report your Committee would heartily congratulate the Assembly upon the diligence and efficiency of its Special Committee on Systematic Beneficence. We would call particular attention to the excellent Report of this Committee as found in the volume of printed Reports. Through extensive correspondence and generous distribution of carefully selected literature it has carried on a work of education which must, sooner or later, bring forth marked results. The aim is to create the habit of systematic, cheerful, liberal giving—giving as a Christian principle and delightful privilege rather than as a cold, dreaded duty—giving as God hath prospered the individual and as opportunity and need require—giving, not to this, that or the other object, but giving as to Christ for the glory of His name in the extension of His kingdom, and for His own speedy universal coronation. Then and then only will it become more blessed to give than to receive. To this end nine carefully prepared tracts have been extensively distributed; these are:

1. "The Consecration of Wealth," by Dr. George F. Pentecost.
2. "Paul's Financial Method," by Thomas S. Dickson, Edinburgh.
3. "Sustain the Great Enterprise," by Rev. Thomas Murphy, D.D.
4. "Giving Out of Deep Poverty," by Rev. Asa D. Smith, D.D.
5. "Responsibility of Christian Stewardship," by Rev. Josiah Strong, D.D.

6. "Our Silver and Gold Kept for Jesus," by F. R. Havergal.
7. "Money-Giving, a Test of Character," by Andrew Murray.
8. "Theory of Stewardship," by Rev. Charles S. Robinson, D.D.
9. "Stewardship of Money," by Rev. F. B. Meyer.

We earnestly commend all these to pastors and Sessions for free distribution among their people. In order to the best results in this department of Christian service at least two things are essential, knowledge and faith—knowledge of what God has spoken on the subject of proportionate giving, and a thorough acquaintance with the objects of benevolence; unquestioned belief in the promises attached to the commands to thus give. This will lead to prompt and cheerful obedience.

Upon few subjects does the Bible speak more plainly and with more emphasis than upon this subject; concerning no theme are the promises broader and more ringing. Fruitful vineyards, laden orchards, bursting barns, overflowing measures, are among the rewards of right giving. And yet, notwithstanding these repeated commands and unlimited promises, it is to be feared that many of our best members seriously question, if they do not absolutely deny, the authority of the commands and the validity of the promises. Not long ago a pastor preached an earnest sermon on the duty of systematic, proportionate giving. A few days later a good lady, living in a one-story-and-a-half frame house, was complimenting him upon his interesting sermon, and closed her remarks with this significant question, "But if we had practiced that policy, where would we be to-day?" to which the pastor quietly replied, "Probably in a brownstone front," at which she laughed almost immoderately. What a degree of skepticism that laugh betrayed, and the saddest part of it is that she does not laugh alone!

True, these are days of princely giving, but such giving is limited to a favored few, and the danger is that because the widow's mite seems so small alongside the millionaire's thousands, she will be tempted to withhold her offering; but in so doing she will lose her Lord's commendation and benediction. It is not so much the largeness of the gift as the loving, cheerful spirit of the giver, be the amount large or small, if according to the giver's ability, that makes it precious in His sight. It is just as great a sin to withhold the small offering as the large, and the blessing in store for the small giver is just as great as for the munificent giver, provided the small and the large gift alike represent the utmost of the giving ability of each. Any withholding of that which belongs to God is, according to His own verdict, high-handed robbery. In Malachi the startling question is asked, "Will a man rob God?" The implication being that such a thing would constitute the crime of crimes, even treason against high heaven and the King of kings. Then follows the awful charge, "Yet ye have robbed me, even this whole nation." In surprise the counter-question is asked,

"Wherein have we robbed Thee?" "In tithes and offerings," is the calm but stern reply; then follows the solemn judicial pronouncement of the curse, "Ye are cursed with a curse, even this whole nation." Such was the sin and such the condemnation of ancient Israel, and judging from tabulated statistics, modern spiritual Israel is far from innocent.

This is neither the time nor place to discuss the relation of the old economy to the new, nor to argue for one or another system of giving; but the stubborn fact remains that "The earth is the Lord's and the fullness thereof, the world and they that dwell therein," and that something which shall be the equivalent of tithes and offerings certainly belongs to Him. As a matter of fact, genuine giving does not begin until indebtedness ends. We use the term "giving" only out of compliment and for convenience. Oh, that we might all heed the exhortation, "Bring ye all the tithes into the storehouse," that there might be money in the Lord's treasuries, that we might put Him to the test and prove Him therewith, and see if He would not open the windows of heaven and pour out such blessings upon the Home and Foreign fields and upon all institutions and objects under the fostering care of this Assembly, that there should not be room enough to receive them. The command stands unrepealed, the promise unrevoked: why should we not obey and claim the fulfillment?

Every individual, whether rich or poor, owes something, yea, much, to God. Certainly every church, as such, owes its existence to Him, and yet last year of the 7958 churches 1566 gave nothing to any of the Boards, and only 1270 contributed to all.

The charge has been made that some pastors are afraid to urge their people to large giving to objects outside the local parish, lest it endanger their own salary. Your Committee feel confident that such cases are exceptions, scarcely worth noticing; and yet, for the sake of the exceptions, we wish to say that the very best means of self-protection in this regard, is to so develop the benevolent instinct that giving will become a luxury: the more and the more diversely people give the more they can and will give. There is a withholding more than is meet and it tendeth to poverty; and there is a giving that both enriches and ennobles.

With the rising tide of evangelism there should be a corresponding rising tide in the grace of giving. We would therefore suggest that during the coming year special attention be given to the hitherto non-contributing churches, taking it for granted, of course, the other churches will do no less than last year.

As definiteness is a mighty incentive and stimulus, we respectfully recommend:

1. That the schedule of amounts needed for the prosecution of the work of the various Boards, as prepared by the Special

Committee on Systematic Beneficence and distributed in the pews, be the standard of aim for the current year.

2. That every Presbytery which may not now have a Committee on Systematic Beneficence be directed to have such Committee appointed at the very next meeting of the Presbytery.

3. That the Stated Clerk of every Presbytery at once send to the Chairman of the Special Committee on Systematic Beneficence, the Rev. David G. Wylie, D.D., 10 W. Ninety-sixth street, N. Y., the name of the Chairman of the Presbyterial Committee on this subject, and that these Clerks be instructed to notify him immediately when any change in such Chairmanship occurs.

4. While not wishing to recommend any hard and fast rule, we would suggest that every church adopt some system which shall leave the members free to give a tenth, a fifth, a third, a half or the whole. We would, however, strongly urge that every member give some definite proportion of his income not less than one-tenth, to God.

5. That Presbyteries be urged to adopt the custom of annual roll-call of the churches as to whether they have been given opportunity to give to the various objects of benevolence, and duly instructed in this vital Christian virtue. It is gratifying to learn that this custom is being observed in an increasing number of Presbyteries, with most encouraging results.

6. We would also repeat the recommendation of former Committees that careful instruction be given in our theological seminaries on the subject of Systematic Beneficence.

7. That the present Special Committee on this important subject be reëlected for the coming year, and that the sum of $1000, or so much of that amount as may be necessary for the vigorous prosecution of its work, be appropriated for this purpose. We also recommend the approval of the Report of the Committee.

8. Having examined the Treasurer's Report, with the vouchers, and finding it correct, we recommend its approval.

9. With reference to the Overture from the Presbytery of Atlantic, relative to the observance of Thanksgiving week as a time for giving the whole of our income to God, we would respectfully recommend that no action be taken, for the reason that we deem it inexpedient to appoint any more special seasons for giving, when we are trying to emphasize the great New Testament principle of generous, systematic and proportionate giving the year round.

All of which is respectfully submitted,

V. N. YERGIN, *Chairman.*

The Standing Committee on Finance presented its Report, which was accepted and adopted, and is as follows:

The Committee on Finance respectfully submits the following Report:

That your Committee has examined the financial statement of the Trustees of the General Assembly for the year ending March 31, 1903, and from such statement finds and reports that the funds in the hands of said Trustees on said day were as follows, to wit:

| | |
|---|---|

| Cash on hand (not invested) | 6,566 27 |
| Total trust funds in possession of Trustees | $881,122 95 |

In addition to the above the Trustees hold in trust for the benefit of the Board of Ministerial Relief a real estate mortgage of $5000, and also nine separate tracts of real property in the City of Philadelphia. They also hold in trust one house and lot for the benefit of the Mariner's Church. The values of these properties do not appear in the Report of the Board of Trustees. The Trustees received during the past year in payment of mortgage investments the sum of $100,250. The investments made during the year, exclusive of the amount on deposit with the Real Estate Trust Company of Philadelphia, aggregate $111,550. The total receipts of income for the year were $39,373.42, an increase of $153.33 over the previous year. The total cost of administration was $1793.50, an increase of $51.30 over the previous year. The amount expended for taxes, assessments, insurance and repairs of real property owned by the Trustees was $1949.12. During the fiscal year the Trustees received $11,036.96 from legacies. The Treasurer had in his hands, uninvested, $6566.27.

The net increase for the year was divided among the beneficiaries as follows:

| | |
|---|---|
| To the Board of Ministerial Relief | $14,753 62 |
| " Princeton Theological Seminary | 3,927 23 |

| Total sum distributed | $36,390 47 |

Your Committee has also examined the statement of accounts of William H. Roberts, D.D., the Stated Clerk, as Treasurer of the General Assembly, for the year ending May 8, 1903, and from such examination and statement report that the receipts were as follows, to wit:

| | |
|---|---|
| From mileage and other funds | $48,710 89 |
| " sales of *Minutes* of General Assembly | 538 35 |
| " interest on money in bank | 1,204 02 |
| Total | $50,453 26 |
| Adding the balance on hand April 30, 1902 | 42,673 04 |
| Total to be accounted for | $93,126 30 |

The disbursements were as follows:

| | | |
|---|---|---|

| " entertainment, etc., General Assembly, 1902 | 10,592 45 | |
| " salaries of Stated and Permanent Clerks | 4,500 00 | |
| " preparing, printing, mailing, etc., *Minutes* | 6,782 37 | |
| " expressage, postage, telegrams, and sundry small items | 260 93 | |
| " printing, binding, office expenses, etc | 981 91 | |
| " clerical aid | 1,533 31 | |
| " the various Special Committees | 1,630 67 | |
| " the Presbyterian Alliance | 765 00 | |
| " Committee on Systematic Beneficence | 264 40 | |
| Total expense for 1902 | | 59,042 86 |
| Balance on hand May 8, 1903 | | $34,083 44 |

The expenses of the year have exceeded the receipts by $8589.60, the excess being $14,342.65 less than last year.

The account of the Stated Clerk with the various Boards of the Church, for preparing and placing their Reports in the hands of the last General Assembly, for which he has been reimbursed by the Boards, shows a total expenditure of $2858.82. There remains in the hands of the Stated Clerk to the credit of these Boards in this fund, $13.33.

Your Committee makes this Report from an examination of statements furnished by the Trustees and Stated Clerk, all of which statements, with their vouchers, have, by direction of the General Assembly of 1899, been examined by a Public Accountant and Auditor, and certified by him as correct in every particular.

Your Committee feels that it gives voice to the sentiment of the entire Church in expressing deep obligation to the Trustees for the services they have most generously and efficiently rendered in the conservation of every interest of the great trust committed to their care, and to the Stated Clerk for his tireless energy and faithful service.

Respectfully submitted on behalf of the Committee,

EDWARD C. STRINGER, *Chairman.*

The Committee on Bills and Overtures presented the following Report, which was adopted:

The General Assembly has heard with deep interest and sympathy the Report of the Committee on Evangelistic Work. The

Church during the year just closed, has followed the work of the Committee with the same interest and sympathy.

In order to express in some measure our appreciation of this work, and of the generosity and labor of the members of the Committee in sustaining and carrying it on, this General Assembly resolves as follows:

1. That we hereby extend to the Committee as a Committee, and to its members individually, our sincere thanks for the work which they have already done and the results which they have already accomplished.

2. That we recognize that the blessing of God has rested upon their labors, and that through the aid of the Holy Spirit they have been instrumental in awakening in the Church a new spirit of consecration and evangelism.

3. That we extend to all those pastors and laymen, who have so generously and with such self-sacrifice given liberally of their time and money to carry out the Committee's plans, our heartfelt thanks.

4. That we extend to the Committee our sympathy and prayers for even greater success in the future, with the assurance of the coöperation of our churches in its work for the coming year.

5. That we commend the Committee and its work to the liberality of our churches and their members, with the hope and belief that many others may be glad to share in the financial support of the work, that this burden may no longer be left to rest alone upon a few men.

The following recommendation was presented and adopted:

That the number of the Committee on Coöperation, Confederation and Consolidation among Christian Churches be increased to ten, the Moderator, the Rev. Douglass P. Putnam, D.D., and the Rev. Charles A. Dickey, D.D., to be the members added.

Rev. W. S. Young, D.D., in behalf of the Committee of Arrangements, presented each member of the Assembly with a souvenir volume of photographs, which was received with the thanks of the Assembly.

The Assembly adjourned, and was closed with prayer.

---

FRIDAY, May 29, 9 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The Minutes of yesterday's sessions were read and approved.

The Committee on Polity presented a Supplemental Report, which was adopted, and is as follows:

I. Upon the Overture from the Presbytery of Wyoming, your Committee would recommend that the Presbytery of Wyoming be advised to present their request to the Synod of which they form a part.

II. As to the request that a Special Committee be appointed to consider what change, if any, may be necessary and advisable so as to validate beyond question the election of a ruling elder as Moderator in any court of the Church; we recommend that it is not necessary to appoint such Committee.

The Committee on Home Missions presented a Supplemental Report, which was amended and adopted, and is as follows:

Upon *Overtures Nos. 163–164*, from the Synod of North Dakota and Esmond Church, in the matter of the church at Esmond, N. D., your Committee recommend that the subject be referred back to the Board of Home Missions for reconsideration, with a view of giving relief to the brethren at Esmond, if possible.

A *Paper* was also referred to us in regard to Christian work among our seamen. The Committee recommends that the Assembly heartily commends this work on the part of our self-denying chaplains, missionaries and sailor-pastors, also the work of the American Seaman's Friend Society and kindred organizations, and that the following Committee of five be appointed to consider this subject and bring in a Report to the next Assembly: *Ministers*—E. R. Craven, D.D., W. C. Stitt, D.D., Henry F. Lee; *Elders*—Richard H. Wallace and Homer P. Pound; the Committee to serve without expense to the Assembly.

We recommend that the *Paper* containing recommendations to the Board of Home Missions regarding rules for missionaries be referred to the said Board, with the hope that the Board may see its way clear to carry out such recommendations.

As to *Overture No. 114*, from the Presbytery of Mattoon, asking for the reorganization of the work of the Home Mission Board, three Presbyteries are officially reported as having acted upon this Overture, viz.: the Presbytery of Bloomington recommended no action; the Presbytery of Jersey City, without assenting to the Overture, recommmended that the Assembly give it careful consideration, and the Presbytery of Minneapolis protested against the proposed change, giving its reasons for the same. Your Committee has given the Overture most careful attention, and finds that the substance of much that is proposed in the Overture is already in practical operation in both the Presbyteries and the Board, and that the remaining features of the Plan are opposed both to the spirit and polity of the Presbyterian Church. Therefore your Committee recommends that no action be taken.

*Overture No. 131*, from the Presbytery of Genesee, on the condition of the Indians on the Maricopa and Pima Reservations, Ariz.

The following Preamble and Resolutions are presented for action:

WHEREAS, The condition of the Pima and Papago Indians of Arizona (between six and seven thousand in number) is pitiable in the extreme, through being deprived of water for irrigation purposes, which has reduced these intelligent and industrious Indians to starvation, and a position of dependence upon the National Government for rations; and

WHEREAS, This state of affairs has continued for several years, and seems likely to continue indefinitely unless the Honorable Secretary of the Interior interferes to settle the question of the site for the proposed reservoir; therefore be it

*Resolved*, That the General Assembly urgently requests the Secretary of the Interior to take steps without delay for the erection of a reservoir at San Carlos, on the Gila river, as recommended by himself in a Report to Congress prior to the passage of the Irrigation law, June 17, 1902, and under which he has power to act.

*Resolved*, That the Stated Clerk of the General Assembly transmit a copy of this Preamble and Resolution to the President, also to the Secretary of the Interior, affixing to the same the corporate seal of this body.

Upon the Memorial in the Smoot matter we recommend the following action:

This Assembly, in agreement with the spirit of the Assembly of 1899 (*Minutes*, p. 100), 1900 (*Minutes*, p. 108), and 1901 (*Minutes*, p. 50), relative to the aggressions, crimes and menace of the Mormon hierarchy, presents the following Memorial to the People and Congress of the United States:

WHEREAS, The hierarchy, known as "The Church of Jesus Christ of Latter Day Saints," persists in the act of encouragement and practice of the crimes of polygamy and polygamous cohabitation, in disregard of their own pledges and oaths to the contrary, in contempt of the ethical convictions of the American people, and in defiance of the laws of the State of Utah and of the United States; and

WHEREAS, This hierarchy recently, January 20, 1903, through the Utah State Legislature, has had elected to the United States Senate a high ecclesiastic, one of its chief authorities, the apostle Reed Smoot, in direct violation of its pledge to the Nation to refrain from interfering in affairs of State; and

WHEREAS, This apostle Senator Reed Smoot is a direct representative of polygamy, born of the system, and in cordial sympathy with it as a divine institution, revealed as a law of primary obligation and made mandatory by the most solemn sanctions, and

encourages its perpetuation and practice by his personal influence as an apostle; and

WHEREAS, In thus doing this apostle Senator aids and abets criminals, menaces the American home, is unfaithful to the laws of the United States, pays his first allegiance to the First Presidency and apostleate to which he belongs, and is a reproach to the honor and dignity of the American Senate; therefore,

*Resolved*, That this Assembly most respectfully but earnestly calls upon the people of the United States to use their utmost endeavor, employing all honorable means, to secure the expulsion of apostle Reed Smoot from the halls of the National Senate, and urges the Senate itself and each member thereof to exhaust all legal means to this end, in accordance with the provisions of the Federal Constitution.

*Resolved*, That this Assembly also calls upon the people and Congress of the United States, in both Houses, and each member of each House, to employ and exhaust all legal and honorable means to secure such an amendment of the Federal Constitution as shall define legal marriage as monogamic, and make polygamy and polygamous cohabitations under every guise and pretense a crime against the United States, punishable by adequate penalties, including the disfranchisement and disqualification to vote or hold office under the United States, or in any State or Territory under their jurisdiction.

Respectfully submitted,
W. W. HALLOWAY, *Chairman.*

The Provincial Synod of the Northern Province of the Moravian Church of America now assembled sends greetings and felicitations. 1 Thess. iii. 18. J. M. LEVERING, *President.*

To the latter the Moderator and Stated Clerk were authorized to respond.

The Report of the Committees on Synodical Records was made the first Order for this afternoon.

The Report of the Standing Committee on Mileage was made the second Order for this afternoon.

The Report of the Standing Committee on Narrative and the Necrology were made the third Order for this afternoon.

The Standing Committee on Theological Seminaries presented its Report, which was accepted, and after addresses by the Chairman, Rev. J. D. Countermine, D.D., Rev. Cornelius M. Steffens, Rev. M. B. Riddle, D.D., and Rev. W. H. Robinson, D.D., was unanimously adopted. The Report is as follows:

The Standing Committee on Theological Seminaries respectfully presents to the General Assembly the following Report:

Twelve theological schools now report to the General Assembly and are under its care and jurisdiction. These institutions have property and endowments valued at over six and a half million dollars; sixty-three professors and twenty-two other instructors were engaged in training the 615 students gathered within their walls. They vary in resources and equipment from our oldest institution with its nearly two millions of property to our youngest seminary, now rejoicing in the completion of its first permanent building, and with its endowment—except $5000—yet in the future. Two of these seminaries are for the training of ministers for the colored race; two are for the training of German ministers; only three—including one of the German seminaries—are west of the Mississippi river; one is held in joint ownership with the Presbyterian Church in the U. S. All show progress during the past year and are addressing themselves with commendable zeal to the solution of their varied problems and to the fulfillment of their one great mission—the raising up of an educated ministry, grounded in the doctrines and principles of the Presbyterian Church, and equipped to meet the demands of the twentieth century in the salvation of men and the bringing in of the Kingdom of God.

Princeton Seminary.—Princeton reports 172 students in attendance during the year, including four Fellows and eleven other graduate students. Ninety matriculated this year, of whom all but eleven were Bachelors of Arts. Fifty were graduated and six former graduates received the degree of Bachelor of Divinity. Fellowships and prizes were conferred upon successful competitors. The "Stone Lectures" were delivered by Prof. Willis Judson

Beecher, D.D., of Auburn Theological Seminary, on the subject "The Prophets and the Promise." Rev. William Ambrose Shedd delivered a course of lectures on the "Historical Relation of Islam and the Oriental Churches," which was also delivered in Lane, Kentucky and McCormick Seminaries.

Prof. Libbey, of Princeton University, and Rev. Putnam Cady, of Amsterdam, N. Y., delivered lectures on Biblical geography, illustrated with the stereopticon.

The Seminary is to be congratulated on securing the Rev. Francis L. Patton, D.D., LL.D., late President of Princeton University, as President of the Seminary and Professor of the Philosophy of Religion. The Rev. William P. Armstrong, A.M., an instructor in the New Testament department was elected Professor of New Testament Literature and Exegesis. Certain changes are requested in the Constitution of the Seminary that are referred to in the recommendations.

Auburn Seminary.—The Governing Boards of Auburn report a healthy condition of growth and progress. The Faculty have had under their care fifty-nine students, of whom twenty-six matriculated this year. Eighteen young men who applied for admission were refused for lack of preparation. Fifteen were graduated, of whom fourteen received diplomas and one a certificate on the part of the course completed. Subscriptions amounting to a little over $100,000 have been received toward increasing the endowment. Fourteen thousand six hundred and thirty-seven dollars have been added to the Permanent Funds, and $3173 have been given for current expenses.

Rev. Anson J. Upson, D.D., LL.D., L.H.D., Professor Emeritus of Sacred Rhetoric and Pastoral Theology, and Mr. Henry Morgan, of the Board of Trustees, have died during the year. The plan for Pastoral Scholarships has been put in operation, and a number of students have acted as pastors' assistants.

Western Seminary reports forty-eight students in attendance, seventeen of whom were matriculated this year and twenty of whom were graduated. A fellowship of $400 a year was established and other prizes given. An instructorship for foreign students, designed especially for reaching the Bohemians, was established. Special lectures were delivered during the year by Rev. C. O. Bemis, Rev. Maitland Alexander, D.D., Rev. S. Edward Young and the Rev. D. S. Kennedy, all directed to practical preparation for the pastorate. Special instruction in church music has been arranged for. The Trustees announce that the conditions on which the President of the Board, Mr. S. P. Harbison, had offered $50,000 had been complied with, and the amount placed in the treasury. A commendable plan is the arrangement made for the visitation of the constituent colleges by members of the

Faculty, to lay the claims of the Gospel ministry before the students.

Lane Seminary reports twenty-two students in attendance, of whom eight were graduated. The Examining Committee of the Synods of Indiana and Ohio notes the diligence of the students, the thorough work of the professors, the interest of the professors in the spiritual as well as in the intellectual growth of the students, and the emphasis laid upon the Scriptures. A large number of lectures by specialists were delivered before the students. Attention is called in the Report to a correspondence between Rev. Edward D. Morris, D.D., LL.D., Professor Emeritus, and Rev. William McKibbin, D.D., the new President of the Board, on the "Historic Position of Lane Seminary," affirming its loyalty to the Bible and the Standards of the Church. Dr. Emerson E. White, President of the Board of Trustees, has been called to his rest, and Dr. McKibbin has been elected in his place.

Kentucky Seminary reports fifty-six students in attendance, including eleven post-graduates. Nine were graduated with the degree of B.D., and two with certificates for partial courses. The Seminary has completed its second year since consolidation, and the fiftieth year since its organization as Danville Seminary. The plan of consolidation has worked without the slightest friction. Rev. Henry E. Dosker, D.D., Professor of Historical Theology in the Western Theological Seminary in the Reformed Church in America, has been elected to the Chair of Church History to succeed the late Rev. Claude B. H. Martin, D.D., subject to the approval of this Assembly and that of the Presbyterian Church in the U. S. The Constitution reported to the last Assembly has been submitted for approval. A number of special lectures, including a conference held by the Evangelistic Committee, were given during the year.

McCormick Seminary reports 120 students in attendance, fifty-nine having matriculated this year; thirty-three were graduated and two others received certificates for partial courses. Of the matriculated, fifty-two were college graduates. Of the whole number of students, 104 were from churches under the care of this Assembly, seven from other Presbyterian and Reformed bodies, and nine from other denominations. Prof. Francis L. Patton, D.D., LL.D., was the special lecturer for the year, his subject being "Theism."

Prof. David C. Marquis, D.D., was relieved of a part of the duties of his Chair, and Rev. Samuel Dickey, formerly Professor of New Testament Literature in Lincoln University, was elected Adjunct Professor of New Testament Literature and Exegesis. Several students were appointed to fellowships and other prizes for excellence in their work.

San Francisco Seminary reports twelve students and one

graduate. The Faculty has been in part reorganized, and efforts are being made to enlarge the scope and usefulness of the Seminary. As the only Seminary of the Pacific coast, and occupying the gateway to the island territory of the United States and the vast mission field of the Orient, its opportunities for usefulness are unlimited, and the Report evinces a determination to make the institution equal to its opportunities. Its good endowment is to be further increased. Rev. John S. MacIntosh, D.D., has been elected Stuart Professor of Systematic Theology. A number of special lectures were delivered during the year, and emphasis is laid on evangelistic work by the students. A new department has been instituted, to be known as the "Department of the English Bible."

Omaha Seminary.—Although this is the youngest of our Seminaries, it is placed here in the Report, as the remaining four are intended for special classes of students. Twenty students were in attendance during the year, four of whom were graduated. The Seminary is to be congratulated on the completion, free from debt, of a handsome building at a cost of $45,000, with accommodations for forty students, besides chapel, library and lecture rooms. Its most urgent need is endowment, for which a Special Committee of the Assembly is laboring. It is 500 miles distant from any other seminary, and has already sent forth seventy graduates laboring in the home and foreign fields. It has taken action for the instruction of Bohemian students. Prof. M. B. Lowrie was transferred to the Chair of Homiletics and Pastoral Theology, Prof. A. S. Wilson, D.D., to the Chair of Ecclesiastical History and Missions, and Rev. Charles B. Mitchell, Ph.D., was elected to the Chair of New Testament Literature and Exegesis.

The German Theological School of the Northwest, as its name implies, is designed to meet the spiritual needs of the foreign, and especially the German, population of the section in which it is situated. It had this year twenty-four students in attendance, of whom four were graduated. Rev. C. H. Steffens, Financial Secretary, has raised during the year, chiefly among the German people, $6000 in cash and $25,000 in subscriptions toward an endowment of $100,000, besides $3000 for current expense. Rev. W. O. Ruston, D.D., has been elected to the Edwin and Edgar Camp Chair of Sacred Languages and Literature, and Rev. John Jaeger, Professor in the Reformed Theological School of Embden, Germany, Professor of the German Language and Literature.

The German Theological School of Newark is doing the same kind of work in the East. It is under the immediate control of the Presbytery of Newark. There were fifteen students in the Academic and ten in the Theological department. The Seminary was afflicted by the death of Rev. George C. Seibert, Ph.D., D.D.

Owing to this loss Rev. Henry Y. Weber, Ph.D., was transferred to the Chair of Theology, Rev. Arnold W. Fismer, Ph.D., was elected Professor of New Testament Greek and Ethics, and Hebrew was given, in addition to the Classics, to Rev. Carl T. Hock, Ph.D. The Seminary has now, in buildings and endowment, a property of about $100,000.

Lincoln University, Theological Department, reports sixty-two students, of whom sixteen are in the Senior Class. The theological course is treated as a post-graduate course of the University, requiring the degree of A.B. for admission to it. But a modified course has been arranged for a few students not having the full academic preparation. Lincoln maintains its high standard of requirements for the training of a ministry for the negro race; but while insisting upon the knowledge of the original languages, makes a specialty of the English Bible, that its students may have a thorough practical knowledge of the Book they are to preach to their people. The Directors report for confirmation the election of Rev. George Johnson, formerly a missionary of our Board in Mexico, as Professor of Systematic Theology, and Rev. John M. Galbreath as Professor of Instruction in the English Bible, to succeed Rev. J. Aspinwall Hodge, D.D., whose death the Assembly with the University mourns.

Biddle University had seventeen students in the Theological department, one of whom died during the year. Two are in the Senior Class. The Theological Faculty consists of four professors, all well trained and efficient men of the race for whose instruction the University was organized. These two institutions are doing a noble work for the evangelization of the colored people of our country, but come far short of covering the vast field and supplying the deep destitution of a people whose natural religious nature peculiarly needs the enlightenment and ethical culture that the Presbyterian Church can give.

Recommendations.—Your Committee would submit to the Assembly the following recommendations:

1. That the election of all the Directors reported to this Assembly as elected during the past year be confirmed.

2. That the Assembly approves the election of Rev. Francis L. Patton, D.D., LL.D., as President of Princeton Seminary (according to the provision of the Constitution approved last year) and as Professor of the Philosophy of Religion.

3. That the Assembly approves, so far as necessary, the election and transfer of all the professors mentioned in the body of this Report; it being understood that the installation of Prof. Dosker is conditioned on his reception into the Presbytery of Louisville, and of Prof. Jaeger on his reception into the Presbytery of Dubuque.

4. That the following changes in the Constitution of Princeton Seminary be approved:

(*a*) Section 3 of Article 5 be amended to read as follows:

"There shall be an examination of all the students in the Seminary, under the direction of the Board of Directors or of a Committee of that Board, at least once every year. Students who shall have regularly and diligently studied for three years shall be admitted to an examination on the subjects specified in this article. All such examinations shall be conducted by the professors, either in writing or orally, according as the Board of Directors, or their Committee, shall request. Oral examination shall be conducted in the presence of a Committee of a Board of Directors, and any Director present at any oral examination may, during its progress or at its close, supplement it with such questions as he may deem proper. All papers in written examinations received from students by the professors shall be submitted to the Board of Directors, or their Committee, with such recommendations as the professors may wish to make. Every student whose final examination shall have been approved by the Board of Directors shall receive a certificate of approbation, signed by the professor, with which he shall be remitted to the Presbytery under whose care he is placed, to be disposed of as such Presbytery shall direct. Students whose final examinations are not approved shall remain a longer space in the Seminary."

(*b*) That Section 6 of Article 3 of said Plan be amended to read as follows:

"The Secretary of the Board shall keep accurate records of all the proceedings of the Directors, and it shall be his duty to lay these records before the General Assembly, or before any Committee of the General Assembly appointed to inspect them, whenever he is requested so to do by the General Assembly or by such Committee."

(*c*) That Section 14 of Article 3 of said Plan be repealed, which section reads as follows:

"At every stated meeting of the Board of Directors, unless particular circumstances render it inexpedient, there shall be at least one sermon delivered, in the presence of the Board, the professors and students, by a Director or Directors previously appointed for the purpose."

5. That the Constitution of the Theological Seminary of Kentucky (a copy of which is herewith filed), safeguarding, as it does, the funds of the institution, and providing sound and efficient theological training for its students, be approved by this Assembly.

6. That the Stated Clerk of the Assembly be instructed to include in the list of Seminaries in the Appendix to the *Minutes*, only those Seminaries that report to the General Assembly.

7. That Omaha Seminary be commended to the liberality of the entire Church, and the heartiest coöperation given the Assembly's Special Committee in the effort to raise for this institution an endowment of $100,000.

8. That the Special Committee on a Ministry for Hungarians and other Immigrants be instructed to coöperate with the financial secretary of the German Theological School of the Northwest, in the effort to raise for that Seminary an endowment of $100,000.

9. That inasmuch as the Reports of the Seminaries indicate a divergence of view and practice as to the scope of and qualifications for the degree of Bachelor of Divinity, the Seminaries be instructed to correspond or confer with reference to procuring, if practicable, a uniform usage.

10. That inasmuch as many of the students coming out of our Seminaries display a lamentable lack of practical knowledge of the English Bible, the Directors or Trustees of such Seminaries as have not already provided such courses, be urged to arrange for regular instruction in the contents and use of the English Bible, and the Stated Clerk be instructed to convey this action to the officers of these institutions.

11. That the attention of the Faculties and Governing Boards of our Seminaries be directed to the action of the General Assembly in adopting Resolution No 11, of the Special Committee on Evangelistic Work, and that they be instructed to report to the next General Assembly what steps have been taken for the training of their students in the practical work of evangelization, whether as evangelists or pastors.

12. That in view of the decrease in the number of students for the ministry, (the increase of this year over last still leaving the number below any previous year since 1885), the Assembly recommends to the Faculties of all our Seminaries the practice inaugurated at Western, of sending representatives to lay the claims of the Gospel ministry before the Christian students of their constituent colleges, and that it urges upon pastors to seek out young men of character and ability to consecrate themselves to this noble calling for the service of man and the glory of God.

13. That the Assembly lays it upon the hearts of our ministers and people to pray for all students in our Seminaries, that they may be kept from error and formalism, and filled with the spirit of power and love and of a sound mind, and that it reminds the whole Church of our Saviour's command "to pray the Lord of the harvest that He send forth more laborers into His harvest."

Respectfully submitted, in behalf of the Committee,

PEYTON H. HOGE, *Chairman.*

The Standing Committee on Temperance presented its Report, which was accepted, and after addresses by the Chairman, Rev Thomas F. Dixon, by Rev. E. R. Worrell, Rev. J. G. Mason, D.D., Rev. Augustus S. Clark, Theodore D. Kanouse, Rev. J. W. Cochran and H. P. Faris, was amended and adopted. It is as follows:

In presenting its Report to the General Assembly your Committee begs leave to solicit, at the outset, the earnest attention of this great body to the subject of temperance. It may seem strange that so grave and important a question should need this introduction, and yet there are many things to lead us to the conclusion that it is necessary. Time and time again the Assembly has made positive utterances on this question, which, like all the utterances of this body must be binding upon us all. Notwithstanding this, our Synodical and Presbyterial Chairmen continually report that many of our church Sessions fail to respond to the inquiries annually sent out by our Permanent Committee. The lack of attention and interest given to this cause in many of our meetings of Presbyteries and Synods is an indication that the great Presbyterian Church needs awakening on this subject. Great crowds and enthusiasm greet the presentation of the mission causes, we listen with bated breath and moistened eye to the stories of heroism on the home and foreign fields, with the comfortable assurance that God in His providence will never call upon us to make similar sacrifices; but when the subject of temperance is approached, we begin to grow uncomfortable in our seats because we fear that we may be led to convictions that will force us to action. Yet in what subject should we be more thoroughly interested? None is more universal, none is more specific, none is more valuable. Every spot of earth to which civilized man has penetrated is polluted by the tread of the vile monster "Intemperance." Every cause which has received your enthusiastic encouragement is hampered in its work by the traffic in intoxicating liquor.

Therefore we most earnestly solicit your interest and attention in this Report, and your hearty coöperation in carrying the resolutions we offer here on the floor of the General Assembly, and in your hearts and homes, to the glory of God and the salvation of immortal souls.

The Committee has had many and prolonged meetings, in which much matter has been considered and digested; a number of persons have been heard, and every effort has been made to offer a Report in accordance with the instructions of this honored body. The written minutes of the Permanent Committee have been carefully read and their approval is recommended. Just here it is well to add our commendation of the work of the Permanent Committee, as they have most efficiently carried out all the instructions of the General Assembly, and have done the work be-

fore them as successfully as was possible with the beggarly sum given them by the great Presbyterian Church.

The Committee has met with serious loss during the past year in the death of two of its members, Rev. John J. Beacom, D.D., and Mr. George Irwin, whose efficient services are well known to all those interested in the work of this Committee.

The work of the Permanent Committee in connection with national temperance matters is a subject upon which the General Assembly should most heartily congratulate itself. In many movements for the betterance of conditions in this regard, details of which will be found in the Committee's printed Report, the Presbyterian Church has been heard in the National Capitol, and that not in vain. This is due to the indefatigable efforts of the Permanent Committee.

Our whole Church has given $2180.02 to the work of the Temperance Committee. Comment is unnecessary.

Encouragement is felt all along the line in temperance work. Shall the Presbyterian Church be behind? Surely not. The watchword in all our great movements is "Forward"; let it be ours in the temperance cause.

To this end your Committee offers the following resolutions:

*Resolved*, 1. We have examined the Permanent Committee's Report as printed, and commend the efficient work of said Committee and recommend the adoption of said Report, calling especial attention to its reference to recent enactments by Congress forbidding the solicitation by the saloon representatives of newly arrived immigrants at Ellis Island, N. Y., and note with satisfaction the abolishing of the saloons in the National Capitol at Washington, and also of liquor selling in the army canteen.

*Resolved*, 2. We deprecate and protest against the issuance of tax receipts by the Federal Government (which receipts the holders construe as licenses), in States or communities where prohibitory legislation has been enacted, and request the General Assembly to memorialize Congress, asking that the National Government refrain from issuing such receipts in such communities.

*Resolved*, 3. That the General Assembly makes the following appointments to membership in the Committee, namely: Rev. A. R. Van Fossen, *vice* Rev. W. L. McEwan, D.D., resigned; Rev. Edwin R. Worrell, to the place made vacant by the death of Rev. Dr. Beacom, and R. M. Ewing, *vice* Mr. George Irwin; and also the reëlection of the following members whose terms expire at this time, namelv: Rev. Edwin R. Worrell, Rev. John F. Hill, D.D., O. L. Miller, M.D., and William R. Zeigler, Esq.

*Resolved*, 4. That in view of the fact that the per capita consumption of intoxicants has been increasing since the year 1896, we again urge upon the ministry and membership of the Presbyterian Church in the U. S. A., that they not only hold, but dili-

gently teach, that total abstinence from intoxicating liquors as beverages is expedient to every one who desires to fulfill the law of Christ; and further, that we deplore the use of tobacco by Christians as being hurtful and liable to cause the weak brother to offend, thereby bringing reproach upon the cause of Christ.

*Resolved*, 5. That while every encouragement should be given to all effective temperance organizations, yet the affiliation of individual members of our Church with such organizations does not fill up the duty of the Church with reference to temperance reform. Every local Presbyterian church is advised to conduct temperance reform work under its own guidance and control, as has been heretofore specifically directed by the General Assembly. Every Presbytery should give to the Churches under its control helpful counsel as to the methods of conducting such local temperance movements.

*Resolved*, 6. That in view of the greatness of the work and the increasing need of the effective carrying on thereof, the General Assembly recommends that the Permanent Committee make extra effort to raise the sum of at least $10,000 for the coming year's work, and urge the churches to heed the deliverances of the General Assembly of 1860 and raise that amount or more.

*Resolved*, 7. That we direct the Permanent Committee to memorialize Congress for the passage of the Hepburn bill.

*Resolved*, 8. That we direct the Permanent Committee to open correspondence with the officers or judicatories of sister Churches, asking that Temperance Committees be by them appointed, with a view to mutual conference and combined effort against our common foe, the liquor traffic.

*Resolved*, 9. That all our membership be urged to abstain from all complicity with the liquor traffic, in any and every manner and form, thus abstaining from even the appearance of evil.

In behalf of the Committee,

THOMAS FREEMAN DIXON, *Chairman.*

The Assembly took recess, and was closed with prayer.

Respectfully submitted in behalf of the Committee,

Henry van Dyke, *Chairman.*

The Special Committee on Sustentation presented its Report, which was adopted, and is as follows:

The Special Committee on Sustentation appointed by the General Assembly of 1902 respectfully presents its Report. The action of the Assembly appointing the Committee reads:

"*Resolved*, That a Special Committee of ten, five ministers and five elders, be appointed by the Moderator, who shall take into consideration the whole subject of Ministerial Sustentation. This Committee is authorized to consider, among other things,

the advisability of the adoption of a general plan of sustentation; may correspond with the Board of Home Missions, with the Committees of Sustentation and Home Missions of the several Synods, and with such other bodies or persons as it may deem proper; and shall report all its proceedings and conclusions to the next Assembly" (*Minutes*, 1902, p. 20).

The Committee was constituted by the Moderator as follows: *Ministers*—Howard Duffield, D.D., William Henry Roberts, D.D., Samuel P. Sprecher, D.D., John R. Sutherland, D.D., Henry E. Mott, D.D.; *Ruling Elders*—Hon. James A. Beaver, A. Noel Blakeman, William H. Parsons, William H. Scott and Thomas W. Synnott.

The Committee held three meetings, in New York City, December 4, 1902, and January 22, 1903; and in Philadelphia, Pa., March 5, 1903.

Conferences of an informal character, by authority of the Assembly, were held with the officers of the Board of Home Missions and with the Board of Relief, at which the subject of sustentation was considered in its widest possible relations.

The conference with the Home Board brought out clearly the fact that in eighteen out of the twenty-nine Synods in the United States, the Board of Home Missions is engaged as the chief agency of the Church, not only in missionary and educational work, but also in the support of the ministry of the Gospel in destitute fields and weak congregations. In seven additional Synods the Board aids in the same lines of work. The relation of this Board to the work of sustentation, therefore, is vital and widespread. Put concisely, the entire Church west of the State of Illinois is in direct connection with the Home Board, both as to missionary work and sustentation. This fact is potential in connection with any general or local effort for ministerial sustentation, and controls decisively any general plans which may be framed.

Correspondence was had with the Synodical Committees on Sustentation and Home Missions of the following Synods: New York, New Jersey, Pennsylvania, Baltimore, Ohio, Kentucky, Indiana, Illinois and Michigan. These Synods are known as self-supporting Synods, *i.e.*, Synods which have in operation plans, managed by Synodical Committees, for the supply of Home Mission fields and weak churches, and for the securing of adequate salaries for pastors.

Careful examination was made of the Synodical plans of Home Missions and Sustentation in operation in the above-named Synods. Their principal features are as follows:

1. All the self-supporting Synods manage their work by Committees.

2. The majority of them depend for the execution of the details of plans upon the Presbyteries.

3. Either the Synods or the Presbyteries group aided churches where necessary.

4. Five Synods—Pennsylvania, Baltimore, Kentucky, New York and Michigan—are aided by the Board of Home Missions.

5. One Synod, Illinois, makes no provision for a collection for the Board of Home Missions, but forwards balance, if any, to the Board; and two, Indiana and Ohio, guarantee to the Board a percentage of the collections, Indiana three and one-half cents and Ohio eight and three-quarter cents per member.

6. Three Synods require *per capita* Home Mission contributions from the churches, Indiana and Ohio thirty-five cents and Illinois thirty cents.

7. Five Synods require aided churches to contribute to ministerial support a fixed sum per member, Pennsylvania, Baltimore and Michigan, $5, and New Jersey and New York, $6.50.

8. The minimum salary for pastors of aided churches is either $700 or $800, and the maximum is $1200.

9. The Synod of Pennsylvania restricts the work of its Committee to Sustentation.

10. The total contributions to Sustentation and Synodical Home Missions in the nine self-supporting Synods in the year 1901–02 were $99,383, and the contributions, as reported in the Minutes, to the Board of Home Missions were $1,026,252.

The Committee were also informed that the Synod of Iowa has adopted a plan of self-support similar to the plans of the other Synods, which went into operation on April 1, 1903. The plan involves a minimum contribution of forty cents per communicant from the churches generally, and from the stronger churches a sum equal to at least fifty cents per member. Aided churches are required to contribute to the support of the minister a sum equal to $5 per member. In addition, the Synod of Wisconsin has entered into an agreement with the Home Board, having self-support in view, similar to the agreement between the Synod of Michigan and the Home Board. This Synod has agreed to raise $13,000 in 1903 for Home Mission work, an advance of $10,390 over the sum contributed to the Board last year by its churches.

All the movements above referred to, deal in part with the question of sustentation as related to the adequate support of the ministry during active service. What constitutes an adequate support is a question the answer to which depends upon the location of churches and the circumstances of the business of the country. But whatever the conditions surrounding churches, the minimum salary of pastors, in the judgment of the Committee, ought to be at least $800 per annum, with a manse: This minimum

is far above what is paid in many cases. It is believed, however, that the general disposition of congregations everywhere is toward an increase in the sums given to ministerial support, and the benevolent sympathy of the churches in the more prosperous parts of the country with movements in that direction is certain. The situation in the Church is such that a concerted effort by the Presbyteries, the Synods and the Assembly would unquestionably result in decided advance. That eleven of the Synods in the United States are self-supporting and eighteen directly connected with the Board of Home Missions complicates matters, but does not necessarily prevent progress. Any plans devised must provide both for the work of the Home Board and for the further development of the plans of the self-supporting Synods. The latter plans have resulted in much benefit to the churches of the Synods interested, while the Board of Home Missions in its general work has been helped rather than hindered by them. The contributions to that Board, as a rule, are on the increase in all the Synods.

After due consideration of the whole subject of ministerial sustentation as related to ministers in active service, the following general principles are recommended for adoption by the Assembly:

1. That the standard minimum salary of a Presbyterian pastor under any Sustentation Plan should be $800, with a manse.

2. That every church needing aid should be stimulated to contribute the standard minimum salary by such methods as may be deemed appropriate by the Session.

3. That the Presbytery, where churches are unable of themselves to give the minimum salary, should provide for any deficiency in the salaries of pastors of the churches over which it has jurisdiction, either by offerings taken up in its own churches, or when necessary by application to the Synodical Committee of Sustentation and Home Missions. Where there is no such Synodical Committee the application should be to the Board of Home Missions.

4. That where a Synod has a Committee of Sustentation and Home Missions, said Committee should provide for any deficiency reported by the Presbytery's Committee, and if the resources of Synod are insufficient, that then application for aid should be made to the Board of Home Missions; the Board to make good the deficiency so far as within its power.

5. That the plans of all the Synods should provide for offerings for the Board of Home Missions.

The Committee also considered the question of Ministerial Sustentation as related to a fixed provision for honorably retired ministers. Being impressed with the great importance of this

subject, the Committee asks to be continued, to report thereupon to the next Assembly.

Respectfully submitted,

HOWARD DUFFIELD, *Chairman;* JAMES A. BEAVER,
WM. HENRY ROBERTS, A. NOEL BLAKEMAN,
SAMUEL P. SPRECHER, WM. H. PARSONS,

The Committee on Bills and Overtures presented a Report, which was adopted, and is as follows:

The Committee on Bills and Overtures have received two Papers, one from the Presbytery of Sioux City, asking that the name of the Committee on Temperance be changed to "The Committee on Temperance and Social Purity."

The other is from the Presbytery of Dayton, asking that the Board of Publication be instructed to publish a series of lessons suited to the advanced grades of our Sunday-schools.

As both of these Overtures were received after the fifth day of the Assembly, the Committee, in view of the Standing Rule of the Assembly, No. 21, has taken no action thereon.

The Committee has had referred to it a written request from members of this Assembly, asking that Rev. Mr. Bercovitz, of the Presbyterian Hebrew Mission, be given permission to address the Assembly here or in one of the popular meetings.

As the time of the Assembly is so limited, and all the popular meetings under the control of the Assembly have already been held, we recommend that this request be referred to the Committee in charge of the services for next Sunday.

Rev. E. S. Chapman, D.D., Secretary of the Anti-Saloon League, upon invitation, addressed the Assembly upon the work of the League in this State. The best wishes of the Assembly were tendered Dr. Chapman for his success in his work.

The Committees on Synodical Records reported, and the Records of the following Synods for the past Synodical year were approved without exception: Atlantic, California, Central and Southern China, Colorado, Illinois, Indiana, Indian Territory, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Montana, Nebraska, New Jersey, New Mexico, New York, Ohio, Pennsylvania, South Dakota, Tennessee, Texas, Utah, Washington and Wisconsin.

The Records of the Synods of Baltimore and Catawba were reported as not being in possession of the Committees.

The Minutes of the Synod of North Dakota for 1901 and 1902 were approved, with the exception that the attention of the Clerk of Synod was called to the fact that he had failed to record that the morning session of Friday, October 10, was closed with prayer.

The Minutes of the Synod of Oregon were approved, with the exception that the attention of the Clerk of Synod is called to the fact that he has failed to record that the morning session of Friday, October 10, 1902, and the evening session of Saturday, October 11, were closed with prayer.

The Stated Clerk reported that the Synods of Northern China and India had held no meetings since the last Assembly.

The Standing Committee on Mileage presented its Report, which was adopted, and the thanks of the Assembly were tendered to the Committee for its efficient services. The Report is as follows:

The Standing Committee on Mileage, through the Chairman, Mr. James Yereance, presents its Report, which is as follows:

Presbyteries exempt from payment, Foreign Mission, Indian and Freedmen, and in addition, advisory members representing missions, making a total of 35. The Freedmen and Indian Presbyteries, however, contribute to the Fund.

The Presbytery of Bellefontaine has not contributed to the Mileage Fund.

The Presbyteries of Bellefontaine, Huntingdon and Clarion have not contributed to the Entertainment Fund.

The receipts for the Entertainment Fund have been transferred this year to the Mileage Fund.

Your Committee would recommend as follows:

1. That the Assembly again urge upon all Presbyteries to contribute in full to the Mileage, Entertainment and Contingent Funds.

2. That the apportionment for next year be six cents for each

communicant, distributed as follows: To the Mileage Fund, three cents; to the Entertainment Fund, one and one-half cents; to the Contingent Fund, one and one-half cents.

3. That the Stated Clerk, as Treasurer of the General Assembly, be authorized, at his discretion, to pay Commissioners any further sums as may be considered justly due to them, by reason of their having underestimated railroad charges or other necessary expenses in returning home.

5. That the General Assembly extend its thanks to such railroads and other transportation companies as have carried Commissioners at reduced rates.

Respectfully submitted,

JAMES YEREANCE, *Chairman.*

The Standing Committee on the Narrative, through its Chairman, Rev. D. A. Ferguson, presented its Report, which was approved, and ordered to be printed in the Appendix to the *Minutes.*

The Ministerial Necrology for the past year was read by the Stated Clerk, a hymn was sung, and Rev. Clement E. Babb, D.D., upon invitation of the Moderator, led the Assembly in prayer.

The Stated Clerk was authorized by unanimous vote to cast and did cast the ballot of the Assembly for the following persons as members of the Board of the Church Erection Fund:

For three years: *Ministers*—D. R. Frazer, D.D., John A. Ingham, David Magie, D.D.; *Elders*—Henry T. Bronson, Hezekiah King, William H. Parsons, Jr.

The Report of the Interdenominational Committee on Uniform Versions of the Psalms was accepted and approved, and the sum of $15 was directed to be paid for the miscellaneous expenses of the Committee.

On the matter of additional columns in the Statistical Reports, the following, presented by the Stated Clerk, was adopted:

The Stated Clerk respectfully reports in relation to suggestions and proposals for additional columns in the Statistical Reports of the Presbyteries as published in the *Minutes*, that it is not feasible at present to introduce such columns. The difficulty is solely a mechanical one.

In view of the action already taken by the Assembly, referring all matters connected with the Annual Reports of churches and Presbyteries to the Special Committee on Statistics, it is recom-

mended that this matter be referred to the same Committee.

# APPENDIX.

# I. Narrative, Necrology, Correspondence, etc.

## NARRATIVE

OF THE STATE OF RELIGION WITHIN THE BOUNDS OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES OF AMERICA FOR THE YEAR ENDING MARCH 31, 1903.

The Standing Committee on the Narrative would respectfully present the following report:

Your Committee has carefully considered the 214 Presbyterial reports placed in its hands. In this consideration its purpose has been to gain as truthful an impression of the actual condition of the Church as possible: to note anything unusual; and in a general way to summarize the results.

As to the matter of church attendance, it may be noted that about three-fourths of the communicants of our churches are to be found present at the Morning Service, and that from two-fifths to three-fifths attend Evening Worship. Evidently, however, the Evening Service proves a problem difficult of solution in all sections of our land. So much so that it becomes a question whether or not it is desirable to so change this service that it shall prove distinctively evangelistic in its tone and aim.

In our rural districts, and where the Sabbath-school Session is held just before the Morning Service, the children are quite generally present in the sanctuary. In some instances special efforts are made to increase this attendance. As to the wisdom of these special methods each pastor must decide for himself. But as to the desirability of seeking some means whereby this attendance may be increased, your Committee is of one mind. Much as it values the Sabbath-school, it feels that in the training of the children nothing can take the place of the sacred influences that associate themselves with the ordinances of God's House.

The reports that come from our Sabbath-schools are, as we might expect, encouraging. God's seal of approval manifestly rests on this branch of the work of the Church. Probably, with a few exceptions, fully one-half, if not more, of those received on confession of faith in the various Presbyteries have come through this source. In this connection, your Committee desires to signify its approval of the idea embodied in what is known as Decision Day. It feels that in some special way each scholar should, from time to time, be brought face to face with this most important question, "What shall I do with Jesus, which is called Christ." The Westminster Helps are very largely though not exclusively used. But while, in the judgment of your Committee, these Helps are of the very first order, and furnish the teacher with a clear presentation of the truths of the lesson, yet it is to be regretted that to so small an extent teachers' meetings are held for the study of the lesson. The value of the Sabbath-school largely

lies with the teacher, so that nothing that will help him in the enforcement of the truth should be lightly esteemed. Moreover, it seems scarcely possible that our Sabbath-school teachers can do their best work as winners of souls without the stimulus and help that come from at least occasional meetings for conference and prayer.

God bless the women of our churches! Such is the feeling of your Committee as it has glanced through the reports of the Presbyteries, and has noted the societies organized among them for the pushing on of God's work. Last at the cross of our crucified Lord, first at the open sepulchre, they are to-day in the forefront in the great effort to win the world for Christ. Probably three-fourths of our churches have societies of this character.

The societies organized for men are comparativey few and for the most part of a social nature. A few societies are reported which are distinctively spiritual, such as the Brotherhood of Andrew and Philip. It is a question worthy of the earnest consideration of each pastor, whether or not this matter is receiving the attention which it deserves, and whether or not our young men are finding the spiritual culture essential to their growth, and are being marshaled and trained for Christian service as they should be. Here is a field that, in too many instances, is proving but fallow ground.

Most of our churches report the existence of Young People's Societies, such as the Christian Endeavor. These societies are proving a fruitful source of blessing to the Church, especially when under the general and sympathetic guidance of the pastor and Session.

Some Junior societies are also reported. The value of these is not easily told. They prove supplemental to the great work of the Sabbath-school. It is a work that calls for self-sacrifice, but one attended with far-reaching results. These youths are the rudder of the future. The hand that holds the helm to-day determines the ship's log for to-morrow.

As for the spiritual condition of the Church, your Committee feels that there is great reason for encouragement and gratitude. While some Presbyteries do not report unusual interest, yet even in these there is a substantial growth. Some of the Synods, especially in the Middle West, report unusual and general religious interest. From Porto Rico and China and other parts of the mission field come cheering tidings of the conversion of men to faith in Christ. And while we feel that we have not reached the high-water mark of spiritual effort and progress, yet we have great reason to thank God and take courage. One indication of Divine favor which has attended our work during the past year is found in the accession on Confession of Faith of 65,000 persons.

Your Committee desires to make special and favorable mention of the work attempted and accomplished by the Evangelistic Committee. It is evident that the spiritual pulse of the Church has been greatly quickened, and that largely through its instrumentality. This has been specially apparent in certain of our large cities and in the Middle West. Never, in the knowledge of your Committee, has our beloved Church felt as to-day the grave responsibility laid upon her by her Lord in the reaching and saving of men. What a sight—that of nearly 3000 men in Chicago pledging themselves to attempt the salvation of 500 men in three months and succeeding in the effort! The Church at large seems to be awakening to a consciousness of her tremendous responsibilities and opportunities. The Committee on Evangelism needs and deserves our hearty sympathy and appreciation, our earnest prayers and our sincere endeavor to second its efforts in attempting to quicken the spiritual life of the Church and to promote the salvation of souls. A spirit of hopefulness and expectation seems to pervade the whole Church, and attending it is an eager desire to more earnestly engage in the Master's work. The words of a young pastor in the Adirondacks embody, to an extent, the feeling of many hearts: "I feel like a man at the bat, and am aching to pound out a home run."

As might be expected a marked growth in the grace of Christian giving is to be noted.

Our churches also have been mindful of the direction of our Lord to remember the poor. One Presbytery, however, from North Dakota,

reports that they "do not have any poor except poor preachers," by which we suppose he means preachers poor in purse but not in intellectual ability and good works.

On the whole it is evident that we have reason to be profoundly thankful to Almighty God for the manifest tokens of the presence and power of the Holy Spirit, vitalizing and blessing our efforts as a Church. Though here and there there may be a faltering in the ranks, yet the great army of the Lord of hosts is marching on to conquest and victory. One of the generals of the Federal army at a critical period of the Civil War sent to the commander-in-chief for instructions. Back came the sententious reply: "Push things." In the judgment of your Committee, these are our marching orders as a people of God. We are to push things that we may be true to Him, "whose we are and whom we serve;" that we may do our duty to perishing men and women and children; that He whom we shall soon look full in the face may "see of the travail of His soul and be satisfied."

Finally your Committee desires to recognize with profound gratitude to God the sublime culmination at Thursday morning's meeting of the Assembly of the fifteen years' discussion of the Revision of our Standards. The unlooked-for spirit of peace, harmony and Christian fellowship there manifested, the gracious operation of the Spirit of God there experienced, and the final and absolutely unanimous vote of the Assembly approving the Committee's report, all bear witness to a mighty forward movement of the whole Church in the direction of a deeper spiritual life, and a larger consecrated service to our common Lord and Master, Jesus Christ.

Fathers and Brethren:

"The Son of God goes forth to war;
Who follows in His train?"

Facts are said to be the fingers of Providence. God is manifestly calling our beloved Church to a forward movement all along the line; to new zeal and devotion in the place assigned us; and to a new conception of the grandeur and glory of our work. In view of this, may we not well pray in the beautiful words of Keble:

"As to Thy last apostle's heart,
Thy lightning glance did then impart
Zeal's never-dying fire;
So teach us on Thy shrine to lay
Our hearts, and let them, day by day,
Intenser blaze and higher."

In behalf of the Committee,

DANIEL A. FERGUSON, *Chairman.*

WM. HENRY ROBERTS, *Stated Clerk.*

# CORRESPONDENCE.

## REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE OF THE REFORMED CHURCHES THROUGHOUT THE WORLD HOLDING THE PRESBYTERIAN SYSTEM.

PHILADELPHIA, PA., May 4, 1903.

*To the General Assembly of the Presbyterian Church in the U. S. A.:*

FATHERS AND BRETHREN:—The Western or American Section of the Executive Commission of the Alliance of the Reformed Churches holding the Presbyterian System respectfully presents to you its Annual Report.

The Commission has held during the past ecclesiastical year two meetings, one at Philadelphia, Pa., October 27 and 28, 1902, and the other at New York, N. Y., April 15 and 16, 1903. Both meetings were well attended. The Philadelphia meeting had as distinctive features on Monday evening a dinner tendered by the Presbyterian Social Union of Philadelphia, and on Tuesday evening a popular meeting in the interest of Sabbath-school work. During the business session special attention was given to two topics: The Formation of Union Churches in Missionary Lands and Evangelistic Work in the congregations connected with the Churches of the Alliance.

On the subject of Presbyterian Union in India the following resolution was unanimously adopted:

"*Resolved*, That this Executive Commission cordially commends the union of the various Presbyterian bodies in India into a single Church."

In connection with the subject of Evangelistic Work, the Secretary of the Commission was authorized to send out a circular to all the congregations of the Alliance, inviting their co-operation in the evangelistic movement undertaken by the General Assembly of the Presbyterian Church in the U. S. A. and the General Synod of the Reformed Church in America. A circular was sent to fifteen thousand pastors of the Churches in the Alliance, asking "immediate organized effort for the salvation of souls and earnest and united prayer to the throne of grace for the outpouring of the Holy Spirit upon the evangelistic work of all Christian Churches throughout the world." So far as the Commission has received information, this united evangelistic movement resulted in much good.

The following resolution on Evangelistic Work is submitted to your venerable body for action:

"WHEREAS, The general conditions on this continent favor a widespread evangelistic effort; therefore

"*Resolved*, That the Western or American Section of the Alliance, rejoicing in the Evangelistic Work already accomplished, cordially commends to the General Judicatories of all our Churches the appointment of Evangelistic Committees, with power to co-operate each with the other in evangelistic effort, in the hope that under the divine blessing there may be a revival of religion covering the entire continent."

At the meeting in New York City in April, 1903, the Commission met at the Marble Collegiate Reformed Church, Twenty-ninth street and Fifth avenue, for the business sessions, and were the guests on Thursday evening at a reception of the Reformed Church Union of New York. On Wednesday evening members of the Commission spoke upon the interests of the Alliance in many of the Presbyterian and Reformed churches in the city.

Three matters considered at the New York meeting are presented for action by you, viz.:

The Commission adopted unanimously a report upon an advanced course of Sabbath-school Lessons, and directed that it be presented to each of the Supreme Judicatories of the Churches of the Alliance for their action. This matter is so important that the entire report has been put in print, and is submitted to you in a separate communication.

The Commission also requests that as last year, so this year the second Sabbath in September be set apart as a day for prayer for public schools.

The Commission reports upon the joint conference on the subject of divorce and remarriage, which has been established by the co-operative action of the General Convention of the Protestant Episcopal Church in the United States, the General Assembly of the Presbyterian Church in the U. S. A., the Board of Bishops of the Methodist Episcopal Church North, and the Baptist Churches North. The purpose of the Joint Conference is to secure action from the ecclesiastical side upon this deeply important matter, vital to the welfare both of the Church and of the State. The Conference has already held a meeting and an Executive Commission has been appointed, the Chairman of which is the Right Rev. William Croswell Doane, Bishop of Albany, of the Protestant Episcopal Church, and the Secretary, the Rev. William H. Roberts, D.D., LL.D., of the Presbyterian Church in the U. S. A. The work done thus far, however, is purely preliminary, and with a view to the fuller representation in the Conference of the Christian Churches of the United States of America. It is hoped that action taken by your body will be such as to strengthen this movement in behalf of the interests of the family. Should the way be clear, it is suggested that the following resolution be adopted by your body:

"*Resolved*, That all ministers under our care and authority are hereby enjoined to refuse to perform the marriage ceremony in the cases of divorced persons, except as such persons have been divorced upon grounds and for causes recognized as Scriptural in the Standards of this Church."

The Alliance has appointed as a delegate to carry to your venerable body fraternal greetings, the Rev. William Henry Roberts, D.D., LL.D.

It is respectfully requested that provision be made for the payment of the apportionment of your Church for the annual expenses of the Alliance. The amount is $765, and should be sent to the Treasurer, F. K. Hipple, Esq., LL.D., President Real Estate Trust Company, Philadelphia, Pa.

Notification was given in last year's report of the appointed meeting of the Eighth General Council of the Alliance at Liverpool, Eng., 1904. The date of the assembling of this Council will probably be June 21 of that year. The number of your representatives in the Council is fifty-three, and it is requested that the names and addresses of the delegates be forwarded at an early date to the American Secretary of the Alliance, Rev. William H. Roberts, D.D., Philadelphia, and also to the General Secretary, the Rev. George D. Mathews, D.D., London, Eng.

Your attention is once more drawn to the needs of the Reformed Churches on the Continent of Europe, in particular in France, Italy, Austria-Hungary and Russia. While there is much encouragement in connection with the work of some of them, the conditions which surround them are still to a large extent unfavorable to their growth and to the highest development of their spiritual life. Especially is this true in Russia. Earnest prayer is requested on their behalf, and contributions for the promotion of the welfare of the congregations connected with them are recommended whenever the requests for aid are properly authorized. In this connection attention is drawn to the need of providing, during the summer months, stated supplies for preaching stations to be established where American tourists most congregate. There are American evangelical churches in the larger cities of the Continent, such as Paris and Berlin. While these and similar congregations should be liberally supported, there is an increasing demand for temporary religious services at various points on the Continent. It is requested that parties interested in this work communicate with the Chairman of the Committee of the Alliance upon "Work on the European Continent," the Rev. James I. Good, D.D., Reading, Pa.

Tendering to you the cordial regards of all the other Churches in the Alliance, invoking the blessing of God upon our co-operation in so many lines of Christian work, and rejoicing in our spiritual unity, we are, in behalf of the Western Section of the Commission of the Alliance,

R. P. KERR, *Chairman;*

WM. HENRY ROBERTS, *Secretary.*

## LETTER FROM THE GENERAL SYNOD OF THE PRESBYTERIAN CHURCH IN MEXICO.

*To the General Assembly of the Presbyterian Church in the United States of America, Greeting:*

MR. MODERATOR, FATHERS AND BRETHREN:—With hearts full of gratitude to God for His great mercy toward us in Christ Jesus our Lord, for the manifold blessings with which He has crowned the work of the past year, and to the Home Church for the loving generosity with which you have helped us in Mexico's evangelization, sending us workers and giving us money with which to carry on our work, THE PRESBYTERIAN CHURCH IN MEXICO, your first-born child of the Twentieth Century, sends you Christian greeting.

Mexico is no longer a far-away land reached only by a long sea voyage or a tedious overland journey in the stage-coach, but bound to us by bands of steel, and as easily reached from our Far East as this fair city of the Angels in which your Assembly meets. We shall, therefore, cherish the hope that some day, in the not far distant future, the child may entertain its parent in the great Mexican metropolis, where the new and the old, the romantic past and the rustling present, are blended confusedly in this age of rapid transit and rapid transition. We heartily invite you to such a reunion, and will gladly extend the same invitation to the whole Presbyterian Alliance, of which our Mexico Church is now a member.

Mexico makes her own peculiar appeal to you as a Mission field. The pagan cult and civilization of her remote past lure us with the charm of mystery and antiquity; the shreds and patches of that ancient idolatry found in the Mexican Roman Catholic Church of to-day, together with the errors and superstitions and idolatry inherent in that system, make it imperative for us to give the people a pure Gospel; for the transformation that is being rapidly effected under the influence of modern civilization shows this to be the opportune time in which to do all in our power for Mexico's religious enlightenment. The fact that Mexico is our near neighbor, and that our own American people cross the border in ever-increasing numbers and aid in the development of her material resources, indicates unmistakably that in the future our two countries are to be indissolubly linked together. Add to these particular reasons for evangelical work south of the Rio Grande, the command of Christ to take His gospel into all the world, and Missions in Mexico need no further justification.

We therefore feel sure of your interest in the work, and that you will gladly listen at this time to a brief statement of the plan and policy of our Synod. The watchwords of all truly modern missionary enterprise are ours; the high hills and verdant valleys of old Aztecdom echo the refrain in sonorous Castilian: a self-governing, self-propagating, self-supporting Church.

Our Mexican Church is self-governing. We are glad to report that in our last meeting at Saltillo the beneficent spiritual results of conscious ecclesiastical independence shone forth in the courageous, cheerful, enthusiastic spirit with which preachers and elders discussed the two great problems of self-propagation and self-support.

In addition to the local work done by each church within its own bounds, for a number of years our Presbytery of the City of Mexico has had a native Home Mission Board which now employs workers supported entirely by funds raised in Mexico. Up to the present time we have kept free from debt. The Gospel is to-day being preached by the native missionaries of this Board in twenty-three isolated ranches and mining towns. There are also three day schools and a present enrollment of 270 communicant members. Our General Synod at its second meeting organized a similar Board of Home Missions. This Board has already begun work in the isolated State of Chiapas, the only State at the time without any Protestant worker within its borders. Rev. Edwin A. McDonald is our representative in that field. He and his wife support themselves by giving classes in English. They have already made the acquaintance of many families and put in circulation many Bibles and portions of Scripture.

Regular services are held in Tuxtla-Gutierrez, ten towns and numerous villages and ranches have been visited, and a recent convert now helps in the sale of Bibles. A Mexican preacher, Mr. Francisco Rodriguez, has also been appointed to that field, and his salary will be paid by our Mexican Board. This Board, we believe, will grow into an agency similar to your own great Home Mission Board. It is already a living, animating force that keeps our Church active in self-propagation, and in a way that unites and unifies our efforts and makes possible the indefinite expansion of the work of evangelization.

In self-support a steady advance is being made. A number of our churches pay half of the pastor's salary or even more; two pay the whole salary, and all meet their incidental expenses. Last year $23,334 (Mexican currency) was raised from all sources in Mexico, where not so many years ago only a fraction of this amount was given. This is encouraging. A significant feature in the self-support movement is the part taken by the native elders. Wherever the pastors instruct them in their duties and show them what the elders did in the Apostolic Church, our Mexican elders are ready to magnify their office, and are active in every branch of the work. Were you with us in Mexico City, for example, on almost any night of the week, and especially on Sunday, we could take you to preaching halls and upper rooms in the poorer wards of the city and show you these men teaching and preaching with no other remuneration than the echo in their hearts of the Master's encomium, "Well done, good and faithful servant." In these men and in the earnest members of our C. E. Societies rests very largely our hope for a self-supporting Mexican Church. Progress may be slow, but it is sure, and the ideal is kept constantly in view.

The Press, the School and the Church are the three great agencies which are employed in Mexico as elsewhere in the world.

With profound pleasure we report to you that we now have a well-located Press property in Mexico City. The land was purchased by your Board of Foreign Missions, and the new buildings have been paid for, in part, by a generous donation from a life-long friend of Missions. Last year our Press put into circulation 3,439,600 pages of Christian literature, including tracts, a religious paper and Sunday-school lesson helps. We also have a well-equipped Book Department that circulates in Mexico the Spanish publications of our own Press, of the American Tract Society and of all the Protestant Spanish publication houses of the United States, Spain and Latin America. In this branch of the work we also follow the example of our parent Church. We, too, desire to have our Board of Publication and Sabbath-school Work, and already, as these statements show, a beginning has been made. Since its opening the Presbyterian Press in Mexico has put in circulation 72,170,600 pages of religious literature. Many examples might be cited of conversions which, under God, can be traced to our papers, books and tracts. Some of the converts are now in our active ministry.

The educational branch of the work includes thirty-one day schools, two Normal schools for girls in Mexico City and in Saltillo and our College and Theological Seminary in Coyoacan. These three institutions own property, and the last named has received recently several generous gifts and is putting up dormitories, a chapel and a residence for the president. This is only the beginning of a great work. Our aim is to do for the Church in Mexico what our colleges and seminaries have done for the Church here in the United States. The majority of our native ministers are graduates of our Theological Seminary.

The following statistics, which are the latest, give the extent of the work within the bounds of the three Presbyteries of Zacatecas, City of Mexico and the Gulf of Mexico, which is the part of the work helped by the funds sent to Mexico by your Board of Foreign Missions. The work within the bounds of our fourth Presbytery, that of Tamaulipas, is aided by the Southern Presbyterian Church.

There is not time to do more than refer to the general movements in which our Church is active. We take a leading part in the work of the United Mexican Society of Christian Endeavor and the work of our Mexican Sunday-school Convention. This year the presidents of both these organizations are members of our Synod. The Temperance movement has made marked progress. The subject has been presented not only in our own schools and churches, but also in Government schools, in some of which societies have been organized and a text-book on Temperance introduced. All these general movements are united in one organization, which holds annual conventions, and is known to the world as The Confederation of Sunday-schools and of Young People's Societies. This gives a visible unity to Protestant work in Mexico, and promotes a fraternal spirit of hearty co-operation between the different Protestant denominations in that Republic.

This bare enumeration of the different aspects and branches of our work does no justice to the enthusiasm, the spirit of sacrifice and devotion, of the members of our Mexican Church; but we trust that it will serve to show that we are not idle, that we appreciate the help that for many years has been so generously given us, that we are trying to help ourselves and become self-sustaining, and that we have a well-defined mission policy and an ideal of work which we are striving to realize, and never to forget that the supreme "aim" of our Church is "to make Jesus Christ known to the world."

Above and beyond all more or less human agencies, the machinery of work, however divinely appointed, we look to the *life* within the wheels, without which they would be dead and motionless. We would seek constantly the life of the Holy Spirit that our work may have a true, spiritual growth, that God may live in us and we in Him, and all that is done be to the praise and honor and glory of His most holy Name.

Mr. Moderator, Fathers and Brethren, the Presbyterian Church in Mexico salutes you, and unites her prayers to yours for the divine blessing upon the work of our Lord and Master in our two sister Republics of Mexico and the United States—yes, and in all the world. May God prosper you in your deliberations and in all the work of the coming year! In Christ we are one, one in the unity of the Spirit and in the bond of peace. On the mission field how we love the inspired announcement that there is one body and one Spirit, one Lord, one faith, one baptism, one God and Father of all! and that to every one is given for the doing of his work grace accord-

ing to the measure of the gift of Christ. May we all, therefore, attain unto the measure of the stature of the fullness of Christ, growing up into Him who is Head over us all, God blessed for evermore. To Him be honor, praise and glory world without end. Amen.

HUBERT W. BROWN,

Fraternal Delegate from the General Synod of the Presbyterian Church in Mexico to the General Assembly of the Presbyterian Church in the United States of America.

*Los Angeles, Cal., May 21, 1903.*

PHILADELPHIA, PA., July 10, 1903.

*To the General Synod of the Presbyterian Church in Mexico:*

BELOVED BRETHREN IN CHRIST:—The One Hundred and Fifteenth General Assembly of the Presbyterian Church in the U. S. A. received with most cordial feelings the letter of your fraternal delegate, the Rev. Hubert W. Brown, and deeply regretted his inability to be personally present, owing to poor health. The presentation of the beautiful gavel entrusted to Dr. Brown was made in his absence by the Rev. John F. Patterson, D.D., a member of the Presbyterian Board of Foreign Missions. Both the letter and the gavel were received as emblems of the affectionate ties which unite our two Churches.

In response to the letter, this Assembly cordially reciprocates the sense of gratitude to God for His great goodness in Christ Jesus our Lord, toward both you and us, through the numerous blessings which He has bestowed upon both Churches. Especially are we grateful for the ability with which He has enabled us to aid you in the work of the evangelization of Mexico. We congratulate you upon your prosperity as a Church, and that you are making such steady advance in many of your congregations toward self-support. We note the admirable work done by your denominational press, and are gratified to learn that you have distributed during a single year three and a half million pages of Christian literature in the language of your country. The educational work accomplished by your Church is also worthy of high commendation, and we hope that you may be increasingly prospered from year to year in your purpose to do, through schools, colleges and seminaries, for Mexico and the Church in Mexico, what our colleges and seminaries have done for this Church and this nation. We appreciate highly the spirit of enthusiasm, sacrifice and devotion which animates the ministers and members of your Church, and we assure you that this Church will be as ready in the future, as in the past, to aid you in your self-denying labors to further the cause of true religion in your country, and to make Jesus Christ known to the world.

We share with you the hope that the day is not far distant when you may entertain the mother Church in the great Mexican metropolis, and at a gathering of the whole Presbyterian Communion throughout the world. We unite with you in prayer for the divine blessing upon the work of our Lord and Master in our sister republics. May the "God of all grace who hath called us into His eternal glory by Christ Jesus, make you perfect, establish, strengthen, settle you. To Him be glory and dominion for ever and ever. Amen."

In behalf of the Presbyterian Church in the U. S. A.

WM. HENRY ROBERTS, *Stated Clerk.*

Those pupils who shall have regularly and diligently studied for three years shall be admitted to an examination on the subjects specified in this article. All examinations shall be conducted by the Professors, in the presence of the Directors, or a Committee of them. Every pupil that shall have passed his final examination to the satisfaction of the Directors present shall receive a certificate of the same, signed by the Professors, with which he shall be remitted to the Presbytery, under whose care he is placed, to be disposed of as such Presbytery shall direct. Those who do not pass a satisfactory examination shall remain a longer space in the Seminary;' and

"'There shall be an examination of all the students in the Seminary, under the direction of the Board of Directors, or of a Committee of that Board, at least once every year. the unrestrained inspection of all the members,' be amended to read as follows:

"'The Secretary of the Board shall keep accurate records of all the proceedings of the Directors, and it shall be his duty to lay these records before the General Assembly, or before any Committee of the General Assembly appointed to inspect them, whenever he is requested so to do by the General Assembly or by such Committee.'"

## II. AUBURN THEOLOGICAL SEMINARY.

### REPORT OF THE GOVERNING BOARDS.

THE Governing Boards of the Theological Seminary of Auburn, in the State of New York, report as follows for the year ending May 7, 1903, to the General Assembly of the Presbyterian Church in the United States of America:

The Seminary has met with a serious loss of true and valued servants and friends in the death of Rev. Anson Judd Upson, D.D., LL.D., L.H.D., Emeritus Professor of Sacred Rhetoric and Pastoral Theology, and of Mr. Henry A. Morgan, of Aurora, N. Y., for many years a member of our Board of Trustees. The effort begun a year ago to increase the Endowment of the Seminary has resulted thus far in subscriptions amounting to a little over $100,000, a large portion of which has already been paid into the Treasury. We have received during the year towards the permanent funds of the Seminary $14,637 and towards the expenses $3,173. Prof. Hoyt, at the end of his year's leave of absence for travel and study abroad, resumed his work at the beginning of our second term. During the first term his place was efficiently supplied by Rev. Charles E. Robinson, D.D., of the Class of 1861. Rev. Harry Lathrop Reed, whose election as Assistant Professor of Greek was announced in our report of last year, having accepted that election, entered upon his duties at the beginning of the year 1903. The plan for Pastoral Scholarships, which was announced a year ago, has been in use throughout the year and eight of the students

have acted as pastors' assistants with profit to themselves and service to the Church.

## III. WESTERN THEOLOGICAL SEMINARY.

### 1. Annual Report of Directors.

The Board of Directors of the Western Theological Seminary, Allegheny, Pa., present to the General Assembly the following as their Seventy-sixth Annual Report.

Since the last Annual Report the following students have been matriculated:

TO THE JUNIOR CLASS.

| | |
|---|---|
| Vaclav Paul Backora, | John Stephen Goehring, |
| George Samuel Bowden, | John Stewart Kunkle, |
| Frank Wilbur Crawford, | Edward John Knepshield, |
| Elmer Hall Douglas, | John Drennen McBride, |
| Frederick Walter Evans, | William Lacy Nicholoson, |
| Walter Ewing Evans, | John Cleeland Strubel, |
| Theophilus John Gaehr, | J. W. Mallard. |

TO THE SENIOR CLASS.

Ernest Gottlieb Kromer, Frank Novak,
Emil Rall.

Mr. J. B. Kelso re-entered the Middle Class after several years' absence in Europe; and Mr. J. C. Steele entered the Junior Class a second time, because he had been forced to relinquish his studies the previous year on account of ill health.

The following students were dismissed to other seminaries at their own request: J. F. Lyons to McCormick Theological Seminary, R. B. Wilson to McCormick, W. P. Shriver to Union Theological Seminary, E. W. Saxton to Princeton Theological Seminary, W. E. Marshall to San Francisco Theological Seminary, G. H. Wilkins to the same, and D. S. Kelly to Lane Theological Seminary.

The total attendance for the year has been forty-eight; of these two were engaged in post-graduate studies, twenty were Seniors, twelve Middlers,

and fourteen Juniors. One of the matriculants of the year was dropped from the roll, because of his inability to do the work of his class.

The attendance for the current year is somewhat lower than for the session of 1901-1902. There are several reasons for this decline in numbers. An examination of the Catalogues of the various Seminaries of the Church reveals the fact that the Colleges which form the constituency of the Western Theological Seminary sent a very small number of graduates to any Seminaries of the Church.

After due deliberation, the Faculty decided that the cause of sound scholarship in the Seminary would be promoted by the establishment of a post-graduate scholarship, paying $400 annually to that member of the graduating class who has the highest standing in all departments of the curriculum. This action of the Faculty was transmitted to the Board of Directors as a recommendation and was adopted at the November meeting. Mr. F. H. Ridgley was awarded this prize for the year 1903-1904, as he had the highest grade in the class in all departments.

The preparation of foreign students for work among their countrymen has been pressed upon the attention of the Faculty by the presence of such students, who have sought the advantages of the institution unsolicited. This state of affairs, in connection with the action of the last General Assembly, led the Faculty to ask the Executive Committee of the Board of Directors to hold a joint meeting with them to discuss this problem.

As a result of this conference an instructorship for foreign students was authorized for the coming year. This instructor will be expected to supervise the work of the foreign students in all departments, and will probably give instruction in Bohemian Church History and the Westminster Shorter Catechism. These arrangements in regard to the details of the instruction are in a measure tentative as the Faculty are feeling their way in the matter.

At the same conference the Executive Committee of the Board of Directors authorized the employment of an instructor in Church Music and Professor Charles N. Boyd, who for several years has assisted the Professor of Homiletics in the Department of Church Music, has been definitely engaged as a special instructor with a view to the extension along this line.

The necessity for keeping in close touch with the Colleges which furnish most of our students was recognized and steps were taken to have a member of the Faculty visit these institutions. The students under the guidance of the Faculty held a series of meetings both at Grove City College and Washington and Jefferson College. In both instances a member of the Faculty presented the claims of the ministry, having an audience of between sixty and seventy on both occasions. Immediately after the close of the Seminary, Park and Macalester Colleges are to be visited.

The weekly conferences held every Monday evening in the Seminary Chapel have been unusually interesting and helpful. These conferences were closed by a series of four stimulating and instructive lectures. The names of the lecturers and their themes are as follows: Rev. C. O. Bemis, "The Opportunities of the Country Pastor;" Rev. Maitland Alexander, D.D., "The Opportunities of the City Pastor;" Rev. S. Edward Young, "Pastoral Evangelism;" Rev. D. S. Kennedy, D.D., "The Pastor in His Study."

The students have shown a commendable faithfulness and conscientiousness in the performance of their Seminary duties. They have been interested in many forms of Christian activity. Some have engaged in missionary work, others have devoted their spare time to preaching to weak congregations unable to support a pastor. The Y. M. C. A. has assumed the responsibility of providing the daily religious services of the Presbyterian Hospital, and in part supports a graduate of the Seminary in the Mission field in China.

The health of the students on the whole has been good. Last summer the Board of Trustees erected a tennis court in the rear of Seminary Hall. The students have thoroughly enjoyed this opportunity for physical culture and it has been highly beneficial to their health.

The following students, members of the Graduating Class, have received the diploma of the Seminary:

Ardo Preston Bittinger,
Edward Walter Byers,
George Curtis Fisher,
William Franklin Fleming,
Owen Stephen Fowler,
Charles Henry Hamilton,
Ernest Gottlieb Kromer,
Albert Franklin McGarrah,
Frank Dean Miller,
Frank Novak,
James Sidney Pittinger,
Emil Rall,
Murray Charles Reiter,
Frank Harris Ridgley,
Morton McCaslin Rodgers,
George Peabody Rowland,
Frederick Benton Shoemaker,
Hugh Alexander Smith,
Thomas Ewing Thompson,
Wilber George White.

The Board of Directors elected Rev. Robert Christie, D.D., LL.D., to the position of President of the Faculty for the ensuing year.

The resignation of Rev. William H. Jeffers, D.D., LL.D., Professor of Ecclesiastical History and the History of Doctrines, was received and his resignation accepted to take effect July 1, 1903, and on motion Dr. Jeffers is to be retained as "Lecturer on Church History."

The Board of Directors unanimously adopted the Report of the Joint Committees of the two Boards expressing their judgment that the time had come to make an effort to remove the Seminary from its present location.

The Board of Directors approved of the action of the Executive Committee in endorsing the suggestion to establish a Lectureship on Missions, the Lectureship to include six lectures per term, the Faculty being given power to make the necessary arrangements for their delivery and the Board of Trustees being requested to set apart $300 per annum from the Elliott Lectureship Fund.

The closing services of the Seminary were held this year on the evening of May 7th, in the North Presbyterian Church, Allegheny, Pa. Rev. Dr. Kennedy presided and the diplomas were delivered to the students by Rev. Dr. Riddle, the President of the Faculty. During the year Mr. John G. Stephenson and Rev. A. A. E. Taylor, D.D., LL.D., were removed by death.

Rev. S. S. Palmer, D.D., of Columbus, O., was elected a Director in the place of Dr. Taylor, and Mr. James I. Kay, of Pittsburg, in the place of Mr. John G. Stephenson.

## Report of Board of Examiners,

APPOINTED BY SYNODS AND PRESBYTERIES OF OHIO AND INDIANA.

The Examiners appointed by the Synods of Ohio and Indiana and by Presbyteries composing those Synods to attend the examinations in

Lane Seminary would report as follows: Of said Examiners present the most have heard all of the examinations in the various departments, commencing Monday, May 4, at 2 P.M., and continuing through Wednesday morning.

We have noted with pleasure the interest taken by the Professors in their respective departments, evincing thorough preparation and fidelity in teaching.

Especially gratifying has been the importance given to the Scriptures, not alone in technical study of the Scriptures in the original tongues, but in the appeal to the Scriptures in the study of Theology, Church History and Homiletics.

Our observation has impressed us that the Professors are not unmindful of the spiritual growth of the students, and their zeal is to season the intellectual life with things that make for righteousness.

The recitations of the students under examination impressed us with a commendable diligence on their part in the pursuit of their studies: and further showed that they appreciate the worth of careful study to the proper discharge of their work as ministers of the Gospel.

We have recognized also on the part of the students a sympathy with the Professors in efforts to advance the spiritual life, and their regard for and acquaintance with the Scriptures.

The present outgoing class have given good evidence, both in spirit and scholarship, of being prepared to labor in the ministry of the Lord Jesus Christ.

We would congratulate Lane Seminary upon its equipment and hope that in the very near future a larger number of students may be in attendance; we would suggest that special emphasis be laid upon the function of preaching and the importance of the sermon.

While not decrying to any extent the value of pastoral work—calling, visiting, personal approach of individuals—yet the pulpit is the preacher's throne of power.

Again we would suggest the discouraging of outside preaching and evangelistic work, especially during the Junior and Middle Years, that students may have the greatest amount of time to devote to their studies.

EDWIN E. ROGERS, *Chairman.*

DAVID R. MOORE, *Secretary.*

The past year has been marked by some changes. Dr. Emerson E. White, President of the Board of Trustees, has been called to his rest. In his departure the institution loses one who was profoundly interested and active in furthering its welfare, and as one of the most eminent educators of our land brought to his position pecular qualifications.

Rev. Henry Goodwin Smith, D.D., Professor of Systematic Theology, has resigned his chair, to take effect at the beginning of the fall term, his salary to continue until January 1, 1904. and the Seminary to have his services at their disposal until that date. The Board put on record their high appreciation of him personally and of his work in the institution.

In reference to a published correspondence between Rev. E. D. Morris, D.D., LL.D., Emeritus Professor, and Rev. William McKibbin, D.D., at the time of the election of the latter to the Presidency of the Board of Trustees, entitled "The Historic Position of Lane Seminary," the Board unanimously declared their substantial and hearty accord with such "Position" as therein set forth. A copy of said correspondence is herewith submitted. Lane Seminary faces the future with some serious problems to solve, but with strong hope that before her is a career of usefulness and influence which will equal, if not surpass, that of her most prosperous years.

WILLIAM McKIBBIN, *President.*

LEWIS EARL LEE, *Secretary.*

The Seminary has been greatly favored during the year in the matter of special courses of lectures. Rev. W. A. Shedd, M.A., of Persia, delivered a series of very able and learned lectures on "Islam and the Oriental Churches."

Rev. H. C. Dubose, D.D., of China, and Rev. S. H. Chester, D.D., Foreign Missionary Secretary for the Presbyterian Church in the United States, lectured on Missions.

Evangelistic Work was discussed by Rev. J. Wilbur Chapman, D.D., and Rev. John Balcom Shaw, D.D., to the great profit of our students.

The Sunday-school Work was presented in an inspiring and helpful way by Rev. A. L. Phillips, D.D., of Richmond, Va., and Mr. Marion Lawrence, International Sunday-school Secretary. Rev. John M. Worrall, D.D., Professor Emeritus, gave several useful and practical lectures on "The Preacher and Pastor."

Eleven post-graduates have done advanced work in "Progress of Dogma" and "The Biblical History in the Light of Archæology."

The second year of the Kentucky Seminary has been more prosperous than the first, and equally harmonious. We have many evident signs of the Divine favor resting upon the Seminary.

We would call attention to the fact that this is an anniversary year in our history.

Fifty years ago the Seminary was organized at Danville, Kentucky, and ten years ago the Seminary at Louisville, Kentucky.

The Kentucky Seminary is the successor to these two institutions.

Respectfully submitted,

J. McCLUSKY BLAYNEY, *President.*

WM. IRVINE, *Secretary.*

### 3. The Faculty.

Several changes have occurred in the Faculty since the last Annual Report. In September, 1902, Professor Henry C. Minton, D.D., after serving the Seminary very efficiently for eleven years in the Chair of Systematic Theology, resigned to accept the pastorate of the First Presbyterian Church of Trenton, N. J. The Rev. John S. MacIntosh, D.D., of Philadelphia, Pa., was unanimously elected his successor as Stuart Professor of Systematic Theology. Dr. MacIntosh accepted the appointment and entered upon his duties January 1, 1903. Instruction in this department was very acceptably given during the first term of the year, before Dr. MacIntosh arrived, by Rev. William Martin, of Santa Rosa, Cal.

Rev. Hugh W. Gilchrist, A.M., of Seattle, Wash., was chosen Instructor in New Testament Greek for one year. This appointment was later extended to three years. He succeeds to the position so ably filled for seven years, and for the last year and a half of that time without compensation, by Rev. John H. Kerr, D.D., who last May became Literary Secretary of the American Tract Society.

The Faculty for the past year was constituted as follows:

Rev. William Alexander, D.D., LL.D., California Professor of Church History.
Rev. Robert Mackenzie, D.D., Montgomery Professor of Apologetics and Missions.
Rev. Thomas Franklin Day, D.D., Gray Professor of Hebrew Exegesis and Old Testament Literature and *Librarian.*
Rev. Warren Hall Landon, D.D., Ladd Professor of Practical Theology.
Rev. John Samuel MacIntosh, D.D., Stuart Professor of Systematic Theology.
Rev. Hugh Watts Gilchrist, M.A., Instructor in New Testament Greek.
Prof. Charles Gurdon Buck, Severin Instructor in Vocal Culture and Sacred Music.

In addition to the regular instruction of the various departments, lectures and addresses have been delivered at intervals throughout the year by the following gentlemen: Rev. H. G. Underwood, D.D., of Seoul, Korea; Prof. W. W. Lovejoy, D.D., of Oakland; Rev. Theodore F. Burnham, of Vallejo; Rev. J. S. Thomas of San Francisco; Professor William Bade, Ph.D., of Berkeley; Mr. John P. Hartman, of Seattle, Wash.; Rev. Edward K. Strong, of San Francisco; Rev. David James, of San Rafael; Rev. Charles H. Bandy, of Fatehgarh, India.

### 5. Changes in the Curriculum.

A new department has been instituted to be known as the "Department of the English Bible." For the past two years "Practical Studies in the English Bible" has been offered as an elective, open to the Middle and Senior Classes. As a very deep interest in the matter has been shown by the fact that every student of both classes elected the study for these two years, and as there seems to be a demand throughout the Church for a more thorough training of our candidates for the ministry in the English Bible, it was thought best to establish a distinct department of English Bible study. Hereafter two hours a week in this department will be required of all students throughout the entire course. The aim will be to familiarize the student with the contents of the entire Bible and to enable him to use it easily in his pulpit and pastoral work. For the present the work of this department will be conducted by the several professors.

A fourth year has been added to the curriculum. Students will be graduated as heretofore at the completion of the three years' course. But a constant effort will be made to induce students to take the fourth year as necessary to a well-rounded preparation for the ministry of the present day. This is distinct from post-graduate work. It will be open only to those who have satisfactorily completed a three years' course in this or some other Seminary. A part of the curriculum of the fourth year will be required and a part will be elective. The Seminar method will be largely used.

Hereafter all students under the direction of the Faculty will be required to study and engage in various kinds of church and mission work in the city of San Francisco. They will also be required to report to a Monday evening conference of the Faculty and student body, at which, as in the past year, there will be, in addition to reports, special discussion and earnest prayer over the work of evangelization and the extension of

Christ's kingdom. The Faculty are resolved to lay great emphasis upon the necessities and methods of evangelistic work.

A post-graduate correspondence course has been arranged which is open to all graduates of this and other Seminaries.

8. GENERAL STATEMENT.

We have great reason for gratitude in the great opportunities before this Seminary and for its bright prospects. Owing to the fact that a year ago three strong men of our Faculty were called to other important fields of labor, the outlook for a time was very discouraging and the number of students fell to a lower point than ever before in the history of the work at San Anselmo. But strong men have been found to fill the vacancies. The work is again thoroughly organized, and the outlook for a considerable increase in the number of students is bright. This is greatly to be desired, as the Seminary has at no time been able to meet all the demands made upon it for men to assist in carrying on the work of the Lord on this coast. The endowment of the Seminary needs to be considerably increased to enable it to meet the expense of carrying forward successfully its enlarging work and to meet as it should the opportunities that lie before it. We ask therefore the sympathy, the prayers, and the financial assistance of our Church.

Respectfully submitted,

GEORGE D. GRAY, *President.*

### 6. General Remarks.

At its annual meeting the Board of Directors elected the following Directors, whose term will expire in April, 1906: Rev. Charles E. Dunn, Rev. John E. Funk, Rev. Ferdinand Urbach, Rev. B. E. S. Ely, Jr., D.D., Rev. H. H. Gregg, D.D., Hon. William Graham, LL.D., I. P. Rumsey, Esq., Rev. H. Potgeter. Mr. W. L. Green, Jr., was chosen in place of the Hon. R. H. McClelland, deceased, in the Class of 1904, and Mr. Louis Boeger in place of Mr. A. J. Van Maur, resigned, in the Class of 1905. We ask the Assembly to approve this action.

Four students, having completed the course of study, were granted diplomas of graduation, to wit: Henry J. Ahrens, Albert E. Boell, Theo-

dore T. Koopman, Geert A. Westerhuis. The scholarship prize of $100 was awarded to Henry J. Ahrens.

The Financial Secretary, the Rev. C. M. Steffens, has made a vigorous canvass and increased the Endowment Fund by over $8000 in cash and by about $25,000 in subscriptions and promises. This success has been due to the devotion and zeal of the Secretary. It has been necessary to do a great deal of preparatory work in the way of informing the Church. As soon as the character of the work is understood there is a ready response. It is specially desired that the Assembly will give to our School such recommendation as will give confidence to pastors and people, when they are called upon to consider the cause. We cannot do the work given us with less than the increased endowment sought. One hundred thousand dollars is the minimum sum that will enable us to equip the School fairly well. We desire the Assembly to renew its endorsement of this effort.

The Board of Directors at its recent meeting took a long step forward. To increase the efficiency of the instruction and bring the Collegiate Department up to the standard of college requirements, the curriculum has been thoroughly revised. This has been a much-needed advance and it is expected will be the means of attracting many new students to the School. The evangelizing of our German population requires a well-educated ministry, and more and more must our School be equipped to provide such pastors and missionaries. The vast foreign populations in our cities furnish a large field for our graduates. The Board of Directors is struggling to prepare men for this field.

To meet the needs of the new curriculum, the Board of Directors filled the Edgar and Edwin Camp Chair of Sacred Languages and Literature by the election of the Rev. W. O. Ruston, D.D., to the professorship. The Rev. John Jaeger, Professor in the Reformed Theological School of Emden, Germany, was chosen Professor of the German Language and Literature. Professor Jaeger is a man sound in theology and skilled in teaching. The Assembly is asked to approve these elections.

With these additions to the Faculty and the enlargement of the curriculum our School will be well fitted to do the work committed to it and will better deserve the confidence and support of the Church.

All of which is respectfully submitted,

W. O. RUSTON, *President.*

5. General Remarks.

With profound regret we report the death of the Rev. George C. Seibert, D.D., Ph.D., who filled with a most zealous and self-sacrificing devotion the joint Chairs of Systematic Theology and New Testament Exegesis from the beginning of our institution in 1869 up to the date of his death on the steamer Kroonland, September 9, 1902.

We thank God for the man and for his work.

We had the pleasure of reporting to the last Assembly that our burdensome debt had been entirely removed. We now have the pleasure of announcing that our current expenses for this year have been fully met; that we have added $1,250 to our endowment, and have a balance of $411.98 in our treasury.

Respectfully submitted on behalf of the Board,

The theological course is a post-graduate course, requiring the degree of A.B. or an equivalent in preparation for its successful prosecution.

The curriculum of study includes thirteen courses, distributed through three years, as follows:

English Bible, Homiletics, Apologetics, Archælogy, Christian Ethics, Systematic Theology, Pastoral Theology, Church Government, Polemics, Church History, New Testament Greek, Hebrew, Ecclesiastical Latin.

The following course of studies, distributed through three years, has been arranged for a few students whose preparation restricts them to the English language:

English Bible, Homiletics, Apologetics, Sacred Geography, Biblical Antiquities, Christian Ethics, Systematic Theology, English Literature, General History, Pastoral Theology, Church Government, Church History, Polemics.

The English Bible is so taught that no student shall be graduated from the Theological Department without acquiring a thorough knowledge of both the Old and New Testaments. The students are required to read the whole Bible carefully and to commit to memory such passages as may be assigned to them. The authorized English Version is the text-book of this course. Emphasis is laid on the life of Christ and the Epistles of Paul. The Historical and Prophetical Books of the Old and New Testaments are assiduously taught. The study is conducted in a devout and practical form, that it may be of service to the graduates as teachers, preachers and pastors. This study has a sensible effect in quickening the spiritual life of the theological students, and in qualifying them for evangelistic work.

RELATION OF THE THEOLOGICAL TO THE COLLEGIATE DEPARTMENT.

All the resources and property of the University are subservient to the Theological Department. Candidates for the ministry, with other students, have the benefit of endowed instruction in the college classes and of dormitory rooms and instruction halls made free from rent by the generosity of the patrons of Lincoln University. There are now seventy-four candidates for the ministry in the Collegiate Department. These, together with the sixty-two in the Theological Department, make a total of one hundred and thirty-six candidates for the ministry under our care during the current year.

## 5. Wants of the University.

ENDOWMENT.

The Theological Department of the University is under the control of the Presbyterian Church in the United States of America. This control of the General Assembly necessitates the full and separate endowment of the Theological Department. To carry this plan of the Assembly into practical effect in Lincoln University, the General Assembly which met in Winona, Ind., in 1897, took the following action:

"*Resolved*, That the General Assembly hereby expresses its deep interest in Lincoln University, and especially in its Theological Department, and commends this school of learning for young colored men to the churches for the liberal support of its whole work and for the separate endowment of its Theological Department."

This separate and adequate endowment and equipment of the Theological Department would require about $250,000. A beginning could be made with any contribution to the Professorship Fund, the Scholarship Fund or the Building Fund.

SPECIAL WANTS OF THE THEOLOGICAL DEPARTMENT.

A dormitory for the students, estimated minimum cost, $25,000; a Recitation Hall, estimated minimum cost, $25,000; separate endowment of the Chair of Ecclesiastical History, $25,000; endowment of the Chair of Christian Ethics, $25,000; the more adequate endowment of the existing Chairs, each, $10,000; forty-five Scholarships, each, minimum amount, $2,500; a boarding-house for two hundred students, $5,000.

A conference under the direction of the General Assembly's Evangelistic Committee was held in Lincoln University, April 16 and 17, 1903. Addresses were delivered by the Rev. J. Balcom Shaw, D.D., Rev. Joseph W. Cochran, D.D., Rev. George Alexander, D.D., Rev. Cleland B. McAfee and Rev. John F. Carson, D.D.

The visit of these messengers of the Assembly was a benediction. With great power gave they witness of the grace of the Lord Jesus which is unto salvation. This Theological School, and we believe all others, would welcome such a visitation every year. The candidates for the ministry

would thus get a breath of the Spirit of the living Church, and the settled pastors of the Church would become the vehicle of a spiritual blessing to the new scholarship of the Seminaries.

THE PURPOSE OF GOD TOWARD THE NEGRO.

God's purpose toward the negro is to make him a partaker of all the blessings of grace. He has indicated this purpose by conferred endowments and capacities of which men cannot deprive him, and by imposed duties and responsibilities from which other men cannot relieve him. He is amenable to the whole law of God. In him and in his families and in his communities there is a necessity for every influence which promotes intelligence and morality and religion, and which advances these interests to the highest degree. In every one of them God is glorified. Christ's blessing neutralizes the prejudice and the parsimony of men.

He has sent the message of salvation to "every creature," making no present-day exception.

The negro race has received special tokens of God's favor. Their generations are not extinct. They are one eighth of the population of the globe. And God has shown in Gospel times what He would have done to Ethiopians. When one of them came from his benighted home in Africa to Jerusalem to worship, and was returning unenlightened in saving knowledge, the Spirit of God called an occupied and successful evangelist to leave the spiritual harvest field of Samaria and overtake the fast receding traveler and preach unto him Jesus. In him Ethiopia was not allowed to stretch out her hands to God in vain. What He did to the Treasurer of Candace we must do to our contemporaneous Ethiopians. God is their maker. He gives them the high honor to be bearers of His likeness. He gives them the importance and power of their numbers. He has admitted them to the brotherhood of faith, and we must welcome them to its earthly advantages. God has called many of them to preach the Gospel to their perishing fellow-men. We are working in the line of His purpose when we are organizing the agencies which promote their knowledge of saving truth and their fitness to proclaim it. God will be glorified in the Ethiopians. In providing for their Christian education in Lincoln University, the Presbyterian Church becomes a co-worker with God in His gracious purpose to call and justify and sanctify and glorify men of every race in the whole earth.

In behalf of the Faculty of Theology,

ISAAC N. RENDALL, *President.*

6. TRUSTEES.

ELECTION OF PROFESSORS.

The Board of Trustees of Lincoln University respectfully represent to lhe General Assembly that the Chair of Systematic Theology in the Theological Department having becoming vacant, they did, after careful and prayerful deliberation, elect to the vacant professorship the Rev. George Johnson, who for six years was missionary under the Board of Foreign Missions of the Presbyterian Church at Chilpancingo, Mexico.

Subject to the approbation of the General Assembly, he has signified his readiness to enter upon the truly missionary work of instructing the candidates for the ministry of the negro race. The Board of Trustees therefore respectfully ask the General Assembly in its wisdom to confirm the election of Professor Johnson.

The Board therefore respectfully ask the Assembly, in their wisdom and good-will, to approve the election of Professor Galbreath to the Mrs. Susan D. Brown Professorship of Instruction in the English Bible.

By order of the Board of Trustees.

ISAAC N. RENDALL, *President.*

There has been an increased attendance of students at Biddle University during the year in all the higher classes, and the School of Theology has shared in this increase. The Junior Class is the largest yet enrolled and is composed of exceptionally good material.

The students have been diligent in the prosecution of their studies and the progress has been very commendable. The opportunities for engaging in active Christian service, offered in the churches and the Sabbath schools of the region round about, have been eagerly embraced, and without interfering with their studies, the students, under the supervision of the Faculty, have done much good and have gotten good themselves.

The need of a properly trained ministry for the spiritual and moral uplift of the colored race was never more urgent than at present. Biddle University, planted in the midst of the people for whose benefit the School was designed, by means of higher Christian education, and especially through the School of Theology, is contributing to satisfying this need.

The Industrial Department of the University, though weakened from want of cordial support, is being sustained and the Preparatory students have such benefits as are offered. It is realized, however, that comparatively little is being done in a general way for the moral and spiritual training of the Negro. This renders all the more essential the work of ministerial education as is being given at Biddle.

The next Annual Commencement will be held June 10, 1903.

Very respectfully,

D. J. SANDERS, *President.*

### 2. The Faculty.

The Faculty for the year now closed was constituted as follows:

Rev. Matthew B. Lowrie, D.D., *President* and Professor of the Department of the English Bible.
Rev. Alexander G. Wilson, D.D., Professor of Ecclesiastical History and Missions.
Rev. Joseph J. Lampe, Ph.D., D.D., Professor of Hebrew, Old Testament Literature and Exegesis.
Rev. Daniel E. Jenkins, Ph.D., Professor of Didactic and Polemic Theology.
Rev. Charles A. Mitchell, Ph.D., Professor-elect of New Testament Literature and Exegesis.

Note—The subjects of Apologetics, Homiletics and Pastoral Theology were distributed among the Professors.

The Board at its meeting May 6 decided to transfer the President, Rev. M. B. Lowrie, to the Chair of Homiletics and Pastoral Theology in place of that of New Testament Literature and Exegesis which he has hitherto held, and to transfer Rev. A. G. Wilson, D.D., from the Chair of Apologetics and Missions to that of Ecclesiastical History and Missions, and at the same time elected Rev. Charles A. Mitchell Ph.D., to the Chair of New Testament Literature and Exegesis. The specific approval of the Assembly is asked of this election and these transfers.

### 3. Students.

Twenty students were in attendance during the year. Matthew Allen Camp and Herbert Arthur French were received to the Middle Class upon letters of dismissal from McCormick Seminary. The entering Class numbered six: James Wilson Bean, a graduate of Parsons College, 1902; Alexander Black, Indiana University, 1901; Charles F. Koehler, Bellevue College, 1902; M. J. Millard, Kansas City University, 1902, and John Edward Chrystal, a student of Macalester College.

The following members of the Senior Class having completed the full course of study were, on recommendation of the Faculty, granted the usual diploma:

| | |
|---|---|
| William James Creswell, | Nelvill Russell Miles, |
| William Brown Paterson, | Howell Smith Vincent. |

The past year was made notable by the completion of the first permanent building of the institution. This was erected without incurring debt, at a cost of $45,000. It has been occupied for the purposes of the Seminary since the first of November, 1902. It has rooms sufficient to accommodate forty students, as well as provision for Classrooms, Chapel, Library, Reception Room, Reading Room and offices, and is adequate for all present needs. While the property of the Seminary has advanced somewhat less than last year, we are pleased to be able to report the possession of funds and real estate worth $100,000.

The most urgent need at the present is for permanent endowment funds. An annual income of $10,000 is necessary to sustain the work and carry it forward on its present economical basis. This Seminary is not a local institution, but belongs to the whole Church, and its claim for consideration is similar to that which appeals to the Church for the support and enlargement of Home Missions. It is five hundred miles distant from any other seminary of the Presbyterian Church, and it is now doing for the region of country about it just such needed work as was done by our Seminary in Chicago in its earlier years, and which has had so large an influence in the growth of Presbyterianism in the States of the Central West. No man can fully estimate where the lapse of a like period will place this large territory, between the Mississippi and the Mountains, which is now so large a part of our Home Mission field.

We feel thankful to God and the friends He has raised up for us that we have made so encouraging a beginning, that we have a valuable property, including a convenient, suitable and creditable building, and that we have been enabled to keep out of debt and can say we owe nothing to any one.

We have sent out about seventy graduates who are laboring in various States of the West, and are glad to be represented also in India and Siam. Never in our history have so many urgent calls come to us for men whom we could not supply. We must believe that God, who calls men into the ministry, is pleased to do so by His blessing upon our fidelity in the use of means, and that a well equipped school where it is needed is a chief means of securing that increase of laborers for which we pray to the Lord of the harvest. We desire the sympathy and support of the General Assembly in enlisting the interest and securing the gifts of the Church for the purpose of establishing this important institution upon a lasting basis.

Signed by order of the Board of Directors,

MATTHEW B. LOWRIE, *President.*

### ABSTRACT OF THE ONE HUNDRED AND FIRST ANNUAL REPORT.

The Board of Home Missions herewith respectfully submits to the General Assembly the One Hundred and First Annual Report of its work:

The extension of the work has made necessary, in the judgment of the Board, the increase of the executive force by the election of another Assistant Secretary. Mr. John Willis Baer, so widely and favorably known

*Of the Presbytery of New York. †Of the Presbytery of Brooklyn. ‡Of the Presbytery of Newark. §Of the Presbytery of Westchester. ‖Of the Presbytery of Morris and Orange. **Of the Presbytery of Elizabeth. ††Of the Presbytery of St. Louis. ‡‡Of the Presbytery of Huntingdon.

as the Secretary of the Young People's Society of Christian Endeavor, was selected for this important position. He began his official duties on the 1st of October, and has been warmly welcomed in the office and heartily approved by the Church.

This has been a year of unusual evangelistic effort. Through the labors of the Evangelistic Committee many churches have been quickened, and many fields have had carefully planned services that could have had none but for the help of this Committee. We express again, therefore, our appreciation of this work and our purpose to co-operate with it to the fullest extent possible.

Another significant fact is that with the 1st of April two more Synods enter on the support of their own work. They are Wisconsin and Iowa. While this means for the present less than formerly for our treasury from those Synods, yet, by releasing the funds hitherto contributed to them, additional work in newer sections of the country may be taken up.

That the full work of home missions in all its unity may be presented to the Church, we publish in connection with this report statements of the work of the self-supporting Synods. The various plans of these Synods have their unity in equal loyalty to the general work of home missions, and their success along various lines is hailed by the Board with the liveliest satisfaction. It will welcome the tidings that other Synods are joining the same noble ranks and will co-operate with them to the full extent of its power.

Another fact of interest and value is the missionary campaign carried on this year, as last, in eastern Presbyteries, in conferences, conventions and individual churches. The needs and opportunities of the great home mission work have been presented by men from the field. There have been immediate results of quickened interest, and we believe an impulse has come from deepened knowledge, which will tell in the years to come. The missionary spirit waits only on missionary knowledge.

The Board has made a new departure in calling the Rev. Charles Stelzle, of the Markham Memorial Church of St. Louis, to a special mission to workingmen. The hold of the Church on this large and important element of the population is not what it should be. The past year has signally illustrated the power of the workingmen at any moment seriously to affect economic conditions. It is believed that only the gospel of Christ can solve the grave problem which is thus presented to the country.

The large reduction on the debt of the Presbyterian Building also calls for grateful recognition. The little that remains will, it is believed, soon disappear and that great building become a perennial and large source of income for home and foreign missions.

The following names are to be starred in Presbyterian history. They rest from their labors and their works do follow them. Not unattended have they entered into their honored rest:

Rev. S. Warner Curtis, Las Vegas, N. M.
Rev. Newton H. Bell, Minneapolis, Minn.
Mr. Frederick L. Moore, Juneau, Alaska.
Rev. Charles F. Graves, Shelton, Neb.
Rev. Thomas W. Perryman, Tulsa, I. T.

### EASTERN SYNODS.

The work of the Board in the East is limited to the Presbytery of Boston in the Synod of New York, whence cheering reports are sent by the Rev. James Todd, D.D., Presbyterial Missionary, and the Indians of New York, among whom, in consequence of the enforcement of the temperance laws of the State, encouraging spiritual results have attended the labors of our missionaries.

### SOUTHERN SYNODS.

The Synod of Atlantic, in which our two Presbyteries are East and South Florida, reports encouraging growth. The story from the southern seaboard is similar to that of our western fields. "Our manifest and imme-

diate needs are vigorous, consecrated and aggressive ministers and more money to sustain them. Pioneer work requires self-denial, and the indifference of the people to religion is discouraging."

Our mountain work in the Synods of Kentucky and Tennessee shows the same need as heretofore, with perhaps a larger degree of response and more evident spiritual results than heretofore. The educational and evangelistic features of this work are both strongly emphasized by those on the field.

### SYNODS OF THE NORTHWEST.

Grouping under this title the work in Minnesota, North and South Dakota and Montana, we find the past year characterized by increasing population of American families throughout the rural districts in these States. As a result, railroad lines have been projected and developed, towns have sprung up, and a demand has been occasioned for a larger force of missionary workers than previously served to carry the gospel to regions dependent upon our denomination for church privileges.

In Minnesota a new Presbytery was erected last year out of churches formerly in Duluth and Red River Presbyteries, and in honor of the Synodical Missionary the new Presbytery is called the Presbytery of Adams.

North Dakota also added one Presbytery to the roll—that of Mouse River. Twenty churches were organized in the North Dakota Synod last year, and in the last two years twelve have attained self-support.

South Dakota includes the Dakota Indian Presbytery, where the churches and gifts indicate the fruit of patient sowing on the part of our missionaries.

### SYNODS OF THE CENTRAL WEST.

Missouri, Kansas and Nebraska have held their own during the past year. Nebraska reports especially a year of financial prosperity, resulting, of course, in opportunity for more abundant church service. The foreigners in this general region are for the most part industrious and will make good citizens. According to the last census Nebraska has the least amount of illiteracy of any State in the Union.

In the Synod of Missouri the question of the foreigner becomes more problematic because of the presence of St. Louis and its suburbs. Missouri has appointed a Committee to report next fall on the advisability of adopting some such plan of self-support as is in operation in the independent Synods.

The last year in Kansas shows a loss of population, partly because of the consolidation of farms in the western part of the State, which were turned into cattle ranches, and partly by the drift of population to other regions; only eight per cent. is of foreign birth. The importance of our work in a State like Kansas is in that it furnishes feeders for centres of population elsewhere, quite as much as for the sake of the future of Kansas herself.

### SYNODS OF THE SOUTHWEST.

No other part of our country has developed more rapidly than that covered by the Synods of Indian Territory and Texas. The opening of lands for those who chose to take them has brought a greatly increased number of whites into the Territory of Oklahoma and Indian Territory; to the Kiowa country alone fully 100,000 went the last year. The population of the entire Synod is distributed as follows: 65,000 Indians, probably 40,000 freedmen and 7,000 whites; the latter is largely English-speaking except a small scattered German contingent; in the mining camps are a good many Italians. These Territories are in a transition period. The churches in both have made commendable progress during the year; two have become self-supporting and new fields are opening in every direction; now is the time for aggressive work.

Texas was second in the amount of railroad building in the United States last year, Oklahoma being first. Northwestern Texas added 300,000 to its population in the last five years. In the census of 1900 Texas led all the States in the number of her farms, and five-sixths of her area is not

under cultivation. A special memorial to the Board was presented by the Synod of Texas last fall, urging additional help to meet the emergency of the present.

The Synod of New Mexico is another large and important field, and includes the Territories of New Mexico and Arizona. It is characterized less by change of population than by the continuance of former urgent need. Many Mexicans and Indians are found in both of these Territories; to the Navajos two missionaries have been sent, one in northwestern New Mexico, the other in northeastern Arizona. This formative work is appealing because of the exceeding need to which it ministers. Still greater is the need amongst the Mojaves on the western border of Arizona, to whom the first missionary was commissioned in the closing days of the last year. Mention should be made of the well-established work among the Pima Indians, which continues responsive and enthusiastic.

Special mention should be made of the school for Mexican boys at Albuquerque and its training department for native evangelistic helpers under the supervision of the Rev. Henry C. Thomson, D.D. It promises richly for the future of Home Missions for our Spanish-speaking peoples.

### THE MOUNTAIN SYNODS.

Colorado covers the State of Colorado and most of Wyoming. The latter part of the field was erected into a new Presbytery last year. The low price of silver has depleted some communities, and the lack of educational opportunities has driven many to larger towns. The southern part of Colorado includes about 20,000 Mexicans and the camps show many Italians. Wyoming is at a time of critical importance and formative character. What is done there by our Church should be done quickly.

The name of the Synod of Utah stands for rich valleys, inexhaustible mines of coal, oil and gold, but, more than all, of a situation more difficult than that in any other part of our land. Conditions in Utah are not becoming easier nor less urgent. There are thirty-three towns, each with a population of more than five hundred, where the gospel has never been preached; there are one hundred and eighty-two towns and villages of less than five hundred that have never heard the gospel from the lips of any Christian minister. The hold of Mormonism upon Utah and its growth in the States and Territories around it are appalling. Its ungodly system of doctrine remains what it has ever been, and its claims to control the western States and Territories have not in the least abated.

### SYNODS OF THE WESTERN COAST.

The story of the past year on the Pacific coast has been one of progress, and the year closes with earnest calls for more ministers and more money to man fields. The population of the western coast is largely American, although all nationalities are found there. The material prosperity of the past year has attracted settlers, and our Church seems not to keep pace with the increasing population, yet strategic points are manned with earnest Presbyterian pastors.

In Washington the work among the Indians in Walla Walla and Spokane Presbyteries has continued to devolop, a new church having been organized and increasing interest shown.

In Oregon new fields have been occupied, new church buildings have been erected, and one church—the Westminster, in Portland—has become self-supporting. In this Synod the Indian work on the Umatilla Indian Reservation has shown special progress.

"There is a growing tendency towards federation in Oregon. The current year we have sent fraternal delegates to the M. E. Conference and the Congregational and Baptist Associations, and hope to meet other evangelical bodies in the same way in the interest of church comity and unity."

The Synod of California includes not only a thousand miles of sea-coast, but extends across the State of Nevada. Five churches in this Synod came to self-support last year. The national events of the recent years and the international movements which have thrown the whole coast into

prominence make advance work on the part of our Church not only an imperative obligation but a glorious opportunity. One of the new Presbyteries of the last year was formed from churches that had been included in the Presbytery of Los Angeles. This illustrates the ecclesiastical growth of the Synod. The city of Los Angeles, in which the Assembly meets, has already a population of 125,000, increasing more rapidly in proportion than any other city in the United States. San Francisco, at the Golden Gate, has the estimated population of 400,000, and is perhaps the most important Home Mission field in the United States because of the increase of population, because of the overwhelming foreign element, and because of the relation of that city to the Orient and Foreign Missions.

"A beneficent movement within the Synod worthy of attention is resulting in increased interest in not only the operation of local church finances, but in the larger work of both home and foreign missions. It is the Missionary Substitute Company. Having proved itself worthy of our appreciation in California, it is warmly commended to ministers of other Synods who are seeking for effective plans of systematic beneficence."

### ALASKA.

The conditions in southeastern Alaska continue much as indicated in our last report. The record tells of faithful work with good results. There are eleven centres, with thirteen organized churches, and the chief need here as elsewhere is strong, adaptable men to care for the peculiar conditions which are here present. Special mention should be made of the condition at Haines, where the establishing of a military post and increasing white population have created new conditions. The Board is establishing an industrial plant, which will be of value in teaching the Indians all necessary ways of civilization, enabling them to make the best use of the fertile land which waits for their cultivation.

In interior Alaska there have been marked changes. The Presbytery of the Yukon has added no organization to the list of churches, but earnest, self-sacrificing, fruitful work has been maintained.

At Eagle, our work is now in care of the Rev. and Mrs. Charles F. Ensign, who went from Sioux City, Ia., last summer, to relieve the Rev. and Mrs. James Wollaston Kirk, who were called to the States for a rest and to tell of their work. The sudden death of Mrs. Kirk, after inspiring services among our Eastern churches, deprived our Alaskan mission of a strong helper and sympathetic friend.

To Teller, on the western coast, the Rev. Hermann M. Hosack went last summer. Dr. Koonce is still holding the work at Rampart, and Point Barrow is manned as formerly by Dr. Marsh and his wife.

The general conditions in Alaska, both in the southern archipelago and in the interior, strongly invite increased missionary activity. There is no longer any doubt that the next few years will witness great development in this Territory. The expectation of sanguine Alaskans that there would be a large population in the interior is likely to be realized much more quickly than had been believed. Our Church is now easily at the front of the Alaskan work. We must not fail to keep pace with the advance of the population.

### PORTO RICO.

The past year in Porto Rico will ever be memorable for the erection of the Presbytery at Porto Rico, unique among our other Presbyteries because by common consent its deliberations are conducted and minutes kept in the Spanish language. Here our work is threefold: school, medical and church. The following figures show the present status of our missionary work in Porto Rico. At San Juan: four preaching places (two in the suburbs), two ministers, one native helper, two teachers, two medical missionaries. At Aguadilla: one minister, one native helper, one native Bible reader, two teachers. At Isabella: one minister, serving also Quebradillas and Jobos. At San Sebastian: a field ripe for the harvest and waiting for its appointed missionary. At Mayaguez: one minister, one

native helper, five teachers. At San German: one minister. This gives a total of eight ordained ministers, three native helpers—all of whom are students for the ministry under the Presbytery of Porto Rico—one native Bible reader, nine teachers and two medical missionaries.

### CUBA.

The past year has been a time of earnest, untiring effort on the part of our missionaries on this island. The Rev. J. Milton Greene, D.D., is our general superintendent there.

Twenty months of missionary work in Cuba show six regularly ordained Presbyterian ministers, an organized church in Havana, seven stations where services are held regularly each week, three regular Sabbath-schools, and about a thousand people reached by our missionaries and their services. We have also a mission day school with one teacher. Three of our Presbyterian ministers in Cuba are from the States, the others are natives of the island, ministering to their own people in their own tongue.

### LITERATURE DEPARTMENT.

Our Literature Department works along three lines: the sending to pastors monthly leaflets on the special topic of the month for free distribution among their people; the sending of leaflets concerning the different phases of the work in response to orders received; the sending of stereopticon lectures for use in home mission meetings. In addition to the foregoing, the Prayer Calendar is an important item in the literature of Home Missions. In the past year all these helps have been used in larger numbers than ever before. Notwithstanding the increased demand upon this department, unless pastors have depended upon their women's organizations to supply home mission information to their congregations, there are at least two thousand churches where our leaflets were not used last year.

### WOMAN'S BOARD.

In the twenty-four years of the work of the Woman's Board there have been organized as the outgrowth of their mission schools ninety-eight churches, an average of one every three months since the establishment of the first school. These schools, located among the un-Americanized and un-Christianized population of our country, reach out directly to the pupils who are receiving Christian training, and indirectly to thousands more.

The following field statistics tell eloquently the story of last year.

STATISTICAL REPORT OF THE MISSION SCHOOL DEPARTMENT.

* Of these, thirty-two are missionaries of the Board and twelve are native evangelists and interpreters, whose salaries are paid either in whole or in part by the Woman's Board.

### YOUNG PEOPLE'S DEPARTMENT.

The Young People's Department is not a separate organization, but an integral part of the home mission work of the Presbyterian Church. Its aim is to arouse and stimulate interest in home missions among Presbyterian young people. The Presbyterial Young People's Secretaries are furnished free (from the New York office) with all necessary help in literature and letters from the field. In addition to sending out information in this way, correspondence is carried on suggesting methods for local work. One of the new features of the year is the inauguration of the study class scheme, and books are now being prepared to meet the needs of classes organized for the investigation of home mission fields. Two Sabbaths were given to Home Missions by our Sabbath-schools, by order of the General Assembly. For this occasion special programs were prepared, and over 92,000 copies furnished on application. Requests for special objects from Sabbath-schools and Young People's Societies have increased, and in addition in most Synods the young people contribute to their "specials," including work of both missionary pastors and teachers.

### CONCLUSION.

The following facts deserve special notice:

1. The Board is endeavoring, according to the direction of the General Assembly, to secure on all home mission fields the observance of rules of comity laid down by the Assembly, and find an increasingly ready response to all such efforts.
2. During the past year, as never before, there has been thrust upon the attention of the Church and the country at large the claims of our foreign population. The Board proposes to advance in work for these people as rapidly as the liberality of the Church will justify, and makes appeal for special funds for this special service.
3. From all over the home mission field come earnest calls for men. It is a high standard our home mission churches are setting. No one conversant with the home mission field will say the standard is too high. We have many such men now. We need a great many more.
4. A compaign of inspiration and education, to which the Board is committed, will be most aggressively waged during the coming year. These plans and others will, it is hoped, bind the churches and the Board closer together in hearty co-operation, while God helps the Board and the churches to make America Christian.

The Rev. James S. Ramsey, D.D., on account of distance and consequent inability to attend regularly the meetings of the Board, resigned his membership, which was accepted with high appreciation of his services, and the Rev. Robert Mackenzie, D.D., was chosen to fill the unexpired term. The term of service of the following members expires with this General Assembly:

Respectfully submitted, by order of the Board,

CHARLES L. THOMPSON, *Secretary.*

The annual election of officers is held on the first stated meeting in June.

### ABSTRACT OF THE SIXTY-SIXTH ANNUAL REPORT.

It is worthy of note that a group of ministers, members of the New York Presbytery, assembled for prayer and conference, sent a letter of greeting, sympathy and helpful stimulus to all missionaries of the Board laboring in many lands.

The General Assembly's Committee on Evangelistic Work held a confer-

ence with the representatives of the Board during the year, at which plans were discussed and measures proposed for extending the influence of that Committee to all the missions of the Board.

The Joint Conference of the Mission Boards of the United States and Canada, at its annual meeting held in the city of New York in January, 1903, suggested that the week April 5–12, known as Holy Week, should be set apart by the churches for special prayer for the heathen world. This suggestion received the hearty endorsement of all the leading denominations, and hundreds of thousands of leaflets were circulated throughout the churches and thousands of prayers ascended for the evangelization of the world.

Mr. David McConaughey, appointed by the Board as the special representative of the Forward Movement, has urged as a special and essential condition of any real missionary advance, emphasis on the need of the deepening of the spiritual life and more earnest study of the Word of God. His work has been faithfully prosecuted along the lines thus laid down. Both churches and individuals, and also whole Presbyteries, have been led to make a distinct advance.

The serious and long-continued illness of Secretary Arthur J. Brown, so soon after his return from his visitation of the mission fields, called forth most earnest prayer for God's blessing upon him and upon the work to which he had given his life. These prayers have been answered and Dr. Brown has fully recovered.

The Rev. Thomas Marshall, D.D., Field Secretary of the Board, whose arduous labors take him to all parts of the land, in his carefully prepared reports sent monthly to the Board, makes frequent mention of the unusual evangelistic spirit manifest in the churches.

The additions on confession of faith to our mission churches during the past year indicate a great awakening. Five thousand two hundred and twenty-seven new members have been added to the roll. The previous year there were 5,241, this being the largest number with a single exception in any year of the Board's history.

A retrospective glance may be helpful. At the close of the first thirty years of the Board's work the membership of the native church was 765. In sixty years it amounted to 30,479. The Sixty-sixth Annual Report shows 46,540. In 1833 there were seven American missionaries under care of the Board. In 1863 there were 152 American missionaries and ninety-nine native workers. In 1903 there were 781 missionaries and 1988 native workers. These figures indicate a steady spiritual growth.

The Board to-day has 127 stations, 1402 out-stations, 764 schools, 27,370 pupils in schools, 38.342 Sunday-school scholars, 693 churches (312 of these are in Korea and it is scarcely proper to call them churches. They are rather groups of believers), 122 students for the ministry, ten printing presses which last year printed 107,938,713 pages, and ninety-one hospitals and dispensaries which treated during the year 290,103 patients.

The Women's Boards and Societies have during the year shown the same untiring industry, patient attention to details, unselfish service and fine executive ability which have characterized their work for so many years past. Their total receipts, including Young People's Societies, are $352,440.30.

One weak point in our foreign mission service is the work in the Sunday-schools. The total number of Sunday-schools in the Presbyterian Church is 7748, of this number only 1902 contributed directly to the Board last year. How many contributed through Women's Boards and Societies or directly through the offerings of the church the Board has not been able to ascertain. Special efforts are now being made to reach the Sunday-schools. We would call the attention of the Assembly to the need of more thorough instruction in the Sunday-schools regarding foreign missions.

At the last General Assembly Dr. T. H. P. Sailer was appointed to take charge of mission study classes and the general home educational work. Dr. Sailer is serving without pay, and has already shown himself thoroughly competent to grapple with the whole educational situation.

As Honorary Librarian, Mr. Grant has continued to render a most valu-

able personal service to the work and to the missionaries in ways which his official designation scarcely suggests.

The venerable Dr. James C. Hepburn, now fourscore and ten years of age, who went to China in 1840 and afterward was for so many years closely identified with our mission work in Japan as preacher, physician, translator and lexicographer, having presented to the Board twenty-nine volumes of "The Transactions of the Asiatic Society of Japan" and eight volumes of "The Transactions of the Japanese Society in London" and a number of copies of other important books, a hearty vote of thanks was tendered him by the Board. It is a fitting climax to his long and distinguished services for foreign missions that these volumes, representing the garnered literary treasures of years, should now become the property of the Board.

The Syria Mission having requested the Board to make overtures to the Government of the United States in order that the institutions carried on by American citizens in the Turkish Empire should receive from the Government of Turkey the same recognition granted to French and Russian citizens, the Board appointed a committee to coöperate with committees from other bodies carrying on work in the Turkish Empire. These several committees waited upon the President of the United States, and were very cordially and satisfactorily received.

Mention of the China Indemnity Fund and the Presbyterian Building will be found in full in the report of the Treasurer.

The Board has sent out to the foreign field this year 143 missionaries, sixty-four of whom were returning to their fields and seventy-nine were newly appointed. This is the largest number ever sent out in a single year. Even with the large reinforcements many fields are still needing workers. The Board has under appointment for the new year fifty-six new missionaries. The missionaries asked for exceed 200.

A glance at the various fields occupied by the missionaries of the Board is most encouraging.

Africa.—The additions to the African churches during the year were 126. The missionaries in Africa have taken heart. The Board is sending new missionaries and the work looks brighter than for many years. The marked event of the year was the organization of the new church at Elat. 855 persons crowded the church on the day of its organization. More than 400 persons have applied for church membership. The term of service between furloughs for the missionaries of West Africa has been reduced from five to four years.

China.—China is awakening. The Boxer outbreak in the providence of God did much to open the way for the preaching of the truth. Last year 1,282 were received into our Chinese churches as against 681 the previous year.

In the Canton Mission many buildings have been erected: the David Gregg Hospital for women and children, a training school for nurses, a women's medical college, the Forman Memorial Hospital at Yeung Kong, many new chapels in different parts of the mission, notably one at Shek-Lung and one for lepers at Canton.

The work in Hunan has progressed so rapidly that the missionaries are asking that a Presbytery be organized.

The output of the press at Shanghai is shown by the fact that during the year the Board loaned the press $13,500 gold to erect additional buildings to keep pace with the work.

At Chefoo 86,000 persons attended the chapel during the year.

The new college buildings at Wei Hsien, to which the Board appropriated $26,700, are to be built at once.

A new Paotingfu has arisen from the ashes of bloody Paotingfu. A hospital, church and missionary homes have been erected. The city church is crowded every Sunday. Converts multiply.

There are many perplexing problems yet to be solved in China, but the missionary outlook was never so bright.

India.—The recent census in India shows a total Christian population of 2,923,349. The Decennial Conference of Missions, representing all evan-

gelical bodies at work in India, held at Madras in December, issued a call for 9,000 new missionaries for India. At a special meeting of the Furrukhabad Mission, held in February, an appeal was sent out for seventy-five new missionaries. The Mission is located in a population of 7,500,000, scattered through 14,000 villages. The present missionary force is entirely inadequate to cope with the growing demands of the work. The additions in India, though not so large as last year, which was phenomenal, are very gratifying. 591 were added to the Church. The special need of India to-day is more missionaries. The harvest is ripe but the laborers are few.

JAPAN.—The most noteworthy political event of the year was the Anglo-Japanese Alliance, the first alliance of an Oriental and non-Christian nation with a European and Christian nation. The East Japan Mission is anxious to extend its work in co-operation with the Church of Christ to Formosa—the island ceded to Japan as the result of the Chinese-Japanese war. There are more than 46,000 Japanese on the Island of Formoso. The result of the gracious visitation of the Spirit, so manifest in Japan a year ago, continues. 606 were received on confession of faith in our East and West Japan Missions.

KOREA.—The additions on confession of faith in Korea this year were 970. They fall short of last year. The Seoul Station reported no increase, the increase being almost entirely from the Pyeng Yang Station. The number of catechumens received, however, is very large.

The great need of Korea to-day is the educational need. The Board made an appropriation of $4,657 for a boys' intermediate school in Seoul. Pyeng Yang Academy is now an established fact and is in a flourishing condition. New schools have been established all over the country. The Korean Christians are in need of such training.

More than 3,300 persons received Bible instruction in 107 special Bible classes during the year. Twenty-one new chapels were built by the contributions of the native Christians alone.

The Korea Mission is asking for the opening of several new stations. Reinforcements are greatly needed merely to keep pace with the providential openings.

MEXICO.—The growth of the Church in Mexico is evidenced by the rapid progress toward self-support. At least seventy-five of our churches contribute toward their own support, with monthly contributions from a few cents to over $100. Two churches, Torreon and Mexico City, are entirely self-supporting and that of Merida almost so. The latter gave last year, including building contributions, $3,289. The gifts were made to the following objects: Pastor's salary, rent, day schools, repairs, church buildings, lighting, home poor, presbytery, Bible Agency and missions.

The Mexico Home Mission Board, having thirteen congregations, is supported by the gifts of the native church. The Presbytery of Zacatecas increased its gifts last year some $2,000, making a total of $6,655.65.

The additions to the Mexico Church during the year were 333 as contrasted with 256 the year previous.

PERSIA.—Political conditions in Persia have not improved. Russia, in return for a number of loans, has been granted a practical mortgage upon the custom houses of the land. The Government has prohibited the importation of Bibles. The Board is co-operating with the American Bible Society in seeking to secure a removal of this prohibition.

On the other hand the educational work is advancing. The East Persia Mission would be glad to dream of making its Boys' School a rival in equipment and efficiency to the Syrian Protestant College or Robert College. No less than thirty schools have been established in Teheran during the last six years, but none of them of the character of this Mission School. High grade Moslems do not object to sending their boys to our schools.

The total additions on confession of faith in Persia for the year were 184 against 234 the previous year. The secret inquirers, however, are very many.

PHILIPPINES.—The additions in the Philippines this year have been 237 as against 299 last year, but this in no sense indicates the development of

the work, which has widely extended. The General Assembly will be asked by the Philippine Mission to organize a Presbytery in the Philippine Islands. The Board commends this request to the Assembly.

Mr. Rodgers, the senior missionary in the Philippines, made an extensive tour through Southern Luzon and found many promising fields for mission work. The Board ordered the opening of a new station at Laguna de Bay, an inland sea not far from Manila.

In Manila there are three organized Filipino churches and one American church, with five congregations in the suburbs. At Iloilo there is a Filipino church with regularly ordained elders and a goodly congregation. The hospital work there, under the efficient care of Dr. J. Andrew Hall, has proved a great blessing.

At Dumaguete the Silliman Institute is rapidly approaching completion; 114 students are now in attendance, two of whom confessed Christ. Through the efforts of Dr. W. H. Langheim, our medical missionary at Dumaguete, the cholera plague was stamped out. With the exception of the army surgeon and one Filipino surgeon (?) he is the only physician for 150,000 people in a territory of 1,700 square miles.

A new station was opened on the Island of Cebu. Five hundred copies of the first edition of the Gospel of Matthew, translated into the Cebuan language by Chaplain Randolph, of the United States Army, were sold in two days. The British and Foreign Bible Society published in July the entire New Testament in the Tagalog language.

The outlook in the Philippines, while clouded by perplexing problems arising out of peculiar conditions, political, economical and hygienic, is very hopeful.

Special contributions made by friends of evangelistic work have enabled the Rev. George F. Pentecost, D.D., to undertake a special evangelistic mission in the Philippines, China and Japan, working under the aupisces of the Missions of the Board in the Philippines and China, and in Japan under the auspices of the Presbyterian and Congregational Missions conjointly. The work thus far done in the Philippines and China has been of great value. The work in Japan has just begun.

SIAM AND LAOS.—The work in North Siam was somewhat disturbed by the uprising of the Shans. The rebellion was of short duration, however, and none of the missionaries suffered bodily harm.

The additions to the Siam and Laos Missions for the year were 253 as against 186 the previous year.

Sixteen Laos churches meet all their congregational expenses and build their own churches. They do home mission work in their respective parishes and foreign mission work in the French, British and Chinese Laos territories. The Laos people are advancing rapidly in civilization, but it has been due almost entirely to the work of the Presbyterian missionary.

CENTRAL AND SOUTH AMERICA.—The Mission work at Guatemala has been temporarily suspended by the withdrawal of the missionary families at Quezaltenango and Guatemala City. The Board has appointed new missionaries to take their places. Notwithstanding the troubled condition of affairs in Guatemala seventeen were added to the Church on confession of faith.

The missionaries at Caracas, Venezuela, have remained at their post during all the year. There has been no cessation of Gospel work. There have been some sound conversions and much hunger for God's Word.

The additions to the Central and Southern Brazil Missions during the year were 324; ninety-two were from the Central Brazil Mission, the largest number ever received during the history of the Mission. Two new stations were developed and much work undertaken in the interior. The Cachoeira Station in three years has grown from 30 to 153 members. Two Italian churches have been organized at Sao Paulo.

The Colombia Mission has suffered much from the disturbed political conditions during the year, and through the absence of missionaries on account of furloughs and sickness. There were only five additions on confession of faith. The unsettled state of affairs in this unhappy republic and the small number of missionary workers render this an unfruitful field. Reinforcements are sadly needed in Colombia.

In Chile the work of the Instituo Ingles has gone on with ever-increasing efficiency. This institution has become a great power in all Chile. It is gratifying to report that in the Chile Mission there were 132 additions on confession of faith, as compared to 100 a year ago.

SYRIA.—The emigration from Syria continues. Missionaries in Brazil speak of the large number of Syrians who have come to them during the year. This emigration seriously interferes with the development of self-support in the Syria Mission.

Mrs. George Wood has added to her already large gifts to Gerard Institute, at Sidon, a munificent gift amounting in money and in property to $70,000. This will greatly enlarge the work of the Institute and make it one of the foremost industrial plants in all our missions. Mrs. Wood, in addition to giving of her means, has given her heart and soul to this blessed work.

The additions to the Syria Mission during the year were 127, a somewhat smaller number than in the previous year. But the Mission reports a spirit of deep inquiry and special evangelistic services held in connection with the Syrian Protestant College.

CHINESE AND JAPANESE IN THE UNITED STATES.—The work among the Chinese on the Pacific Slope has been carried on as heretofore. Additions on confession of faith were thirty, as compared with thirty-six last year. The Chinese Christians in the United States have, as in previous years, contributed largely to the extension of the Gospel in the land from which they came. Rev. Hui Kin has had charge of the Chinese work in New York city, to which the Board contributes. It has made reasonable advance.

On the Pacific Coast there are 80,000 Japanese and in the State of California alone there are 50,000. Twenty Japanese were added to the First Japanese Church in San Francisco on confession of their faith, making the whole number received in this church up to the present time 350. In the Mission House at Salinas seven young men were baptized, and the first fruits have also been garnered in the recently organized Los Angeles Mission.

The ill-treatment received by these strangers from other lands at the hands of many of our fellow citizens should incite the Christian Church to redoubled efforts in their behalf.

MISSIONARIES WHO HAVE DIED IN 1902–1903.—

Rev. George W. Chamberlain, Central Brazil Mission; appointed 1866, died July 31, 1902.

Rev. William Bird, Syria Mission; appointed under the American Board, 1853; transferred to the Presbyterian Board 1870; died August 30, 1902.

Mrs. S. S. Murray, wife of the Rev. John Murray, of the West Shantung Mission; appointed 1876, reappointed 1896, died October 13, 1902.

Rev. T. T. Alexander, East Japan Mission; appointed 1877, died November 17, 1902.

Miss Christine Belz, Furrukhabad Mission; appointed 1863, died December 15, 1902.

Rev. Walter V. Johnson, Korea Mission; appointed 1902, died March 17, 1903.

Mrs. Walter V. Johnson, Korea Mission; appointed 1902, died January 13, 1903.

For the sixth successive year the Board reports no deficit. This result has been attained, however, only by reducing the requisitions of the Mission to the level of the contribution of the Church. The Missions are asking for fifty per cent. more for the present needs of the field than the Church is providing.

The Board has appropriated for the year 1903–1904, $975,000.

### Treasurer's Report.

Another year, the sixth in succession, has closed without a debt and the third in succession without the necessity arising for borrowing for the current work, So far as the records show, this is a longer period of prosperity than any which the Board has enjoyed in its history of seventy-two years. It is the more significant when it is considered that during this period of six years the Board has paid $35,000, the remnant of the last debt, and the appropriations have been increased nearly $250,000. This increase, however, barely brings the disbursements beyond those of ten years ago. In 1898 there were 696 missionaries under appointment, and 1776 native workers; in 1903 the number of missionaries commissioned and under appointment numbered 830; with nearly 2000 native workers. This affords a clear idea of the expansion of the work during the six years now ended.

The receipts from churches, Women's Societies, Sabbath-schools, Young People's Societies, individuals and legacies amounted to $1,049,840.

It is a matter of serious moment that these receipts show a decrease from last year.

It was only the increase from Young People's Societies, legacies and individuals that saved the Board from closing the year without a considerable debt.

The amount received from legacies was $164,096.88, an increase over the average of the preceding ten years of $62,479.23.

The receipts from individuals were $135,865.08, an increase of $21,155.92 over last year. While this is gratifying, it must be regretted that the number of individual contributors was 181 less than last year.

*Special Gift Agreements.*—The Special Gift Agreements on account of the regular work on which the Board pays an income during the life of the donors, now amounts $146,900, an increase during the year of $21,500. This is a form of gift that should commend itself to those who wish to have their money invested in this work, and yet who will require an assured income during life; there is no safer investment than this, for the guarantee is our great Church.

*Cable Code.*—The Foreign Mission Cable Code which for the past three years has been in preparation is now issued, and promises to be a most valuable assistant to the work of all the Foreign Missionary Societies of America.

*Chinese Indemnity Fund.*—Two installments of the Chinese Indemnity Fund have been paid, amounting to $40,354.50. The next installment is due July 1 and the final installment January 1, 1904. The relations of the Board with the government since the trying Boxer outbreak have been most amicable.

*The Board's Foreign Property.*—Great enterprise and skill, as well as wisdom, have been manifested in the building operations in North China and Korea. The new buildings at Peking, Paotingfu and Wei Hsien are about completed. It is confidently expected that this substantial construction will result in a material saving in the annual expenditure for repairs. The Board has authorized an expenditure of $26,000 for the buildings of the Shantung College at Wei Hsien. These are now well under way. It is hoped that some generous church or individual will be led to furnish the money for this wonderful institution.

Interesting and impressive ceremonies attended the laying of the corner-stone of the Severance Hospital at Seoul. This splendid adjunct of the work in Korea will doubtless be in operation in the early fall. The sale of the Chong Dong property to the King was delayed for nearly a year, but on the return of Dr. Underwood negotiations were once more begun, and the King has provided a suitable site for the new mission buildings adjoining that of the hospital. The amount of money paid by the King will amply cover all expenses of this improvement.

The Press in Mexico City is now housed in the property owned by the Board, and the perigrinations of that institution have doubtless forever ceased.

*Field Treasurers.*—The consolidation of Station Treasurers into one Mis-

sion Treasurer, as effected in the Western India, the Mexico and the Laos Missions, has proved in every respect satisfactory, and it is gratifying to the Board that the North India and other missions are likely to adopt this method during the coming year.

*The Finance Committee.*—To this Committee has been committed an increasing number of important matters regarding the financial interests of the Board. These have received as serious, and possibly more serious, consideration than had the matters concerned the individual interests of the members. The Board and the Church are truly indebted to the gentlemen comprising this Committee for their self-sacrificing and faithful work.

*Expenses.*—An analysis of the expenses for the year will be found in Schedule 5. This disproves the threadbare assertion of extravagance in the management of Church Boards. The percentages of disbursements in New York to the total sum received are as follows:

|---|---|
| Administrative expenses, | 4.33 per cent. |

### ABSTRACT OF EIGHTY-FOURTH ANNUAL REPORT.

The Board of Education respectfully report to the General Assembly that they began the year with a cash balance in bank of $1,387.10; that they have received in the course of the year $74,582.43, of which $49.051.31 came from churches, Sabbath-schools, Young People's Societies and individuals, being a total increase of $8,056.70 as compared with the previous year. The Board have paid out to students $59,859.65, being $10.803.34 more than the total receipts from the sources just mentioned. Fortunately the amount received from legacies and other sources has been sufficient to enable them to make up the deficiency and to put $7,000 into the Reserve Fund, which is kept for exigencies.

The fact that the Board are under no expense for rent, light or fuel, and the further fact that the office force is small, made possible the carrying on of all the work at a cost for administration of only $7,537.40.

CANDIDATES.—The total number of candidates enrolled under the care of the Board during the year is 612, of whom 177 are new candidates and 435 are candidates who have been under the care of the Board in previous years. Last year the Board were enabled to report an increase of thirteen in the number of new candidates. This year there is an increase of thirty-seven. Last year seventy-seven colored men were enrolled, and this year eighty-two. Last year there were thirty candidates under care of the Board in the two institutions for Germans, and four in the Menaul School for Spanish-speaking students. This year twenty-eight are in the German schools and seven in the Menaul School. The problem of finding suitable candidates for the ministry needed for the work among the tens of thousands of Bohemians, Slovaks, Magyars, Italians, Russians, Syrians and other foreigners is proving itself to be one of great perplexity, as well as of the greatest interest and importance. The General Assembly appointed a Committee of nine persons, with the Stated Clerk of the Assembly as Chairman, to take the subject into consideration, and gave them authority to correspond with the Reformed Church of Hungary. The Committee were also directed to suggest plans whereby the Board of Education and the theological seminaries of our Church may prepare young men of foreign blood for work among the people whom they represent, and in places where missions may be established among them in our country. The Board have given every assurance to the Assembly's Committee that they are ready now, as

in the past, to do everything practicable to assist in the work of preparing laborers, and that they are expressly authorized to make some exceptions in the administration of the funds committed to them in favor of candidates preparing for this particular work. A few men, at rare intervals, may come over from Europe who are in sympathy with our religious convictions, and who may be depended upon for efficient help, but even these will need a period of longer or shorter instruction in an American theological school; and the main dependence will have to be put upon young men raised up from among the congregations gathered in this country. Some of these may be set apart for a long course of thorough training that they may become competent ministers, and some of them may be set to work at once, working among their countrymen as colporteurs during the day, and fitting themselves for improved service by studying at night.

*German Candidates.*—The Board regret to state that there is a slight decrease in the number of German candidates. The labors of German Presbyterian ministers have been of a very encouraging character, and we can hardly exaggerate the importance of the work which they are called upon to do. Most of the students in our two German theological schools are assisted through their whole course by the scholarships of the Board of Education.

*Negro Candidates.*—There is an increase of five in the number of negroes enrolled this year. The Board have endeavored, of late years, to put the colored candidates as nearly as possible on the same plane with the white men, reserving assistance to the time when they are ready for college, where they are expected to take the full course. Under existing circumstances it has not seemed possible to pursue the same policy with Germans and Mexicans.

*Mexican Candidates.*—These candidates have been under instruction until recently at the Presbyterian College of the Southwest at Del Norte. The abandonment of that institution, it was feared, might interrupt a work which seemed to be of much importance. The preparation of candidates has been transferred to the school at Albuquerque, and seven promising men are pursuing their studies at that institution.

*Indian Candidates* continue to be very scarce. This season the Board have to report but one Indian candidate under their care. On the other hand, sometimes, as happened last summer, our candidates, in the course of their vacation mission work, can do something for the Indians whose camps they find in the territory.

Two candidates were dropped from the roll in the course of the year, according to rule, on account of their having married.

The Corresponding Secretary has met many of the candidates personally in his visits to the institutions in which they are getting their collegiate and theological education, and has used his influence thus, and in an extensive correspondence, to stimulate them to holiness of living, devotion to study and a self-denying zeal in the service of the Saviour.

The Committee on the Board, as appointed by the last Assembly, called particular attention to the necessity of making immediate preparations for the enlarged work which the Church must take in hand in this crisis, in view of amazingly increased opportunities, which must necessarily involve a very largely increased expenditure of money and a very largely increased force of men. It is interesting to find, following this expression of the Assembly, that the Furrukhabad Mission in India, at a recent meeting, have issued an earnest call for a reinforcement of thirty-nine men, either married or single, and thirty-six unmarried women, for that mission alone, and are asking that one-third of the number be sent out next fall.

THE COLLEGE CURRICULUM.—The Board have had printed a number of copies of the Special Report made to the last Assembly on the subject of the college curriculum, in reply to the Cairo Overture on this subject. This Report contains a scheme of college studies which may well serve as a guide to candidates who wish assistance in making their elections, as allowed under the prevailing conditions at most of the colleges. The same is sent, as occasion demands, to Chairmen of Education Committees and others, as a guide to them in keeping an oversight of the studies of our candidates.

Much discussion continues with regard to the question of a shortened

college course. It seems to be the opinion of educators competent to judge that, in view of the lengthened course in such professional schools as that of medicine, and for other considerations, the shortened course will surely become the rule, so that candidates for the profession may combine the last year in college with the first year in the professional school. Thus far our candidates for the ministry have shown, on the whole, a commendable disposition to comply with the old requirement of a four-years' college course.

The Board are able to report that 384 or sixty-three per cent. of the whole number of men under their care during the year, have been marked high, or above medium, in scholarship, and a number have won distinction and borne off prizes offered for competition.

THE DAY OF PRAYER FOR COLLEGES.—The Board have continued their efforts to revive interest in the Day of Prayer for Colleges. They have issued and widely circulated an attractive leaflet, giving the history of the Day of Prayer and indicating some of the blessed fruits which have come from its observance.

The Board recommend that the General Assembly appoint the last Thursday of January, 1904, as a day in which united prayer may be offered for the conversion of students in the schools and colleges of our land for the inclining of many of them to offer themselves for the holy ministry, and for the blessing of God upon all college presidents and professors and teachers, that their great influence may be exerted for the religious, as well as the intellectual, benefit of the pupils under their care. They also repeat the request made last year that the ministers of our Church be asked to be diligent in calling the attention of their people to the need of such prayers as these, and that they take advantage of the opportunity to preach sermons upon the subject of the ministry.

LONG AND VALUABLE SERVICE.—The Board cannot close this Report without calling the attention of the General Assembly to the conclusion of a term of thirty years of faithful labor in the service of the Board on the part of Jacob Wilson, their present Recording Secretary and Treasurer.

Respectfully submitted,

EDWARD B. HODGE, *Corresponding Secretary.*

## Abstract of the Sixty-fifth Annual Report.

*April 1, 1902, to March 31, 1903.*

## *SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.*

### I. MISSIONARY WORK.

This work has been prosecuted within the bounds of 25 Synods and 93 Presbyteries, located in 32 States and Territories, and also in the city of Havana, Cuba. It has now in the home field 14 Synodical and 93 Presbyterial missionaries, who, together with the 1 missionary in Cuba, make a total of 108—an increase of 11 over the number in commission April 1, 1902. The labors of our missionaries have been highly successful. There were organized 1047 new Sabbath-schools, and reorganized 363—1410 in all—with an aggregate membership of 44,623 scholars and 4876 teachers—total, 49,499.

During the year 155 missionaries, including 42 summer missionaries, were on the field for longer or shorter periods.

The churches organized during the calendar year 1902 from schools

established by our missionaries were 71; of which 55 were Presbyterian, with 889 members.

The number of Sabbath-schools visited was 4899, of families visited 113,943, and of public addresses delivered by the missionaries 16,595. Of tracts and periodicals 1,571,778 pages were distributed by the missionaries, and 6,706,234 pages in grants to needy schools by the Missionary Committee. Of volumes 3735 were given away by the missionaries and 11,510 distributed by grants—total, 15,245 volumes. Of Bibles and Testaments 4508 were distributed, and 422 volumes were sold by the missionaries. 1704 cases of hopeful conversion came under observation, and the missionaries in the performance of their varied duties traveled 793,812 miles.

## II. EDUCATIONAL WORK.

This function of the Sabbath-school and Missionary Department has relation, not to the establishment of new schools by missionary effort in the spiritually destitute portion of our country, but to the increase of membership in existing schools throughout the land, and the improvement of modes of instruction and training.

*Increase of Membership.*—The Department has labored, by issuing circulars, leaflets and appeals, to stimulate our schools to increase their membership; to such effort is the purpose of Rally Day. It has striven to lead every school to bring together all its members as soon as practicable after the summer vacation. This effort is also accompanied by another to induce every school to begin its autumn work with a strenuous campaign for new scholars. Nearly two thousand of our schools, according to reports, have responded to these efforts.

*Children's Day and Rally Day.*—To the celebration of these great festal days a large proportion of the offerings to Presbyterian Sabbath-school Missions is to be credited. From these two festivals last year the amount received by this Board was in excess of $60,000. Should these offerings cease the Board would be compelled to withdraw one-half of our Sabbath-school missionaries from the field. But while in the providence of God it has been over-ruled that both of these festivals should be turned to great pecuniary account for the benefit of our Missionary Fund, it should not be forgotten that the primary object of their establishment was the training of the children in the active service of Christ and in the grace of Christian charity.

*Doctrinal Instruction.*—The instruction of the Church's youth in the fundamental truths of the Bible and of the Reformed faith is one of the vital interests for which this Board has stood in all its history. Upon this it has insisted in all its publications and in all its organized work. It has endeavored to educate parents and Sabbath-school workers in teaching the Shorter Catechism to the children. Since 1887 the Board has presented to Sabbath-school scholars for reciting the Shorter Catechism 23,869 Bibles, and the offer is continued. The number of Bibles awarded last year was 1028.

*Teacher Training.*—Within two years the Board has inaugurated a successful movement for the more thorough preparation of Sabbath-school teachers. The object of the movement is twofold: the training of teachers and the promotion of broader Bible study by those who are intelligent and studious. The method is that of organizing and conducting a Normal Department in every school thereof, composed of the more earnest young people. The number of Normal Departments thus organized is about 1000, with about 15,000 members. We have assurances that the Board has rendered a valuable service by devising this movement, and by furnishing it with the *Westminster Normal Quarterly*, containing a course of Bible lessons adapted to the highest grade.

*Graded Lessons.*—There are many who suppose that this Board insists upon one course of lessons for all grades in our schools. The supposition is without foundation. The Board does, indeed, follow the International

System of uniform lessons, but that system itself provides two courses—one, the regular International Lesson; the other, a course which may be substituted for those Lessons in the Primary Departments. In addition to these two, the Board offers to all Sabbath-schools two other courses, which include:

I. Lessons upon the Scripture selections of the regular International Course.

II. Lessons upon the Beginners' Course for little children, and also for all Primary Departments that desire them.

III. The Westminster System of Graded Supplemental Lessons, providing passages of Scripture, selections of hymns and other material to be memorized and mastered.

IV. The Normal Course of Lessons, as already stated.

*Primary Department Work.*—Increased interest has been manifested in the religious training of the younger scholars. Since the adoption of the Graded Supplemental Lessons, new departments have been formed, and scholars have been encouraged to study the Supplemental Lessons. In many schools Promotion Services have become an interesting feature of Children's Day. The Cradle Roll is proving effective, and from the Primary Department is being formed the Beginners' and the Junior Departments, where once it was thought impossible to properly grade the younger children.

The Board has met the wants of these new departments by publishing everything needful to fully equip them for their work. Helpful material can be found at all the Depositories.

### III. GRANTS OF THE DEPARTMENT.

Grants amounting in value to $8,184.89 were made, as follows:

| | |
|---|---|
| Periodicals, books and tracts to churches, Sabbath-schools and individuals, | $7,204 64 |
| Catechism Bibles, | 780 25 |
| To aid in the publication of religious literature for our "foreign population," | 200 00 |
| | $8,184 89 |

Contributions to the amount of $1,792.50 were made to aid in the erection of chapels and other special objects, when such appropriations were specially designated by the contributing individuals and churches.

### IV. RECEIPTS AND EXPENSES.

The receipts of the year covered by this Report (including the balance of $45,268.02 reported last year) amounted to $189,899.33. The expenses were $148,502.34, leaving a balance of $41,396.99 (see Treasurer's Report). From this should be subtracted $11,168.43, being the amount of salaries and expenses then due, leaving a net balance at the close of the year of $30,228.56. It should be noted that of this net balance the sum of $1,738 was the unappropriated portion of $3,063.18 that had been contributed for the specific purpose of erecting chapels; and also that the contribution of $19,676.09 from the Business Department was not credited to this department until the last day of the fiscal year, so that the absolute balance on the morning of that day available for missionary purposes amounted to only $8,814.47, a sum more than $3,500 less than the average monthly expenditure of last year.

Our missionaries also bring all classes of our publications to the notice of those who dwell in missionary districts.

The sales for the year in books and tracts were $242,621.28. This amount, as it includes credit sales, does not agree with the Treasurer's account, which account exhibits only cash received. The amount received during the year for the sale of periodicals was $315,368.53.

## OVERTURE OF THE PRESBYTERY OF PHILADELPHIA ON THE INDEBTEDNESS OF THE WITHERSPOON BUILDING.*

The Presbytery of Philadelphia overtures your venerable body in regard to the indebtedness resting upon the Witherspoon Building, Philadelphia, and as follows:

The Witherspoon Building is the property of the Presbyterian Church in the U. S. A., and is held in trust and managed for the Church by the Trustees of the Presbyterian Board of Publication and Sabbath-school Work. It is in every respect a well-appointed and commodious edifice, and its management has been highly efficient and successful.

This Presbytery has accurate knowledge respecting the building, and in its judgment the time has come when there should be a widespread effort, under the leadership of the General Assembly, for the discharge of the indebtedness thereon. The mortgage debt amounts to $470,000. The building has an estimated value of $1,200,000. The reasons why the Church should earnestly endeavor to discharge this mortgage, concisely stated, are the following:

1. The Witherspoon Building is the property of the Church as a denomination. Not only this Presbytery but all the Presbyteries have an interest therein.

2. The Board of Publication and Sabbath-school Work is an agency of the whole Church. It is impossible to estimate, in money, the good which has been accomplished for the Church through the work of the Board from its first establishment in 1838. This is true both as to the literature published by the Board, and as to the work of its Sabbath-school department. The work done has inured to the benefit of the entire Church.

3. The indebtedness represents the value of those parts of the Building which are devoted rent-free to benevolent and missionary church uses. The space thus allotted, without any charge for either rent or management, is of the annual value of $27,440, while the interest upon the mortgage of $470,000, at five per cent. per annum, amounts to $23,500. The free space in the building is occupied by the Missionary department of the Board of Publication and Sabbath-school Work, the Boards of Education and Ministerial Relief, the office of the Stated Clerk of the General Assembly, the Presbyterian Historical Society, the Woman's Foreign Missionary Society of the Presbyterian Church, the Home Missionary Society of the Presbytery of Philadelphia, and the Evangelistic Committee of Presbytery. In addition, this Presbytery uses the smaller auditorium in the Witherspoon Building for its sessions, and other adjoining Presbyteries have, whenever desired, received the same courtesy. An appeal, therefore, for the discharge of this indebtedness is an appeal to all the friends of the causes above mentioned.

4. The discharge of this indebtedness will add considerably to the sums of money to be each year expended upon Sabbath-school missionary work.

* See for action of Assembly, p. 99.

The Board of Publication and Sabbath-school Work has for years, under the direction of the General Assembly, appropriated two-thirds of its profits from business operations to the Sabbath-school department. This has been done because of the great importance of Sabbath-school work both to the Church and to the Nation. To discharge the indebtedness resting upon the building would therefore be to give two-thirds of the cost of carrying the debt—about $15,000—each year to Sabbath-school work, in addition to the sums now given.

The Presbytery of Philadelphia therefore respectfully requests the General Assemby to adopt the following or similar resolutions:

*Resolved*, 1. That a Special Committee of five ministers and five elders be appointed by the Moderator for the purpose of securing contributions for the discharge of the indebtedness resting upon the Witherspoon Building, Philadelphia.

*Resolved*, 2. That this Committee shall coöperate with the Business Committee of the Board of Publication, of which Mr. John H. Converse is the Chairman, and that any and all action taken in connection with the discharge of the mortgage upon the Witherspoon Building be the result of joint action by these two Committees.

*Resolved*, 3. That the expenses of the undertaking shall be provided for either by private subscription or from contributions made for the discharge of the indebtedness.

### ABSTRACT OF THIRTY-THIRD ANNUAL REPORT.

First of all, the Board is called upon to record with deep sorrow the loss of one of its most valued members, the Rev. Charles T. Haley, D.D., who for twenty years has given wise counsel and faithful service to this work, in which he was greatly interested. His death occurred upon the 15th of March of the present year.

### APPLICATIONS.

The advance in church building, which was so manifest in the preceding year, still continues. In the Report a year ago, it was stated that the applications in number and in the amount desired were larger than for any one of the ten years immediately preceding. That large demand has, however, been exceeded during the year now to be reported, for while the total number of applications in all departments was less by nine, the amount asked was $14,573 greater. The applications numbered 268 and the aggregate amount was $246,626.50.

Of the 268 applications above mentioned 150 were to the General Fund, 131 being for grants, 15 for loans and 4 for both grants and loans; 29 were for loans from the Loan Fund; 64 for loans and 4 for grants from the Manse Fund; 21 for loans for manses from the Raynolds Fund, and 1 for a grant from the Barber Fund for colored churches.

APPROPRIATIONS.

1. *The General Fund.*—This Fund represents, more specifically than any other, the form of missionary work which the Board was organized to accomplish. As a systematic method of aiding young churches, it was first organized by the General Assembly of 1844. The contributions of churches are all devoted to the General Fund, and are annually redistributed in the form of actual grants or small loans without interest to churches which may properly be called feeble, and which usually are in their infancy.

From this Fund, during the past year, 134 appropriations have been made to 131 different churches, aggregating in amount $76,702—a result both in the number of churches and in amount considerably smaller than in the year previous, which was far beyond the average. It would seem, as will appear later, that more churches than in former years are turning to the Loan Fund in preference to asking for grants. Of the above appropriations 117 were grants to the amount of $69,252, and 17 were loans aggregating $7450, but as in three instances grants and loans were made to the same church, the number of different congregations aided was as stated above, 131.

In addition special gifts, aggregating $1,066.94, have been sent through the Board to 8 churches, of which 5 are not included in the above statement. The total outcome from the General Fund is, therefore, 136 churches aided to the extent of $77,768.94.

2. *The Loan Fund.*—During the past year 24 loans were promised, aggre-

gating $71,700, a sum much larger than in any previous year, and larger indeed than the conditions of the fund will ordinarily permit, but which was made possible because during several preceding years the demand was below the annual allotment. It will be seen that the average amount of these loans was a little less than $3,000.

3. *The Manse Fund.*—The applications to this fund have steadily increased, although this year slightly smaller than during the year before. The number of churches, however, to which appropriations were made was exactly the same.

There were 56 loans, aggregating $26,025, and four grants to the amount of $882.50, but as one church received both loan and grant the number of churches aided was 59. These loans are to be repaid without interest in installments, running through from three to five years. Usually the amount of installment is less than would be the annual rental otherwise necessary.

4. *The Raynolds Fund.*—From this fund loans are also made to aid in the building of manses, but under conditions permitting of larger amounts and a longer term of years for repayment. By the terms of the bequest upon which it is founded, interest at a low rate is charged. The fund, in fact, bears very much the same relation to the original Manse Fund that our Loan Fund for churches does to the General Fund from which grants are made. There have been promised 20 loans aggregating $18,100.

5. *The Barber Fund.*—From this fund, which is to be used specifically for congregations of colored people not under the charge of the Board of Missions for Freedmen, there has been one grant of $800. Attention may with propriety be specially called to this fund. There are in almost all of our cities, and in many of the larger towns at the North, congregations of colored people connected with our Church who must be in some way provided for. In many cases they meet only in halls or hired edifices. There may be cases where they would be encouraged to make a special effort to secure a church home for the congregation or a manse for the pastor were they aware of this liberal provision for their assistance.

## SUMMARY.

Summing up the work of the different departments we find, that while the total does not quite equal the phenomenal advance made in the preceding year, it is yet much above the average of the last decade.

The total number of appropriations, either grants or loans, was 239 to 228 different churches, and the amount thus appropriated was $194,209.50, which is less than last year by 23 in the number of churches and $8,059.50 in amount. Adding special gifts amounting to $1,066.94 to 8 churches, of which 5 were not otherwise aided, we have as a total result $195,276.44 appropriated to 233 churches. These appropriations have been distributed through 39 States and Territories, including Porto Rico, and among 118 Presbyteries.

During the year there have been reported as completed without debt 221 churches and manses, the aggregate value of which is computed as not less than $886,902. The total receipts in all departments were $228,109.71, and the disbursements $226,240.79.

At the present time, in addition to the funds invested in the ordinary business ways and other funds subject to life annuities to the donors, which like several others of the Boards it holds, the Board has three loan funds from which and from its General Fund loans to the amount of nearly $400,000 are distributed among more than 550 different churches. In addition, the Board, by a wise provision of the Assembly, holds a mortgage upon every church to which a grant has been made. As a result, at the present time, the Board holds approximately 4,500 such mortgages, aggregating $2,600,000; and as for one reason or another, usually quite justifiable, a certain percentage of these churches fail to survive, the care of these contingent interests is a part of the Board's work which calls for constant watchful care.

If in addition it is remembered that insurance against fire is held by the Board upon every property which it has aided, either by grant or loan, the

complex and many-sided character of the Board's work will be more clearly appreciated.

As against the very considerable (probably 50 per cent.) added expense in maintaining these departments of the Board's activity, it may be stated that through them there is annually recovered by the Board an amount which otherwise would have been lost, which not only fully balances the additional expenditures, but very nearly meets all the cost of administration.

THE COMING YEAR.

It is still necessary again to appeal to the churches to remember their responsibility to the infant and feeble congregations which their Home Missionary Board under their direction is constantly organizing. New fields are opening in every direction. Alaska in the far northwest is developing into a rich and fruitful empire, and off our southeast coast Porto Rico and Cuba are gladly welcoming our American missionaries. In the meantime our great central and western States are becoming each year more populous and more promising in their social and religious condition. Scorses of new and ambitious villages and towns are springing up, into which the Gospel must be carried if they are to become centres of Christian influence; but the foundations of these new and vigorous communities will not be firmly laid in righteousness and truth unless, in addition to the preaching of the Gospel, there be planted and maintained permanent congregations of God's people, and not one of these can exert effectively its saving influence unless it is successful in providing an appropriate temple to God, a house in which to sound His praises, to offer the sacrifice of prayer and to preach the Gospel of His Son.

It is this triumphant work that the Board of Church Erection would aid, and it is for this that it asks of the congregations of our advancing Church a support more in consonance with their growing wealth than has ever as yet been accorded.

### Abstract of the Forty-eighth Annual Report.

#### ROLL.

We have had upon our roll for the year ending March 31, 1903, 903 names: 379 ministers, 467 widows, 34 orphan families, 1 medical missionary and 1 widow of a medical missionary; 7 women missionaries and 14 guests in the Home at Perth Amboy, N. J. The average amount paid to ministers on the Honorably Retired Roll was $288.12. Some ministers on the Honorably Retired Roll did not ask for the full amount to which an honorably retired minister is entitled when in need. The amount paid to honorably retired ministers the past year was $46,675. In 1889 the rule was adopted allowing ministers who are 70 years of age and who have been 30 years in active service in the ministry of our Church to be placed on the Honorably Retired Roll of the Board, to be granted, without being annually renewed, an annuity of $300, when they certify that they need that amount. Since then 306 ministers have availed themselves of this privilege. 23 names have been added to this roll during the past year; 14 ministers whose names were on this roll have died during the year. During the past year we have had 162 honorably retired ministers on the roll, and their average age has been 77.8 years, and their average active service has been 44 years. 38 of these men were over 80 years of age, and 13 of them were over 90. Whilst the average amount paid annuitants on the Honorably Retired Roll was $288.12, the average amount paid annuitants not on the Honorably Retired Roll was only $185, and the average amount paid to widows having no one dependent on them was $153.

During the past year we have added 83 new names to the Roll of Annuitants: 45 ministers, 36 widows, 1 woman missionary and 1 guest at the Westminster House. 54 of those who were on the roll have died during the year: 34 ministers, 20 widows. One of those who died during the year was a guest at the Westminster House at Perth Amboy, N. J.

#### COMPARATIVE RECEIPTS FOR THE YEARS 1901–1902 AND 1902–1903 (NOT INCLUDING RECEIPTS FOR THE PERMANENT FUND).

| | 1901–1902. | 1902–1903. |
|---|---|---|
| Contributions from Churches and Sabbath Schools, | $89,400 90 | $89,929 56 |
| Contributions from Individuals, | 10,173 08 | 17,863 27 |
| Interest from Permanent Fund, | 66,335 39 | 69,992 70 |
| Interest from Special Funds held by the Synod of Ohio and other Trustees, | 1,456 93 | 591 64 |
| Unrestricted Legacies, | 26,082 08 | 53,938 42 |
| | $193,448 38 | $232,315 59 |

We have received during the past year collections from 4,364 churches. This is the largest number of contributing churches we have ever had in any year since the organization of the Board. 3,257 churches have failed to send any contributions to this hallowed cause during the year. The non-contributing churches are nearly all our non-self-sustaining churches.

Besides the cash contributions to the Board from churches and individuals, the Ladies' Aid Societies of our Church have sent to families on our roll gifts of money and boxes of clothing and groceries amounting to the value of $6,609.67.

### COST OF ADMINISTRATION.

The members of the Board of Relief have endeavored to administer the trust committed to them as economically as it can be administered consistent with efficiency, and during the past year the cost of administration has been but 4¼ per cent. of the receipts of the Board.

### ENCOURAGEMENT.

The Board of Relief is most happy in being able to report to the General Assembly that it has been able to pay to the 903 families on the roll the usual average payments and to close the year ending March 31 free from debt.

The Board is greatly gratified to be able to report that there are unmistakable evidences, in the action of Presbyteries and Synods and in our voluminous correspondence, that the sacred cause of Ministerial Relief is taking a deeper hold upon the hearts of our people, and that the Church is waking up to a better realization of the imperative obligation she is under to the aged men who constitute the old guard of the King's army.

### THE INCREASING MAGNITUDE OF THE WORK.

The number of families upon the roll is steadily increasing every decade.

Our roll shows that the average yearly increase during the first decade after the reunion of the Church in 1869 was 52, and the average number of deaths during that decade was 18; in the next decade the average number of new cases received each year was 68, and the average number of deaths 31; during the next decade the average yearly increase was 98, and the average number of deaths was 46, and the roll increased from 264 in 1869–1870 to 931 in 1900–1901. Since that year the roll decreased to 906 in 1901–1902, and to 903 in 1902–1903, but this decrease has been occasioned more by the large number of deaths during the last three years than by a decrease in the number of new cases. During the last three years there have been 178 deaths. Thus the figures show that decade after decade the treasury of the Board has steadily increasing demands made upon it, and there must, therefore, necessarily be steadily increasing contributions from the churches to enable the Board to meet the demands the Presbyteries are making for those under their care.

### "RELIEF AND SUPPORT."

Our charter calls this Board "A Board of Ministerial Relief," and defines the purpose of its organization and incorporation to be "to receive, hold and disburse such real and personal estate as may be given to it for the RELIEF AND SUPPORT of disabled ministers and the needy widows and orphans of deceased ministers" of the Presbyterian Church.

The Church has in a tender and loving way met the first part of the purpose of the organization of this Board, which is to relieve the distress existing in many ministerial households, but she has not yet reached the higher standard of duty to her disabled servants and their dependent families which she has set for herself, namely, not only their "relief," but also their "SUPPORT."

The oldest life insurance company in the United States received its charter from the Penns in colonial days for this purpose, but after ninety years

of trial it was found that many ministers were utterly unable to buy the insurance necessary to keep them and their families from actual want in their old days, and the Relief Fund was organized.

Time and time again men in our own Church and men in other Churches in this country have tried to improve on the old colonial plan, or to originate some new plan to meet the exigencies of the case, but no workable plan has yet been devised. With 4,200 non-self-supporting churches on the roll of the General Assembly, and with about 1,200 ministers each year without pastoral charges, there will unavoidably be a large number of ministers who will be absolutely unable to provide for their old days by any system of insurance which can be devised requiring ministers to pay the necessary premiums to secure such provision.

### THE SITUATION.

About 60 of our churches contribute to Ministerial Relief an average of from 50 cents each up to $3 per communicant, contributing in all about $25,000 a year.

Then over 3,000 churches fail each year to take a collection for the Board, but in these churches which contribute nothing at all and in these 60 churches which contribute so generously there are but about 200,000 communicants. Deducting these from the whole number of communicants in our Church, we have left over 800,000 communicants in self-sustaining churches in the United States that contribute an average of only 7⅞ cents apiece to the support of 900 families that are cut off from all salary or support from the Church.

### WHAT CAN BE DONE?

If any plan of insurance can be devised that will be better than the one already in operation for Presbyterian ministers, it will necessarily be many long years before its beneficial results can be obtained, and it will be utterly impossible for it to be of any avail to the large number of families now on the roll of the Board of Relief, or to those who are now advanced in years and who will inevitably be dependent upon the Relief Fund of the Board for their daily bread.

What, then, is practicable? Can we not apportion the whole amount to be raised among the Synods? Then let the Synods determine how much each Presbytery should raise, and let the Presbytery apportion its amount among its churches according to their ability, and say to them, "This is to be your standard. Aim at raising the amount desired. If you do not raise the amount wanted at your first collection, try again, and if possible raise all that your Presbytery thinks you ought to raise."

Study this table of statistics:

| Wisconsin, | 15,871 | 808 58 | 4,457 50 | 5.1 " |

Look at the very small average amount per communicant in each Synod, and it is evident that something must be done to increase the amounts collected in each congregation.

If the churches were told by their Presbyteries the amount they were expected to contribute to Ministerial Relief they would have something definite to aim at, and most of the churches would contribute about as much as they were asked to contribute.

Then let the churches that have been contributing generously to the cause continue to raise as much as they have been doing, or more, if possible, and the Board can advance to the higher purpose for which it has been organized, namely, to the "support" of her retired ministers and the widows and orphans of her deceased ministers.

| | |
|---|---|
| If 200,000 communicants in the weaker self-sustaining churches would give the average of 10 cents a member, that would produce | $20,000 |
| If 400,000 would give 15 cents a member, that would yield | 60,000 |
| If 200,000 would give 25 cents a member, that would produce | 50,000 |
| If the 60 churches which gave 50 cents to $3 per communicant would continue to give these amounts, that would produce | 25,000 |
| Then we would receive from the churches alone | $155,000 |
| Instead of about | 89,000 |
| An increase of | $66,000 |

If the Board could receive that amount, with what the Board receives from interest on the Permanent Fund, from individual contributions and from unrestricted legacies, it could increase the general average annuities paid to widows from $153 to $200 a year; the amount given to ministers not on the Honorably Retired Roll from $185 to $250, and the amount given to ministers on the Honorably Retired Roll, who have families, from $300 to $400 a year; and all this could be done without burdening any church, however poor.

### Abstract of the Thirty-eighth Annual Report.

The year which has just closed has discovered some facts which are calculated to greatly encourage those interested in the missions of the Freedmen. The increased popular attention to the condition of the negro in our land, the vigorous and serious public discussion of his needs, his capacities and his future must be productive of a lasting good.

Our Board regards it as a most encouraging sign that earnest minds everywhere are giving their attention to this question.

Nothing would have given us greater gratification than to have been able to follow the recommendations of the last General Assembly and enlarge our work fifty per cent. over last year. Only the utmost care and vigilant oversight and foresight and economy have enabled the Board to close the year free from debt. The economy exercised has not lessened the work or diminished the number of workers, though it has not been effected without much self-denial on the part of missionaries and teachers.

The efforts begun through our Woman's Department three years ago to complete the unfinished wing of Ingleside Seminary at Burkeville, Va., and erect additional buildings at Brainerd Institute, Chester, S. C., have been so far successful that the desired funds have been raised and, unless unexpected obstacles are met or building estimates disappoint, the improvements will be completed during this year.

There was a decrease in the amount received from legacies of over $8,300 as compared with last year, and from individuals and miscellaneous sources of $3.000. The receipts from churches, societies and Sabbath-schools and the Woman's Department, however, show gratifying increase of over $8,500. The total receipts from all sources for the year were $182,954.76.

The number of churches that helped us this year in any one way was 4,995, being a gain of 244 as compared with last year. The number of churches that helped us by congregational collections was 4,125, being an increase of 128. There have been in our boarding-schools this year 1,954 young men and women who have not only received instruction in the ordinary branches of education, but have enjoyed the training of a Christian home and the influence and association of earnest, refined and educated instructors.

Last year mention was made of the added facilities and grounds of Harbison College, and we are again permitted to make mention of the kindness of its friends. Mr. S. P. Harbison, so generous in the past, has given it a farm of 200 acres, including buildings at a cost of $5,000.

The number of ministers under our care this year is 211, having pastoral care of 338 churches. There were 1,846 additions on profession to these churches. Total membership reported is 20,764. The amount contributed during the year to their own church support was $40,634, and $2,418 was given for the benevolent Boards of the Church. It is also estimated that $54,096 has been given on the field toward the support of our schools.

### Abstract of the Twentieth Annual Report.

The Board may say to the Church, as Jacob to Laban, though with quite other feelings, "This twenty years I have been with thee." It can add regarding the institutional flock of the Church, what Jacob said about Laban's sheep, "It was little which thou hadst before I came, and it is now increased into a multitude: and the Lord hath blessed thee since my coming." The Board is not ready, however, to draw Jacob's conclusion from the facts and to say with him, "Let me go"; for never before have tokens of the Board's probable usefulness to the Church in the future been as many and as hopeful as at this time.

It is a commonplace among us that higher education is essential to the prosperity, if not to the life, of our Church.

We need educated membership. We need an educated ministry.

It is well known that State and undenominational institutions do not supply us adequately with ministers, or with consecrated laymen and women. This is illustrated by the following statistics recently prepared.

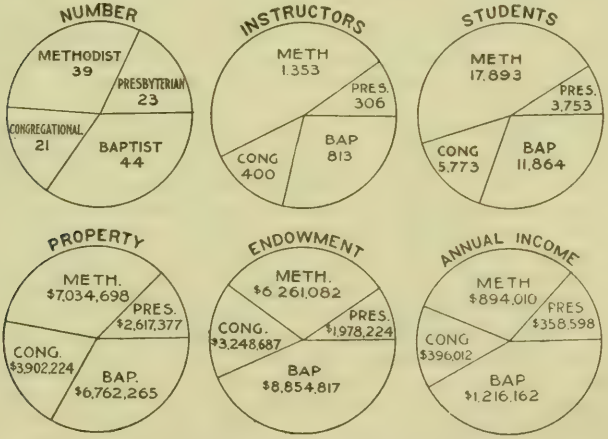
In 8 Presbyterian theological seminaries, in 1901–2, 10 State universities, having 6600 male students, had 28 candidates, or 1 for each 236 university students. The two largest Presbyterian universities, having 1449 male students, an average of 724, had 42 candidates, or 1 for each 34 university students. 8 Presbyterian colleges at Chicago and eastward, having 1288 male students, an average of 161, had 107 candidates, or 1 for each 12 college students. 14 small Presbyterian colleges west of Chicago, having 428 male students, an averege of 30, had 84 candidates, or 1 for each 5 college students. This may be summarized thus:

| | | |
|---|---|---|
| 10 State universities, | 1 candidate to | 236 university men. |
| 2 Presbyterian universities, | 1 candidate to | 34 university men. |
| 8 Presbyterian colleges, | 1 candidate to | 12 college men. |
| 14 small Presbyterian colleges, | 1 candidate to | 5 college men. |

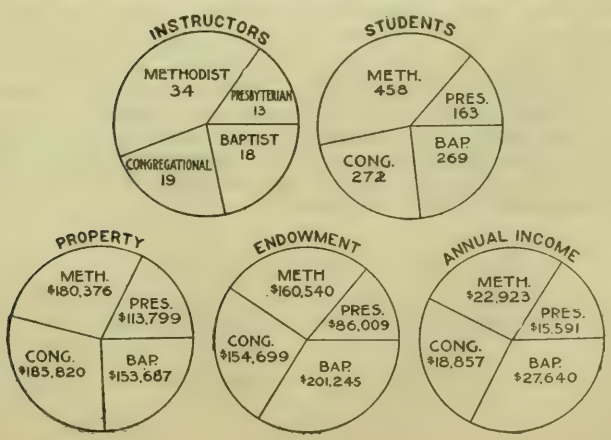
Such facts seem to warrant the following conclusions: As a source of supply for our ministry, the Presbyterian university is better than the State university; the Presbyterian college is better than the Presbyterian university; and the small western Presbyterian college is best of all. What is our Church doing to secure such sources of supply for her ministry?

Our Annual Report of last year gave statistics of colleges and universities of our Church in comparison with those of three other great denominations. Similar statistics, newly compiled from the latest official sources, and graphically illustrated, comparing our colleges in "the West"—that is, Michigan, Illinois, Missouri, Arkansas, Texas, and the region west of these States, being the region of this Board's chief activities—and the colleges of the three other great denominations, are herewith presented:

COLLEGES OF FOUR DENOMINATIONS IN THE WEST.



AVERAGES TO EACH INSTITUTION.



It is believed that our Church fairly equals or surpasses other great denominations in all lines of church activity excepting this college work alone. Of all denominations the one which most strenuously insists upon its need of higher education for its prosperity, if not for its life, it is the one which, in provision for the higher education of its youth, is farthest in the rear! While other great denominations, and some small ones, had boards, committees or designated bishops to attend to founding, fostering and endowing schools and colleges, we did little until we founded this Board in 1883. The results, as the Standing Committee of the last General Assembly said, "call for sorrow and tears." On the whole, we are considerably more than half-way up to the Congregational Church, which has about two-thirds of our membership; but we are in every respect behind the Baptist and Methodist Churches. Alaska, Arizona, Nevada and Wyoming have no Christian colleges. Our Church has none in Arkansas, Colorado, Montana, New Mexico, North Dakota, Oklahoma Territory, Texas and Wisconsin, eight States in which the Baptists have 17, the Congregationalists 10 and the Methodists 7. We have colleges in Idaho and Utah, where there are no other Christian colleges; but the former does no college work and the latter has no building. The Baptist and Methodist Churches have too many colleges, while our Church and the Congregational have not enough. From the table of Averages to Each Institution it appears that we are fairly well off in property values, but deficient in endowment and annual income. Endowment is to provide annual income, and annual income is the life-blood of a college; it makes instructors, libraries and apparatus possible. It is noticeable that our deficiency in instructors and students is in nearly stable ratio to our lack of average annual income. Now this is remediable. Only money is lacking, and our Church has it. Two or three million dollars given to this Board, to be given to institutions on condition that they secure reasonable amounts in their own vicinages, would bring our Western college work right up to the front, in most particulars, in a few years. If the churches would give this Board, instead of $40,000 or $50,000 a year, the $150,000 which every recent General Assembly has said it ought to have, the Board could make such annual appropriations that our aided colleges would be able to have more instructors, better apparatus, more students and better hold on the confidence of their regions; and that would help greatly toward securing endowment in those regions. The money is in our churches; the need is in the West; what holds them apart?

Is this condition remediable? A glance at the situation twenty years ago, when this Board was founded, and at the present situation is encouraging. Then we had but five colleges in the West, mostly in debt, almost without endowment. Now we have 23 colleges which, surviving hardships and hard times, have proved their right to exist. They are practically out of debt, which is distinctly the work of this Board. Endowments of colleges of other denominations, as well as their properties, have come largely from Eastern givers; while the properties and endowments of our own colleges have come, with inconsiderable exceptions, from their own regions. While presidents of colleges of other denominations are annually securing large sums in the East, ours, men of culture and devotion, get little—hardly even a hearing. Hopeful beginnings of endowments secured at home have recently been made in California, Nebraska, South Dakota, Iowa, Missouri, Illinois, Michigan. The movement is full of promise. But no one supposes that it can do all that needs to be done and to be done at once. The help of the whole Church is necessary. Can it be secured?

### Abstract of the Report, 1903.

Your Committee strives to act as a bond of union between the Assembly, Synods, Presbyteries and church members, and endeavors to keep in touch with the whole Church.

* For details, see volume of Reports.

1. We have held the usual number of meetings at our denominational headquarters, 156 Fifth avenue, New York, and these have been well attended and full of pleasure and inspiration. At these meetings plans were adopted for carrying forward the work of the year along the lines approved by the last and preceding Assemblies.

2. We have, as in previous years, carried on an extensive correspondence with the Chairmen of Presbyterial Committees on the subject of Systematic Beneficence. Three circular letters were issued in which the principles, as laid down by the General Assembly, were advocated, suggestions were made and advice was asked.

The result of this correspondence clearly reveals to your Committee not only that we have admirable and unsurpassed machinery in our Presbyterian Church for the prosecution of such work, but, what is better, the machinery generally is well worked. Indeed, it is quite surprising the amount of efficient and effective work that is annually done, in the way of keeping before the mind of the Church the subject of Systematic Beneficence, by Presbyterial Committees. The printed documents sent us by these brethren reveal a grasp of subject and a patience in working out detail that is truly admirable and charming. The printed reports coming to us from many Presbyteries are models of neatness and completeness, giving, as they do, the total contributions of the churches, the amounts given to each Board, the increase or decrease over the preceding year, a list of churches which contributed to all the Boards, and a list of churches which failed to contribute to all the Boards. Charts, giving a bird's-eye view of Presbyterial beneficences, are, in some Presbyteries, hung upon the walls for inspection.

3. Your Committee has given special attention to the matter of literature. From various sections of the country requests came to us from Presbyterial Committees and from individual church members for something new, fresh and convincing on the subject of Systematic Beneficence, and, acting upon these suggestions, nine leaflets or tracts have been printed and large quantities of them distributed throughout the Church to those making request for them. These are as follows:

(1) Consecration of Wealth, by Rev. George F. Pentecost, D.D. (reissued).
(2) Paul's Financial Method, by Rev. Thomas S. Dickson, Edinburgh.
(3) Sustaining the Great Enterprise, by Rev. Thomas Murphy, D.D.
(4) Giving Out of Deep Poverty, by Rev. Asa D. Smith, D.D.
(5) Responsibility of Christian Stewardship, by Rev. Josiah Strong, D.D.
(6) Our Silver and Gold Kept for Jesus, by Frances Ridley Havergal.
(7) Money Giving, a Test of Character, by Rev. Andrew Murray.
(8) Theory of Stewardship, by Rev. Charles S. Robinson, D.D.
(9) Stewardship of Money, by Rev. F. B. Meyer.

4. In order to ascertain what the General Assembly has enunciated as "guiding principles" on the subject of Systematic Beneficence, we have made a careful study of the reports of Special and Standing Committees on this subject to the Assembly, and the acts and deliverances of the Assembly itself, for the past decade. This survey shows:

(1) The Assembly believes that system is a necessity, but in 1899 the Assembly refused to adopt any hard and fast lines. Each church must have a system, but members are left free to give a tenth, a fifth, a third, a half or the whole. Churches are left free to make an offering each Lord's Day for benevolent objects and distribute the total according to a fixed schedule among the denominational agencies, or churches may set apart definite days for specific causes when appeals may be made by the living voice of minister, missionary and secretary.

(2) The Assembly has repeatedly urged the members of the Church to give a generous proportion of their income to the work of Christ; and in 1897 it recommended that an offering be made each year by each church to every Board.

(3) Another valuable suggestion was made some years ago, viz.: That advanced pledges be received from church members, stating the amount they would give to the various benevolent agencies of the Church. In 1897, 100,000 pledge-cards were printed and circulated; but this effort did not meet with great encouragement, since many church Sessions failed to perform the necessary detail work in order to make the plan a success.

(4) The annual roll-call in Presbyteries of churches is an excellent thing, and it is gratifying to learn that this custom is observed in an increasing number of our Presbyteries. This gives definiteness to the work and Presbyterial oversight of the churches.

(5) The Church, by the action of the Assembly, has repeatedly approved of the distribution of literature among churches and church members.

5. Acting upon the recommendation of the Assembly, your Committee received from the Boards of the Church lists of churches which had not contributed up to the 1st of March, and forwarded the same to the Presbyteries, requesting that attention be called to the delinquency.

6. Referring to the report of the Special Committee of last year, and noting the fact that many congregations provide for their congregational expenses, in whole or in part, by the envelope system, your Committee has furnished to churches requesting the same packages in colors of Systematic Beneficence envelopes, to be placed among the envelopes used for the regular support of the congregation, these to be used at least once each month.

7. Your Committee is persuaded that the cause of Systematic Beneficence ought to be laid upon the hearts and consciences of all our church members strongly and persistently. How else are we to secure the "sinews of war" each year—the gold with which to preach the Gospel to the ends of the earth? Too little of the accumulated wealth of Presbyterians flows into the Treasury of the Lord. It is estimated that the wealth of the United States in 1900 was $90,000,000,000—an increase of $25,000,000,000 in ten years. In 1860 our total wealth was only about $16,000,000,000; thus our nation saved during the past ten years $9,000,000,000 more money than the nation owned in 1860. Of this increased wealth God has given to the members of the Presbyterian Church quite a fair proportion. It is our duty to keep on in the path we have been treading for the past decade. From our 7,000 churches and from our 1,000,000 members we must, in some way, secure an annual contribution to each spiritual agency of the Church. We recommend:

(1) That pastors take hold of this whole question anew, discuss it, preach upon it repeatedly, distribute literature to their people and secure an offering from each church member. After all, this business rests largely with pastors.

(2) Presbyterial and Synodical Committees are urged to keep up the circulation of ideas on the subject of Systematic Beneficence, and to press hard upon the hearts of the people the privilege and duty of giving.

(3) We beg to repeat the suggestion and recommendation of former Committees that careful instruction be given in our theological schools on the subject of Systematic Beneficence.

(4) We urge Presbyterial Committees to correspond with the Secretary of this Committee, Rev. William H. Hubbard, D.D., Auburn, N. Y., in case literature is desired, and with Mr. Adam Campbell, 156 Fifth avenue, New York, in case they wish envelopes for benevolent contributions.

The following is a survey of our denominational beneficences as prepared by the Secretary of this Committee, Rev. William H. Hubbard, D.D., LL.D.:

### ABSTRACT OF THE TWENTY-SECOND ANNUAL REPORT.

The Permanent Committee on Temperance, in presenting this report, would make sorrowful mention of its bereavement in the calling away by death of two faithful and beloved members.

Rev. John J. Beacom, D.D., our Chairman, after a long illness entered into rest September 19, 1902.

Mr. George Irwin, who had for years served the Committee as its Recording Secretary, died November 4, 1902.

When we recall how inspiring to us all was the zeal of these brethren in the work devolved upon the Committee, and how valuable their counsels, our hearts are burdened with a sense of loss; but gratitude is due to God, who giveth such grace to men and who provideth that though the workmen fall the work goes on.

Having been instructed by the last General Assembly to memorialize the United States Congress for the enactment of laws prohibiting the sale of intoxicating liquors in Old Soldiers' Homes, in public Government buildings and in immigrant stations, your Committee has secured the presentation of such memorial to both the Senate and the House of Representatives, in the name of the General Assembly of the Presbyterian Church in the U. S. A.

The Permanent Committee also addressed a letter to the President, earnestly deprecating the proposed opening on the Lord's Day of the approaching Exposition at St. Louis, Mo., to which the Federal Government had made large appropriation, conditioned on Sunday closing of the Fair. When the fact transpired that the funds were about to be paid over without adequate guarantee from the Fair Managers of the fulfillment of the stipulated conditions, there was prompt protest and earnest appeal to the President from Christian people and Christian organizations on all sides, and there is reason to believe that only thus was a serious peril averted.

The three objects in national legislation which the last General Assembly called on our Committee especially to seek were included in the Immigration Restriction Act and the McComber Bill. Another measure which if secured must prove of very great value to the cause of Temperance is the Hepburn Bill, designed to prevent the importation of liquors into prohibition States or local option districts, as now practiced under the Inter-State Commerce law.

For awhile it seemed, last autumn, as if the anti-canteen law was in danger of repeal. In this anti-canteen conflict we record with gratitude that "we are more than conquerors." Not only did Congress decline to repeal the law, but it has greatly reinforced it by the appropriation of an additional half million dollars to provide comforts, recreations, etc., for our soldiers, thus sweeping away the grounds on which many demanded the restoration of the bar-canteen.

We congratulate the General Assembly upon the enactment into law by the recent Congress of some of the measures for which your Committee was called on to labor.

At Ellis Island, N. Y., the thousands of immigrants daily arriving will

no more be met, as heretofore, the moment they set foot on land, by the solicitations of a saloon authorized by this great Government. And the American citizen visiting the Capitol building at Washington will not be made to blush with shame and indignation at finding this foul foe of God and humanity, the saloon, plying its nefarious trade openly and impudently within those walls. The Capitol grog-shop is gone, and we thankfully believe gone forever.

Two letters received by your Committee from Dr. John G. Paton overflow with expressions of thanks for the help rendered in securing the passage of the Gillett-Lodge Bill by the United States Congress. That venerated man of God is again among his beloved islanders, and is much cheered with the prospects of the work, hitherto so grievously obstructed by the trade in rum and firearms. Is it not a painful reflection that eight years of effort were required to bring our Government to rebuke and prohibit the heathen traffic?

The last General Assembly ordered the transmission to the Triennial International S. S. Convention at Denver, Col., its emphatic protest against the elimination of the quarterly temperance lesson from the lesson series. This action of the General Assembly was suggested by the Permanent Committee on Temperance was taken after due deliberation and discussion, and we are convinced contributed, with the numerous protests coming from all quarters, to the saving of the temperance lesson.

The statement of our Treasurer at this date (April 15) shows that offerings for this cause during this year have reached the sum of $2,180.02, a decided gain over last year's aggregate.

We feel cheered by this advance in our receipts, but it is a cause of regret that so large a portion of this sum remains as a balance in our treasury. As this gain could not be foreseen, and as a large part of it occurred in the receipts of the last month of the fiscal year, no more than the usual amount of literature has been issued—about 1,000,000 pages. We make grateful mention of the help rendered by the Board of Publication and S. S. Work in printing for us an edition of the Temperance Catechism numbering 10,000, and a like edition of Tract No. 6.

Your Committee has made repeated efforts to impress on the readers of our Annual Report our conviction of the importance to the success of the cause of temperance of a more extensive use of the printing press. The deadly torpor of the American people regarding the drink curse must be broken or ruin, swift and inevitable, must fall on every precious interest, material or spiritual. Of the efficacy of the press as a means of promoting the cause of temperance actual test was made and demonstration secured by General Neal Dow, who tells us that he covered the State of Maine "shoe-mouth deep" with temperance literature, and thus where drunkenness and consequent thriftlessness, vice and crime were rife, a correct public sentiment was developed, the traffic was outlawed and the State redeemed.

Our denominational papers speak on this question, and no doubt their columns would be found open to more frequent presentations of the various phases of the subject if interesting temperance reading were offered. One or two pages of temperance matter is now borne abroad each month over the whole Church by the *Assembly Herald*.

The Presbyterian Board of Publication and S. S. Work issues many excellent temperance books and tracts, and we make the suggestion that to our million Sunday-school scholars there should be frequent presentation in all our Sunday-school periodicals of total abstinence and prohibition as the proclaimed temperance creed of our Church.

The Presbyterial Committees on Temperance have been repeatedly urged by the General Assembly to send to its Permanent Committee a yearly temperance narrative, which may aid in supplying material for its annual report to the General Assembly.

Of the following blank form for Sessional reports 7,700 were sent abroad through the Presbyterial Committees:

I. Is there in your church a Committee on Temperance under appointment from the Session or any of your societies? If so please write here name and address of chairman.

II. Is your influence from pulpit, Sabbath-school and young people's and other societies wielded for total abstinence and the banishment of social drinking customs and of the liquor traffic?

III. Are Christian citizens endeavoring in the primaries and at the polls to stand together for such men and such measures as give promise of the suppression of the saloon?

IV. Indicate what lines of temperance work have been undertaken and with what success.

(*a*) Observance of Temperance Sunday?
(*b*) Number of temperance meetings?
(*c*) Pledge signing?
(*d*) Temperance literature distributed?
(*e*) Petitions? Remonstrance against license? Local option struggles?
(*f*) Funds contributed to Permanent Committee work?
To cause in general?

V. Facts or suggestion?

To the first question on this list a very large majority of the Sessions answer in the negative. Despite the insistence of the General Assembly on this point, and of many Synods and Presbyteries also, but a very small percentage of our Church report organizations for temperance work according to the plan adopted by our Church.

To the second inquiry scarcely a single negative reply has come. Some, not content with simple affirmation, seek, in one way or another, to make their answer more emphatic. If these reports represented all our Presbyteries, or if each of these narratives adequately described the situation in all the churches within their Presbyterial bounds, then should "our mouth be filled with laughter and our tongue with singing." But in everyone of these narratives, we are told with sadness, that many Sessions, perhaps a majority, had made no response to the inquiries sent them. We are told again and again that most of the great churches in the cities and larger towns never report. Let us not delude ourselves. While we ought to thank God for the great things He hath done for us, yet manifestly "there remaineth very much land to be possessed."

Various answers are given to the third inquiry, but the majority represent Christian citizens as derelict in this regard. This is charged in some of these reports to a strong unreasoning attachment to party. Good men will talk temperance and pray for the banishment of this overshadowing curse of our land, but on election day line up with their party, utterly regardless of the temperance cause. We are happy to report that there are some indications of progress toward correct views on this vital point among our ministers and people. There is some quickening of conscience relative to civic duties, and our people are instructed from many pulpits that no less at the ballot-box than in the prayer-meeting and at the communion table they are Christ's men.

But manifestly not a few are being seized with the conviction that "it is now high time to awake out of sleep." From the facts reported in some of these narratives we have cheering proof that in greater degree than usual "Christian men have been standing together at the polls for the suppression of the saloon." From Presbyteries in New York, New Jersey, Pennsylvania and from various Western States come accounts of brave struggles here and there against this licensed iniquity.

In Tennessee there is joyful enthusiasm, the election day which decreed the banishment of this hated foe being closed with ringing of bells and public thanksgivings to God. In some towns the anti-saloon vote was well-nigh unanimous, and under the four-mile law all the towns in the State except seven or eight are now rescued from this enemy.

In Ohio one report represents the churches as "aroused as they have not been before." Another says, "Much has been accomplished through the Anti-Saloon League. By local option under the Beal law saloons have been driven from many of our towns and townships."

Reports from Indiana are especially cheering. The chairman of the temperance committee of White Water Presbytery says: "At the last meeting of the Synod of Indiana the chairman of each presbyterial committee was made a member of the executive committee of the Indiana

Anti-Saloon League. The Anti-Saloon League set out last August to close one hundred saloons each month for a year. It has thus far more than redeemed its promise." An effort by the brewers to secure the repeal of the blanket remonstrance clause of the Nicholson law, though backed as they boasted by a $500,000 lobby, met inglorious defeat when the aroused Christian people deluged the Senate and House with their petitions.

The country has of late been often assured through the public press that in Kansas prohibition sentiment is decadent. Liquor men made determined efforts in the Legislature for resubmission of the prohibitory clause of the Constitution, but suffered defeat. Furious, they boasted that they would carry the point by appeal to the people. The insult has been rebuked in thunderous tones by an aroused people.

From North Dakota a report brings us the news that in the Legislature the effort to have the prohibitory law resubmitted was defeated by a large majority.

From Washington comes the good news that in response to the petitions of the citizens the Legislature has adopted a local option law. Only four license States are still without such law. One of these, Pennsylvania, has petitioned her Legislature for such privilege, but has again been refused. Legislators at Harrisburg well know that the brewers, distillers and saloonkeepers, be they called Republicans or Democrats, will stand together at the polls when the liquor interests are an issue, and will laugh to scorn the demand that trade interest be subordinated to those of party; therefore when the liquor interests speak, legislators hearken. Is it hard to perceive why the petitions of the good people of the Commonwealth, though far more numerous, were disregarded?

For almost a century our Church, through her General Assembly, has been uttering and reaffirming with constantly increasing emphasis her testimony on the subject of temperance, declaring "both the sale and use of alcoholic stimulants as a beverage to be contrary to God's word and wholly inconsistent with the claims of Christian duty." The traffic is declared to be "an inexcusable curse to our country and our age, which all our ministers are enjoined to oppose by effort, voice and vote." And the political parties are advertised of this position of our Church, with notice served that no party should expect the support of Christian men while "committing itself to the license policy or refusing to put itself on record against the saloon." Language more explicit, more emphatic and more intense than than that which composes the temperance deliverances of the General Assembly can hardly be conceived.

In California some earnest and effective work is done by combining the efforts of the various churches, as told us in the report from Oakland Presbytery.

Over the vast State of Texas prohibition sentiment seems to be spreading fast, and now only a few counties still harbor the vile thief and murderer —the saloon.

While here and there in this battle with evil there may be wavering of the lines and some retrograde movement, as in Vermont, yet our whole land over from Maine to Texas and from Washington to Florida shows general advancement.

Reports on the several items included in the fourth question on the blank indicate a more general observance of Temperance Day and frequent temperance meetings in many places.

The world-wide pledge-signing campaign inaugurated by the National Temperance Society has been heartily seconded by your Committee, and we have been sending abroad pledge cards and literature bearing on the subject. It is our purpose to devote increased attention to the forwarding of this important work, especially among the children and youth.

Very many of our churches have never yet begun the use of temperance literature, though the Permanent Committee offers free its issues—albeit rather a meagre assortment as yet.

From the meagre information brought us regarding contributions, we can only say that the offerings of Presbyterians to the cause of temperance given through various channels, and especially through the Anti-Saloon

League, must aggregate a very large sum. A single church, the Third Church of Pittsburg, reports $1,000 contributed through this channel.

A great company of Presbyterian women are actively and efficiently promoting the cause of temperance in connection with the Woman's Christian Temperance Union. From the Presbyterian Women's Temperance Association, an auxiliary of the Permanent Committee, we have no formal report, but we know that it has been circulating much literature and securing the signing of the pledge in churches in Philadelphia and vicinity.

The Woman's Synodical Temperance Association of Pennsylvania, also auxiliary to the General Assembly Committee, sends a report from which we perceive that Mrs. Ellen M. Watson, its secretary, is still, though in the eighth decade of her life, "in labor more abundant" for the Master. She has sent all over the land 100,000 leaflets, 660 copies Craft's *Protection of Native Races*, and 3260 copies of that effective temperance story, *Black Rock*.

A look all around the horizon supplies the Christian patriot and philanthropist ground for thanksgiving, but also occasion for prayer and effort. The temperance teaching in the public schools, now compulsory in every State of the Union, the new demand for abstaining employees now so general among railway companies, manufacturers and merchants, and the distinction which the life insurance companies are beginning to make between moderate drinkers and total abstainers as "risks"—all this must prove greatly helpful to the cause of temperance. And yet when we face the figures in the following table, which we have copied from the abstract issued by the U. S. Treasury Department, showing the continual deepening and broadening of the awful stream which bears away to death 100,000 yearly—

When we see our Government replenishing its treasury by selling permits to wreck fortunes, shatter bodies and minds, ruin homes, blight hopes, crush hearts and damn souls; when we look on all this and remember that God is just, it ill befits us to fold our hands and close our eyes in optimistic visions of the future. "What meanest thou, O sleeper. Arise, and call upon thy God."

We suggest that recommendation be made of the observance of Temperance Day on the fourth Sunday of November.

The Permanent Committee, if so instructed, desire in the name of the General Assembly to memorialize the Government at Washington for the passage of the Hepburn Bill.

We suggest that the supreme judicatories of sister Churches be requested to appoint Committees on Temperance similar to your Permanent Committee, with a view to mutual conference and combined efforts in combating this common foe.

In behalf of the Committee,

JOHN F. HILL, *Corresponding Secretary.*

The above statement shows, in general, the financial condition of the General Assembly from year to year for twenty Assemblies. The management which began with 1884 resulted in such economies that a surplus was accumulated, which enabled the Assembly to meet in Portland, Oregon, in 1892, and Los Angeles, Cal., without calling for additional funds from the Presbyteries, and also reduced the apportionments from 1896 to date. The interest earned during the period amounted to $28,330.89.

WILLIAM H. ROBERTS.

*The Assembly year is in each case that of the year first given, *i. e.*, the ecclesiastical year 1902-1903 is the year of the Assembly meeting in 1902.

# V. Miscellaneous.

## I. THE MILEAGE AND CONTINGENT FUNDS.

SPECIAL attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chap. xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly by their Commissioners.

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage.—N.B. It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual Minutes of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *three cents* for Mileage, and *one and one-half cents* for Contingent Expenses, or in all *four and one-half cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

### ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *one and one-half cents* per church member, and to forward it, with the Mileage Fund, to the Stated Clerk of the Assembly. It is to be disbursed by the Committee of Arrangements, whose bills for entertainment the Stated Clerk, as Treasurer, is authorized to pay, after they have been approved by an Auditing Committee composed of the clerks of the Assembly.

☞See, also, *Minutes* of 1903, p. 168.

## II. THE ANNUAL MINUTES.

The Minutes for 1903 will be supplied at *One Dollar* per copy, postage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery that has paid its full apportionment to the Mileage and Contingent Funds of the Assembly), to every ordained minister, and to the Session of each contributing *vacant* church, *whose address is known;* also to every ordained missionary of the foreign Presbyteries. A supplementary number of the Minutes will be issued in January, 1904, showing ecclesiastical changes to date, and can be had on application to the Stated Clerk.

## III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangement of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up, and forwarded, without delay, to the Stated Clerk of the Assembly.

## IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 349*g* of the present Appendix; a printed blank for which will be furnished in due season, by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of the State of Religion* within the bounds of the Presbytery, for the year ending April 1st. A blank for the Narrative was adopted by the General Assembly of 1902, p. 23, and a copy will be forwarded to every Stated Clerk. By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly at least ten days before the meeting of that body. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Committee of the Assembly in preparing their Annual General Narrative of the State of the Church. The blank for the Congregational Narratives, ordered by the Assembly of 1895, can be had from the Stated Clerk of the Assembly. See *Minutes*, 1903, p. 23.

## V. STATED CLERKS OF PRESBYTERIES.*

## IX. STANDING ORDERS AND RULES.

1. The General Assembly meets invariably on the third Thursday of May, annually, at 11 o'clock A.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows:

The evening of Friday, the second day, to the Board of Publication and Sabbath-school Work and the Sabbath-school interests of the Church.

The afternoon of the first Sunday, to the Woman's Executive Committee of Home Missions; the evening to the Board of Aid for Colleges and Academies.

The evening of Monday, the fourth day, to Missions among the Freedmen.

The evening of Tuesday, the fifth day, to the Home Mission Work.

The evening of Wednesday, the sixth day, to the Foreign Mission Work.

The evening of Friday, the eighth day, to the causes of Young People's Work and Temperance.

5. For the purpose only of electing Standing Committees, the General Assembly shall be divided into twenty-two Electing Sections of, as nearly as practicable, equal size, by combining the smaller Synods and dividing the larger by Presbyteries where necessary. The Standing Committees, except those on Mileage and Finance, shall be numbered consecutively; the Electing Sections shall be numbered in like manner.

The Standing Committees shall each consist of twenty-three members, including the Chairman, except the Committees on Mileage and Finance, which shall each consist of twelve elders. Eleven members of the Committees on Mileage and Finance and eleven ministers and eleven elders of the other Committees shall be chosen by the Electing Sections as herein provided. The Moderator shall, as soon as possible after his election, appoint a member of each Standing Committee, who shall be the Chairman thereof; provided that he shall not appoint more than one member and Chairman from the same Electing Section, and that he shall always appoint the retiring Moderator as a member and Chairman of the Committee on Bills and Overtures.

If the Moderator shall appoint as a member and Chairman of any Standing Committee any one chosen by any Electing Section as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee caused by the Moderator's appointment.

On odd-numbered years each odd-numbered section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee, and one elder for the Mileage Committee.

On the same year, each even-numbered section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee, and one elder for the Finance Committee.

On the even-numbered years this order shall be reversed.

After the election of a Moderator, the Permanent Clerk shall report absentees from the first roll call. Vacancies in the Electing Sections may then be filled by the Assembly. The Stated Clerk shall designate one Commissioner in each Section to receive any necessary papers for the Section. The Sections shall meet, as far as practicable, at the close of the second session of the first day. Reports from the sections shall be handed to the Stated Clerk by the opening of business on the morning of the second day. The quorum of an Electing Section shall be the same in number as the quorum of the Assembly, viz., fourteen.

6. The reports of the Standing Committees shall be considered at the times herein designated, viz.:

Ministerial Relief, Saturday, at 10 o'clock A.M.

Freedmen, Monday, at 10 o'clock A.M.

Education, Monday, at 3 o'clock P.M.

Home Missions, Tuesday, at 10 o'clock A.M.
Aid for Colleges and Academies, Tuesday, at 3 o'clock P.M.
Foreign Missions, Wednesday, at 10 o'clock A.M.
Publication and Sabbath-school Work, Wednesday, at 3 o'clock P.M.
Young People's Societies, second Thursday, at 10 o'clock A.M.
Church Erection, second Thursday, at 3 o'clock P.M.
Benevolence, Second Thursday, at 7.30 o'clock P.M.
Temperance, second Friday, at 3 o'clock P.M.

7. That the Standing Committees on Home Missions and Foreign Missions have each two and a half hours; and those on Education, Publication, Church Erection, Ministerial Relief, Freedmen, Temperance, Aid for Colleges and Young People's Societies, have each one and a half hours. That the Secretaries and the Chairmen of the Standing and Special Committees be requested to make their statements within the limits of half an hour, and that the remainder of the time allotted to the Committees be assigned to the Commissioners and to the agents from the fields of service.

8. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same, and then deliver them for distribution or reference to the Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee.

9. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their reports on the second day of the session.

10. The Stated Clerk shall have printed and ready for distribution, so far as practicable, on the morning of the day fixed for their consideration, the resolutions appended to the reports of Special Committees appointed at previous Assemblies to report at that meeting.

11. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon, provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 113].

12. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 113].

13. Each Board and Permanent Committee is instructed to send up its minutes with its report, that these minutes may be reviewed by the Assembly on the report of the appropriate Standing Committee [1885, p. 690].

14. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

15. In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterial organization, there are no Presbyteries in connection with this Assembly, each Mission organized as such under our Board of Foreign Missions may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile in this country to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247].

16. No person shall serve as a member of a Board who is a salaried executive officer or employé of said Board, or a member of any other benevolent Board of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

17. Any vacancy occurring in the membership of any of the Boards of the Church during the interval between the Assemblies may be filled until the next succeeding meeting of the Assembly by the Board in which such vacancy may occur [1887, p. 128].

18. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 209].

19. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee before action by the Assembly [1892, p. 199].

20. The recommendation of any particular congregation to the benevolence of the denomination by the General Assembly is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1893, p. 41].

21. All Overtures must be presented to the Assembly not later than the fifth day of its sessions.

22. The Stated and Permanent Clerks shall be a Committee to have the oversight of arrangements for the entertainment of the General Assembly [1896, p. 130].

23. All Reports of Special Committees shall be delivered to the Stated Clerk thirty days prior to the meeting of the General Assembly, and shall be printed by him and delivered to Commissioners in bound form on the second day of the sessions [1897, p. 144].

24. Upon the original appointment of any salaried executive officer of any of the Benevolent and Missionary Boards of the Church, such appointment shall be subject to the approval of the General Assembly [1898, p. 132].

25. The Moderator, with the Stated and Permanent Clerks, should an emergency requiring action at any time arise, are authorized to provide a new place of meeting for the General Assembly.

## GENERAL RULES FOR JUDICATORIES.

The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. The rules were amended by the General Assemblies of 1885 and 1887.]

I. The Moderator shall take the chair precisely at the hour to which the judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present, *being a commissioner*, or if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the standing committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members; but he shall not vote in any other case, unless the judicatory be equally divided; when, if he does not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the clerk immediately to file all papers, in the order in which they have been read, with proper indorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report the papers retained by it as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory.

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its session, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, namely: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall only be admitted when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule the "yeas and nays" shall not be called, except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If on such a rising

vote the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order; or for the purpose of correcting mistakes, or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable, that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely in their speeches to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business, which in their judgment ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. In all cases before a judicatory, where there is an accuser or prosecutor, it is expedient that there be a committee of the judicatory appointed (provided the number of members be sufficient to admit it without inconvenience), who shall be called the "Judicial Committee," and whose duty it shall be to digest and arrange all the papers, and to prescribe, under the direction of the judicatory, the whole order of proceedings. The members of this committee shall be entitled, notwithstanding their performance of this duty, to sit and vote in the cause, as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung, an appropriate psalm or hymn, and shall pronounce the apostolical benediction.
